Facts on Tracks Nov 15 2022 Who doesn't like to learn about the stories behind our favorite rock songs from throughout the years? We all do! And now, author/journalist Greg Prato is prepared to guide readers through 100 bona fide classic songs from a multitude of rock genres - heavy metal, punk rock, grunge, hair metal, funk, instrumental, classic rock, arena rock, power ballads, new wave, prog rock, soft rock, yacht rock, power pop, thrash metal, hardcore, southern rock, rap, alternative, etc. - with each listing containing background info plus insight from someone closely associated with the track. Black Sabbath, Eagles, Soundgarden, Rick Springfield, Toto, Kiss, Sepultura, MC5, Billy Joel, Police, Whitesnake, Dead Kennedys, Ramones, Funkadelic, Iron Maiden, Judas Priest, King Crimson, Run-DMC, Primus, Pantera, Agnostic Front, Hall & Oates, Steely Dan, Metallica, Sex Pistols, Rush, Bauhaus, Cheap Trick, Nirvana, plus a foreword by Keith Roth (host of Ozzy's Boneyard and Hair Nation on Sirius Radio, plus the Electric Ballroom radio show)...they're all included in Facts on Tracks!

Understanding Rock Jul 31 2021 Amid the recent increase in scholarly attention to rock music, Understanding Rock stands out as one of the first books that subjects diverse aspects of the music itself to close and sophisticated analytical scrutiny. Written by some of the best young

scholars in musicology and music theory, the essays in this volume use harmonic, melodic, rhythmic, formal, and textual approaches in order to show how and why rock music works as music. Topics of discussion include the adaptation of blues and other styles to rock; the craft of songwriting; techniques and strategies of improvisation; the reinterpretation of older songs; and the use of the recording studio as a compositional tool. A broad range of styles and groups is covered, including Yes, the Beach Boys, Cream, k.d. lang, Paul Simon, Jimi Hendrix, and the Grateful Dead.

History of Rock 'n' Roll in Ten Songs Jan 17 2023 The legendary critic and author of Mystery Train “ingeniously retells the tale of rock and roll” (Publishers Weekly, starred review). Unlike previous versions of rock 'n' roll history, this book omits almost every iconic performer and ignores the storied events and turning points everyone knows. Instead, in a daring stroke, Greil Marcus selects ten songs and dramatizes how each embodies rock 'n' roll as a thing in itself, in the story it tells, inhabits, and acts out—a new language, something new under the sun.

“Transmission” by Joy Division. “All I Could Do Was Cry” by Etta James and then Beyoncé. “To Know Him Is to Love Him,” first by the Teddy Bears and almost half a century later by Amy Winehouse. In Marcus’s hands these and other songs tell the story of the music, which is, at bottom, the story of the desire for freedom in all its unruly and liberating glory. Slipping the constraints of chronology, Marcus braids together past and present, holding up to the light the ways that these striking songs fall through time and circumstance, gaining momentum and meaning, astonishing us by upending our presumptions and prejudices. This book, by a founder of contemporary rock criticism—and its most gifted and incisive practitioner—is destined to become an enduring classic. “One of the epic figures in rock writing.”—The New York Times Book Review “Marcus is our greatest cultural critic, not only because of

what he says but also, as with rock-and-roll itself, how he says it.”—The Washington Post Winner of the Deems Taylor Virgil Thomson Award in Music Criticism, given by the American Society of Composers, Authors & Publishers *New Book of Rock Lists* Jul 19 2020 Dave Marsh has been an editor and columnist at Creem and Rolling Stone. His books include *Born to Run*, *Behind Blue Eyes: The Story of the Who*, *Glory Days*, and *Louie Louie*. This virtual Methusaleh of rock critics currently serves as a music critic at Playboy and as editor of Rock and Rap Confidential.

