Confabulations: Cologne life and humanism in Hermann Schotten's

Confabulationes Tironum Litterariorum (Cologne, 1525) May 21 2023

This study, a companion to Peter Macardle's edition of the *Confabulationes*, examines the ways in which the colloquies relate to their Cologne background, to the major contemporary colloquy collections (particularly Erasmus's *Colloquia* and Mosellanus's *Paedologia*), and to the humanist renewal of Classical Latin. It also looks in detail at the documentary traces of Schotten's career, and of his networks of friendship and patronage, and tries to understand how he fitted into the structures of a university which has often been (wrongly) understood as hostile to humanism. Based on primary archival material, this is the only full-length study of this underrated German humanist's life and work.

**Torquato Tasso** Oct 02 2021 Excerpt from Torquato Tasso: Ein Schauspiel Gammon, mit bermen ber epifcben 'dichtber gegirrt. 230m Scene ant {redptm ?irgil ant Sinfen arinii. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain

*A History of German Literature (1909)*. By: Calvin Thomas (linguist)

May 29 2021 Calvin Thomas (October 28, 1854 near Lapeer, Michigan - November 4, 1919 in New York City) was an American scholar who served as professor of Germanic languages and literature at Columbia University. Biography: Thomas graduated from the University of Michigan in 1874 with an A.B. He taught Latin and Greek at the Grand Rapids High School for a while, after which he studied philology at the University of Leipzig in Germany in 1877/8. His studies ended abruptly when he responded to a request from the University of Michigan to return to its halls and teach German there.[1] In 1886, he became professor of Germanic languages at Michigan. In 1896, he moved to fill the same chair at Columbia University. Professor Thomas did much to introduce the study of German into US public schools. He was president of the Modern Language Association of America from 1896 to 1897, and of the American Dialect Society from 1912 to 1913. He was also involved in the simplified spelling movement and was chair of Theodore Roosevelt's Simplified Spelling Board. The University of Michigan gave him an LL.D. in 1904. In addition, he was an editor and contributing editor of the Funk and Wagnalls Encyclopedia and Dictionary in the early 20th century. After his first wife, Mary J. Sutton of Lapeer, died the year they were married (1880), he married Mary Eleanor Allen of Grand Rapids in 1884. They had two children.

Documenting the Early Modern Book World Jan 17 2023 This volume examines a number of different book lists from a variety of European countries during the fifteenth, sixteenth and seventeenth centuries. It offers a wide-ranging re-evaluation of one of the most interesting and underused resources for early modern book history.

**Eccentricities: Writing in the margins of Modernism** Feb 18 2023

An innovative, interdisciplinary, incisive scholarly study remapping and redefining domains and dynamics of modernism, *Eccentricities: Writing in the margins of modernism* critically considers how geo-historically distant and disparate urban sites, concentrating Russian and Luso-Brazilian cultural dialogue and definition, give rise to peculiarly parallel anachronistic and alternative fictional forms. While comparatively reframing these literary traditions through an extensive survey of

Russian and Brazilian literature, cartography, urban design and development, foregrounding innovative close readings of works by Gogol, Dostoevsky, Bely, Almeida, Machado de Assis, Lima Barreto, Mário de Andrade, the book also redefines new constellations (eccentric, concentric, ex-centric) for understanding geo-cultural and generic dimensions of modernist and post-modern literature and theory.

**The Performance of 16th-Century Music** Apr 15 2020 Most modern performers, trained on the performance practices of the Classical and Romantic periods, come to the music of the Renaissance with well-honed but anachronistic ideas. Fundamental differences between 16th-century repertoire and that of later epochs thus tend to be overlooked-yet it is just these differences which can make a performance truly stunning. The Performance of 16th-Century Music will enable the performer to better understand this music and advance their technical and expressive abilities. Early music specialist Anne Smith outlines several major areas of technical knowledge and skill needed to perform the music of this period. She takes readers through the significance of part-book notation; solmization; rhythmic flexibility; and elements of structure in relation to rhetoric of the time; while familiarizing them with contemporary criteria and standards of excellence for performance. Through The Performance of 16th-Century Music, today's musicians will gain fundamental insight into how 16th-century polyphony functions, and the tools necessary to perform this repertoire to its fullest, most glorious potential.

