*Real Phonies and*  
*Genuine Fakes* Dec  
09 2021 What is  
illusion—a  
deception, or a  
revelation? What is  
a poem—the truth,  
or “a diverting  
flash, / a mirror  
showing everything

/ but itself"? Nicky Beer's latest collection of poems is a labyrinthine academy specializing in the study of subterfuge; Marlene Dietrich, Dolly Parton, and Batman are its instructors. With an energetic eye, she thumbs through our collective history books—and her personal one, too—in an effort to chart the line between playful forms of duplicity and those that are far more insidious. Through delicious japery, poems that can be read multiple ways, and allusions ranging from Puccini's operas to Law & Order, Beer troubles the notion of truth. Often, we settle for whatever brand of honesty is

convenient for us, or whatever is least likely to spark confrontation—but this, Beer knows, is how we invite others to weigh in on what kind of person we are. This is how we trick ourselves into believing they're right. "Listen / to how quiet it is when I lose the self-doubt played / for so long I mistook it for music." Real Phonies and Genuine Fakes asks us to look through the stereoscope: which image is the real one? This one—or this one, just here? With wisdom, humility, and a forthright tenderness, Nicky Beer suggests that we consider both—together, they might contribute to

something like truth.

The Five Aug 17

2022 "The

beginning of this tale of bygone days in Odessa dates to the dawn of the twentieth century.

At that time we used to refer to the first years of this period as the 'springtime,'

meaning a social

and political awakening. For my

generation, these years also coincided

with our own personal

springtime, in the sense that we were

all in our youthful twenties. And both

of these springtimes, as well

as the image of our carefree Black Sea

capital with acacias growing along its

steep banks, are interwoven in my

memory with the

story of one family in which there were five children: Marusya, Marko, Lika, Serezha, and Torik."—from *The Five* The *Five* is an captivating novel of the decadent fin-de-siècle written by Vladimir Jabotinsky (1880-1940), a controversial leader in the Zionist movement whose literary talents, until now, have largely gone unrecognized by Western readers. The author deftly paints a picture of Russia's decay and decline—a world permeated with sexuality, mystery, and intrigue. Michael R. Katz has crafted the first English-language translation of this important novel, which was written in Russian in 1935

and published a year later in Paris under the title *Pyatero*. The book is Jabotinsky's elegaic paean to the Odessa of his youth, a place that no longer exists. It tells the story of an upper-middle-class Jewish family, the Milgroms, at the turn of the century. It follows five siblings as they change, mature, and come to accept their places in a rapidly evolving world. With flashes of humor, Jabotinsky captures the ferment of the time as reflected in political, social, artistic, and spiritual developments. He depicts with nostalgia the excitement of life in old Odessa and comments

poignantly on the failure of the dream of Jewish assimilation within the Russian empire. **Dark Elderberry Branch** Nov 07 2021 Two of America's most passionate poets work magic to unearth the true voice of Tsvetaeva, to open [her] veins. **International Who's Who in Poetry 2005** Feb 28 2021 Provides up-to-date profiles on the careers of leading and emerging poets. **Black Sea** Feb 08 2022 The author demonstrates, through the history of the Black Sea area and the disputed regions of Russia, Turkey, Romania, Greece, and Caucasus, that "the meanings of 'community, '

'nationhood, ' and  
'cultural  
independence' are  
both fierce and  
disturbingly  
uncertain."

*She Reads Truth*

Mar 31 2021

She wants faith, hope,  
and love. She wants  
help and healing.  
She wants to hear  
and be heard, to  
see and be seen.  
She wants things  
set right. She wants  
to know what is

true—not partly  
true, or sometimes  
true, or almost true.  
She wants to see  
Truth itself, face-to-  
face. But here, now,  
these things are all  
cloudy. Hope is  
tinged with hurt.  
Faith is shaded by  
doubt. Lesser,  
broken things  
masquerade as  
love. How does she  
find something  
permanent when  
the world around  
her is always  
changing, when not  
even she can stay  
the same? And if  
she finds it, how  
does she hold on?  
She Reads Truth  
tells the stories of  
two women who  
discovered, through  
very different lives  
and circumstances,  
that only God and  
His Word remain  
unchanged as the  
world around them  
shifted and slipped

away. Infused with  
biblical application  
and Scripture, this  
book is not just  
about two  
characters in two  
stories, but about  
one Hero and one  
Story. Every image  
points to the bigger  
picture—that God  
and His Word are  
true. Not because  
of anything we do,  
but because of who  
He is. Not once, not  
occasionally, but  
right now and all  
the time.

