"Compelling... this book couldn't be more timely." - Jill Abramson, New York Times Book Review
From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called "disgraceful," "third-rate," and "not nice" by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a

year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's "Tiny Dancer"—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked.

Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign

correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, Is this real life? The ultimate guide to building confidence in your body, beauty, clothes and life in an era of toxic social media-driven beauty standards. "A self-confidence bible that every woman should read."—Caroline Dooner, author of *The F*ck It Diet* Empowering, insightful, and psychology-driven, *Beyond Beautiful* is filled with proven, no-BS strategies for proactive self-care. answers to tricky questions, like: • Why do I hate the way I look in pictures? • How can I stop feeling like a total slob compared to everyone on social media? • How exactly does this "self-love" thing work? • How do I find the confidence to use less make up, stop shaving, or wear what I want? • Is body positivity really the answer? Illustrated with full-color art, *Beyond Beautiful* is a much-needed breath of fresh air that will help you live your best life, know your worth, and stop wasting any more precious energy and mental space worrying about the way you look. Praise for *Beyond Beautiful* "This compact book delves into every aspect of the

Named one of the best books of 2017 by NPR, the Huffington Post, Publishers Weekly, Kirkus Reviews, the Los Angeles Times, the Boston Globe, the Horn Book Magazine, the News & Observer, BookPage, Chicago Public Library, and more The barbershop is where the magic happens. Boys go in as lumps of clay and, with princely robes draped around their shoulders, a dab of cool shaving cream on their foreheads, and a slow, steady

cut, they become royalty. That crisp yet subtle line makes boys sharper, more visible, more aware of every great thing that could happen to them when they look good: lesser grades turn into As; girls take notice; even a mother's hug gets a little tighter. Everyone notices. A fresh cut makes boys fly. This rhythmic, read-aloud title is an unbridled celebration of the self-esteem, confidence, and swagger boys feel when they leave the barber's chair—a tradition that places on their heads a figurative crown, beaming with jewels, that confirms their brilliance and worth and helps them not only love and accept themselves but also take a giant step toward

caring how they present themselves to the world. The fresh cuts. That's where it all begins. *Crown: An Ode to the Fresh Cut* is a high-spirited, engaging salute to the beautiful, raw, assured humanity of black boys and how they see themselves when they approve of their reflections in the mirror. An inquisitive fox sets off on a seafaring voyage with a crew of deer and pigeons in this enchanting tale of friendship and adventure. Marco the fox has a lot of questions, like: how deep does the sun go when it sinks into the sea? And why do birds have such lizardy feet? But none of the other foxes share his curiosity. So when a

magnificent ship adorned with antlers and with a deer for a captain arrives at the dock looking for a crew, Marco volunteers, hoping to find foxes who are as inquisitive as he is that can answer his questions. The crew finds adventure and intrigue on their journey. And, at last, Marco finds the answer to his most important question of all: What's the best way to find a friend you can talk to? My name is Blue--insert a mood-related joke here--and I'm a femme fatale in training. My goal is to join the CIA. Unfortunately, I have a tiny issue with birds, and the closest I've come to my dream is working for a government agency that's disturbingly up-

to-speed on everyone's sexts, rants in private Facebook groups, and secret family chocolate-chip cookie recipes. I know I'm a spy cliché, that agent who works at a desk but craves fieldwork. However, I have a plan: I'm going to infiltrate the secretive Hot Poker Club, where I've spotted a mysterious, sexy stranger who I'm convinced is a Russian spy. And once I'm in? All I have to do is seduce the presumed spy without falling for him, so I can expose his true identity and prove my femme fatale bona fides to the CIA. I never lose concentration at work, so that'll be an absolute breeze for me. Oh, and did I mention he's sexy? I'm doing it for my

country, not my ovaries, I pinky swear. WARNING: Now that you've finished reading this, your device will self-destruct in five seconds. NOTE: This is a standalone, raunchy, slow-burn romantic comedy featuring a quirky, spy-movie-obsessed heroine, a scorching hot maybe-Russian, several terrifying tales about birds, and lots of text debates about the relative cuteness of animals. If any of the above is not your cup of tea, run far, far away. Otherwise, buckle up for a laugh-out-loud, feel-good ride. "Readers will be riveted." —Publishers Weekly (starred review) *The Ethan I Was Before* is an award-winning story of love and loss, wonder and

adventure, and ultimately of hope. Lost in the Sun meets The Thing About Jellyfish in Ali Standish's breathtaking debut. A poignant middle grade novel of friendship and forgiveness, this is a classic in the making. Ethan had been many things. He was always ready for adventure and always willing to accept a dare, especially from his best friend, Kacey. But that was before. Before the accident that took Kacey from him. Before his family moved from Boston to the small town of Palm Knot, Georgia. Palm Knot may be tiny, but it's the home of possibility and second chances. It's also home to Coralee, a girl with a big personality and even bigger

stories. Coralee may be just the friend Ethan needs, except Ethan isn't the only one with secrets. Coralee's are catching up with her, and what she's hiding might be putting both their lives at risk. North Carolina Young People's Literature Award New York Times bestseller More than 100,000 copies in print Completed just two days before Louis Zamperini's death at age ninety-seven, Don't Give Up, Don't Give In shares a lifetime of wisdom, insight, and humor from "one of the most incredible American lives of the past century" (People). Zamperini's story has touched millions through Laura Hillenbrand's biography Unbroken and its blockbuster movie adaptation directed by Angelina Jolie. Now, in his own words, Zamperini reveals with warmth and great charm the essential values and lessons that sustained him throughout

