Highly dirty and highly arty at the same time. Be prepared to be blown away! Do you know what it's like to be a successful female lawyer in one of the biggest cities in the world having all your fantasies and erotic desires? My name is Lulu, I achieved all the goals I set for myself: success, money, and power. It's definitely not easy for an immigrant who started from the bottom line. But there was one thing I was ashamed of, or better, I was embarrassed to let people know... it was my sex addiction. We as women all know how it is... You can be the most successful businesswoman basing on your skills. But if there is something shameful or negative in your private life that goes public, you're done. It was not easy to hide my unspeakable parallel life, and I always had a sense of guilt about this. Every time I followed my instincts, a part of me had to dissociate from what I was doing to be the perfect woman that everyone admired. Until someone special helped me to understand that sharing is caring and therefore, I had to share what made me anxious, my secret life. It's not a novel, it's not a fantasy of a frustrated woman who dreams about erotic adventures behind her desk... It's my life. The story of a young girl who came to the USA and became a woman, in all senses, freeing all her sexual paradigms and making it a weapon in her favor. In this second book, Lulu returned to her home on the other side of the world, Paris, after a phone call from her mom along with the tragic news. As much as she didn't want to visit Paris so soon, the tragedy has brought her back to France, to discover the dirty secrets about her family. Back to Washington, Lulu has changed her point of view about her life, now it's time to focus on achieving the goals of her own and doing the things that she wants/needs... To continue the erotic adventure of Lulu F., it's a coming of age story filled with beautiful prose and, more than that, it's a reflection on the all-consuming power of sex and attraction. The classic tale of a good girl gone bad storyline. Subscribe on my page below to stay tuned on the releases of my new books, get exclusive contents,