Rocking the Classics Jun 22 2023 Few styles of popular music have generated as much controversy as progressive rock, a musical genre best remembered today for its gargantuan stage shows, its fascination with epic subject matter drawn from science fiction, mythology, and fantasy literature, and above all for its attempts to combine classical music's sense of space and monumental scope with rock's raw power and energy. Its dazzling virtuosity and spectacular live concerts made it hugely popular with fans during the 1970s, who saw bands such as King Crimson, Emerson, Lake and Palmer, Yes, Genesis, Pink Floyd, and Jethro Tull bring a new level of depth and sophistication to rock. On the other hand, critics branded the elaborate concerts of these bands as self-indulgent and materialistic. They viewed progressive rock's classical/rock fusion attempts as elitist, a betrayal of rock's populist origins. In *Rocking the Classics*, the first comprehensive study of progressive rock history, Edward Macan draws together cultural theory, musicology, and music criticism, illuminating how progressive rock served as a vital expression of the counterculture of the late 1960s and 1970s. Beginning with a description of the cultural conditions which gave birth to the progressive rock style, he examines how the hippies' fondness for hallucinogens, their contempt for Establishment-approved pop music, and their fascination with the music, art, and literature of high

culture contributed to this exciting new genre. Covering a decade of music, Macan traces progressive rock's development from the mid- to late-sixties, when psychedelic bands such as the Moody Blues, Procol Harum, the Nice, and Pink Floyd laid the foundation of the progressive rock style, and proceeds to the emergence of the mature progressive rock style marked by the 1969 release of King Crimson's album *In the Court of the Crimson King*. This "golden age" reached its artistic and commercial zenith between 1970 and 1975 in the music of bands such as Jethro Tull, Yes, Genesis, ELP, Gentle Giant, Van der Graaf Generator, and Curved Air. In turn, Macan explores the conventions that govern progressive rock, including the visual dimensions of album cover art and concerts, lyrics and conceptual themes, and the importance of combining music, visual motif, and verbal expression to convey a coherent artistic vision. He examines the cultural history of progressive rock, considering its roots in a bohemian English subculture and its meteoric rise in popularity among a legion of fans in North America and continental Europe. Finally, he addresses issues of critical reception, arguing that the critics' largely negative reaction to progressive rock says far more about their own ambivalence to the legacy of the counterculture than it does about the music itself. An exciting tour through an era of extravagant, mind-bending, and culturally explosive music, *Rocking the Classics* sheds new light on the largely misunderstood genre of progressive rock.

The Role of Rock May 17 2020 A guide to the social & political consequences of rock music.

***A History of Rock Music in 500 Songs Vol 1* Apr 20 2023 In this series of books, based on the hit podcast *A History of Rock Music in 500 Songs*, Andrew Hickey analyses the history of rock and roll music, from its origins in swing, Western swing, boogie woogie, and gospel, through to the 1990s, grunge, and Britpop. Looking at five hundred representative songs, he tells the story of the musicians**

who made those records, the society that produced them, and the music they were making. Volume one looks at fifty songs from the origins of rock and roll, starting in 1938 with Charlie Christian's first recording session, and ending in 1956. Along the way, it looks at Louis Jordan, LaVern Baker, the Ink Spots, Fats Domino, Sister Rosetta Tharpe, Jackie Brenston, Bill Haley, Chuck Berry, Elvis Presley, Little Richard, and many more of the progenitors of rock and roll.

***Rock Music* Aug 12 2022** This volume gathers together twenty articles from among the best scholarly writing on rock music published in academic journals over the past two decades. These diverse essays reflect the wide range of approaches that scholars in various disciplines have applied to the study of rock, from those that address mainly the historical, sociological, cultural and technological factors that gave rise to this music, to those that focus primarily on analysis of the music itself. This collection of articles, some of which are now out of print or otherwise difficult to access, provides an overview of the current state of research in the field of rock music, and includes an introduction which contributes to the ongoing debate over the distinction (or lack thereof) between rock and pop.

