Ga?e?apur??a Aug 02 2021 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

In Praise of the Goddess Nov 24 2020 About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

Ramopakhyana - The Story of Rama in the Mahabharata Nov 17 2022 The most popular story in all of India and a classic of world literature is summarised in 728 verses in the great epic Mahabharata. Intended for independent study or classroom use for students of various levels who have had a basic introduction to Sanskrit, this fully annotated edition of the Ramopakhyana supplies all the information required for complete comprehension. It contains the Devanagari text, Roman transliteration, sandhi analysis, Sanskrit prose equivalents to the verses, syntactic and cultural notes, and the English translation, and word-by-word grammatical analysis.

Agni Aug 26 2023 Agni is one of the ashtadikpalakas who protects the South-east direction (Agneya). He occupies the second position after Devendra and is the chief deity of the Rig Veda. The Maruth devas are born out of Agni. Agni is present in every living being or thing and is the energy that causes movement. He is Varuna's brother and is influenced by Vayu Deva. According to Vishnu Purana, he is the eldest son of Brahmadeva. Agnideva was once cursed by sage Bhrigu because of which he entered the ocean and performed tapas. The world was on the brink of disaster without Agni. Brahmadeva had to implore Agni to go back to the world and resume his duties. Agnideva once lost his immense power of digestion when King Swethaki performed a great yajna lasting a hundred years. As suggested by Brahmadeva, he had to burn the Khandava forest in order to regain his power. In spite of burning down a large part of Sahadeva's army, Agni stopped his burning spree on Sahadeva's plea and helped the Pandavas to complete the rajasuyayajna. Devendra had once committed a sin of killing a Brahmin. When Brahma divided the sin into four parts, Agni accepted one of the parts in order to free Devendra. Agni appears in the Ramayana when he himself offered a pot of payasam to the childless Dasharatha. Later, when Sita was put through a test of fidelity, he announced to the world that she was the most faithful woman of her time. Parameswara blessed Agni saying that he

would never have to fear death. Agni Deva is all powerful, present in all, sustaining and protecting all the time. Our other books here can be searched using #BharathaSamskruthiPrakashana

A Sanskrit-English Dictionary Dec 18 2022

Sahaja Yoga Jan 27 2021 Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”