Sometimes it takes  
everything moving  
to notice the thing  
that doesn't move.  
Sometimes it takes  
telling two very  
different stories to  
notice how the  
Truth was exactly  
the same in both of  
them. For anyone  
searching for a  
solid foundation to  
cling to, *She Reads  
Truth* is a rich and

honest Bible-filled journey to finally find permanent in a world that's passing away.

**Journal** Jun 22

2020 "The achievement of 'Poverty Creek Journal' is precisely that it does retrace that kind of

wandering—and, in so doing, makes something lovely and meaningful of a difficult year.

Gardner does not go in for pat analogies; he does not claim, as Camus once did about soccer, that running taught him everything about death. Nor does he go in for pat consolation. His journal does not so much end as stop, as if he has simply not yet risen for the next morning's run." — Kathryn Schulz, *New Yorker*  
"This is one of the most beautifully rendered pieces about running I've encountered under fifty pages. On the surface, *Poverty Creek Journal* is a daily running log in lyric prose, but it soon offers a

meditation on the articulable nature of the human experience. After the narrator suddenly loses his brother, we follow his thoughts through nature, his mind wandering to integrate the strength and frailty of the body as he runs. Gardner's luminous insights on running are often breathtaking. He likens running to 'half sleep, when you're awake in a way, but aware of dreams passing in a kind of un-retraceable wandering....the turning colors passing through me... no real way to put any of this into numbers, mile after mile streaming through me.' We escape with Gardner away, from

the finitude of miles  
and the illusion of  
stasis through his  
will to observe and  
gradually integrate  
loss into his body.”

**A Silent Cry for  
Help** Dec 21 2022  
Keisha’s sister,  
Leah, was raped  
and killed by the  
next-door neighbor  
that lured her to his  
house, promising  
her a color  
television if she  
shoveled his snow.  
One year later, her  
aunt was killed by  
her ex-boyfriend.  
After such tragedy,  
her house size grew  
by two as her aunt’s  
children moved in.  
Rodney, her oldest,  
was in a very dark  
place and lived  
seeing his mother  
die. He later began  
to take from Keisha  
what was not up for  
negotiation, and  
her brother began  
to molest her as  
well, as if Rodney  
hooked him up.  
Keisha looked for  
love on the outside,  
but she was gang-  
raped, and she

became pregnant with twins. As Keisha admired the scenery, the lights flickered on the stage, and the music was jumping. A cutie named Cheryl sat beside her, and they conversed deeply. As the room got hot, the consciousness that she had wouldn't allow her to sleep with her knowing she had AIDS. They became good friends, but the ego in Keisha got Cheryl and her unborn child killed. Keisha left their murderer paraplegic and speechless. She killed the guys that raped her and took their money, and one of their girls she made her own. Then she was caught slipping,

putting her trust in someone that wasn't trustworthy, and almost lost her life.

### Dancing in Odessa

Oct 31 2023 Winner of the prestigious Tupelo Press Dorset Prize, selected by poet and MacArthur "genius grant" recipient Eleanor Wilner who says, "I'm so happy to have a manuscript that I believe in so powerfully, poetry with such a deep music. I love it." One might spend a lifetime reading books by emerging poets without finding the real thing, the writer who (to paraphrase Emily Dickinson) can take the top of your head off. Kaminsky is the real thing. Impossibly young, this Russian

immigrant makes the English language sing with the sheer force of his music, a wondrous irony, as Ilya Kaminsky has been deaf since the age of four. In Odessa itself, "A city famous for its drunk tailors, huge gravestones of rabbis, horse owners and horse thieves, and most of all, for its stuffed and baked fish," Kaminsky dances with the strangest — and the most recognizable — of our bedfellows in a distinctive and utterly brilliant language, a language so particular and deft that it transcends all of our expectations, and is by turns luminous and universal.

**The Bride from Odessa** Oct 07 2021 From the Publisher: Set in Buenos Aires and Paris from the 1920s to the present day, Cozarinsky's short novel about Jewish immigrants, and the related stories he has collected and retold in a fictional light, may be among the few records we have of an extraordinary and little-known twilight society.

