But the grim reaper will have to wait, because old man Templeton is a member of the Knights of Malta, a secret order of defenders of the faith dating back to the Crusades, and as such is an ideal partner for the onetime angel in his quest for justice and revenge. Their hunt is about to take some sinister turns, however, leading the gargoyle and the knight to Clontarf Castle, where a major demon, an emissary of Satan, is preparing to make his reentrance into the world.
