Minecraft: Zombies! Aug 22 2023 Meet the next big thing in the world of official Minecraft novels: zombies! Looking after a little sibling can be a real headache . . . especially when they're trying to eat your brains! Life is good for Bobbie in the sleepy village of Plaintown. Sure, her villager parents only ever say "Hrm," but you pick up the local language quickly. And maybe her little brother, Johnny, is always getting into trouble, but the village's iron golem is there to look out for him. And, yeah, things are too busy for exploring when you're the only one in town who ever takes their hands out of their sleeves. But maybe that's for the best. After all, there are

things out there beyond the torchlight that are better handled by adventurers. But one night, a stranger comes to Plaintown—and he's followed by a horde of ravenous zombies. Bobbie's village is overrun, and her world is turned upside down. Life is not so good for Ben, an adventurer with nothing left to his name but the armor on his back. When dawn's light shows him an abandoned village, he sees it as a chance to pick through the wreckage and get himself back on track. What he wasn't expecting to run into was a desperate girl with a baby zombie villager on a leash. Bobbie and Johnny are the only ones left . . . and her brother's a lot greener and a lot bitier than he was last night. There's still some of Johnny rattling around the little monster's mind; Bobbie just knows it. And Ben might know a way to bring him back. As the two journey across the Overworld, dragging Johnny along (literally), they brave dangerous depths, terrifying mobs, and an expanding mystery. Was the attack on Bobbie's village really just bad luck? Where did the rest of the zombie villagers go? And how exactly do you take care of a little brother who can't stop trying to eat you?

Diary of a Minecraft Zombie : the Amazing Minecraft World Told Jun 15 2020 I went outside today. It was the most beautiful sight I've ever seen; a big ball of white light shone over a huge soft green patch of land. Father says not to leave the cave without him, but I couldn't help myself this time. The white light invaded through the window of the door. When Mother and Father went to sleep, I snuck out. I stepped out onto the green. It felt soft against my feet, unlike the hard ground of the cave, and walked toward a hole in the land. Bits of the ground were torn up and scattered around the hole. I'm not sure what made the hole, but there was a person at the bottom. He wasn't moving. His possessions were sprawled inside the hole and some were around the edges.