**The Ethnic Avant-Garde** Sep 25 2020 During the 1920s and 1930s, American minority artists and writers collaborated extensively with the Soviet avant-garde, seeking to build a revolutionary society that would

end racial discrimination and advance progressive art. Making what Claude McKay called "the magic pilgrimage" to the Soviet Union, these intellectuals placed themselves at the forefront of modernism, using radical cultural and political experiments to reimagine identity and decenter the West. Shining rare light on these efforts, *The Ethnic Avant-Garde* makes a unique contribution to interwar literary, political, and art history, drawing extensively on Russian archives, travel narratives, and artistic exchanges to establish the parameters of an

undervalued "ethnic avant-garde." These writers and artists cohered around distinct forms that mirrored Soviet techniques of montage, fragment, and interruption. They orbited interwar Moscow, where the international avant-garde converged with the Communist International. The book explores Vladimir Mayakovsky's 1925 visit to New York City via Cuba and Mexico, during which he wrote Russian-language poetry in an "Afro-Cuban" voice; Langston Hughes's translations of these poems while in Moscow, which he visited to assist on a Soviet film about African American life; a

futurist play condemning Western imperialism in China, which became Broadway's first major production to feature a predominantly Asian American cast; and efforts to imagine the Bolshevik Revolution as Jewish messianic arrest, followed by the slow political disenchantment of the New York Intellectuals. Through an absorbing collage of cross-ethnic encounters that also include Herbert Biberman, Sergei Eisenstein, Paul Robeson, and Vladimir Tatlin, this work remaps global modernism along minority and Soviet-centered lines,

further advancing the avant-garde project of seeing the world anew. **Words for War** Jul 04 2021 "The armed conflict in the east of Ukraine brought about an emergence of a distinctive trend in contemporary Ukrainian poetry: the poetry of war. Directly and indirectly, the poems collected in this volume engage with the events and experiences of war, reflecting on the themes of alienation, loss, dislocation, and disability; as well as justice, heroism, courage, resilience, generosity, and forgiveness. In addressing these themes, the poems also raise questions about art, politics, citizenship, and

moral responsibility. The anthology brings together some of the most compelling poetic voices from different regions of Ukraine. Young and old, female and male, somber and ironic, tragic and playful, filled with extraordinary terror and ordinary human delights, the voices recreate the human sounds of war in its tragic complexity"--

### **Poetry and Theology in the Modernist Period**

Jan 27 2021 What if the religious themes and allusions in modernist poetry are not just metaphors? Following the religious turn in other disciplines, literary critics have

emphasized how modernists like Woolf and Joyce were haunted by Christianity's cultural traces despite their own lack of belief. In *Poetry and Theology in the Modernist Period*, Anthony Domestico takes a different tack, arguing that modern poets such as T. S. Eliot, W. H. Auden, and David Jones were interested not just in the aesthetic or social implications of religious experience but also in the philosophically rigorous, dogmatic vision put forward by contemporary theology. These poets took seriously the truth claims of Christian theology: for them, religion involved intellectual

and emotional assent, doctrinal articulation, and ritual practice. Domestico reveals how an important strand of modern poetry actually understood itself in and through the central theological questions of the modernist era: What is transcendence, and how can we think and write about it? What is the sacramental act, and how does its wedding of the immanent and the transcendent inform the poetic act? How can we relate kairos (holy time) to chronos (clock time)? Seeking answers to these complex questions, Domestico examines both modernist

institutions (the Criterion) and specific works of modern poetry (Eliot's Four Quartets and Jones's The Anathemata). The book also traces the contours of what it dubs "theological modernism": a body of poetry that is both theological and modernist. In doing so, this book offers a new literary history of the modernist period, one that attends both to the material circulation of texts and to the broader intellectual currents of the time.

The Ballad of The White Horse (Annotated) Feb 20 2023 The Ballad of the White Horse is one of the last great epic poems in the English language.

