Unfitness to Plead Dec 07 2021 The unfitness to plead project looks at how defendants who lack sufficient ability to participate meaningfully in trial should be dealt with in the criminal courts. Defendants may be unfit to plead for a variety of reasons, including difficulties resulting from mental illness (longstanding or temporary), learning disability, developmental disorder or delay, a communication impairment or some other cause or combination of causes. The purpose of the legal test is to identify, accurately and efficiently, those vulnerable defendants who, as a result of such difficulties, cannot fairly be tried. The related procedures then provide for an alternative process by which criminal allegations can be scrutinised and arrangements made, where appropriate, to provide treatment for the defendant and protection for the public. The aim of the law in this area is to balance the rights of the vulnerable defendant who cannot fairly be tried with the interests of those affected by the alleged offence and the need to protect the public. The Commission was unable to work further on the project between January 2011 and early 2013 and during that period there were significant changes to the criminal justice system. In particular, there has been a very substantial reduction in the budget available for the administration of the criminal courts. However, there have also been significant advances in the way that the criminal justice system responds to vulnerable individuals. Additionally, the Government has made a commitment to a national model for liaison and diversion services. This aims to place mental health and learning disability professionals in police stations and all courts, to assist in the identification and onward referral of vulnerable offenders .

White Devil Aug 03 2021 The amazing true story of the only white man to rise to the top of the Chinese mafia. In August 2013, "Bac Guai" John Willis, also known as the "White Devil" because of his notorious ferocity, was sentenced to 20 years for drug trafficking and money laundering. Willis, according to prosecutors, was "the kingpin, organizer and leader of a vast conspiracy," all within the legendarily insular and vicious Chinese mafia. It started when John Willis was 16 years old . . . his life seemed hopeless. His father had abandoned his family years earlier, his older brother had just died of a heart attack, and his mother was dying. John was alone, sleeping on the floor of his deceased brother's home. Desperate, John reached out to Woping, a young Chinese man Willis had rescued from a bar fight weeks before. Woping literally picks him up off the street, taking him home to live among his own brothers and sisters. Soon, Willis is accompanying Woping to meet his Chinese mobster friends, and starts working for them. Journalist Bob Halloran tells the tale of John Willis, aka White Devil, the only white man to ever rise through the ranks in the Chinese mafia. Willis began as an enforcer, riding around with other gang members to "encourage" people to pay their debts. He soon graduated to even more dangerous work as a full-fledged gang member, barely escaping with his life on several occasions. As a white man navigating an otherwise exclusively Asian world, Willis was at first an interesting anomaly, but his ruthless devotion to his adopted culture eventually led to him emerging as a leader. He organized his own gang of co-conspirators and began an extremely lucrative criminal venture selling tens of thousands of oxycodone pills. A year-long FBI investigation brought him down, and John pleaded guilty to save the love of his life from prosecution. He has no regrets. White Devil explores the workings of the Chinese mafia, and he speaks frankly about his relationships with other gang members, the crimes he committed, and why he'll never rat out any of his brothers to the cops. Told to Halloran from Willis's prison cell, White Devil is a shocking portrait of a man who was allowed access into a secret world, and who is paying the price for his hardened life.

And Fire Came Down Jan 08 2022 Deaf private investigator Caleb Zelic returns in the pulsating follow-up thriller to the acclaimed Resurrection Bay, from an exciting new voice in Australian crime fiction—perfect for fans of Jane Harper Caleb Zelic can't hear you. But he can see everything. Caleb Zelic used to meet life head-on. Now he's struggling just to get through the day. His best mate is dead, his ex-wife, Kat, is avoiding him, and nightmares haunt his waking hours. But when a young woman is killed after pleading for his help in sign language, Caleb is determined to find out who she was. And the trail leads straight to his hometown, Resurrection Bay. The town is on bushfire alert and simmering with racial tensions. As he delves

deeper, Caleb uncovers secrets that could threaten his life and any chance of reuniting with Kat. Driven by his demons, he pushes on. But who is he willing to sacrifice along the way?

Criminal Proceedings Before North Carolina Magistrates Jan 20 2023 When can an impaired driving hold be imposed? Is the defendant entitled to pretrial release? How do the statutory bond doubling provisions work? What happens after a defendant is surrendered by a surety? What is the procedure for issuing a search warrant? *Criminal Proceedings before North Carolina Magistrates* answers these questions and many more. This publication covers core criminal proceedings before magistrates including issuing criminal process and pleadings, initial appearance, pretrial release, handling fugitives, and issuing search warrants. Content is current through the 2013 legislative session and appellate cases through December 31, 2013. This publication replaces "Criminal Procedure for Magistrates," Administration of Justice Bulletin No. 2009/08 (Dec. 2009), and serves as the new criminal procedure text for the School of Government's Basic School for Magistrates.

