Waiting for a Visa is a 20-page autobiographical life story of B. R. Ambedkar written in the period of 1935-36. It consists of reminiscences drawn by Ambedkar, related to his experiences with untouchability, in his own handwriting. The book is used as a textbook in Columbia University. The book consists of a very brief introductory passage followed by six sections, relating Ambedkar's experiences with untouchability, starting from his childhood. Sections 1,2,3 and 4 consist of Ambedkar's own experiences, while Sections 5 and 6 consist of other people's experiences with untouchability. Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In

translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan. TBA Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject Gaban, first published in 1931, five years before Premchand's death, gives us a fascinating glimpse of north Indian society, and especially of the author's own Kayasth community. But this novel also serves to put forth his own deeply-held views of the ills of that society - the insatiable love of its women for personal adornment, its failure to create fulfilling marriage relationships, and its moral corruption. This is a felicitous translation by Christopher R. King and will enable many readers to appreciate Premchand's important novel, available for the first time in English Deus havia cumprido sua promessa a Abraão: formou um povo no Egito (Israel) e designou Moisés para o levar às portas da Terra Prometida, Canaã. Nesta, Israel cumpriu em grande parte a ordem de Deus de extermínio das nações canaanitas. Mas não para todas, como Deus queria. As que ficaram, entre elas os filisteus, seu maior inimigo, fizeram com que Israel reivindicasse de Deus um rei, para liderar na frente de combate. O primeiro foi Saul, impetuoso, decidido, mas que teve por isto ser morto por Deus (I Crônicas 10.13,14). Davi, o homem de Deus, certa feita ficou em casa, em vez de ir para a guerra. Foi a partir daí, em casa, que ele se tornou a vergonha de Deus (Salmo 17.3), bem como o réu para quem só ele mesmo teria as palavras da sentença de sua condenação. Noveller. This book contributes greatly to our understanding of contemporary sexual behaviour and sexual attitudes in both rural and urban India and in different strata of society, including adolescent girls, sex workers (male and female), college students and slum dwellers. Presenting case studies from around the country, the original essays in this book identify the contextual, cultural and social factors that contribute to the risk of infection. They cover three broad areas: - An overview of the HIV/AIDS epidemic in India and the response of both the government and the public. - Perspectives from diverse communities concerning premarital, marital and extramarital sexuality. - Lessons learned at the national level in terms of research methodology and in the development of new approaches to HIV/AIDS. Overall, the book stresses the need to view sexuality and risk in a broad cultural and social context, as also emphasizes the need to learn directly from the community in order to develop innovative programmes.
