My Name is Victoria Dec 26 2020 Argentina's coup d'état in 1976 led to one of the bloodiest dictatorships in its history—thirty thousand people were abducted, tortured, and subsequently “disappeared.” And hundreds of babies born to pregnant political prisoners were stolen from their doomed mothers and “given” to families with military ties or who

were collaborators of the regime. Analía was one of these children, raised without suspecting that she was adopted. At twenty seven, she learned that her name wasn't what she believed it to be, that her parents weren't her real parents, and that the farce conceived by the dictatorship had managed to survive through more than two decades of democracy. In *My Name is Victoria*, it is no longer Analía, but Victoria who tells us her story, in her own words: the life of a young and thriving middleclass woman from the outskirts of Buenos Aires with strong political convictions. Growing up, she thought she was the black sheep of the family with ideas diametrically opposed to her parents'. It wasn't until she discovered the truth about her origins and the shocking revelation of her uncle's involvement in her parents' murder and in her kidnapping and adoption that she was able to fully embrace her legacy. Today, as the youngest member of congress in Argentina, she has reclaimed her identity and her real name: Victoria Donda. This is Victoria's story, from the moment her parents were abducted to the day she was elected to parliament.

Romantic Country Style Apr 22 2023 Shows how to decorate a home in the English country style, with sections devoted to interior rooms

and living spaces as well as outside decks, patios, and gardens

Locked In May 31 2021 ESPN personality, former Dancing with the Stars contestant, and Paralympics champion Victoria Arlen shares her courageous and miraculous story of recovery after falling into a mysterious vegetative state at age eleven and how she broke free, overcame the odds, and never gave up hope. When Victoria Arlen was eleven years old, she contracted two rare diseases simultaneously and fell into a mysterious vegetative state. For two years her mind was dark, but in the third year, her mind broke free, and she was able to think clearly and to hear and feel everything—but no one knew. Her doctors wrote her off as a lost cause, and Victoria remained a prisoner in her own body for nearly four years. But every day, silently in her own mind, Victoria would pray to God, and she promised Him that if He gave her a second chance, she would make every moment count, and change the world for the better. At fifteen, against all odds and medical predictions, Victoria woke up. Finally she was able to communicate through eye blinks, and gradually, she regained her ability to speak and eat and move her upper body, but she faced the devastating reality of paralysis from the waist down because of damage to her spine.

However, Victoria didn't lose her strength or steadfast determination, and two years later, she won a gold medal for swimming at the London 2012 Paralympics. She went on to become one ESPN's youngest on air-personalities and, after nearly ten years of paralysis, she learned to walk again and even competed on Dancing with the Stars. In Locked In, Victoria shares her inspiring story—the pain, the struggle, the fight to live and thrive, and most importantly, the faith that carried her through. Her journey was not easy, but by believing in God's healing power and forgiveness, she is living proof that, despite seemingly insurmountable odds and challenges, the will to survive and resolve to live can be a force stronger than our worst deterrents.

Serving Victoria ____ Jan 27 2021 During her sixty-three-year reign, Queen Victoria gathered around herself a household dedicated to her service. For some, royal employment was the defining experience of their lives; for others it came as an unwelcome duty or as a prelude to greater things. Serving Victoria follows the lives of six members of her household, from the governess to the royal children, from her maid of honor to her chaplain and her personal physician. Drawing on their letters and diaries—many hitherto unpublished—Serving Victoria offers a unique insight into the

Victorian court, with all its frustrations and absurdities, as well as the Queen herself, sitting squarely at its center. Seen through the eyes of her household as she traveled among Windsor, Osborne, and Balmoral, and to the French and Belgian courts, Victoria emerges as more vulnerable, more emotional, more selfish, more comical, than the austere figure depicted in her famous portraits. We see a woman who was prone to fits of giggles, who wept easily and often, who gobbled her food and shrank from confrontation but insisted on controlling the lives of those around her. We witness her extraordinary and debilitating grief at the death of her husband, Albert, and her sympathy toward the tragedies that afflicted her household. Witty, astute, and moving, *Serving Victoria* is a perfect foil to the pomp and circumstance—and prudery and conservatism—associated with Victoria's reign, and gives an unforgettable glimpse of what it meant to serve the Queen.

