Macbeth Apr 07 2022

The Third Witch Apr 19 2023 Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Hamlet Nov 21 2020 Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

Macbeth - Act 2, Scene 1 - Speeches & Soliloquies Jun 16 2020 This extract is of Macbeth's soliloquy, "Is this a dagger which I see before me", from Act 2, Scene 1 of Macbeth, where he struggles with Duncan's impending murder.

Macbeth Apr 26 2021 DUNCAN.What bloody man is that? He can report, As seemeth by his plight, of the revoltThe newest state.MALCOLM.This is the sergeantWho, like a good and hardy soldier, fought'Gainst my captivity.-Hail, brave friend!Say to the King the knowledge of the broilAs thou didst leave it.SOLDIER.Doubtful it stood;As two spent swimmers that do cling togetherAnd choke their art. The merciless Macdonwald(Worthy to be a rebel, for to thatThe multiplying villainies of natureDo swarm upon him) from the Western IslesOf kerns and gallowglasses is supplied;And Fortune, on his damned quarrel smiling, Show'd like a rebel's whore. But all's too weak;For brave Macbeth (well he deserves that name), Disdaining Fortune, with his brandish'd steel, Which smok'd with bloody execution, Like Valour's minion, carv'd out his passage, Till he fac'd the slave;Which ne'er shook hands, nor bade farewell to him, Till he unseam'd him from the nave to the chops, And fix'd his head upon our batt

Macbeth May 16 2020

Stephanie Chamberlain's work on Lady Macbeth and the connected gender issue Apr 14 2020 Essay aus dem Jahr 2010 im Fachbereich Didaktik - Englisch - Literatur, Werke, , Sprache: Deutsch, Abstract: The passage in Macbeth, one of William Shakespeare's most famous plays, where Lady Macbeth, the wife of the main protagonist, is fantasizing about motherhood and infanticide, can be interpreted differently. In traditional interpretations, most of the scholars ascribe her expressions about the topic, to the main "unsex me here"-theme. Because this is the quote, which is the best proof to show how Lady Macbeth tries to mobilize her masculine powers to support the political goal of her husband. But these expressions are more than that. Stephanie Chamberlain, who is a associate professor for English at Southeast Missouri State University, Cape Girardeau argues in her work "Fantasizing Infanticide: Lady Macbeth and the Murdering Mother in Early Modern England", which was published in 2002, that there can be seen a lot more in Lady Macbeth's utterances. According to her, the lines including Lady Macbeth's act one fantasy about motherhood and infanticide express the power mothers have in general, on the one hand because of their ability to break the patrilineal and through that have more political influence than they should have by this act, on the other hand because of their influence on their child in education and the connected communication of values. The following essay will figure out the main themes and thesis of Chamberlain, will give arguments to support it, and tries to give background information and explanations why this discussion nowadays loses importance.

The Merchant of Venice Nov 02 2021 This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the "pound of flesh" owed him by the Venetian merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most

up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography

Sonnets Jan 16 2023 Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. [Macbeth \(edition Illustrated\)](#) Aug 23 2023 In 1603, James VI of Scotland ascended the English throne, becoming James I of England. London was alive with an interest in all things Scottish, and Shakespeare turned to Scottish history for material. He found a spectacle of violence and stories of traitors advised by witches and wizards, echoing James's belief in a connection between treason and witchcraft. In depicting a man who murders to become king, Macbeth teases us with huge questions. Is Macbeth tempted by fate, or by his or his wife's ambition? Why does their success turn to ashes? Like other plays, Macbeth speaks to each generation. Its story was once seen as that of a hero who commits an evil act and pays an enormous price. Recently, it has been applied to nations that overreach themselves and to modern alienation. The line is blurred between Macbeth's evil and his opponents' good, and there are new attitudes toward both witchcraft and gender.

The Tragedy of Macbeth Feb 22 2021 Macbeth, a successful soldier, is visited by Three Witches who claim he will soon become king, but his ascension may be thwarted by other parties. Macbeth is driven by ambition and takes drastic steps to secure his place on the throne. After a successful military career in the Scottish army, Macbeth receives life-changing news. Three Witches deliver a prophesy stating that he will be the country's future king. He shares this information with his wife, Lady Macbeth, who is intrigued by his fate. The duo is concerned about potential threats to his position including the king's son Malcolm and the army captain, Banquo. Macbeth becomes obsessed with the prophesy, committing acts of violence towards the current King Duncan, his heir and the captain. As Macbeth's desire for power grows, so does the bloodshed across the kingdom. Macbeth is a haunting prophecy that hinges on the moral decisions of its protagonist. This captivating story highlights the many flaws of man including ego, greed and fear. It's a brilliant character-driven piece that's one of Shakespeare's most adapted and performed plays. With an eye-catching new cover, and professionally typeset manuscript, this edition of Macbeth is both modern and readable.

