Mend It! Oct 23 2020 Illustrates step-by-step techniques for making nearly invisible repairs to garments made of knitted fabrics, leather, fur, and other specialized materials by hand and machine

Well Worn Mar 08 2022 Mend and revive your favorite well-worn garments with this comprehensive guide to visible mending techniques from the founder of Slow Stitch Club. From the creator of the popular Slow Stitch Club, Well Worn is a fresh and engaging clothing repair guide and accessible introduction for anyone looking to explore visible mending to revolutionize their wardrobe, whether you are a stitching pro or have never picked up a needle and thread. Mending is a creative outlet and a slow and therapeutic skill, and author and textile artist Skye Pennant shares the joys of mending by teaching traditional darning and sashiko techniques to help fight against wardrobe perfectionism as well as fast fashion, making for gorgeous visible mending results. Her introduction includes a short history of mending followed by key techniques, fabrics, tools, and materials. Sections are organized by type of clothing to mend: Jeans & Denim, Sweaters & Knitwear, T-Shirts, Socks, and more. An outstanding gift or self-purchase for anyone interested in refreshing their wardrobe, fostering a more sustainable lifestyle, saving money and avoiding fast fashion, or simply engaging with a crafty new creative outlet, this sewing basics book is all about mending clothes you love, one slow stitch at a time.

Mend! Aug 25 2023 A hands-on manual and a history and celebration of clothes tending--and its remarkable resurgence as art form, political statement, and path to healing the planet. "For Fans of NBC's Making It, Bravo's Project Runway, or shopping vintage: A sweater gets a hole? Sew it closed... Part history and part how-to, Mend! traces the task's evolution from a 1950s chore to a DIY sustainability movement." —Marie Claire For thousands of years, mending was a deep craft that has for too long been a secret history. But now it's back, bigger and better than ever. In this book Kate Sekules introduces the art of visible mending as part of an important movement to give fashion back its soul. Part manifesto, part how-to, MEND! calls for bold new ways of keeping clothes and refreshing your style. Crammed with tips, fun facts, ravishing photography, and illustrated tutorials, MEND! tells you exactly how to rescue and renew your wardrobe with flair and aplomb--and save money along the way. Whether you've never owned a needle or are an aspiring professional, MEND! gives you clear instruction and witty advice, with over thirty techniques, from classic darning and patching to cheeky new methods invented by Sekules, to help you turn every garment into a unique fashion statement. Including interviews with menders, shameful fashion industry facts, a ten-step closet mend, cheat sheets, stitch guides, moth elimination, museum conservator and vintage dealer tricks, and more, this is a book to inspire, delight, and galvanize. Sharp, funny, and incredibly timely, MEND! leads the slow fashion revolution into its next phase, where getting dressed is a joyful, creative experience for all.

Visible Mending Feb 07 2022 "In September 2010 a team of three researchers--two cultural geographers and a photographer--set out to find and visit workplaces in the South West where people repair broken things. Notebooks and cameras were the project tools, and these tools produced an extensive archive of texts and images, a selection of which are printed in this book, the culmination of eighteen months of fieldwork. The project was inspired by an attraction to the aesthetics of these workplaces, but also by an interest in what the practices of fixing, mending, repair and renewal could reveal about the way people value things, and each other. In the words of Elizabeth Spelman: '... though we do not repair everything we value, we would not repair things unless they were in some sense valuable to us, and how they matter to us shows up in the form of repair we undertake.' "--Front flap.

Make Thrift Mend Dec 17 2022 Slow fashion influencer Katrina Rodabaugh, bestselling author of Mending Matters, teaches readers how to mend, patch, dye, and alter clothing for an environmentally conscious, reimagined wardrobe Slow fashion influencer Katrina Rodabaugh follows her bestselling book, Mending Matters, with a comprehensive guide to building (and keeping) a wardrobe that matters. Whether you want to repair your go-to jeans, refresh a favorite garment, alter or dye clothing you already have—this book has all the know-how you'll need. Woven throughout are stories, essays, and a slow fashion call-to-action, encouraging readers to get involved or deepen their commitment to changing the destructive habit of overconsumption. Rodabaugh has an engaged community (her kits are in high demand and her classes sell out quickly) and a proven ability to tempt sewists and nonsewists alike to take up needle and thread.

