Download your copy today and start creating beautiful lifelike animals! For anyone wanting to create a realistic adult torso in polymer clay. Here a polymer clay artist will have a resource created for those serious about creating the human form, complete with plenty of examples and demonstrations. Polymer clay continues to grow as a fine art**

**medium. But, currently there are few resources for people wanting to make realistic figures. It is that gap that this book is aiming to fill. I show the demonstrations step-by-step as I create them. This is the third in the series of "Polymer People", the first two covering the adult human head, and the second on hands and feet. I present to you the third method I used to create a realistic torso. I suggest you work your way straight through both methods to find the techniques most useful. You will discover: 1. Recommended tools and clays by the author 2. Examples and demonstrations showing portions of the human torso 3. Affects of age and weight on the appearance of the torso 4. And much more! With polymer clay and imagination, Maureen Carlson has brought a whole world of cheery little characters to life. You can do it, too! This book makes it fun and easy—no sculpting experience or fancy equipment required! You'll find lots of full-color pictures and detailed, step-by-step projects to lead you all the way—starting with simple, neighborhood kids, and progressing to more complex characters like Grandma and Saint Nick. You'll learn how to make every detail just right, from hair to facial expressions to feet. When you get the hang of it, you can create lively little folks of your own imaginings...even personalize our clay characters for extra-special gifts. No two will ever be exactly alike, but each one is guaranteed to make you smile! This book starts with basic projects that include exact measurements for clay so there's no guesswork. Each character involves building new techniques and experience to work towards more advanced projects. Enchanting, exquisitely detailed and full of personality, Katherine Dewey's animal sculptures delight all who see them. With the friendly medium of polymer clay and the step-by-step instructions in this book, you can achieve the same magical results! Inside, Katherine leads you through then utterly charming projects, such as a sweet little bluebird, a basset hound and a white-tailed fawn. And that's just the start! The "Making Changes" chapter will help you create your own original animal creations by changing poses, making realistic bases, and even modeling your animals to look like bronze, fade and other materials. Polymer clay is extremely good stuff. It's inexpensive, effortless to find, and**

**can be molded into anything you can dream of. A few years in the past I started playing with the clay as a way to focal point my innovative power away from video games. In this basic guide I'll be sharing a few of the sculpting and finishing strategies that I've picked up whilst sculpting with oven-bake polymer clay. let get started This fun book shows readers how to make standalone fantasy character figures with polymer clay. Readers will learn about materials, special precautions and quick, simple techniques; then they will get 3 step-by-step demonstrations including an Elf, Dragon and Bird. Each demonstration shows how to make accurate figures, from beginning supports to sculpting the head (including eyes, chins, noses, brows, lips, cheeks, mouths, ears, makeup and hair) bodies, baking and costuming. Sculpt fascinating creatures! Explore the world of clay and learn to create the dramatically beautiful forms of some of the most fearsome and awe-inspiring creatures your imagination can conjure. Professional artist and owner of Cat Bear Express, Emily Chen, demonstrates how to make adorable animal figurines, flowers, cookies, cakes, beads, and more through easy step-by-step projects. Each project features colorful, styled photographs demonstrating how finished pieces can be used, displayed, and gifted. A comprehensive tools and materials section and detailed information on techniques, baking, and glazing guide artists in their quest to become polymer clay pros. A modern approach to sculpture art, polymer clay is the perfect choice for beginners and***

**crafting enthusiasts. The Art Makers series is designed for beginning artists and arts-and-crafts enthusiasts who are interested in experiencing fun hands-on mediums, including embroidery and papier-mache. Learn to make super-cute polymer clay animals and food in *Kawaii Polymer Clay Creations!* Emily Chen teaches you how to craft twenty adorable figures from basic shapes using easy polymer clay techniques and tools. Progress from a simple bunny to an elaborate unicorn, and learn now to make miniature cookies, bread and ice cream cones that look delicious enough to eat! Included are basic jewelry techniques for transforming your polymer clay masterpieces into wearable items. Try turning a cat into a charm, a pig into a bracelet, a cupcake into a pair of earrings or a stack of pancakes into a ring. You'll also find tips on how to create your very own designs by breaking your subject into simple shapes that you can craft in clay. A thorough, step by step illustrated guide for the figurative sculptor by one of the best and best known sculptors working in polymer clay. All aspects of figure sculpting are addressed, using the modular method she devised. Ideally suited for the novice and seasoned sculptor alike. Includes lessons on ethnic, age, and gender variations as well as fantasy figure modeling. This is the first in the series of "Polymer People". You will learn how to create the adult human head in polymer clay. If you combine the three books in this series, you will create a complete sculpture of the human body. I love the human form. There is so much about it that intrigues me. But when I went looking for a book on how to sculpt it in polymer clay, I had very few options. Those that I found were showing how to do character-type creations. I wanted something grounded in traditional fine art techniques. Things they would teach you in a life sculpting class if you were to use only polymer clay and not earthen clay. You will discover:**

- Recommended tools and clays by the author
- How to mix skin tones
- Examples and demonstrations showing a portion of the human head, including teeth and realistic eyes
- I show two methods of sculpting the overall head, so you can find the method that works best for you.
- And much more!