Toms Luis de Victoria Jun 19 2020 With over 1,700 entries, this book is the most comprehensive listing to date of writings about Tomas Luis de Victoria and his music as well as recordings and modern editions of his works. Among the features of this guide are a chronology of Victoria's life and publications, a publication history of the 181

authenticated works, and a listing of the 22 prints and 279 manuscripts from the late 16th century to the middle of the 19th century that contain Victoria's works whether they be lost, spurious, or dubious. Comprehensive title and name/subject indexes facilitate the retrieval of the information given in the annotations accompanying each of the sources surveyed

Victoria: The Queen Jul 13 2022 The true story for fans of the PBS Masterpiece series Victoria, this page-turning biography reveals the real woman behind the myth: a bold, glamorous, unbreakable queen—a Victoria for our times. Drawing on previously unpublished papers, this stunning portrait is a story of love and heartbreak, of devotion and grief, of strength and resilience. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES • ESQUIRE • THE CHICAGO PUBLIC LIBRARY “Victoria the Queen, Julia Baird’s exquisitely wrought and meticulously researched biography, brushes the dusty myth off this extraordinary monarch.”—The New York Times Book Review (Editor’s Choice) When Victoria was born, in 1819, the world was a very different place. Revolution would threaten many of Europe’s monarchies in the coming decades. In Britain, a generation of royals had indulged their whims at the public’s expense, and republican sentiment was growing. The Industrial

Revolution was transforming the landscape, and the British Empire was commanding ever larger tracts of the globe. In a world where women were often powerless, during a century roiling with change, Victoria went on to rule the most powerful country on earth with a decisive hand. Fifth in line to the throne at the time of her birth, Victoria was an ordinary woman thrust into an extraordinary role. As a girl, she defied her mother's meddling and an adviser's bullying, forging an iron will of her own. As a teenage queen, she eagerly grasped the crown and relished the freedom it brought her. At twenty, she fell passionately in love with Prince Albert of Saxe-Coburg and Gotha, eventually giving birth to nine children. She loved sex and delighted in power. She was outspoken with her ministers, overstepping conventional boundaries and asserting her opinions. After the death of her adored Albert, she began a controversial, intimate relationship with her servant John Brown. She survived eight assassination attempts over the course of her lifetime. And as science, technology, and democracy were dramatically reshaping the world, Victoria was a symbol of steadfastness and security—queen of a quarter of the world's population at the height of the British Empire's reach. Drawing on sources that include fresh revelations

about Victoria's relationship with John Brown, Julia Baird brings vividly to life the fascinating story of a woman who struggled with so many of the things we do today: balancing work and family, raising children, navigating marital strife, losing parents, combating anxiety and self-doubt, finding an identity, searching for meaning.

Of English Literature in the Reign of
Victoria with a Glance at the Past

Mar 09 2022

Victoria Mar 21 2023 A captivating biography about Queen Victoria (1819-1901), one of England's most fascinating royals. Her long reign was filled with drama, death, intrigue, and passion, and took place during a time of great transformation, an era that bears her name--the Victorian period. Full color. 8 x 10.

We Two Aug 22 2020 NEW YORK TIMES BESTSELLER
"[A] delectable double bio . . . Talk about Victoria's secret. . . . A fascinating portrait of a genuine love match, but one in which the partners dealt with surprisingly modern issues." —USA Today It was the most influential marriage of the nineteenth century—and one of history's most enduring love stories. Traditional biographies tell us that Queen Victoria inherited the throne as a naïve teenager, when the British Empire was at the height of its power, and seemed doomed to