his remarkable journey. He was a youthful troublemaker from California who turned his life around to become a 1936 Olympian. Putting aside his track career, he volunteered for the army before Pearl Harbor and was thrust into World War II as a B-24 bombardier. While on a rescue mission, his plane went down in the middle of the Pacific Ocean, where he survived against all odds, drifting two thousand miles in a small raft for forty-seven days. His struggle was only beginning: Zamperini was captured by the Japanese, and for more than two years he courageously endured torture and psychological abuse in a series

of prisoner-of-war camps. He returned home to face more dark hours, but in 1949 Zamperini's life was transformed by a spiritual rebirth that would guide him through the next sixty-five years of his long and happy life. Louis Zamperini's *Don't Give Up, Don't Give In* is an extraordinary last testament that captures the wisdom of a life lived to the fullest. mind strays to his father digging for coal deep down under the sea. Stunning illustrations by Sydney Smith, the award-winning illustrator of *Sidewalk Flowers*, show the striking contrast between a sparkling seaside day and the darkness underground where the miners dig. With curriculum connections to communities and the history of mining, this beautifully understated and haunting story brings a piece of Canadian history to life. writer, and Instagram sensation Nikita Gill returns with a collection of fairytales poetically retold for a new generation of women. Traditional fairytales are rife with cliches and gender stereotypes: beautiful, silent princesses; ugly, jealous, and bitter villainesses; girls who need rescuing; and men who take all the glory. But in this rousing new prose and poetry collection, Nikita Gill gives *Once Upon a Time* a much-needed modern makeover. Through her gorgeous reimagining of fairytale classics and spellbinding original tales, she dismantles the old-fashioned tropes that have been ingrained in our minds. In

this book, gone are the docile women and male saviors. Instead, lines blur between heroes and villains. You will meet fearless princesses, a new kind of wolf lurking in the concrete jungle, and an independent Gretel who can bring down monsters on her own. Complete with beautifully hand-drawn illustrations by Gill herself, *Fierce Fairytales* is an empowering collection of poems and stories for a new generation. Unwittingly known as Alia Bhatt's older sister, screenwriter and fame-child Shaheen Bhatt has been a powerhouse of quiet restraint- until recently. In a sweeping act of courage, she now invites you into her head. Shaheen was diagnosed with depression at eighteen, after five years of already living with it. In this emotionally arresting memoir, she reveals both the daily

experiences and big picture of one of the most debilitating and critically misinterpreted mental illnesses in the twenty-first century. Equal parts conundrum and enlightenment, Shaheen takes us through the personal pendulum of understanding and living with depression in her privileged circumstances. With honesty and a profound self-awareness, Shaheen lays claim to her sadness, while locating it in the universal fabric of the human condition. In this multi-dimensional, philosophical tell-all, Shaheen acknowledges, accepts and overcomes the peculiarities of living with depression. A topic of massive interest to anyone with mental

Cast and Kristin Cast, a world very much like our own, except here vampires have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampire, forcing her to leave her ordinary life

behind and join the House of Night, a boarding school where she will train to become an adult vampire. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampire Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers:

when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampire friends. Fans of Cassandra Clare's *Mortal Instruments* series will be drawn to Wendy Higgins's sexy, thrilling *Sweet Evil* series. *Sweet Peril* focuses on the battle between light and dark, good and evil, within Anna Whitt, the child of a guardian angel mother and a demon father. Anna promised herself she'd never do the work of her father—polluting souls. She'd been naive to make such

a claim. Haunted by demon whisperers, Anna does whatever she can to survive, even if it means earning an unwanted reputation as her school's party girl. And all the while there's gorgeous bad-boy Kaidan Rowe, the son of the Duke of Lust, plaguing her heart and mind. Anna discovers it is her fate to banish demons from the earth, and save the other Nephilim from their dark destiny. Until then, Anna and Kaidan must put aside the issues between them, overcome the steamiest of temptations yet, and face the ultimate question: is loving someone worth risking their life? But even as she grows a backbone of iron, Meghan can't help but hear the whispers of longing in her all-too-human heart. The

instant New York Times bestseller featured on NPR's Weekend Edition with Scott Simon! B. J. Novak (bestselling author of *The Book With No Pictures*) described this groundbreaking poetry collection as "Smart and sweet, wild and wicked, brilliantly funny--it's everything a book for kids should be." Lauded by critics as a worthy heir to such greats as Silverstein, Seuss, Nash and Lear, Harris's hilarious debut molds wit and wordplay, nonsense and oxymoron, and visual and verbal sleight-of-hand in masterful ways that make you look at the world in a whole new wonderfully upside-down way. With enthusiastic

endorsements from bestselling luminaries such as Lemony Snicket, Judith Viorst, Andrea Beaty, and many others, this entirely unique collection offers a surprise around every corner. Adding to the fun: Lane Smith, bestselling creator of beloved hits like *It's a Book* and *The Stinky Cheese Man and Other Fairly Stupid Tales*, has spectacularly illustrated this extraordinary collection with nearly one hundred pieces of appropriately absurd art. It's a mischievous match made in heaven! "Ridiculous, nonsensical, peculiar, outrageous, possibly deranged--and utterly, totally, absolutely delicious. Read it! Immediately!" --Judith Viorst,