Darning Sep 14 2022 This is the first UK edition of the cult darning book by Hikaru Noguchi who has become a guru of visible darning in Japan. With 12 different darning techniques and 63 inspirational examples, this detailed step by step guide makes the methods easy to follow. The stylish photography shows off the artistic and minimalist style of the designer's work.

Denim Mending + Visible Mending for Beginners Nov 16 2022 If you want to learn how to mend your favorite denim and knitwear, without using the same boring 'zig-zag' pattern, then read on... Have you ripped your favorite jeans and are desperate not to throw them away? Are you thinking, 'What do I do now?', when you discover a hole in your favorite sweater? Are you tired of using the same zig-zag pattern for all mending? Are you tired of using ugly iron patches on your clothes? The solution to your problems is here. Taught below are some of the most effective mending techniques that will satisfy your mending needs. They will teach you how to update clothing that may have a hole or rip, and help you end up with something timely and fashionable! If you sew at all, you can recycle clothing and end up looking really in tune with fashion for a lot less than buying mass-produced clothing. All you have to do is learn the techniques inside. Inside this book you will discover: - How to mend your favorite denim (and avoid cutting them into shorts) using the 'sashiko' method - How to patch jeans while keeping the distressed look - The secret to incorporating doilies and other frills into your denim - How to hem jeans while keeping the original hem - 10 handy 'hacks' to avoid small mistakes and snags while mending - How to mend rips in clothing with the best technique that hardly shows - A versatile and robust mending technique that can repair your favorite sweater and socks - 1 mending technique that blends both mending and embroidery, giving you the best of both worlds - 2 special tools to use when darning your socks - 1 simple but crucial tip that will make patching denim easier for you - The #1 stitching technique you should use when repairing pillowcases - The secret to finding and mending thrift store clothing - A mending technique from India, that is considered a 'dying art', and could be lost to the ages within our lifetime (it is also perfect for mending your socks) Save yourself from throwing out any more of your clothes into the trash. If you want to save your 'favorite pair of jeans' or mend the sweater that is the comfiest one ever then... Scroll up and click the 'Buy now' button P.S. Most people regret throwing out their favorite piece of clothing, after realizing that it could have been given a new life with mending. Learn before it's too late.

Wear It. Love It is for everyone! Packed full of simple fixes, as well as more advanced techniques, this book is perfect for sewers, crafters, and fashion lovers of all experience levels.

Wear, Repair, Repurpose: A Maker's Guide to Mending and Upcycling Clothes Feb 19 2023 In with the old, out with the new—reclaiming your closet and reducing fashion waste starts here. Repair your favorite socks with style, add flair with personalized patches, and turn ripped jeans into an embroidered masterpiece. For beginner and experienced makers, Lily Fulop's guide to mending and upcycling is your colorful companion to ditching fast fashion and extending the lifecycle of all your favorite clothes. Fulop's vibrant step-by-step illustrations make mending easier than every, demystifying techniques and displaying unique ways to show off your personality. And when your mending possibilities run out, she has simple yet striking solutions to repurpose fabric, including braided rugs, crocheted pillows, and more. Say hello to sustainable inspiration.