find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master. Now renowned chronicler Gillian Gill turns this familiar story on its head, revealing a strong, feisty queen and a brilliant, fragile prince working together to build a family based on support, trust, and fidelity, qualities neither had seen much of as children. The love affair that emerges is far more captivating, complex, and relevant than that depicted in any previous account. The epic relationship began poorly. The cousins first met as teenagers for a few brief, awkward, chaperoned weeks in 1836. At seventeen, charming rather than beautiful, Victoria already "showed signs of wanting her own way." Albert, the boy who had been groomed for her since birth, was chubby, self-absorbed, and showed no interest in girls, let alone this princess. So when they met again in 1839 as queen and presumed prince-consort-to-be, neither had particularly high hopes. But the queen was delighted to discover a grown man, refined, accomplished, and whiskered. "Albert is beautiful!" Victoria wrote, and she proposed just three days later. As Gill reveals, Victoria and Albert entered their marriage longing for intimate companionship, yet each was determined to be the ruler. This

dynamic would continue through the years—each spouse, headstrong and impassioned, eager to lead the marriage on his or her own terms. For two decades, Victoria and Albert engaged in a very public contest for dominance. Against all odds, the marriage succeeded, but it was always a work in progress. And in the end, it was Albert's early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad, pure and perfect. As Gill shows, the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated. Wonderfully nuanced, surprising, often acerbic—and informed by revealing excerpts from the pair's journals and letters—*We Two* is a revolutionary portrait of a queen and her prince, a fascinating modern perspective on a couple who have become a legend.

Victoria & Abdul (Movie Tie-In)

Nov 05 2021

Soon to be a Major Motion Picture starring
Dame Judi Dench from director Stephen Frears,
releasing September 22, 2017. History's most
unlikely friendship—this is the astonishing
story of Queen Victoria and her

dearest companion, the young Indian Munshi Abdul Karim. In the twilight years of her reign, after the devastating deaths of her two great loves—Prince Albert and John Brown—Queen Victoria meets tall and handsome Abdul Karim, a humble servant from Agra waiting tables at her Golden Jubilee. The two form an unlikely bond and within a year Abdul becomes a powerful figure at court, the Queen's teacher, her counsel on Urdu and Indian affairs, and a friend close to her heart. This marked the beginning of the most scandalous decade in Queen Victoria's long reign. As the royal household roiled with resentment, Victoria and Abdul's devotion grew in defiance. Drawn from secrets closely guarded for more than a century, *Victoria & Abdul* is an extraordinary and intimate history of the last years of the nineteenth-century English court and an unforgettable view onto the passions of an aging Queen.

The Addiction Diaries Aug 26 2023 The clinical side of addiction—a disease that takes the lives of over 150,000 people a year—is written about, analyzed and hotly debated by media outlets the world round. As a result of the overwhelming attention to the facts and figures, the personal side often gets neglected. *The Addiction Diaries: Stories of Darkness, Hope and All That Falls in Between*

is here to remedy that. By turns amusing and insightful, disturbing and illuminating, 18 writers from all socioeconomic levels, races and relationships with addiction share stories that will stay with you long after you read them. A woman trying to save her brother from his gambling addiction. A child heroin user who recovers and finds a calm life. A mother of two addicts who watches them go from jail to freedom. A former bank robber reflecting on nearly two decades of sobriety. Some of the stories may rattle, disturb and bemuse you; all will illuminate addiction like nothing that has come before. An instant classic in the addiction recovery genre, *The Addiction Diaries* will leave you astounded by the triumph of the human spirit and give you an understanding of addiction that goes far beyond the headlines.

The English Maharani Nov 17 2022 Queen Victoria was at the head of the Raj, Britain's Indian empire, for much of her long reign. Passionately involved, she intervened in Indian politics, commissioned artists and photographers to record a landscape and people that she never saw herself, sent her sons as ambassadors to the subcontinent, and surrounded herself with the trappings of the Indian conquest, from the Koh-i-Noor diamond to her own Indian troop escort and servants.