The Little Book of Insider Dealing Jul 22 2020 Since the Financial Crisis of 2008, criminal prosecution has moved to centre-stage as the Financial Conduct Authority's preferred means of punishing and deterring insider dealing (the illegal practice of trading with access to sensitive non-public information). *The Little Book of Insider Dealing* looks at all aspects of the 'insider' offences established by the Criminal Justice Act 1993, including their history, punishment and rationale, as well as their (slightly uneasy) relationship with the overlapping civil regulatory regime that also governs such financial misconduct. Topics covered also include: detection, compliance, surveillance, suspicion, reporting obligations, enforcement and (civil and criminal) penalties and warnings, plus there is a strong focus on evidential aspects and a wealth of examples from real life cases. Suitable for beginners and practitioners alike. The first concise treatment and highly topical. A gem that deals with wide scale problems and complexities identified by an article in *The Times* (see Chapter 1).

Harvard Law Review Jun 25 2023 The Harvard Law Review is offered in a digital edition, featuring active Contents, linked notes, and proper ebook formatting. The contents of Issue 5 include: Article, "Multistage Adjudication," by Louis Kaplow Book Review, "Humanizing the Criminal Justice Machine: Re-Animated Justice or Frankenstein's Monster?" by Nicola Lacey Note, "Importing a Trade or Business Limitation into sec. 2036: Toward a Regulatory Solution to FLP-Driven Transfer Tax Avoidance" Note, "The Benefits of Unequal Protection" Note, "Diagnostic Method Patents and Harms to Follow-On Innovation" Note, "Three Formulations of the Nexus Requirement in Reasonable Accommodations Law" In addition, student research explores Recent Cases on the intersection of age discrimination claims and sec. 1983 claims, the First Amendment implications of restricting airline ads and of compelled speech in suicide advisories, whether transactions in unlisted securities are "domestic," whether employee misuse of computers violates the Computer Fraud and Abuse Act, and prudential standing in environmental cases. Finally, the issue includes a Recent Book essay and several book notes of Recent Publications. The Harvard Law Review is a student-run organization whose primary purpose is to publish a journal of legal scholarship. The Review comes out monthly from November through June and has roughly 2000 pages per volume. The organization is formally independent of the Harvard Law School. Student editors make all editorial and organizational decisions. This issue of the Review is March 2013, the fifth issue of academic year 2012-2013 (Volume 126).

Youth Court Guide Mar 30 2021 The Youth Court Guide is the definitive legal handbook for practitioners involved in the youth court. It provides an in-depth knowledge of the youth court system, as well as the fundamental principles and day-to-day practice that pertain to it, with direction on every stage of youth justice. This new edition brings the work fully up to date ensuring it remains a first port of call text providing guidance on practice and procedure with ease and clarity. It takes account of developments that have impacted on practice and procedure since the fifth edition and revisions include updates to sections covering: Cautions, restorative justice; Separation from adult courts; Youth gang injunctions; Youth behaviour order changes; DVPOs (domestic violence protection notices); Criminal procedure rule changes and development of case management practice - new form, disclosure review, special measures, ground rules; Remands; Sentencing council allocation guidelines where youth charged with adult; Breach of YROs (youth rehabilitation orders); Fines, victim surcharge criminal courts charge; Committal for sentence; Referral orders; More in depth guidance on sex notification requirements (sex assault on other youth); Re organisation of youth offending services also mental health services; Case update including sentencing cases. Chapters follow the sequence of criminal proceedings from the use of diversions, cautions and arrests through to trial, sentences and appeals. Personal insight is provided through explanations from the 'hands on' experience of both authors. The work contains central sections on venue, remand and sentencing for daily reference and focuses on practical solutions rather than academic debate. It also includes a separate chapter looking at difficult areas and legal issues and contains simple flow diagrams to help understand and follow remand powers and venue provisions. A quick guide to sentencing orders is also included.

Criminal Law Case Digests Aug 15 2022 A hornbook and textbook – it explains the basics, fundamentals and rudiments of Criminal Law and conjunctively delves further into the legal texts and treatises upon which established precedents on the subject are based, wherewith the book descants the more subtle and perplexing issues and legal principles as pronounced by the High Court in the cases discussed and cited in this work. This volume contains an aggregate of four hundred and forty (440) cases, showing the facts on how the crime was perpetuated, and in plain and easy language the meaning of the legal provisions being discussed, carefully selected and culled from more than a century of Supreme Court decisions. The presentation deviates from the conventional method of article by article sequence of discussion, and instead sunders them into various segments according

to the issues posed and the legal doctrines applied and discussed, with review materials – in outline form – on several aoristic and obscure areas interjected between the segments. By the described method of instruction, further guided by the syllabi systematically interwoven with a quick search subject index, thereby modifying the format of the index section to find easy-to-find additional review materials, the readers – the legal researchers, the students of criminal law, the bar and board reviewees and the police officers alike – would find ease in learning and understanding Criminal Law.