**Degeneration, decadence and disease in the Russian fin de siècle** Mar 19 2023 Early in the twentieth century, Russia was experiencing a decadent period of cultural degeneration just as science was developing ways to identify medical conditions which supposedly reflected the health of the entire nation. Leonid Andreev, the leading literary figure of his time, stepped into the breach of this scientific discourse with literary works about degenerates. The spirited social debates on mental illness, morality and sexual deviance which resulted from these works became part of the ongoing battle over the definition and depiction of the irrational, complicated by Andreev's own publicised bouts with neurasthenia. This book examines the concept of pathology in Russia, the influence of European medical discourse, the development of Russian psychiatry, and the role that it had in popular culture, by

investigating the life and works of Andreev. It engages the emergence of psychiatry and the role that art played in the development of this objective science.

**Learning Latin the Ancient Way** Jan 25 2021 During the Roman empire Greek speakers learned Latin using textbooks that still offer special advantages: authentic and enjoyable vignettes about the ancient world, easy Latin composed by Romans, insight into ancient learning practices. This book makes the ancient Latin-learning materials available to modern students for the first time.

**The Annals of the English Bible** May 17 2020

Selecta ex Eutropio, Cornelio, Iustino, Curtio, Cicerone, Seneca, Plinio, cet. Capita Aug 20 2020 Nachtigal (1753-1819) wurde in Halberstadt geboren und nach seinem Studium in Halle 1773 als Lehrer an das Halberstädter Domgymnasium (Stephaneum) berufen. Seit 1778 wirkte er als Prorektor, im Jahre 1800 wurde er Konsistorial- und Schulrat, Oberinspektor der domkapitularischen Kirchen und Schulen, Ephorus und Direktor des Domgymnasiums (bis zu seinem Tode 1819). 1802 folgte die Berufung zum Generalsuperintendent des Fürstentums Halberstadt und der Grafschaft Hohnstein und Mansfeld.

**Confabulations** Jun 22 2023 This study, a companion to Peter Macardle's edition of the \*Confabulationes\*, examines the ways in which the colloquies relate to their Cologne background, to the major contemporary colloquy collections (particularly Erasmus's \*Colloquia\* and Mosellanus's \*Paedologia\*), and to the humanist renewal of Classical Latin. It also looks in detail at the documentary traces of Schotten's career, and of his networks of friendship and patronage, and tries to understand how he fitted into the structures of a university which has often been (wrongly) understood as hostile to humanism. Based on primary archival material, this is the only full-length study of this underrated German humanist's life and work.

**Cornelii Taciti Germania Besonders Fur Studierende** Dec 04 2021

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable,

high quality, modern editions that are true to the original work. *Covenant, Causality, and Law* Dec 16 2022 Jordan J. Ballor takes as his point of departure the doctrine of the covenant as it appears in the theology of the prominent second-generation reformer, Wolfgang Musculus (1497–1563), who is perhaps the earliest Reformed theologian to give the topic of the covenant a separate and distinct treatment in a collection of theological commonplaces. Musculus' teaching on the covenant is characterized by the important distinction he makes between general and special covenants, and it is rooted in his exegetical work on the book of Genesis. Where Musculus' *Loci communes* demonstrate his antispeculative, soteriologically focused and pastorally driven approach, his exegesis provides fulsome guidance in the study of Scripture. This examination of Musculus' views on covenant and related doctrines is followed by explorations concerning causality and metaphysics. It concludes with considerations on law and social order. This book is the first full-scale study to place Musculus' theology within its broader intellectual context and to focus on Musculus' theology as found both in his *Loci communes* and in his extensive and voluminous exegetical work. Musculus' positions on doctrines related to covenant, causality and law reveal the eclecticism of Reformed reception of medieval traditions. The final section of this study places Musculus within the later development of Reformed orthodoxy in the 16th and 17th centuries, concluding that Wolfgang Musculus is a significant and often-overlooked figure worthy of further consideration.