Indian politics and society were in turn fundamentally reshaped by her influence: maharajas vied for her favour, missionaries used her as a tool for conversion and Indian reformers turned to her as a symbol of justice and equality. She also became an object of fascination and veneration: hundreds of popular biographies and tributes emerged from the vernacular printing presses, and her two jubilees of 1887 and 1897 were celebrated with unprecedented gusto. In this new and original account, Miles Taylor charts the remarkable effects India had on the queen as well as the pivotal role she played in India. Drawing on official papers and an abundance of poems, songs, diaries and photographs, Taylor challenges the notion that Victoria enjoyed only ceremonial power and that India's loyalty to her was without popular support. On the contrary, the rule of the queen-empress penetrated deep into Indian life and contributed significantly to the country's modernisation, both political and economic. In this subtle portrayal of Victoria's India, Taylor suggests that the Raj was one of her greatest successes.

This America of Ours May 19 2020 Gabriela Mistral and Victoria Ocampo were the two most influential and respected women writers of twentieth-century Latin America. Mistral, a

plain, self-educated Chilean woman of the mountains who was a poet, journalist, and educator, became Latin America's first Nobel Laureate in 1945. Ocampo, a stunning Argentine woman of wealth, wrote hundreds of essays and founded the first-rate literary journal *Sur*. Though of very different backgrounds, their deep commitment to what they felt was "their" America forged a unique intellectual and emotional bond between them. This collection of the previously unpublished correspondence between Mistral and Ocampo reveals the private side of two very public women. In these letters (as well as in essays that are included in an appendix), we see what Mistral and Ocampo thought about each other and about the intellectual and political atmosphere of their time (including the Spanish Civil War, World War II, and the dictatorships of Latin America) and particularly how they negotiated the complex issues of identity, nationality, and gender within their wide-ranging cultural connections to both the Americas and Europe.

This Savage Song Oct 24 2020 #1 New York Times Bestseller * An Amazon Best Book of the Year There's no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, This Savage Song is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he's one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who's just been kicked

out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August's secret, and after a failed assassination attempt the pair must flee for their lives. In *This Savage Song*, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, *A Darker Shade of Magic*. Her heroes will face monsters intent on destroying them from every side—including the monsters within.

Significs and Language _____ Oct 04 2021 This is the facsimile 1911 reprint of Victoria Lady Welby's very last publication *Significs and Language*. The Articulate form of our Expressive and Interpretative resources. This volume also includes two major essays from the author's hands, 'Meaning and Metaphor' (reprinted from *The Monist* 3:4, 1893), and 'Sense, Meaning and Interpretation' (reprinted from *Mind* 5:17 and 18, 1896), and a selection of several noteworthy and unpublished essays. In the introduction to this volume the editor H. Walter Schmitz exemplifies how Lady Welby developed her significs in discussion and cooperation with numerous highly divergent scientists and scholars of her times; how her ideas influenced other scholars in Europe and the US; and how significs sank to near

oblivion and was finally recovered.

Knowledge in English Sep 15 2022 Focusing on a key area of debate within the world of secondary English, the 'knowledge-based curriculum', this book explores in detail the question of knowledge in the teaching of English in secondary schools, drawing on specific concrete cases and a range of academic theories. Knowledge in English also investigates how to teach both facts and skills through the required texts to produce a balanced educational experience. Elliott brings together classic texts with contemporary knowledge and viewpoints to critically examine teaching in the English literature classroom, and situates them within the broader cultural and political context. The book includes discussions on race and gender in texts, Shakespeare and his influence, facts and emotions in poetry, and reading experiences. Knowledge in English is a foundational and accessible guide for researchers, practitioners, teacher educators and teachers around the world. It is a valuable resource for those involved in the English curriculum to keep the subject relevant and useful to students in the contemporary classroom.