Costs of Prosecution Feb 26 2021

The Hanging Judge Apr 11 2022 From the author of *The One-Eyed Judge*: A New York Times–bestselling novel about a federal death penalty trial from the perspective of the presiding judge. When a drive-by shooting in Holyoke, Massachusetts, claims the lives of a drug dealer and a hockey mom volunteering at an inner-city clinic, the police arrest a rival gang member. With no death penalty in Massachusetts, the US attorney shifts the double homicide out of state jurisdiction into federal court so he can seek a death sentence. The Honorable David S. Norcross, a federal judge with only two years on the bench, now presides over the first death penalty case in the state in decades. He must referee the clash between an ambitious female prosecutor and a brilliant veteran defense attorney in a high-stress environment of community outrage, media pressure, vengeful gang members, and a romantic entanglement that threatens to capsize his trial—not to mention the most dangerous force of all: the unexpected. Written by judge Michael Ponsor, who presided over Massachusetts’s first capital case in over fifty years, *The Hanging Judge* explores the controversial issue of capital punishment in a dramatic and thought-provoking way that will keep you on the edge of your seat. It is “a crackling court procedural” (Anita Shreve) and “gripping legal thriller” (Booklist) perfect for fans of Scott Turow.

Men Misbehaving: Men who commit murder, fraud and other crimes in Singapore Nov 18 2022 The author of *Wild Women Do* on crimes committed by females in Singapore returns with a new collection on local crime. This time round, it’s the men who are up to no good and exposed here are cases of murders, sexual demeanours and fraud. The spurned lover who sets his former girlfriend on fire; the police staff sergeant who commits a double murder in Kovan; the fatal accident that caused 400 men to riot in Little India; two good friends who kidnapped a millionaire’s mother. These are the stories of the men who have committed heinous crimes and run afoul of the law

Archbold Oct 29 2023

The Collapse of American Criminal Justice May 24 2023 Rule of law has vanished in America’s criminal justice system. Prosecutors decide whom to punish; most accused never face a jury; policing is inconsistent; plea bargaining is rampant; and draconian sentencing fills prisons with mostly minority defendants. A leading criminal law scholar looks to history for the roots of these problems—and solutions.

North Carolina Defender Manual Mar 22 2023 View this manual, a reference in the School's Indigent Defense Manual Series, free of charge at defendermanuals.sog.unc.edu. Volume One of the North Carolina Defender Manual is a resource for public defenders and appointed counsel who represent poor people accused of crimes. The book focuses on the principal areas of pretrial criminal procedure in North Carolina. Fifteen chapters cover a variety of topics, such as: capacity to proceed; discovery; criminal pleadings; speedy trial; and suppression motions. The manual includes cases decided by the courts through June 30, 2013, and legislation enacted by the North Carolina General Assembly through the end of its 2013 legislative session. Volume Two, Trial, which focuses primarily on criminal procedure at the trial stage, is also available (<https://www.sog.unc.edu/publications/books/north-carolina-defender-manual-volume-two-trial-second-edition>).

Doing Time Like a Spy Oct 05 2021 Winner of the 2016 PEN First Amendment Award Winner of the 2016 Sam Adams Award for Integrity in Intelligence Winner of the 2016 Blueprint International Whistleblowing Prize for Bravery and Integrity in the Public Interest Winner of the 2013 Peacemaker of the Year Award Winner of the 2012 Joe A. Callaway Award for Civic Courage On February 28, 2013, after pleading guilty to violating the Intelligence Identities Protection Act, John Kiriakou began serving a thirty month prison sentence. His crime: blowing the whistle on the CIA's use of torture on al Qaeda prisoners. *Doing Time Like a Spy* is Kiriakou's memoir of his twenty-three months in prison. Using twenty life skills he learned in CIA operational training, he was able to keep himself safe and at the top of the prison social heap. Including his award-winning blog series "Letters from Loretto," *Doing Time Like a Spy* is at once a searing journal of daily prison life and an alternately funny and heartbreaking commentary on the federal prison system.

