Apple Watch Series 5 is the latest Smartwatch in the Apple lineup. It offers several unique features to make the users more active and better monitor their health among several other great features for humanity. This high-end Smartwatch could be useful for business users, including improved travel notifications and call capabilities. The Apple Watch looks pretty attractive, right? People have told you all about the cool features: like if you fall or are in danger, it would automatically call for help on your behalf! They've told you about how you can send a text from your wrist, how you can make a phone call, and many more. As amazing as all the new features are, it's not quite as easy to use as an iPhone; the lack of buttons, the smaller screen, and general UI can make a frustrating initial experience. It looks nothing like the iPhone or iPad interface you are used to--except for a handful of icons. Are you ready to become a world-class spin master? Ted Dekker's bestselling and most beloved series—together in one volume. It's an epic tale of evil and rescue, betrayal and love, and a terrorist threat unlike anything the human race has ever known. Thomas Hunter is an unlikely hero who finds himself pulled between two worlds. In our reality, he works in a coffeehouse. In the other, he becomes a battle-scarred general leading a band of warriors known as the Circle. Every time he falls asleep in one reality, he wakes in the other—and both worlds are facing catastrophic disaster. In one world, Thomas must race to outwit sadistic terrorists intent on creating a global pandemic by releasing an unstoppable virus. In the other, far into the future, a forbidden love could forever destroy the Circle's ragtag resistance. Thomas can bridge both worlds, but he quickly realizes that he may not be able to save either. In this mind-bending adventure, the fate of both worlds now rests on his ability to shift realities through his dreams—and somehow, find a way to change history. Four novels. Two worlds. One story. Praise for the Circle series: "As a producer of movies filled with incredible worlds and heroic characters, I have high standards for the fiction I read. Ted Dekker's novels deliver big with mind-blowing, plot-twisting page-turners. Fair warning—this trilogy will draw you in at a breakneck pace and never let up. Cancel all plans before you start because you won't be able to stop once you enter Black." —Ralph Winter, Producer—X-Men, X2: X-Men United, StarTrek V: Final Frontier Bestselling epic fantasy series One volume that contains all four novels in The Circle series: Black, Red, White, and Green Includes an alternate ending to Green Bonus interview with the author Spook anyone silly with these 52 terrifyingly fun activity ideas, making Halloween all the more eerie.
