Playing Favorites Feb 19 2023 According to recent research, our brains prefer the path of least resistance when it comes to engaging people who are unlike us—in fact, our brains tell us to perceive anyone different than us as a threat. That is a nice way to say that, despite our best intentions, we all have our prejudices and preferences. In biblical terms, we show partiality toward people who resemble us; we play favorites. Much of our identity, community, and power are established by the measurement of our differences from others, justifying our need to categorize people. Even when we attempt to engage other races and cultures, we see it as a one-way bridge, taking our way of life across the river to enlighten those different than us. It assumes we are on the bank of the undistorted view of the world and our understanding of the other side is not important. The proper response is to encourage two-way traffic on the bridge, not only by having dialogue with people over the bridge but more importantly listening to them. Overcoming our prejudices and bridging the cultural divide is the result of living out the gospel and it is the most significant way to communicate the gospel.

Simple Weeknight Favorites Jul 24 2023 200 meals you won ’ t believe you ’ re eating on a weeknight! Most quick recipe collections promise a lot but deliver very little. Bland, uninspired dishes may be fast, but will you make them again? And clever gimmicks sound great, but in reality they rarely make much sense. The team at America's Test Kitchen has created more than 200 easy-to-make 30 minute recipes that guarantee impressive results from a minimum of effort. With a little test kitchen know-how, we found ways to make naturally fast dishes even faster, and traditionally slow-cooked dinners a weeknight option. But one thing we never did was settle on shortcuts that shortchanged flavor. Some compromises simply aren't worth making, and a few extra minutes of cooking translate to time well spent. No matter the path taken, every

recipe in this book is foolproof, full-flavored, and fast. It's time to make weeknight dinner interesting again.

B-Side Books Jun 30 2021 There are the acknowledged classics of world literature: the canonical works assigned in schools, topping every must-read list . . . and then there are the B-Sides. These are the books that slipped through the cracks, went unread, missed their rightful appointment with posterity. They were ahead of their times or behind their times or on a whole different schedule than the rest of the universe. What do you do when a book that you love has been neglected or dismissed by everyone else? In B-Side Books, leading writers, critics, and scholars show why their favorite forgotten books deserve a new audience. From dusty westerns and far-out science fiction to obscure Czech novelists and romance-novel precursors, the contributors advocate for the unsung virtues of overlooked books. They write about unheralded novels, poetry collections, memoirs, and more with understanding, respect, passion, and love. In these thoughtful, often personal essays, contributors—including Stephanie Burt, Caleb Crain, Merve Emre, Ursula K. Le Guin, Carlo Rotella, and Namwali

Destiny Has No Favorites Aug 13 2022 This is a story of a person arriving in this country in this country and in this city where he eventually ended up in the middle of the night, not knowing a soul in Canada and having just about \$10.- in his pocket. Using my imagination I let this imaginary person - Peter- show the reader the adventures and misadventures he and eventually his family experienced in this for him so strange and at the same time exciting new place. I decided to cover a period of roughly the first 25 years Peter spent in his new chosed homeland. I could have continued showing the development of his and his family's life after the 25 year period, but I decided against that. I wanted this story to have closure. Another possible book would show the reader how Peter's life continued after 25 years and would show us how he and his loved ones continued with their lives with its ups and downs. The gist of the events occured from the mid 1950's until the early 1980's. I actually completed this book in 1982. It was lying in my filing cabinet for 30 years, because I never had either the time or inclination to publish in writing. The title of this publication: "Destiny has no Favorites" is correct. Destiny, or fate, has no favorites and we all are at the mercy of

this destiny destined for us by that higher power we may call God, Nature, the Absolute Being, the Creator, Providence, the Omnipotent, Being the Supreme Soul or whatever made us feel better to accept the unacceptable.