Make and Mend Oct 15 2022 An exquisite, full-color guide to sashiko, a simple Japanese stitching technique that uses stunning patterns to decorate or repair clothing, accessories, and home textiles. Requiring no special equipment other than a sewing needle and thread, Make and Mend introduces the incredibly simple technique of sashiko--a striking hand-sewing method using a running stitch to form pleasing geometric patterns. Sashiko is traditionally used to mend and repair clothing and textiles, but it can just as easily be used to create beautiful, decorative projects for the home. With fifteen projects applying a modern, on-trend aesthetic to this ancient craft, Make and Mend shows readers how to apply sashiko stitching to a variety of craft projects, such as repairing torn jeans, mending a ripped hem, and making decorative pillows, napkins, a tablecloth, and a totebag. Touching on the concepts of beauty in minimalism and resourceful simplicity, as well as a fascination with Japan and Japanese design, this easy and accessible book appeals to both the seasoned maker and total beginner.

Cotton Friend Sewing May 30 2021 A book with the theme of "Let's make clothes to wear tomorrow," where adult women can make the clothes they want to wear now. Full of useful items for every season, such as coats and dresses and tunics made of warm materials. This book consist of sewing patterns of adult clothes delivered by the editorial department of the quarterly sewing magazine Cotton Friend. Under the theme of "Let's make tomorrow's clothes today," we have gathered adult clothes that are easy to make. Including items that are easy to make, such as ponchos, solid and kimono coats, as well as pants, tunics, dresses. Also note the proposal to enjoy the arrangement by changing the collar and fabric. The motto is "I want to make and wear them now."

Fix Your Clothes Jun 30 2021 Ever had to say goodbye to a favorite item of clothing because of a busted zipper, fallen hem, or gaping hole? Want to save money and the world by not buying new clothes all the time? Concerned about the labor practices of fast fashion? If so, learn to repair your clothes from this cheerful, handwritten and hand-illustrated guide. Raleigh Briggs, author and illustrator of the bestselling Make Your Place: Affordable, Sustainable Nesting Skills takes us on a mending journey through stocking your supplies, quick fixes, types of knots and stitches, buttons, mending seams, patching holes, darning holes, hemming, fixing zippers, waterproofing canvas, leather, and nylon, and so much more! Raleigh's style is simple, playful, friendly, fun, and builds your confidence. You can do it!

Mending with Love Sep 02 2021 Extend the life of well-worn, beloved pieces using these creative techniques. Mending With Love shows you how to apply embroidery, patching, darning, felting, stamping and a little crochet to worn pieces of clothing or household items. Instead of stowing or throwing away damaged pieces that hold happy memories, you can employ these beautiful and sustainable ideas to give them a new life. With this book, you'll learn how to: Repair knitted and woven fabrics Work with flat and curved surfaces Artfully repair comfy, well-made socks and gloves Make a statement with creative patching Fill in holes with roving using felting techniques Use embroidery to visibly mend frays or damage from the odd cat claw Apply other tips and techniques to torn, worn, or stained favorites Creative as well as practical, mending is

both a source of pleasure and an eco-friendly fashion statement. Instead of buying more stuff with less meaning, this method allows you to hold on to the things that have a special place in your heart. As "fast fashion" has rapidly expanded, mending has re-emerged as a popular, environmentally-friendly movement around the world.

Embroidered Wild Flowers Mar 28 2021 From dandelions and violets to mushrooms and autumn leaves, this collection of embroidery motifs is inspired by nature walks. Inspired by the wonder and beauty of the natural world, the embroidery motifs offered here evoke wildflower meadows and woodland walks. With lifelike yet whimsical plants and flowers, as well as mushrooms, leaves, trees, and birds, the flora and fauna presented here offer a delightful and beautiful range of motifs drawn from nature. Featuring beautiful photographs, clear step-by-step instructions, and detailed diagrams, this book will be an inspiring guide for those new to embroidery and a fresh and unique offering for those experienced with needle and thread.