Rock Song Index Mar 19 2023 First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

1973: Rock at the Crossroads Jun 29 2021 A fascinating account of the music and epic social change of 1973, a defining year for David Bowie, Bruce Springsteen, Pink Floyd, Elton John, the Rolling Stones, Eagles, Elvis Presley, and the former members of The Beatles. 1973 was the year rock hit its peak while splintering—just like the rest of the world. Ziggy Stardust travelled to America in David Bowie's *Aladdin Sane*. The *Dark Side of the Moon* began its epic run on the Billboard charts, inspired by the madness of

Pink Floyd's founder, while all four former Beatles scored top ten albums, two hitting #1. FM battled AM, and Motown battled Philly on the charts, as the era of protest soul gave way to disco, while DJ Kool Herc gave birth to hip hop in the Bronx. The glam rock of the New York Dolls and Alice Cooper split into glam metal and punk. Hippies and rednecks made peace in Austin thanks to Willie Nelson, while outlaw country, country rock, and Southern rock each pointed toward modern country. The Allman Brothers, Grateful Dead, and the Band played the largest rock concert to date at Watkins Glen. Led Zep's Houses of the Holy reflected the rise of funk and reggae. The singer songwriter movement led by Bob Dylan, Neil Young, and Joni Mitchell flourished at the Troubadour and Max's Kansas City, where Bruce Springsteen and Bob Marley shared bill. Elvis Presley's Aloha from Hawaii via Satellite was NBC's top-rated special of the year, while Elton John's albums dominated the number one spot for two and a half months. Just as U.S. involvement in Vietnam drew to a close, Roe v. Wade ignited a new phase in the culture war. While the oil crisis imploded the American dream of endless prosperity, and Watergate's walls closed in on Nixon, the music of 1973 both reflected a shattered world and brought us together.

The Classic Rock and Roll Reader Aug 24 2023 The Classic Rock and Roll Reader: Rock Music from Its Beginnings to the Mid-1970s is chock full of entertaining essays to inform and delight you about an era that shaped our culture and future musical trends. This unique book will surprise and enchant even the most zealous music buff with facts and information on the songs that reflected America's spirit and captured a nation's attention. The Classic Rock and Roll Reader is offbeat, somewhat irreverent, ironic, and anecdotal as it discusses hundreds of rock and non-rock compositions included in rock history era. The songs offer you information on: Rock's Not So Dull Predecessors (for example, "Bewitched, Bothered, and

Bewildered” and “The Cry of the Wild Goose”) The Pioneering Rock Songs (such as “Rock Around the Clock” and “Shake, Rattle, and Roll”) Older Style Songs Amidst the Rocks (for example, “I Could Have Danced All Night” and “Rocky Mountain High”) The Megastars and Megagroups (such as “Blue Suede Shoes,” “Respect,” and “Surfin’USA”) The Best Songs that Never Made No. 1 (for example, “ I Feel Good” and “ Tie a Yellow Ribbon Round the Ole Oak Tree”) The Classic Rock and Roll Reader: Rock Music from Its Beginnings to the Mid-1970s also examines the music which preceded early rock, the music which followed early rock, and the numerous non-rock songs which flourished during the classic rock period. A wide spectrum of music is discussed in well over 100 essays on various songs. Musicians, librarians, and the general audience will be taken back to the birth of rock and roll and the various contributing influences. Analyzing each song’s place in rock history and giving some background about the artists, The Classic Rock and Roll Reader offers even the most avid music enthusiast new and unique information in this thorough and interesting guide.

**Bass Along 10 Classic Rock Songs Reloaded Apr 27 2021
Rock Eras May 29 2021 From 1954 to 1984, the media made rock n’ roll an international language. In this era of rapidly changing technology, styles and culture changed dramatically, too. In the 1950s, wild-eyed Southern boys burst into national consciousness on 45 rpm records, and then 1960s British rockers made the transition from 45s to LPs. By the 1970s, rockers were competing with television, and soon MTV made obsolete the music-only formats that had first popularized rock n’ roll. Paper is temporarily out of stock, Cloth (0-87972-368-8) is available at the paper price until further notice.**

Turning Points in Rock and Roll Oct 02 2021 The history of rock and roll is a long and winding road full of unforgettable moments, but some of them provided more than magic memories: They triggered social and cultural

revolutions. They radically changed the way music is performed and recorded. They altered our very perception of what popular music is. Written by a longtime industry insider and featuring interviews with over 100 key figures, Turning Points in Rock and Roll gives you a front-row seat to the pivotal events and breakthroughs of the past fifty-plus years in music. From the first great music festival at Monterey to the violence at Altamont that signaled the beginning of a new era, from Elvis's swiveling hips to Mick Jagger's pouting lips...it's all here -- the people and events that have kept rock and roll vibrant, vital, and constantly evolving in bold new directions. Book jacket.

