This Dictionary English To Persian For Mechanical Engineering, as one of the most operating sellers here will utterly be accompanied by the best options to review.

This dictionary uses transliteration as the basis for the word entries and makes it easier for the language learners who are not familiar with the Persian script or are not skilled enough in using it. In those few dictionaries which use transliterations, since the alphabetical order is based on Persian script, it is very difficult and in some cases impossible for a non-native speaker to find the word, especially for those who are at the first stages of learning the language. However, in this method, they would be able to find the transliteration as quick as the English word and they can match it with the equivalent word in the script. So, this dictionary is the first one which can be used by those who even do not know writing and reading in Persian script. A comprehensive dictionary defines approximately thirty thousand words and idioms in 22,500 entries, and includes hints on pronunciation and transliteration of Persian, known as Farsi in Iran and as Dari in Afghanistan. This dictionary is primarily written for English speakers, including: A) High school students in USA, Europe, and Australia and in other parts of the world who learn Persian as a second language. B) English tourists who visit Persian-speaking countries. C. Students in western defence forces who learn Persian. (For example, in Australia, we have a Persian Department in the School of Language in Defence and we have six staff to teach Persian to English students, and all these students need such a dictionary). D. All university students who learn Persian as a subject in USA, Europe and

Australia. E. Other People who learn Persian for other purposes. F. All Persian migrant children in west who want to learn Persian beside English. G. All Persian speakers who want to learn English in West. "1001+ Exercises English - Persian" is a collection of more than 1000 exercises for English speakers. Each exercise is a phrase in English and 5 translation options in Persian you should choose from. Exercises divided into sections such as numbers, colors, time, days, body, greeting, weather, shopping, health, emergency, restaurant and more. SIMIN HABIBIAN has collected 1001 of the most well known Persian proverbs and has found the equivalent or similar of each in English. She has also included a literal translation of each proverb in English, to help the reader and so that the cultural similarities and differences can be seen. In addition, 1001 Persian-English Proverbs includes 111 more proverbs illustrated. The reader can guess which proverb it refers to. An answer key in the back tells the reader which proverb the illustration represents. The book is suited for those learning Persian (Farsi) and for second generation Iranian-Americans who wish to further expand their understanding of their mother language and culture. The reader who does not read or speak Persian will find it a pleasant read. How to speak, Read and Write Persian (FARSI) is a practical, quick and convenient method to learning the language of ninety million people. Whether one is planning to visit Iran, Afghanistan or Tajikistan, has friends who speak the language or is interested in the Persian language's rich literature, this book will help you. The course is divided into twenty simple, clear and concise lessons, which include all aspects of the spoken and written language. Grammar, pronunciation, spelling and helpful phrases are covered. How to Speak, Read and Write Persian can be used effectively as a self-teacher or as a textbook. An answer key is included in the back for those learning independently. How to speak, read and write Persian includes: 2,6000 word Persian-English dictionary; 3 ninety-minute audio-cassettes for pronunciation

read by native speakers. No prior knowledge of Persian is necessary. The increasing popularity of the study of Persian (also known as Farsi, Tajiki or Dari) in the English speaking world, has created a need for a bi-directional Persian-English dictionary geared towards English speakers who are learning Persian. The features of the Persian-English / English-Persian Learner's Dictionary which make it unique are:

BI-DIRECTIONAL: This is the first and only Persian-English/English-Persian dictionary in one volume which features both Persian and transliteration.

ALPHABET: The alphabet used in Persian is completely different from the English. This can be a major barrier in the early stages of learning the language. This dictionary provides a simple transliteration of the Persian word along with its equivalent in the Persian alphabet.

ALPHABETICAL ORDER: In this dictionary, the alphabetical order in the Persian-English section is based on the English spelling. This makes it easy for the user who is not familiar with the Persian alphabet to find a word.

CORRECT USE OF WORDS: This dictionary gives synonyms in various contexts allowing the student to easily choose the correct meaning.

ENTRIES: Approximately 18,000 entries covering both day-to-day and more specialized vocabulary. The Audience for this dictionary is: English speaking students of Persian. English speakers who are seeking to communicate with Persian speakers. Children of Iranians, Afghans and Tajiks outside their homeland who wish to learn their mother language. Persian speakers who wish to learn English. Presents a Farsi-English dictionary containing over 4,000 entries with romanized Farsi text, as well as a phrase book and brief introductions to grammar, pronunciation and the Farsi alphabet. 19 cm.