Punch Needle Oct 03 2021 Discover a fresh take on a traditional craft in this ultimate introduction to the art of punch needling. Giving this forgotten craft a modern twist is author Arounna Khounnoraj (aka Bookhou). One of Canada's most sought after mentors and creatives, she has caused a social media storm with her beautiful images and videos featuring her modern interpretation of this craft. In Punch Needle Workshop she shows you how to create your own floral and abstract designs, teaches the basic stitches and guides you in mastering punch needling through a stylish collection of 20 homeware and accessory projects. It won't take long to ace, as this is one of the most straightforward crafts to pick up – all you need is your hands, a ball of yarn, some fabric, and a punch needle. Discover how to create stunning cushions, wall art, bags, a blanket and an impressive rug with the help of illustrated step-by-steps, pattern charts and inspirational project photography. Each piece highlights Arounna's beautiful botanical and abstract pattern work, sense of color and combination of stitches, which bring this age-old technique bang up to date. Arounna also shows you how to develop and translate your own designs into beautiful pieces to feature around your home. So once you have mastered the basics, you can begin to design your own creations... the possibilities are endless.

15 Simple Japanese Embroidery Projects Nov 04 2021 Let this book show you the pleasure of repairing, reinforcing and making beloved items using sashiko embroidery! Sashiko for Making and Mending shows you how to use sashiko stitching to mend rips, repair things like fraying cuffs and create original accessories that look fabulous. With this book, you'll be able to embrace the visible mending movement—the practice of repairing high quality items you already own instead of replacing them with cheaper "fast fashion" alternatives. It also gives you the opportunity to practice the craft, with instructions for 15 handmade items, including: Gorgeous indigo pouches A rustic linen book cover Breezy, multipurpose cotton stoles A simple, elegant tote bag And so much more! This book teaches many easy variations of the traditional sashiko stitches—highlighting the impact simple, well-executed stitching can have on everything from embellishing napkins to repairing a jacket. Its gorgeous, thoughtful aesthetic and high-functionality makes sashiko the perfect all-purpose embroidery!

Loved Clothes Last May 10 2022 'It's important that everyone with an interest in fashion reads this book so we can live on a healthier planet' Arizona Muse 'The most timely book you'll read this year' India Knight * * * * * Running out of space for the clothes you can't stop buying? Curious about how you can make a difference to the environmental challenges our planet faces? Join Orsola's care revolution and learn to make the clothes you love, last longer. This book will equip you with a myriad of ways to mend, rewear and breathe new life into your wardrobe to achieve a more sustainable lifestyle. By teaching you to scrutinise your shopping habits and make sustainable purchases, she will inspire you to buy better, care more and reduce your carbon footprint by simply making your loved clothes last longer. Following Orsola's practical tips to lavish care and attention on the clothes you already own will not only have a positive environmental impact, but will be personally rewarding too: hand wash, steam and spot clean your clothes, air dry instead of tumble drying, or revive your clothes by sewing or crocheting. Fast fashion leaves behind a trail of human and environmental exploitation. Our wardrobes don't have to be the finish line; they can be a starting point. We can all care, repair and rewear. Do you accept the challenge? * * * * * 'An incredibly thoughtful, must-read guide' Kenya Hunt 'A must read for anyone who wants to understand the fashion industry as an outsider and wants direction as to where we go next' Aja Barber

Visible Mending Oct 27 2023 We all have that favorite pair of jeans - no matter how baggy or worn they might become. In the movement against throw-away culture and fast fashion, learn how to pick up a needle and rediscover the forgotten techniques and the joy of mending. In Visible Mending, Arounna explores why we should mend, and how to mend a variety of different fabrics. Work through the illustrated step-by-step instructions that will demystify mending techniques and discover how these can be easily applied to old items to give them a fresh, modern look. Packed with skill-based projects, this book reveals how to patch jeans, embroider over tears, dye stains and use the Japanese art of Sashiko. Visible Mending is a book for those who want to learn how to make the most of their wardrobes, be less wasteful, more sustainable and add a personal touch to their garments.