All Music Guide to Rock Nov 22 2020 This fun-to-read, easy-to-use reference has been completely updated, expanded, and revised with reviews of over 12,000 great albums by over 2,000 artists and groups in all rock genres. 50 charts.

Rock 'n' Roll in Orange County Sep 13 2022 The great acts--from Hendrix to Joplin and from Kiss to Korn--played to the Orange County crowd at such classic venues as Huntington Beach's Golden Bear, the Anaheim Convention Center and Anaheim's Doll Hut. Rock 'n' roll's OC roots include Leo Fender's electric guitar factory in Fullerton and the birthplace for the garage-band standard "Louie Louie" in Anaheim. As the music changed, iconic OC groups like Social Distortion and Avenged Sevenfold helped lead the way. Final curtains came down here, too: though killed in England, Eddie Cochran is buried in Cypress, and Bobby Hatfield, half of the Righteous Brothers, is interred at Corona del Mar. Join pop culture expert Chris Epting for the essential big hits plus idiosyncratic flip-side riffs of Orange County's mighty rock 'n' roll history.

Classic Rock Mar 27 2021 (Instrumental Play-Along). Solo instrumentalists will love this collection of 15 timeless rock hits! Demonstration and backing tracks are included for each song, too, for practice and play-along fun. Songs include: Don't Fear the Reaper * Fortunate Son * Free

Fallin' * Go Your Own Way * Jack and Diane * Money * Old Time Rock & Roll * Sweet Home Alabama * 25 or 6 to 4 * and more. Audio is accessed online using the unique code inside the book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

Rock 'n' Roll Dec 24 2020 Provides selected lyrics of over 1,000 famous songs in the history of rock and roll.

Critics Choice Aug 20 2020

Kill Your Idols Jan 05 2022 A collection of 34 essays in which some of the best rock critics of Generation X and Y address allegedly great' albums that they despise. A spirited assault on the pantheon that has been foisted upon this new generation of music critics, a defiant slap in the face to the narrow and hegemonic view of rock history presented by the Baby Boom generation's critics. As a collection of the new generation of rock writers, it is the first of its kind, as well as the first and only anthology devoted solely to critiquing rock and roll's most sacred cows.'

The Rough Guide to Rock Apr 15 2020 Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock from R & B through punk and rap.

A History of Rock Music in 500 Songs Vol 1 Sep 01 2021 In this series of books, based on the hit podcast A History of Rock Music in 500 Songs, Andrew Hickey analyses the history of rock and roll music, from its origins in swing, Western swing, boogie woogie, and gospel, through to the 1990s, grunge, and Britpop. Looking at five hundred representative songs, he tells the story of the musicians who made those records, the society that produced them, and the music they were making. Volume one looks at fifty songs from the origins of rock and roll, starting in 1938 with Charlie Christian's first recording session, and ending in 1956. Along the way, it looks at Louis Jordan, LaVern

Baker, the Ink Spots, Fats Domino, Sister Rosetta Tharpe, Jackie Brenston, Bill Haley, Chuck Berry, Elvis Presley, Little Richard, and many more of the progenitors of rock and roll.

***San Francisco Rock* Feb 23 2021 Examines the historical, social, and business reasons for the variety of pop musical forms fueled by the San Francisco music scene. Looks at satellite factors to the music such as radio, poster art, nightclubs, and studios. Features individual essays on the more than 100 significant recording bands to have emerged from the Bay Area.**