On the one hand it describes King Alfred's battle against the Danes in 878. On the other hand it is a timeless allegory about the ongoing battle between Christianity and the forces of nihilistic heathenism. Filled with colorful characters, thrilling battles and mystical visions, it is as lively as it is profound. Chesterton incorporates brilliant imagination, atmosphere, moral concern, chronological continuity, wisdom and fancy. He makes his stanzas reverberate with sound, and hurries his readers into the heart of the battle. This is an annotated edition

with a brief biography of the author. *Night Burial* Aug 24 2020 In *Night Burial*, Kate Bolton Bonnici mourns her mother's death from ovarian cancer by tracing the composition, decomposition, and recomposition of the maternal body. Opening with an epigraph from Julia Kristeva's *Stabat Mater*, which recognizes the "abyss that opens up between the body and what had been its inside," *Night Burial* moves from breastfeeding to laying sod on a grave, weaving together Alabama pine forests, fairy tales, philosophy, classical and Renaissance literatures, church practices, and

hospice care.  
Through centuries-  
old and newly  
imagined poetic  
forms, Night Burial  
crafts a haunting  
litany for the dead.  
These poems ask  
the essential  
questions of grief,  
intertwined with  
family and place:  
how do we address  
the absent beloved  
and might the poem  
become its own  
conjuring whereby  
the I can once again

**Revolution** Jun 14 2022 1917: Stories and Poems from the Russian Revolution is a collection of literary responses to one of the most cataclysmic events in modern world history, which exposes the immense conflictedness and doubt, conviction and hope, pessimism and optimism which political events provoked among contemporary writers - sometimes at the same time, even in the same person. This dazzling panorama of thought, language and form includes work by authors who are already well known to the English-speaking world (Bulgakov,

Pasternak, Akhmatova, Mayakovsky), as well as others, whose work we have the pleasure of encountering here for the very first time in English. Edited by Boris Dralyuk, the acclaimed translator of Isaac Babel's *Red Cavalry* (also published by Pushkin Press), 1917 includes works by some of the best Russian writers - some already famous in the English-speaking world, some published here for the very first time. It is an anthology for everyone: those who are coming to Russian literature for the first time, those who are already experienced

students of it, and those who simply want to know how it felt to live through this extreme period in history. POETRY: • Marina Tsvetaeva, 'You stepped from a stately cathedral ', 'Night. - Northeaster. - Roar of soldiers. - Roar of waves.' • Zinaida Gippius, 'Now', 'What have we done to it?', '14 December 1917' • Osip Mandelstam, 'In public and behind closed doors' • Osip Mandelstam, 'Let's praise, O brothers, liberty's dim light' • Anna Akhmatova, 'When the nation, suicidal' • Boris Pasternak, 'Spring Rain' • Mikhail Kuzmin, 'Russian Revolution' • Sergey Esenin, 'Wake me tomorrow at break of day' •

Mikhail Gerasimov, 'I forged my iron flowers' • Vladimir Kirillov, 'We' • Aleksey Kraysky, 'Decrees' • Andrey Bely, 'Russia' • Alexander Blok, 'The Twelve' • Titsian Tabidze, 'Petersburg' • Pavlo Tychna, 'Golden Humming' • Vladimir Mayakovsky, 'Revolution: A Poem-Chronicle', 'To Russia', 'Our March' PROSE: • Alexander Kuprin, 'Sashka and Yashka' • Valentin Kataev, 'The Drum' • Aleksandr Serafimovich, 'How He Died' • Dovid Bergelson, 'Pictures of the Revolution' • Teffi, 'A Few Words About Lenin', 'The Guillotine' • Vasily Rozanov, from 'Apocalypse of Our Time' • Aleksey

Deaf Republic opens in an occupied country in a time of political unrest. When soldiers breaking up a protest kill a deaf boy, Petya, the gunshot becomes the last thing the citizens hear—they

all have gone deaf, and their dissent becomes coordinated by sign language. The story follows the private lives of townspeople encircled by public violence: a newly married couple, Alfonso and Sonya, expecting a child; the brash Momma Galya, instigating the insurgency from her puppet theater; and Galya's girls, heroically teaching signing by day and by night luring soldiers one by one to their deaths behind the curtain. At once a love story, an elegy, and an urgent plea, Ilya Kaminsky's long-awaited Deaf Republic confronts our time's vicious atrocities and our collective silence in the face of them.