The Mending Directory Feb 24 2021 "Clothing repair through visible mending is a movement that now has hundreds and thousands of followers, and Erin Eggenburg is one of the leading proponents. Through her beautiful stitch designs, Erin shows you how to hand stitch or darn your clothes and other fabric items to mend them, rather than discard them. The patterns are organized by skill level, from beginner to expert, and each project includes a photo of the completed, stitched pattern, as well as step-by-step diagrams showing how to recreate the design. Comprising over 50 hand-stitched mending patterns, you can give worn clothes a new lease of life by using these beautiful designs to repair your clothes and other fabric items"--Publisher's description.

Mend! Aug 01 2021 A hands-on manual and a history and celebration of clothes tending--and its remarkable resurgence as art form, political statement, and path to healing the planet. "For Fans of NBC's Making It, Bravo's Project Runway, or shopping vintage: A sweater gets a hole? Sew it closed... Part history and part how-to, Mend! traces the task's evolution from a 1950s chore to a DIY sustainability movement." —Marie Claire For thousands of years, mending was a deep craft that has for too long been a secret history. But now it's back, bigger and better than ever. In this book Kate Sekules introduces the art of visible mending as part of an important movement to give fashion back its soul. Part manifesto, part how-to, MEND! calls for bold new ways of keeping clothes and refreshing your style. Crammed with tips, fun facts, ravishing photography, and illustrated tutorials, MEND! tells you exactly how to rescue and renew your wardrobe with flair and aplomb--and save money along the way. Whether you've never owned a needle or are an aspiring professional, MEND! gives you clear instruction and witty advice, with over thirty techniques, from classic darning and patching to cheeky new methods invented by Sekules, to help you turn every garment into a unique fashion statement. Including interviews with menders, shameful fashion industry facts, a ten-step closet mend, cheat sheets, stitch guides, moth elimination, museum conservator and vintage dealer tricks, and more, this is a book to inspire, delight, and galvanize. Sharp, funny, and incredibly timely, MEND! leads the slow fashion revolution into its next phase, where getting dressed is a joyful, creative experience for all.

Sew Illustrated - 35 Charming Fabric & Thread Designs Jan 06 2022 Use free-motion stitching and applique to embellish charming handmade gifts! Make and share 16 small projects in the popular Zakka design style, embellished with any of 35 adorable sketches printed on iron-on transfer paper.

Visible Mending Sep 26 2023 Rip in your jeans? Snag in a sweater? Tear in a tea towel? They all present an opportunity for one-of-a-kind creativity! With this fun introduction to unconventional mending techniques in a format that's half how-to guide, half idea book, anyone can give worn and torn items new life. Start by learning hand-mending methods, including boro, embroidery, patching, and darning. Then rev up the sewing machine for fast mends that put the pedal to the metal. Even with a limited budget and not much time to spare, you can create eye-catching repairs with visible mending--35 examples and more than 150 photos make it easy to put your unique mark on everything you mend!

Mend It Better Sep 21 2020 Welcome to the new face of mending! Don't hide patches — make them into bold, beautiful embellishments. Repair holes with colorful thread and a creative darning stitch, or use fun embroidery to bring new life to a stained shirt. With detailed step-by-step photography, Kristin Roach teaches you a wide range of patching, darning, and repair stitches using both hand and machine sewing. Revive your wardrobe with these traditional mending techniques to make worn-out clothing not just wearable, but better than ever.

Visible Mending Apr 21 2023 We all have that favourite pair of jeans or even lucky socks that we treasure, no matter how baggy or worn they might become. In the movement against throw-away culture and fast fashion, learn how to pick up a needle and rediscover the forgotten techniques and the joy of mending. In Visible Mending, Arounna Khounnoraj explores why we should mend, and how to mend a variety of different fabrics. Work through the book to discover how to repair forgotten pieces and give worn-out clothes a new life. Today, mending has become an extension to making. Mending is about returning value to something, an opportunity to decorate, emphasise details and express identity by repurposing and reusing. Illustrated step-by-step instructions will demystify mending techniques that can be easily applied to old items to give them a fresh, modern look. Each of the projects examine how to repair, reuse and renew the clothes you love, from patching jeans, embroidering over tears to dyeing to hide stains and using the Japanese art of Sashiko. Visible Mending is for those who want to learn how to make the most of their wardrobes, be less wasteful, more sustainable and add a personal touch to their garments.