Twilight of the Gods Jul 23 2023 National Bestseller * Named one of Rolling Stone's Best Music Books of 2018 * One of Newsweek's 50 Best Books of 2018 * A Billboard Best of 2018 * A New York Times Book Review "New and Noteworthy" selection The author of the critically acclaimed *Your Favorite Band is Killing Me* offers an eye-opening exploration of the state of classic rock, its past and future, the impact it has had, and what its loss would mean to an industry, a culture, and a way of life. Since the late 1960s, a legendary cadre of artists—including the Rolling Stones, Bob Dylan, Neil Young, Bruce Springsteen, Fleetwood Mac, the Eagles, Black Sabbath, and the Who—has revolutionized popular culture and the sounds of our lives. While their songs still get airtime and some of these bands continue to tour, its idols are leaving the stage permanently. Can classic rock remain relevant as these legends die off, or will this major musical subculture fade away as many have before, Steven Hyden asks. In this mix of personal memoir, criticism, and journalism, Hyden stands witness as classic rock reaches the precipice. Traveling to the eclectic places where geriatric rockers are still making music, he talks to the artists and fans who have aged with them, explores the ways that classic rock has changed the culture, investigates the rise and fall of classic rock radio, and turns to live bootlegs, tell-all rock biographies, and even the liner notes of rock's greatest

masterpieces to tell the story of what this music meant, and how it will be remembered, for fans like himself. *Twilight of the Gods* is also Hyden's story. Celebrating his love of this incredible music that has taken him from adolescence to fatherhood, he ponders two essential questions: Is it time to give up on his childhood heroes, or can this music teach him about growing old with his hopes and dreams intact? And what can we all learn from rock gods and their music—are they ephemeral or eternal?

Rock Music in American Popular Culture Dec 16 2022 How does rock music impact culture? According to authors B. Lee Cooper and Wayne S. Haney, it is central to the definition of society and has had a great impact on shaping American culture. In *Rock Music in American Popular Culture*, insightful essays and book reviews explore ways popular culture items can be used to explore American values. This fascinating book is arranged alphabetically for quick and easy reference to specific topics, but the book is equally enjoyable to read straight through. The influence of rock era music is evident throughout the text, demonstrating how various topics in the popular culture field are interconnected. Students in popular culture survey courses and American studies classes will be fascinated by these unique explorations of how family businesses, games, nursery rhymes, rock and roll legends, and other musical ventures shed light on our society and how they have shaped American values over the years.

***Progressive Rock Reconsidered* Mar 07 2022** In this book, the glory days of progressive rock are relived in a series of insightful essays about the key bands, songwriters and songs that made prog-rock such an innovative style.

Classic Rock Albums: Nirvana - Nevermind Dec 04 2021 *Nevermind* was the album that took Nirvana out of Seattle's alternative rock scene and turned them into a worldwide mainstream sensation. This book documents the album by featuring interviews with the band members and producers and reconstructs how the album was made.

Rocks Off Jan 25 2021 December 3-4, 1969. Keith and Mick stood at the same microphone at Muscle Shoals, lights dimmed, splitting a fifth of bourbon, and simultaneously sang the melodies and harmonies on the three songs that they had recorded over three days: "Brown Sugar," "You Got to Move," and "Wild Horses." That's your rock 'n' roll fantasy right there, pal. A six-piece band working in a tiny converted coffin factory across from an Alabama graveyard, on an eight-track recorder, with no computer editing or Autotune, recorded three songs, representing 30 percent of one of the greatest rock 'n' roll records of all time. So tells Bill Janovitz of the making of the inimitable triple-platinum album, Sticky Fingers, which hit number one in the US and the UK in 1971, skyrocketing the band to superstardom. To Bill, all artists reveal themselves through their work and the Rolling Stones are no different: Each song exposes a little more of their soul. In Rocks Off, Janovitz reveals the forces at work behind the band's music by deconstructing their most representative tunes from their incredible fifty years of record making. Written by a Stones fanatic, this is a song-by-song chronicle that maps the landmarks of the band's career while expanding on their recording and personal history. Much like friends pouring over old records or having a barroom argument over the merits of certain songs, the book presents the musical leaps taken by the band and discusses how the lyrical content both reflected and influenced popular culture. The song choices are chronological and subjective; many of them are the classic hits; however, the book digs deeper into beloved album tracks and songs with unique stories behind them. Rocks Off is the ultimate listening guide and thinking man's companion that will spur you to dust off those old albums and listen in with a newfound perspective on one of the most famous and acclaimed rock 'n' roll bands of all time.

The Sound and the Fury Oct 22 2020 An archive of articles by the editor's favorite rock writers, culled from his Web

site, "Rock's Backpages," includes pieces on such artists as the Beatles, David Bowie, Bruce Springsteen, and Madonna. Original. 10,000 first printing.