Reporting Intellectual Property Crime Mar 10 2022 Although individuals or companies can pursue civil remedies to address violations of their intellectual property rights, criminal sanctions are often warranted to ensure sufficient punishment and deterrence of wrongful activity. Congress has continually expanded and strengthened criminal laws for violations of intellectual property rights to protect innovation, to keep pace with evolving technology and, significantly, to ensure that egregious or persistent intellectual property violations do not merely become a standard cost of doing business for defendants.

Florida Appellate Practice, 2013 Ed Sep 16 2022 This title contains examples of appellate briefs and pleadings, practical advice, and a complete set of rules for the states' supreme court, district court of appeals, and circuit courts. This edition reflects changes in the law, including revisions to the Florida Rules of Appellate Procedure and the new laws regulating criminal and administrative appeals.

The Fundamental Concept of Crime in International Criminal Law Feb 09 2022 This book examines the rapid development of the fundamental concept of a crime in international criminal law from a comparative law perspective. In this context, particular thought has been given to the catalyzing impact of the criminal law theory that has developed in major world legal systems upon the crystallization of the substantive part of international criminal law. This study offers a critical overview of international and domestic jurisprudence with regard to the construal of the concept of a crime (actus reus, mens rea, defences, modes of liability) and exposes roots of confusion in international criminal law through a comprehensive comparative analysis of substantive criminal laws in selected legal jurisdictions.

Contents include: ARTICLES * Tortfest, by J. Shahar Dillbary * Judging the Flood of Litigation, by Marin K. Levy * Unbundling Constitutionality, by Richard Primus * When Nudges Fail: Slippery Defaults, by Lauren E. Willis COMMENTS * The Firearm-Disability Dilemma: Property Insights into Felon Gun Rights * Pleading in Technicolor: When Can Litigants Incorporate Audiovisual Works into Their Complaints? * Fun with Numbers: Gall's Mixed Message regarding Variance Calculations * The Availability of Discovery Sanctions for Violations of Protective Orders * Corruption Clarified: Defining the Reach of "Agent" in 18 USC § 666 * Extra Venues for Extraterritorial Crimes? 18 USC § 3238 and Cross-Border Criminal Activity * A Historical Approach to Negligent Misrepresentation and Federal Rule of Civil Procedure 9(b) REVIEW ESSAY * Commons and Growth: The Essential Role of Open Commons in Market Economies, by Yochai Benkler The University of Chicago Law Review first appeared in 1933, thirty-one years after the Law School offered its first classes. Since then the Law Review has continued to serve as a forum for the expression of ideas of leading professors, judges, and practitioners, as well as student-authors ... and as a training ground for University of Chicago Law School students, who serve as its editors and contribute original research. Principal articles and essays are authored by internationally recognized legal scholars. Quality eBook editions feature active Contents, linked footnotes, and linked URLs in notes.

Blackstone's Criminal Practice Apr 23 2023

The Terror Courts May 12 2022 Soon after the September 11 attacks in 2001, the United States captured hundreds of suspected al-Qaeda terrorists in Afghanistan and around the world. By the following January the first of these prisoners arrived at the U.S. military's prison camp in Guantanamo Bay, Cuba, where they were subject to President George W. Bush's executive order authorizing their trial by military commissions. Jess Bravin, the "Wall Street Journal"'s Supreme Court correspondent, was there within days of the prison's opening, and has continued ever since to cover the U.S. effort to create a parallel justice system for enemy aliens. A maze of legal, political, and moral issues has stood in the way of justice--issues often raised by military prosecutors who found themselves torn between duty to the chain of command and their commitment to fundamental American values. While much has been written about Guantanamo and brutal detention practices following 9/11, Bravin is the first to go inside the Pentagon's prosecution team to expose the real-world legal consequences of those policies. Bravin describes cases undermined by inadmissible evidence obtained through torture, clashes between military lawyers and administration appointees, and political interference in criminal prosecutions that would be shocking within the traditional civilian and military justice systems. With the Obama administration planning to try the alleged 9/11 conspirators at Guantanamo--and vindicate the legal experiment the Bush administration could barely get off the ground--"The Terror Courts" could not be more timely.

Mooting Nov 25 2020 Mooting offers an excellent opportunity to develop your skills in an enjoyable, interactive and challenging way. Participation in mootings can lead to improved academic performance, enhancing your knowledge and your ability to handle complex legal materials as well as improving the power of your persuasive argument and vital skills, which will enhance your profile for prospective employers. In this book, Eric Baskind provides a seamless and comprehensive examination of the various areas involved in mootings and advocacy, combining both theoretical and practical aspects as well as the organisation of and participation in mootings competitions. Online video footage of an actual moot brings the practical nature of mootings alive and will give you expert advice and analysis of successful mootings technique as well as tips for improvement. Each moot video is highlighted at various points of interest to provide expert commentary and analysis of the mooters'

presentation, identifying the mooters' strengths and weaknesses and how successfully they use cases and other materials to support their argument. These sections will then be re-enacted, incorporating the suggestions for improvements to help you to see how the overall performance could have been improved. This definitive guide will equip you with a complete grasp of mooting from the initial preparatory stages through to advocacy in the moot itself.