Most people regret throwing out their favorite piece of clothing, after realizing that it could have been given a new life with mending. Learn before it's too late.

Mending Matters Mar 20 2023 This guide explores visible mending techniques in both hands-on projects and thoughtful insight about how mending relates to mindful well-being. Mending Matters explores sewing on two levels: First, it includes more than twenty projects that showcase visible mending—styles that are edgy, modern, and bold, yet draw on traditional stitching. It does all this with just four simple mending techniques: exterior patches, interior patches, slow stitches, darning, and weaving. In addition, the book addresses the way mending leads to a more mindful relationship to fashion and to overall well-being. In essays that accompany each how-to chapter, Katrina Rodabaugh explores mending as a metaphor for appreciating our own naturally flawed selves. She also examines the ways in which mending teaches us new skills, self-reliance, and confidence, all gained from making things with our own hands.

Mending Clothes Guide Jul 20 2020 Mending is about accepting imperfections and fixing what's wrong. It's not about claiming that better is better. Today I'd like to discuss why you should start to mending your clothes. Doubling the lifespan of clothes from one to two years decreases emissions by 24%. This is why it's so important to mend clothes so that we can wear them and reduce their impact. Fast fashion is full of planned obsolescence. Mending is a method of making clothes more usable and more beautiful. Visible mending refers to when you make a garment

visible by repairing it. This could be stitching a fun design or a patch to a rip. It's possible to be very creative in your mending but you also have the option of keeping it simple. There's no need to have a sewing machine to repair your clothes. For more information buy a copy.....

Simply Sashiko Jun 18 2020 Sashiko: the needlework form of both decorative and functional embroidery developed in Japan many centuries ago. With just four key materials needed—needle, thread, thimble and fabric—Sashiko stitches have long been a favorite for quilting and embroidery. Today, the style is popular in the visible mending movement because of its simplicity, efficiency and aesthetic appeal. With Simply Sashiko, you can apply centuries-old Japanese techniques to your home, clothing and accessories in a fun, modern way. This book gives you simple but thorough lessons on the ins and outs (literally) of 36 different sashiko patterns, plus designs for stylish home and personal accessories so you can try them out, including: Decorative pouches Little purses Placemats and napkins Covered brooches and buttons And much more! Step-by-step instructions and detailed color photos show you everything from transferring patterns to perfecting your stitch technique. User-friendly templates help you keep your motifs balanced and even, while color combinations ranging from the traditional white and indigo to multicolored threads on primary colored backgrounds inspire you to get creative with these basic stitches.

Modern Mending Jul 24 2023 Creatively mend and customize your old clothes to revitalize your outfits and save the planet Bring new life to your old clothes and fabrics with this fun, easy-to-follow guide to modern mending. Across the globe, we send tonnes of clothing to landfill each year. In fact, clothing consumption in the UK and US are one of the highest in the world. But the good news is that mending is trending, and it's never been easier to repair and reinvent your favourite clothes. Inspired by the slow fashion movement that's taking the sewing world by storm, Erin Lewis-Fitzgerald has created a comprehensive guide to mending your own clothes in a way that combines creativity and sustainability. In Modern Mending, she demystifies mending and shares step-by-step instructions for a range of techniques, including stitching, darning, patching, needle felting and machine darning. So next time you tear your favourite jeans or find a hole in your jumper, think twice before throwing them away. With Modern Mending, you'll gain the skills and confidence needed to rebel against fast fashion now and for years to come.