Confabulationes Tironum Litterariorum (Cologne, 1525) Aug 24 2023

The humanist Hermann Schotten, or Hermannus Schottennius Hessus (c. 1503–1546), student, schoolmaster, and university lecturer in Cologne, was the author of a number of works on humanist pedagogy. His *Confabulationes Tironum Litterariorum* of 1525, a collection of Latin dialogues designed to help schoolboys master Classical Latin conversation, was written in admiring imitation of the colloquies of Erasmus. But Schotten had his own distinctive style: a natural ear for

dialogue, and a sympathetic understanding of the schoolboy world. As a result, he produced one of the liveliest pedagogical works of the century and a vivid and valuable cultural document of life in the early modern metropolis of Cologne. This critical edition of the *Confabulationes*, the first since the sixteenth century, makes this one-time best-seller available and comprehensible to modern readers. It presents the Latin text, a full English translation, and extensive notes on the language and on Schotten's many literary and cultural allusions, accompanied by a detailed investigation of the early printing history of the collection.

*Crone Stäudlin* Nov 03 2021

*Moria de Erasmo Roterodamo* Nov 15 2022 *Moria de Erasmo Roterodamo* is the first known complete translation of Erasmus's *Encomium Moriae* into Spanish, composed in the sixteenth-century and copied in a seventeenth-century manuscript preserved at Ets Haim/Livraria Montezinos (Amsterdam).

**Anthologia Germanica. German Anthology** Apr 27 2021 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also

providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

**Canons and Canonic Techniques, 14th-16th Centuries** Sep 20 2020

Although canons pervade music of the Middle Ages and the Renaissance, they have not received proportionate attention in the musicological literature. The contributions in this book shed light on canons and canonic techniques from a wide range of perspectives, such as music theory and analysis, compositional and performance practice, palaeography and notation, as well as listening expectations and strategies. Especially in the case of riddle canons, insights from other disciplines such as literature, theology, iconography, emblematics, and philosophy have proved crucial for a better understanding and interpretation of how such pieces were created. The essays extend from the early period of canonic writing to the seventeenth century, ending with three contributions concerned with the reception history of medieval and Renaissance canons in music and writings on music from the Age of Enlightenment to the present. This book was awarded the Special Citation by the Society for Music Theory in November 2008.

**Professor Knatschke; Selected Works of the Great German Scholar and His Daughter Elsa, Collected and Illustrated by Hansi [Pseud. ] and Faithfully Tr** Mar 27 2021

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ... FRONTIER PROVINCES OF THE GERMAN EMPIRE OR, THE ENGAGEMENT UNDER THE CHRISTMAS-TREE (Extracts from the Diary of Frdulein Els a K natschke) ACH! how I look forward to this trip to the Land of Alsace! And yet I am filled with deep melancholy when I think that tomorrow I am going to leave my dear Konigsberg and go out there to Mulhouse-in-Alsace, in those foreign districts, on a visit to my Uncle Max, Aunt Lotte, my dear cousin and friend Hulda, and dear Little Karl, with whom I am to spend Christmas Eve! Once more, for the last time before I pack it, I open my dear Diary, in order to confide to it my impressions. Will the pages that are still white speak, a few days hence,

of Him, the Only One, for whom my heart is pining? This last evening was the saddest of all, and yet Mother had invited Frau Rechnungsrat Lempke and the Kanzleirat Langanke, and had served an especially grand supper, which I myself had helped to prepare. There were pickled eels with raspberry jam, Königsberg Klops, and, for dessert, pickled cucumbers with apple sauce.<sup>1</sup> In honour of my departure Father sent Minna to the brewery to fetch a pint of beer for himself, and one for the Kanzleirat. During supper we talked a great deal about Alsace. The Kanzleirat long ago took part in the Glorious Campaign, and marched through Alsace. He said it was a fine country, where whole mountainsides are covered with vineyards, and you may pick as many grapes as you like (I do hope Uncle Max will take me to those hills!).

Unfortunately, said the Kanzleirat, there also were there some men whom they call Frangtirors, and he often had to fight them--" a cursed lot of fellows," he said they were. But he had pushed them out, and now the country is habitable again. Father knows Alsace very...