Alexander the Great (356-333 BC) was to capture the imagination of his contemporaries and future generations. His image abounds in various cultures and literatures - Eastern and Western - and spread around the globe through oral and literary media at an astonishing rate during late antiquity and the early Islamic period. The first Iskandarnama, or 'The

Book of Alexander', now held in a private collection in Tehran, is the oldest prose version of the Alexander romance in the Persian tradition. Thought to have been written at some point between the eleventh and fourteenth centuries by an unknown author, the lively narrative recasts Alexander as Iskandar, a Muslim champion - a king and prophet, albeit flawed but heroic, and remarkably appropriated to Islam, though the historic Alexander lived and died some 1,000 years before the birth of the faith. This new English translation of the under-studied text is the first to be presented unabridged and sheds fresh light onto the shape and structure of this vital document. In so doing it invites a reconsideration of the transformation of a Western historical figure - and one-time mortal enemy of Persia - into a legendary hero adopted by Iranian historiographic myth-making. Evangelos Venetis, the translator, also offers a textual analysis, providing much-needed context and explanations on both content and subsequent reception. This landmark publication will be invaluable to students and scholars of classical Persian literature, ancient and medieval history and Middle East studies, as well as to anyone studying the Alexander tradition.

How To Learn English - The Easy Way!

- Learn how to speak English the easy way
- Learn how to write English the easy way

A comprehensive dictionary defines approximately thirty thousand words and idioms in 22,500 entries, and includes hints on pronunciation and transliteration of Persian, known as Farsi in Iran and as Dari in Afghanistan. About 60,000 entries and sub-entries. A practical dictionary for home, school or office. Various examples. Attractive layout. In "An invitation to Persian poetry", Reza Saberi invites both those who are new to and those who are familiar with the Persian language to share with him one of the greatest joys of life: the beautiful, enchanting, and eternal poetry of Iran dating back hundreds of years with universal messages transcending cultures, time, and place. Here, in this second edition, Saberi has selected poems from 124 classic and modern Persian poets of the past millennium and has gracefully translated them into English in a way that allows readers to enjoy the allure and inspiration of these verses without diminishing their original meaning and elegance. Through these translations, Saberi hopes to introduce to the people of the world and particularly those of the West one of the most precious treasures of Iranian culture. "An invitation to Persian poetry" is intended to serve as an attractive invitation card that entices its receiver to explore the fascinating paradise of Persian poetry. ketab.com - www.ketab.com - www.ketab.com - www.ketab.com Includes approximately 22,000 entries. The Persian (Farsi) equivalents are also written in English letters for those unable to read Persian script. It provides the Persian equivalent rather than a descriptive meaning of the English word. The pronunciation of the Persian rather than the English is emphasized. This dictionary contains approximately 12,000 computer and Internet terms in English and Persian. Entries include the part of speech, the Romanization of the Persian word for those not familiar with the Persian script, and the definition of the term in English. The terms are sorted in English order with a Persian

Romanization index in the back of the dictionary. This dictionary is excerpted from our Words R Us system, a derivative of WordNet. English Wordnet, originally created by Princeton University is a lexical database for the English language. It groups words in English into sets of synonyms called synsets, provides brief definitions and usage examples, and records a series of relationships between these sets of synonyms. WordNet can be viewed as both a combination dictionary and thesaurus. Some of the terms and definitions incorporated in this dictionary are excerpted from the Microsoft Glossary of Computer Terms in Persian. A copy of their distribution license is available at <https://www.microsoft.com/Language/en-US/LicenseAgreement.aspx> This dictionary will be indispensable for any international company doing business in Iran and other countries where Persian is spoken. We also publish companion volumes with Russian, German, French and Turkish translations. Check our website for availability. The nature of interaction between authors and readers of written texts varies from language to language. This is particularly evident in specialized texts and their translations. Mehrdad Vasheghani Farahani unveils the distributional pattern of metadiscourse features as well as the writer-reader interaction in translations of legal and political texts in an English-Persian context. Using a corpus-based methodology and resorting to parallel and reference corpora, he explores systematically the use of metadiscourse features and their distribution in original texts and in translations in English and Persian. In addition, parallel concordance lines are used to examine the way writer-reader interaction is constructed and guided in translation and non-translation language in English and Persian. "69000+ English - Persian Persian - English Vocabulary" - is a list of more than 69000 words translated from English to Persian, as well as translated from Persian to English. Easy to use- great for tourists and English speakers interested in learning Persian. As well as Persian speakers interested in learning English.