Joyful Mending Jun 23 2023 Joyful Mending shows you how to fix old items of clothing, linens and household objects by turning tears and flaws into beautiful features. Simply by applying a few easy sewing, darning, felting, or crocheting techniques, as well as some sashiko and other favorite embroidery stitches, you can repair your favorite pieces in a transformative way. These techniques don't just save you money, but make your life more joyful, fulfilling and sustainable in an age of disposable "fast fashion." Author Noriko Misumi teaches you her philosophy of mending and reusing items based on the age-old Japanese concepts of mindfulness and Wabi Sabi (an appreciation of old and imperfect things). In her book, she shows you how to: Repair any kind of fabric that is torn, ripped or stained--whether knitted or woven Work with damaged flat or curved surfaces to make them aesthetically pleasing again Create repairs that blend in, as well as bold or whimsical visible repairs Darn your handmade or expensive gloves, sweaters and socks to make them look great again The joy to be found in working with your hands and the personal artistry you discover within yourself lie at the heart of this book. While nothing lasts forever, there's pleasure, as well as purpose, in appreciating age and imperfection. Joyful Mending allows you to surround yourself with the things that truly give you joy, whether they were given to you by a loved one, picked up in your travels or simply have a special place in your heart.

The Dressmaker's Companion Apr 28 2021 A comprehensive sewing reference you'll refer to again and again for reliable, practical advice. Whether you're a dressmaker, fashion student or simply enjoy sewing for yourself and the people you love, this is a sewing book as helpful as your own personal teacher.

Making Thinking Visible Dec 25 2020 A proven program for enhancing students' thinking and comprehension abilities Visible Thinking is a research-based approach to teaching thinking, begun at Harvard's Project Zero, that develops students' thinking dispositions, while at the same time deepening their understanding of the topics they study. Rather than a set of fixed lessons, Visible Thinking is a varied collection of practices, including thinking routines?small sets of questions or a short sequence of steps?as well as the documentation of student thinking. Using this process thinking becomes visible as the students' different viewpoints are expressed, documented, discussed and reflected upon. Helps direct student thinking and structure classroom discussion Can be applied with students at all grade levels and in all content areas Includes easy-to-implement classroom strategies The book also comes with a DVD of video clips featuring Visible Thinking in practice in different classrooms.

Mending Clothes Nov 23 2020 A Guide To Upcycle and Repair Your Clothes Using Hand Stitching and Mending Techniques When last did you hemmed a pair of bad jeans, darned a sock, or patched a garment? Most of our forefathers were adept at repairing, mending, stitching, and reworking their clothes to extend their life span. The ability to mend clothes can provide you with personal, environmental, financial, and systemic benefits. Even more, it's accessible - anybody can learn to mend to some extent. Your clothes, including that expensive outfit that is so precious to you, will ultimately exhibit symptoms of wear and tear, no matter much you care for them. Why not attempt mending them instead of throwing them away? It may appear daunting of a task to do, but with a few simple guidelines and basic skills, anyone can accomplish it and bring their worn-out clothes back to life. As a child, I wondered how my grandmother sewed and patched some of my torn clothes so much so that they came out very attractive. She would join different fabrics together and sow them over the hole and so many other techniques she used. All these fascinated me, and I hoped to do the same one day. Unfortunately, she passed on before I could learn from her. My love for mending, like my grandmother, forced me to learn the skills involved to gain knowledge of several mending techniques. Most of what I learned over the years has been collated and captured in this book, Mending Clothes. Several learning points are covered in this book, such as: 1. An explanation of the clothe mending process and the importance of mending your old clothes. 2. Basic sewing skills and hand sewing mending stitches (running, slip, whip stitch, etc.) to get you started. 3. Vital tips and tricks before and when mending your clothes. 4. Mending techniques for your clothes such as darning, patching, sashiko, and embroidery. 5. Sample clothe mending projects (such as repairing holes in jeans, shirts, socks, etc. using different methods) with illustrations that will help to sharpen your mending skills And so much more! So, what are you waiting for? Get a copy of this book RIGHT NOW to get started

The Art of Repair Dec 05 2021 In The Art of Repair, Molly explores the humble origins of repair and how the act of mending a cherished item carefully by hand offers not just a practical solution but nourishment for the soul. Using her own beautiful illustrations, she guides us through the basics of the craft -- from piecing and patching to the ancient Japanese art of Sashiko. This book will stay with you long after you put down your needle and thread.