**Frömmigkeit, Theologie, Frömmigkeitstheologie** Oct 22 2020 The history of belief, piety, and theology ("Frommigkeitgeschichte") has long stood in the center of Erlangen church historian Berndt Hamm's research interest. Inspired by his work, scholars from Europe and the U.S. have produced this interdisciplinary volume covering topics from the early Middle Ages to the present and dedicate it to him on his sixtieth birthday. Theologie- und frommigkeitgeschichtlichen Phänomenen gilt das besondere Forschungsinteresse des Erlanger Kirchenhistorikers Berndt Hamm. Die Impulse aus seinen Forschungen aufnehmend, widmen ihm Forscher/-innen aus Europa und den USA zum 60. Geburtstag diesen interdisziplinär angelegten Sammelband mit Beiträgen vom Frühmittelalter bis zur Gegenwart.

*New Testament* Jan 05 2022 William Tyndale's translation of the New Testament is one of the most influential works in English literature. His unauthorized translations of the entire New Testament and a substantial part of the Old Testament were smuggled into England, where an eager public risked their lives to read them.

*The Science and Art of Renaissance Music* Jul 19 2020 As a

distinguished scholar of Renaissance music, James Haar has had an abiding influence on how musicology is undertaken, owing in great measure to a substantial body of articles published over the past three decades. Collected here for the first time are representative pieces from those years, covering diverse themes of continuing interest to him and his readers: music in Renaissance culture, problems of theory as well as the Italian madrigal in the sixteenth century, the figures of Antonfrancesco Doni and Giovanthomaso Cimello, and the nineteenth century's views of early music. In this collection, the same subject is seen from several angles, and thus gives a rich context for further exploration. Haar was one of the first to recognize the value of cultural study. His work also reminds us that the close study of the music itself is equally important. The articles contained in this book show the author's conviction that a good way to address large problems is to begin by focusing on small ones. Originally published in 1998. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Meter in Music, 1600–1800 Jun 17 2020 "All practising musicians with an interest in the baroque owe it to themselves to be exposed to the ideas contained in this book." —Continuo "This is a book from an excellent musician in the early field who turns out also to be a most persistent scholar . . ." —Early Music " . . . the book offers a vast quantity of data from a wide range of sources. . . . George Houle is to be congratulated for his honest presentation of the entire spectrum." —Music Educators Journal The treatment of meter in performance has evolved dramatically since 1600. Here is a practical guide for the performer, with many quotations from early manuals and treatises, and abundant examples.

Confabulationes tironum litterariorum Jul 23 2023 The humanist Hermann Schotten, or Hermannus Schottennius Hessus (c. 1503-1546), student, schoolmaster, and university lecturer in Cologne, was the author of a number of works on humanist pedagogy. His \*Confabulationes tironum litterariorum\* of 1525, a collection of Latin dialogues designed to help schoolboys master Classical Latin conversation, was written in admiring imitation of the colloquies of Erasmus. But Schotten had his own distinctive style: a natural ear for dialogue, and a sympathetic understanding of the schoolboy world. As a result, he produced one of the liveliest pedagogical works of the century and a vivid and valuable cultural document of life in the early modern metropolis of Cologne. This critical edition of the \*Confabulationes\*, the first since the sixteenth century, makes this one-time best-seller available and comprehensible to modern readers. It presents the Latin text, a full English translation, and extensive notes on the language and on

Schotten's many literary and cultural allusions, accompanied by a detailed investigation of the early printing history of the collection.

**Colloquial and Literary Latin** Jul 31 2021 What is colloquial Latin? What can we learn about it from Roman literature, and how does an understanding of colloquial Latin enhance our appreciation of literature? This book sets out to answer such questions, beginning with examinations of how the term 'colloquial' has been used by linguists and by classicists (and how its Latin equivalents were used by the Romans) and continuing with exciting new research on colloquial language in a wide range of Latin authors. Each chapter is written by a leading expert in the relevant area, and the material presented includes new editions of several texts. The Introduction presents the first account in English of developments in the study of colloquial Latin over the last century, and throughout the book findings are presented in clear, lucid, and jargon-free language, making a major scholarly debate accessible to a broad range of students and non-specialists.