A Most English Princess Aug 14 2022 "In this sweeping, immersive novel, Clare McHugh draws

readers into the mesmerizing world of the eldest daughter of Queen Victoria – Princess Vicky – as she emerges into a powerful force in her own right and ascends to become the first German Empress.” —Marie Benedict, New York Times bestselling author of *The Only Woman in the Room* Perfect for fans of the BBC's *Victoria*, Alison Pataki's *The Accidental Empress*, and Daisy Goodwin's *Victoria*, this debut novel tells the gripping and tragic story of Queen Victoria's eldest daughter, Victoria, Princess Royal. To the world, she was Princess Victoria, daughter of a queen, wife of an emperor, and mother of Kaiser Wilhelm. Her family just called her Vicky...smart, pretty, and self-assured, she changed the course of the world. January 1858: Princess Victoria glides down the aisle of St James Chapel to the waiting arms of her beloved, Fritz, Prince Frederick, heir to the powerful kingdom of Prussia. Although theirs is no mere political match, Vicky is determined that she and Fritz will lead by example, just as her parents Victoria and Albert had done, and also bring about a liberal and united Germany. Brought up to believe in the rightness of her cause, Vicky nonetheless struggles to thrive in the constrained Prussian court, where each day she seems to take a wrong step. And her status as

the eldest daughter of Queen Victoria does little to smooth over the conflicts she faces. But handsome, gallant Fritz is always by her side, as they navigate court intrigue, and challenge the cunning Chancellor Otto von Bismarck, while fighting for the throne—and the soul of a nation. At home they endure tragedy, including their son, Wilhelm, rejecting all they stand for. Clare McHugh tells the enthralling and riveting story of Victoria, the Princess Royal—from her younger years as the apple of her father Albert's eyes through her rise to power atop the mighty German empire to her final months of life.

An Introduction to Language (w/ MLA9E Updates) Apr 29 2021 AN INTRODUCTION TO LANGUAGE, 11th Edition, offers an up-to-date look at language studies and linguistics in today's world. This product is fresh and modern, and includes new developments in linguistics and related fields that strengthen its appeal to a wider audience. At the same time, it maintains the acclaimed light, friendly, readable style and the breadth of coverage that have made it a perennial best seller. The authors examine grammatical subjects (e.g., morphology, syntax, semantics,

phonetics, phonology), childhood language development and adult secondary language acquisition, and the tremendous leap in knowledge achieved in neurolinguistics. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Farm to Table French Phrasebook Dec 18 2022 Whether you're spending a semester in Paris, vacationing in the Riviera, dining at a local bistro or mastering the French culinary art in your own kitchen, The Farm to Table French Phrasebook opens a bountiful world of food that you won't find in any textbook or classroom: Navigate produce markets, charcuteries and patisseries ; Prepare meals the French way with delicious, authentic recipes ; Speak the lingo of Paris's top restaurants and bistros ; Pair regional wines with delightful cheeses ; Master the proper table etiquette for dining at a friend's house.

Victoria, the Heart of England Dec 06 2021 A journey od discovery.

An Annotated English Translation of Tagore en las barrancas de San Isidro Jul 01 2021 A detailed account of Rabindranath's stay in Argentina, this book by Victoria Ocampo is an important document in tracing Indo-Argentine

contact. This first English translation of the book makes it available to the larger English-speaking world. Its critical introduction uncovers the backdrop of Ocampo's text in such a way that it helps the reader to situate the work within its specific context, and also raises significant critical questions.

Scholars interested in Rabindranath Tagore or Victoria Ocampo, or Indo-Argentine contact in general, will benefit from the book's notes and annotated bibliography. In addition, readers interested in translation studies will also find the volume helpful.

English Lands, Letters, and Kings Mar 29 2021
Excerpt from English Lands, Letters, and Kings: The Later Georges to Victoria We have a glimpse, too, of the jelly Captain Marryat cracking his tor'castle jokes, and of the somewhat tedious, though kindly, G. P. R. James, lifting his chivalric notes about men-at-arms and knightly adventures a belated hunter in the fields of ancient feudal gramarye. The story book of English history ... to the reign of queen Victoria Oct 16 2022

Queen Victoria Feb 25 2021

My Name Is Victoria Aug 02 2021 By turns thrilling, dramatic, and touching, this is the

story of Queen Victoria's childhood as you've never heard it before. Miss V. Conroy is good at keeping secrets. She likes to sit as quiet as a mouse, neat and discreet. But when her father sends her to Kensington Palace to become the companion to Princess Victoria, Miss V soon finds that she can no longer remain in the shadows. Her father is Sir John Conroy, confidant and financial advisor to Victoria's mother, and he has devised a strict set of rules for the young princess that he calls the Kensington System. It governs Princess Victoria's behavior and keeps her locked away from the world. Sir John says it's for the princess's safety, but Victoria herself is convinced that it's to keep her lonely and unhappy. Torn between loyalty to her father and her growing friendship with the willful and passionate princess, Miss V has a decision to make: continue in silence or speak out. In an engaging, immersive tale, Lucy Worsley spins one of England's best-known periods into a fresh and surprising story that will delight both young readers of historical fiction and fans of the television show featuring Victoria.