**Blood Moon** Mar 24 2023 “Why would I expect to feel blameless?” Troubled and meditative, *Blood Moon* is an examination of racism, whiteness, and language within one woman’s life. In these poems, words are deeply powerful, even if—with the onset of physical infirmity—they sometimes become unfixed and inaccessible, bringing together moral and mortal peril as Patricia Kirkpatrick’s speaker ages. From a child, vulnerable to “words / we learned / outside and in school, / at home, on television”: “Some words you don’t say / but you know.” To a citizen, reckoning

with contemporary police brutality: “Some days need a subject and an action / or a state of being because it’s grammar. / The cop shot. The man was dead.” And to a patient recovering from brain surgery: “I don’t have names. / Words are not with me.” Throughout the collection, the moon plays companion to this speaker, as it moves through its own phases, disappearing behind one poem before appearing fully in the next. In Kirkpatrick’s hands, the moon is confessor, guide, muse, mirror, and—most of all—witness, to the cruelty that humans inflict upon one another. “The moon,” she reminds

us, “will be there.” Compassionate, contemplative, occasionally wonderstruck, *Blood Moon* is a moving work of moral introspection. *Odessa* Sep 29 2023 This collection is “an astonishing achievement” that renders grief and illness in “supremely lyrical, brilliantly imagined . . . poetry of the highest order” (Connie Wanek). A grim prognosis, brain cancer, leaves the speaker in Kirkpatrick’s *Odessa* fighting for her life. The tumor presses against her amygdalae, the “emotional core of the self,” and central to the process of memory. In poems endowed with this emotional charge but void of

sentimentality, Kirkpatrick sets out to recreate what was lost by fashioning a dreamlike reality. Odessa, “roof of the underworld,” a refuge at once real and imagined, resembles simultaneously the Midwestern prairie and a mythical god-inhabited city. In image-packed lines bearing shades of Classical heroism, Kirkpatrick delivers a personal narrative of stunning dimension. *The Life and Opinions of DJ Spinoza* Sep 05 2021 The Life and Opinions of DJ Spinoza is a cycle of fast, tragic,

unsettling, hilarious poems about the shortcomings of reason. Eugene Ostashevsky's book responds to The Ethics of the seventeenth-century philosopher B. Spinoza, a work that seeks to construct an axiomatic system that is a theory of everything in a natural form of language with all its inconsistencies and ambivalence. '1.' Dear Owl you have big eyes feathers that stick in all different directions you wake up your panties are funny You hear the sounds words make as they plead for life that's all that remains of the language of language Eugene Ostashevsky is the author of

**Odessa Stories**  
May 26 2023 A collection of “electric, heroically wrought” Russian short stories of violence, crime, and sex set in Ukraine—for fans of hard-boiled fiction by Raymond Chandler and Dashiell Hammett

(John Updike)  
Odessa was a uniquely Jewish city, and the stories of Isaac Babel—a Jewish man, writing in Russian and born in Odessa—uncover its tough underbelly around the time of the Russian Revolution. Gangsters, prostitutes, beggars, smugglers: no one escapes the pungent, sinewy force of Babel's pen. From the tales of the magnetic cruelty of Benya Krik—infamous mob boss, and one of the great anti-heroes of Russian literature—to the devastating semi-autobiographical account of a young Jewish boy caught up in a pogrom, this collection of stories is considered one of

the great masterpieces of twentieth-century Russian literature. Translated with precision and sensitivity by Boris Dralyuk, whose rendering of the rich Odessan argot is pitch-perfect, *Odessa Stories* is the first ever stand-alone collection of Babel's narratives set in the city and includes the original stories as well as later tales. "The salty speech of the city's inhabitants is wonderfully rendered in a new translation by Boris Dralyuk . . . Hard-boiled language reminiscent of Dashiell Hammett."

Portraits without Frames May 02 2021 Isaac Babel, Dmitry

Shostakovich, and Anna Akhmatova star in this series of portraits of some of the greatest writers, artists, and composers of the twentieth century. "We stopped and Shklovsky told me / quietly, but clearly, / 'Remember, we are on our way out. / On our way out.' And I recalled / ... the wall of books, / all written by a man / who lived / in times that were hard to bear." Lev Ozerov's *Portraits Without Frames* offers fifty shrewd and moving glimpses into the lives of Soviet writers, composers, and artists caught between the demands of art and politics. Some of the subjects—like Anna Akhmatova, Isaac Babel, Andrey

Platonov, and Dmitry Shostakovich—are well-known, others less so. All are evoked with great subtlety and vividness, as is the fraught and dangerous time in which they lived. Composed in free verse of deceptively artless simplicity, Ozerov's portraits are like nothing else in Russian poetry.