Federal Practice and Procedure: 10A, 10B. Federal rules of civil procedure (rules 54-57) Jun 13 2022

The Oxford Handbook of Criminal Law Jul 02 2021 The Oxford Handbook of Criminal Law reflects the continued transformation of criminal law into a global discipline, providing scholars with a comprehensive international resource, a common point of entry into cutting edge contemporary research and a snapshot of the state and scope of the field. To this end, the Handbook takes a broad approach to its subject matter, disciplinarily, geographically, and systematically. Its contributors include current and future research leaders representing a variety of legal systems, methodologies, areas of expertise, and research agendas. The Handbook is divided into four parts: Approaches & Methods (I), Systems & Methods (II), Aspects & Issues (III), and Contexts & Comparisons (IV). Part I includes essays exploring various methodological approaches to criminal law (such as criminology, feminist studies, and history). Part II provides an overview of systems or models of criminal law, laying the foundation for further inquiry into specific conceptions of criminal law as well as for comparative analysis (such as Islamic, Marxist, and military law). Part III covers the three aspects of the penal process: the definition of norms and principles of liability (substantive criminal law), along with a less detailed treatment of the imposition of norms (criminal procedure) and the infliction of sanctions (prison or corrections law). Contributors consider the basic topics traditionally addressed in scholarship on the general and special parts of the substantive criminal law (such as jurisdiction, mens rea, justifications, and excuses). Part IV places criminal law in context, both domestically and transnationally, by exploring the contrasts between criminal law and other species of law and state power and by investigating criminal law's place in the projects of comparative law, transnational, and international law.

Sex Crimes in the Fifties Sep 23 2020 The Australian Royal Commission into Institutional Responses to Child Sexual Abuse (2013-2017) has given national consciousness to the problematic treatment of sexual offences in Australia's past. Yet there has been little historical research into the policing, prosecution and punishment of those crimes. This book examines Australia's treatment of sexual crimes in the 1950s, a decade well known for its political and social conservatism, its prudish views on morality, and its prescriptive gender roles for men and women. Fewer would know that this same decade saw soaring arrests, mounting criminal prosecutions, and intensifying public debates about how to deal with sexual offenders. Or that sexual offences on children attracted the most concentrated state attention and public concern. *Sex Crimes in the Fifties* uncovers this new history by drawing on transcripts of hundreds of criminal proceedings and extensive research in criminal justice archives. We examine the criminal trial itself, exploring how prosecutors, defence counsel, witnesses, juries and judges understood sexual crimes. We consider the experience of women testifying in rape trials, the prosecution of sexual crimes against children, the court's treatment of recent immigrants, the prosecution and punishment of homosexual men, the influence of psychiatric evidence, and the increasing public debates over the 'sex offender'. We show that the 1950s was indeed foundational to many of our contemporary beliefs about sexual crimes. This book makes a major contribution to our historical and socio-legal knowledge about sexual offences and criminal prosecution. It will be of interest to historians, criminologists, sociologists, and legal scholars as well as general readers interested in the treatment of these crimes in our past.

Model Rules of Professional Conduct Aug 27 2023 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Hearsay Evidence in Criminal Proceedings Dec 27 2020 The Criminal Justice Act 2003 re-wrote the hearsay evidence rule for the purpose of criminal proceedings, enacting the recommendations of the Law Commission together with some proposals from the Auld Review. In 2008, Professor Spencer wrote a book explaining the new law, intended for practitioners as well as academics. Following the style of his earlier book about the new law on bad character evidence, the core of the hearsay book

was a section-by-section commentary on the relevant provisions of the Act, discussing the case law that had interpreted them. Since the appearance of the first edition, the new law on hearsay evidence has been the subject of a spectacular exchange between the UK Supreme Court and the European Court of Human Rights, the effects of which the Court of Appeal has interpreted in several leading cases. In this new edition, the commentary is revised to take account of these developments. As in the first edition, the commentary is preceded by chapters on the history of the hearsay rule, and the requirements of Article 6(3)(d) of the European Convention on Human Rights. It is followed by an appendix containing the text of the statutory provisions and a selection of the leading cases.
