Paris and Environs with Routes from London to Paris The Marais A Collection of the Laws of Mauritius and Its Dependencies Realms of Memory: Traditions

"In this absolutely powerful and innovative book, Priscilla Parkhurst Ferguson illuminates the complex links between the Revolution of 1789, the different revolutions that took place in 19th-century Paris, and two aesthetic forms characteristic of the cultural discourses of modernity: panoramic journalism and the realist and historical novels authored by Balzac, Flaubert, Hugo, Zola, and Valles. A work of cultural history with stimulating implications, "Paris as Revolution" is well-structured, carefully argued and problematized, and compelling in its scholarship."--Catherine Nesci, author of "La Femme mode d'emploi" "A fascinating and richly suggestive essay on the cultural geography of nineteenth-century Paris. It is imaginatively conceived, broad in its reach, boldly

interdisciplinary. Ferguson's success in combining literary criticism, historical interpretation and sociological analysis to reconstruct the shifting meanings given to the experiences of urbanization and revolution is most impressive."--Jonathan Beecher, author of "Charles Fourier: The Visionary and His World" Each half-year consists of two volumes, *Parie médicale* and *Partie paramédicale*. Offers the best essays from the acclaimed collection originally published in French. This monumental work examines how and why events and figures become a part of a people's collective memory, how rewriting history can forge new paradigms of cultural identity, and how the meaning attached to an event can become as significant as the event itself. A cultural history of one of Paris's most fascinating and variegated areas, whose history can be summarized as 'from riches to rags and back again.' From beating heart of fashionable Paris in the Middle Ages to run-down, largely Jewish neighbourhood and

post-restoration chic gay habitat, the Marais has probably undergone more major changes in its identity than any other Paris quartier.