How to Sew - Sashiko Apr 09 2022 Sashiko, the traditional Japanese technique of needlework quilting, uses simple running stitch to create beautifully decorative patterns ideal for patchwork, quilting and embroidery. This little book describes everything you need to begin stitching.

Mend & Patch Aug 13 2022 Learn how to take care of your clothes by mending, patching, and repairing them, so you can extend the life of your most treasured garments. In the farthest corner of her clothes store in Stockholm, Sweden, Kerstin has a mending studio. When it's quiet in the shop, she sits by her sewing machine and gives a new lease of life to people's favorite jeans. Whatever the wear and tear, Kerstin arms you with the skills and ideas you need to mend your own clothes and promote sustainable fashion. Find out emergency tips for mending in a hurry, enhance your clothes with decorative stitches, and learn to mend for and with different materials, including leather, cotton, wool, and denim. Packed full of simple fixes for sewing on buttons and repairing holes in pockets, as well as more advanced techniques like darning and weaving in new fabric, this book is perfect for sewers, crafters, and fashion lovers of all abilities.

Mystical Stitches Jan 26 2021 Explore personal transformation through the stitching of dreams and intentions. Anything but ordinary, Mystical Stitches combines the beloved and accessible craft of embroidery with a spiritual element, introducing a rich treasury of 200 magical symbols you can use to set an intention and create personal icons to wear or embellish items in the home. Christi Johnson offers unique patterns inspired by botanicals, animals, numbers, the cosmos, earth elements, zodiac signs, and mythical beasts, for novice or well-practiced crafters to combine into talismans with personal meaning. Johnson's folk art style is vibrant and unimimidating and provides a framework for bringing spiritual elements into physical form. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

Creative Mending Jan 18 2023 Mend, rethink, transform, recreate! Mending your favorite fabric items--from jeans to sweaters to sofa covers--becomes a true art form in Creative Mending. In this book, mending guru Hikaru Noguchi shows you her entire range of valuable techniques--from embroidery and patching to darning and felting--that are just challenging enough for experienced menders. Noguchi's basic rules of mending are that the repair should suit the fabric and its user, and that there are lots of creative ways to create beautifully customized repairs--some subtle, others making a statement. She provides 13 techniques that show you how to: Apply creative repairs to both knitted and woven fabrics Use yarn, floss, ribbon, and fabric to reinvent well-loved garments Make understated repairs that add just a touch of contrast, color, or texture Use visible mending techniques for bold repairs Darn with felt to add body and dimension to a repaired item Match your repairs to the damage, the fabric, and the wearer Maneuver through tricky places like inseams and underarms And more! The 13 illustrated lessons and over 300 color photos in this book provide detailed examples for all the basic techniques. Lots of variations plus plenty of tips and examples (67 in all) provide you with all the guidance you need to rethink and repair beautifully. The stunning photos will inspire you to get creative on that fraying neckline or worn elbow!

Boro & Sashiko, Harmonious Imperfection Jun 11 2022 30+ authentic stitch patterns, 9 projects. Combine hand stitches to create dramatic, unique designs and learn to embrace imperfection, admiring the utilitarian beauty of every stitch. "Shibaguyz" Shannon and Jason Mullett-Bowlsby invite you to try your hand at boro, the traditional Japanese art of mending and quilting, and more than 30 authentic sashiko designs. Stitching lessons are true to tradition, inspired by historical works by Japanese masters. This guide in sashiko and boro includes patterns, stitch how-tos, and needle-threading and knotting tips. Put your handwork to good use with 9 contemporary projects like a sashiko sampler wallhanging, reversible knot bag, or a kimono-inspired jacket! With step-by-step instructions, even beginners can embrace the art of visible mending.