Classic Rock of the Seventies Feb 06 2022 The Classic Rock series nostalgically recalls all the greatest hits from the different eras of rock history, from the Fabulous '50s and the '60s British Invasion to '80s Punk, and the Alternative '90s. Each book contains more than 30 songs, with an essay on the era and a photo documentary for a trip down memory lane. Thirty-four titles including: Aqualung * The Boys Are Back in Town * Christeen Sixteen * Detroit Rock City * Free Bird * Gimme Three Steps * Listen to the Music * More Than a Feeling * Personality Crisis * Roundabout * Suffragette City * Sweet Home Alabama * Takin' It to the Streets and many more.

Drum Along - 10 Hard Rock Classics May 21 2023
Rock Music in American Popular Culture III Sep 20 2020 This unique volume examines a variety of social and cultural issues including censorship, Christmas songs, death, foolish behavior, hoaxes, jobs and workplaces, military involvements, novelty recordings, patriotism, postal images and much more. You will find that the integration of lyrical analysis and social/cultural imagery is unique with respect to highlighting recorded music as a source of learning, information transmission, and self-identity.

Rock Music in American Popular Culture II Feb 18 2023 From "Who Put the Bomp (in the Bomp, Bomp, Bomp)?" to a list of all song titles containing the word "werewolf," **Rock Music in American Popular Culture II: More Rock 'n'Roll Resources** continues where 1995's Volume I left off. Using references and illustrations drawn from contemporary lyrics and supported by historical and sociological research on popular cultural subjects, this collection of insightful essays and reviews assesses the involvement of musical imagery in personal issues, in social and political matters, and in key socialization

activities. From marriage and sex to public schools and youth culture, readers discover how popular culture can be used to explore American values. As Authors B. Lee Cooper and Wayne S. Haney prove that integrated popular culture is the product of commercial interaction with public interest and values rather than a random phenomena, they entertainingly and knowledgeably cover such topics as: answer songs--interchanges involving social events and lyrical commentaries as explored in response recordings horror films--translations and transformations of literary images and motion picture figures into popular song characters and tales public schools--images of formal educational practices and informal learning processes in popular song lyrics sex--suggestive tales and censorship challenges within the popular music realm war--examinations of persistent military and home front themes featured in wartime recordings Rock Music in American Popular Culture II: More Rock 'n'Roll Resources is nontechnical, written in a clear and concise fashion, and explores each topic thoroughly, with ample discographic and bibliographic resources provided for additional research. Arranged alphabetically for quick and easy reference to specific topics, the book is equally enjoyable to read straight through. Rock music fans, teachers, popular culture professors, music instructors, public librarians, sound recording archivists, sociologists, social critics, and journalists can all learn something, as the book shows them the cross-pollination of music and social life in the United States.

Real Life Rock May 09 2022 For nearly thirty years, Greil Marcus has written a remarkable column called "Real Life Rock Top Ten." It has been a laboratory where he has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements. Taken together, his musings, reflections, and sallies amount to a subtle and implicit theory of how cultural objects fall through time and

circumstance and often deliver unintended consequences, both in the present and in the future. **Real Life Rock** reveals the critic in full: direct, erudite, funny, fierce, vivid, uninhibited, and possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.

Rock Criticism from the Beginning Jun 17 2020 **Rock Criticism from the Beginning** is a wide-ranging exploration of the rise and development of rock criticism in Britain and the United States from the 1960s to the present. It chronicles the evolution of a new form of journalism, and the course by which writing on rock was transformed into a respected field of cultural production. The authors explore the establishment of magazines from **Crawdaddy** and **Rolling Stone** to **The Source**, and from **Melody Maker** and **New Musical Express** to **The Wire**, while investigating the careers of well-known music critics like **Robert Christgau**, **Greil Marcus**, and **Lester Bangs** in the U.S., and **Nik Cohn**, **Paul Morley**, and **Jon Savage** in the U.K., to name just a few. While much has been written on the history of rock, this Bourdieu-inspired book is the first to offer a look at the coming of age of rock journalism, and the critics that opened up a whole new kind of discourse on popular music.
