***Breaking Cover Dec 03 2021 A real-life, can't-put-down spy memoir. The CIA is looking for walking contradictions. Recruiters seek out potential agents who can keep a secret yet pull classified information out of others; who love their country but are willing to leave it behind for dangerous places; who live double lives, but can be trusted with some of the nation's most highly sensitive tasks. Michele Rigby Assad was one of those people. As a CIA agent and a counterterrorism expert, Michele soon found that working undercover was an all-encompassing job. The threats were real; the assignments perilous.***

***Michele spent over a decade in the agency—a woman leading some of the most highly skilled operatives on the planet, secretly serving in some of the most treacherous areas of the Middle East, and at risk as a target for ISIS. But deep inside, Michele wondered: Could she really do this job? Had she misunderstood what she thought was God’s calling on her life? Did she have what it would take to survive? The answer came when Michele faced her ultimate mission, one with others’ lives on the line—and it turned out to have been the plan for her all along. In *Breaking Cover*, Michele has at last been cleared to drop cover and tell her story: one of life-or-death stakes; of defeating incredible odds; and most of all, of discovering a faith greater than all her fears.***

***Mount Dora Jun 21 2023 Located approximately 50 miles north of Disney World, the small community of Mount Dora, Florida, has become a peaceful oasis in the bustling region, offering a respite to the weary traveler and a refreshing connection to an earlier time. The town rests on the shores of the beautiful Lake Dora, named for early settler Dora Drawdy by government surveyors in the 1840s. Looking at the quaint city streets, placid lake, and turn-of-the-century homes, it's easy to imagine life long ago in Mount Dora as inordinately idyllic, but like all communities, Mount Dora has faced challenges to its growth and prosperity. The collapse of the real estate boom in the mid-1920s was quickly followed by the Great Depression, ruining lives and fortunes in Mount Dora and around the state. But from the beginning, one of Mount Dora's strongest assets has been its inviting lake, an***

***advantage that has helped a thriving tourism industry to develop in this small town. Visitors flock to Mount Dora, not only for the tranquil setting, but also for the community's old-fashioned charm, antique district, and architectural distinctiveness.***

***Tavares Aug 31 2021 Lake County, established May 27, 1887, was carved from portions of Orange and Sumter***

**counties. The Legislature had defined borders but allowed the twenty-two hundred plus registered voters to decide where to place the county seat. Four elections and a courtroom battle later, Tavares, on August 10, 1888, finally became the official seat. The selection process lasted 440 days from start to finish. An 1880 dream of two Orlando Attorneys, Tavares was founded on a historic parcel known as "Hull Place", the homestead of pioneers James and Nancy Hull. The lawyers however did not purchase the land directly from the Hull's. Attorneys Alexander St. Clair-Abrams and partner Robert L. Summerlin bought the undeveloped property, with its "bearing grove", from the estate of George C. Brantley. Platted as a city in 1881, Tavares, when Lake County was formed in 1887, had 20 trains daily passing through its downtown corridor, "more than any Florida depot", said an 1887 visiting correspondent. In six years Tavares, the darling community of Orange County, had blossomed into a Florida railroad hub at the center of 40 plus want-to-be neighboring towns in two counties that, as of May 27, 1887, became 40 plus want-to-be Lake County communities. TAVARES: Darling of Orange County, Birthplace of Lake County, is the story of how Florida's "Great Lake Region" transitioned from a 19th century wilderness into a vibrant Citrus Belt district. Amazing pioneers dared to dream big - dared to imagine creating such places as Leesburg, Lady Lake, Mount Dora, Montverde, Eldorado, Eustis, Umatilla, Astor, Clermont, Yalaha, and Tavares, to name a few. This is a story of triumph over tragedy; of homesteaders becoming town**

Did you know that Florida's places were often named to honor prominent local citizens such as postmasters, landowners, or war heroes? Jacksonville, for example, was named for Florida's first American governor, Andrew Jackson. Later the state's interest in attracting new residents produced names that suggested pleasant places to live, such as Belle Glade and Avon-by-the-Sea.
