A Student's Overview of the Ageless Wisdom - Book of Study Quizzes

Aug 20 2022 INTRODUCTION BY THE EDITOR: This Book of Study Quizzes was designed to serve as a companion to the compilation, A Student's Overview of the Ageless Wisdom, by allowing students to approach the teachings from a highly concrete, yet also intuitional, perspective. There are 800 questions, for example, which each have one specific, concrete answer; yet students may approach the questions either

through lower mind via study and memorization, by the intuition, or by a combination of the two. The seemingly mundane act of working through the questions on the quizzes will assist with the awakening, development and integration of the higher senses within the student. The goal of compiling some of the most essential teachings of the Ageless Wisdom into an Overview is focused upon: a) Providing a form that assists with the acquisition of the information: This involves abridging the original books into forms that are more conducive to practical study. b) Providing a form for the assimilation of the knowledge: This involves the study, review and personal practice of that knowledge which is acquired. c) Providing a form for the radiation of the wisdom: This involves the utilization and sharing of the light of wisdom, and includes activities such as creation, mentoring and teaching. This Quiz Booklet is separated into two sections: 1) Section One: 7 Quizzes based on the Overview of the Ageless Wisdom 2) Section Two: 2 Quizzes based on Tapestries of the Gods Section One contains seven quizzes based upon the six books covered in the Overview. Students may choose to take them open-book, meaning that they allow themselves to look up the correct answers as they progress through each quiz, or they can rely completely upon memory and intuition. Their results should guide them to their weaker areas which may require more study. Section Two references the first volume of Tapestries of the Gods by Michael D. Robbins, Ph.D. and includes an objective quiz on Identification of the Seven Rays and one subjective quiz aimed at the Self-Identification of one's Personal Rays. Students are encouraged to self-identify the Rays of their Soul and Personality, as well as the Rays of their Mental, Astral and Physical-Etheric bodies. Students may record their answers on the included Answer Sheets but are encouraged to make copies of them first, download a PDF copy or make their own. Links to PDFs and self-grading quizzes are available at www.LoveAndLightGames.com I believe that much of the Ageless Wisdom is now being acquired and assimilated into the human collective-consciousness, and will be put to ever-greater and more intelligent use as the Aquarian age gains momentum, so that the sacred knowledge of the Ageless Wisdom will eventually become common-knowledge throughout an enlightened and unified humanity. Through the intelligent application of love, may we learn to know ourselves and our brothers, and let stand revealed those long-hidden Teachers to Whom we have ever been known. In Unity, Love and Light, Patrick Westfall, December 21, 2020