**From Heart Into Art** Oct 19 2022

For over a decade, Raymond Luczak, author of *Silence Is a Four-Letter Word: On Art & Deafness*, has been interviewing Deaf and hard of hearing artists and their allies about their creative and arts accessibility work. This volume features over 70

people sharing what it means to be an artist who happens to be different. "When I was little, I never really quite questioned all those millions of sound norms I'd inhabited." - Christine Sun Kim, Non-Traditional Composer With the vast bulk culled from his nine years of interviewing artists for SIGNews, Luczak has added 19 new interviews that offer contrasting views against historical snapshots still relevant to artists everywhere. These lively interviews provide new insights while bringing the reader closer to understanding the extraordinary talents of the

participants. "It was important to go through that period of rage and rebellion, but is it worth sustaining forever?" -Jeremy Quiroga, Sculptor and ASL Poet Interviewees include: Leah Angstman \* Robert Arnold \* Jill Beebout \* Deborah M. **Return Flight** Mar  
12 2022 Selected  
by Jos Charles as  
the winner of the  
2021 Ballard Spahr  
Prize for Poetry,

Return Flight is a  
lush reckoning:  
with inheritance,  
with body, with  
trauma, with  
desire—and with  
the many tendons  
in between. When  
Return Flight asks  
“what name / do  
you crown  
yourself,” Huang  
answers with many.  
Textured with  
mountains—a  
folkloric goddess-  
prison, Yushan,  
mother, men,  
self—and peppered  
with shapeshifting  
creatures, spirits,  
and gods, the  
landscape of  
Jennifer Huang’s  
poems is at once  
mystical and fleshy,  
a “myth a mess of  
myself.”  
Sensuously, Huang  
depicts each of  
these not as things  
to claim but as  
topographies to  
behold and hold.

Here, too, is another kind of mythology. Set to the music of “beating hearts / through objects passed down,” the poems travel through generations—among Taiwan, China, and America—cataloging familial wounds and beloved stories. A grandfather’s smile shining through rain, baby bok choy in a child’s bowl, a slap felt decades later—the result is a map of a present-day life, reflected through the past. Return Flight is a thrumming debut that teaches us how history harrows and heals, often with the same hand; how touch can mean “purple” and “blue” as much as it means

intimacy; and how one might find a path toward joy not by leaving the past in the past, but by “[keeping a] hand on these memories, / to feel them to their ends.”

*The Ecco Anthology of International Poetry* Dec 29 2020

In this remarkable anthology, introduced and edited by Ilya Kaminsky and Susan Harris, poetic visions from the twentieth century will be reinforced and in many ways revised. Here, alongside renowned masters, are internationally celebrated poets who have rarely, if ever, been translated into English.

Odessa, a Black Sea

port founded by Catherine the Great in 1794, shortly after the territory was wrested from the Ottoman Empire, became a boomtown on the southern fringe of the Russian Empire. Catherine and the early administrators of the city, such as the Duke de Richelieu, promoted settlement by Europeans in addition to the Greek, Italians, and Jews who came on their own initiative to take advantage of economic opportunities in the robust grain trade with Europe. More ethnically diverse by far than St. Petersburg, Odessa became a remarkable independent-minded, large

cosmopolitan city, attracting and producing noted writers, artists, musicians and scholars. Imperial Russian tsars and Soviet leaders maintained an ambivalent attitude towards the maverick city, appreciating the fame and fortune it generated, but also leery of the activities of secret foreign national societies, pogromists, revolutionaries and simply the perceived lack of patriotism in the singular city so far away from the heart of Russia. With the withering of the lucrative grain trade by the time of the Soviet Union, Odessa became a neglected city, drained of its

foreign flavor. With the independence of Ukraine in 1991, there were hopes raised that the architectural beauty and economic prospects of the city would be revived. Given the current hostilities in Eastern Ukraine with the potential of the Odessa area becoming a possible land bridge to the Crimean Peninsula, the fate of the former Pearl of the Black Sea hangs in suspension. The present book brings together--indeed, re-collects--some of the most valuable and thought-provoking research on Odessa and its culture, community, and economy published by Patricia Herlihy over several

decades of her work. Scholars of Ukraine, Russia, and the former Soviet Union will find in this book a helpful resource for their research and teaching.