Famous English Statesmen of Queen Victoria's Reign (1891) Sep 22 2020 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain

Victoria Jun 24 2023 NATIONAL BESTSELLER
"Victoria is an absolutely captivating novel of youth, love, and the often painful transition from immaturity to adulthood. Daisy Goodwin breathes new life into Victoria's story, and does so with sensitivity, verve, and wit." – AMANDA FOREMAN
Drawing on Queen Victoria's diaries, which she first started reading when she was a student at Cambridge University, Daisy Goodwin—creator and writer of the new PBS Masterpiece drama Victoria and author of the bestselling novels *The American Heiress* and *The Fortune Hunter*—brings the young nineteenth-century monarch, who would go on to reign for 63 years, richly to life in this magnificent novel. Early one morning, less than a month after her eighteenth birthday, Alexandrina Victoria is roused from bed with the news that her uncle William IV has died and she is now Queen of England. The men who run the country have doubts about whether this sheltered young woman, who stands

less than five feet tall, can rule the greatest nation in the world. Despite her age, however, the young queen is no puppet. She has very definite ideas about the kind of queen she wants to be, and the first thing is to choose her name. "I do not like the name Alexandrina," she proclaims. "From now on I wish to be known only by my second name, Victoria." Next, people say she must choose a husband. Everyone keeps telling her she's destined to marry her first cousin, Prince Albert, but Victoria found him dull and priggish when they met three years ago. She is quite happy being queen with the help of her prime minister, Lord Melbourne, who may be old enough to be her father but is the first person to take her seriously. On June 19th, 1837, she was a teenager. On June 20th, 1837, she was a queen. Daisy Goodwin's impeccably researched and vividly imagined new book brings readers Queen Victoria as they have never seen her before.

Victoria & Albert: A Royal Love Affair Feb 08
2022 The official companion to the second season of the PBS/Masterpiece drama *Victoria* by award-winning creator and screenwriter Daisy Goodwin. Airing in the *Downton Abbey* slot on PBS/Masterpiece last January, *Victoria* captivated millions of viewers, eclipsing *Downton*'s first-season viewership and leaving

its audience eager for the series's next season, which will focus on Victoria and Albert's passionate and tempestuous marriage. This official tie-in to the show, by creator and screenwriter Daisy Goodwin, gives a behind-the-scenes look at the making of the show, featuring never-before-seen interviews, photos, diary entries, profiles on all major characters, and sumptuous detail on the costumes and props that bring Victoria and Albert's world to vivid life. Victoria and Albert follows this extraordinary relationship between two very different people—she impulsive, emotional, capricious; he cautious, self-controlled, and logical—whose devotion to each other was unparalleled in royal history. Taking fans deeper into the world of Victoria than ever before, *Victoria and Albert: A Royal Love Affair* is the ultimate gift for devotees of the show.

Victoria Feb 20 2023 The Nobel Prize winner's poetic, psychologically intense portrayal of love's predicament in a class-bound society A Penguin Classic Set in a coastal village of late nineteenth-century Norway, Victoria follows two lovers whose yearnings are as powerful as the circumstances that conspire to thwart their romance. Johannes, a miller's son turned poet, finds inspiration for his writing in his passionate devotion to Victoria, a

daughter of the impoverished lord of the manor, who feels constrained by family loyalty to accept the wealthy young man of her father's choice. Separated by class barriers and social pressure, the fated duo hurt and enthrall each other by turns as they move toward an emotional doom that neither will recognize until it is too late. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