Macbeth Nov 14 2022

[The Oxford Shakespeare: The Tragedy of Macbeth](#) May 08 2022 Dark and violent, Macbeth is also the most theatrically spectacular of Shakespeare's tragedies. Indeed, for 250 years - until early this century - it was performed with grand operatic additions set to baroque music. In his introduction Nicholas Brooke relates the play's changing fortunes to changes within society and the theatre and investigates the sources of its enduring appeal. He examines its many layers of illusion and interprets its linguistic turns and echoes, arguing that the earliest surviving text is an adaptation, perhaps carried out by Shakespeare himself in collaboration with Thomas Middleton. This fully annotated edition reconsiders textual and staging problems, appraises past and present critical views, and represents a major contribution to our understanding of Macbeth. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Macbeth Aug 31 2021 Presents the complete text of Shakespeare's classic play about Macbeth, a man who kills the king in an attempt to seize the crown of Scotland for himself, and includes an essay by Harold Bloom, introduction, and information about the Shakespearean stage.

coverage of Shakespeare's play as well as a synoptic overview of the text and its themes. Short, memorable quotations and striking images throughout the book aid learning, while in-depth exam preparation includes practice questions and sample responses. See also our Macbeth print and digital pack, which comprises the print Student Book, the enhanced digital edition and a free Teacher's Resource.

Macbeth Jul 18 2020 Macbeth (full title The Tragedy of Macbeth) is a tragedy written by William Shakespeare, and is considered one of his darkest and most powerful works. Set in Scotland, the play illustrates the damaging physical and psychological effects of political ambition on those who seek power for its own sake. The play is believed to have been written between 1599 and 1606, and is most commonly dated 1606. The earliest account of a performance of what was probably Shakespeare's play is the Summer of 1606, when Simon Forman recorded seeing such a play at the Globe Theatre. It was first published in the Folio of 1623, possibly from a prompt book. It was most likely written during the reign of James I, who had been James VI of Scotland before he succeeded to the English throne in 1603. James was a patron of Shakespeare's acting company, and of all the plays Shakespeare wrote during James's reign, Macbeth most clearly reflects the playwright's relationship with the sovereign. Macbeth is Shakespeare's shortest tragedy, and tells the story of a brave Scottish general named Macbeth who receives a prophecy from a trio of witches that one day he will become King of Scotland. Consumed by ambition and spurred to action by his wife, Macbeth murders King Duncan and takes the throne for himself. He is then wracked with guilt and paranoia, and he soon becomes a tyrannical ruler as he is forced to commit more and more murders to protect himself from enmity and suspicion. The bloodbath and consequent civil war swiftly take Macbeth and Lady Macbeth into the realms of arrogance, madness, and death. Shakespeare's source for the tragedy is the account of Macbeth, King of Scotland, Macduff, and Duncan in Holinshed's Chronicles (1587), a history of England, Scotland, and Ireland familiar to Shakespeare and his contemporaries, although the events in the play differ extensively from the history of the real Macbeth. In recent scholarship, the events of the tragedy are usually associated more closely with the execution of Henry Garnett for complicity in the Gunpowder Plot of 1605. In the backstage world of theatre, some believe that the play is cursed, and will not mention its title aloud, referring to it instead as "the Scottish play". Over the course of many centuries, the play has attracted some of the most renowned actors to the roles of Macbeth and Lady Macbeth. It has been adapted to film, television, opera, novels, comic books, and other media.

Is This a Dagger Which I See Before Me? Jul 22 2023 'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

Macbeth Feb 17 2023

Merchant of Venice Dec 23 2020

The character development of Macbeth and of evil in Shakespeare's play Oct 13 2022 Essay from the year 2014 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Potsdam (Institut für Anglistik/Amerikanistik), course: Shakespeare's Tragedies II, language: English, abstract: "So foul and fair a day I have not seen" (Shakespeare Act I, Scene 3, l. 38) . These words mentioned by Macbeth, the main protagonist of the corresponding tragedy, echo one of the main themes of the whole play: nothing is as it seems to be. This central topic also arises in other tragedies by William Shakespeare. In "Macbeth", this motive appears in a much stronger way. This tragedy tells the journey of a former loyal and shining hero, who evolves into the center of evil. "Macbeth" is considered as one of the most sinister tragedies of William Shakespeare. From the beginning on, the setting is depicted as a world full of nightmares, darkness, murder and treason. The play is constituted in a barren landscape, considered as a reference to hell. Most of the events happen during the nighttime, which supports this sinister impression. Some of the attempts that were made to analyze Macbeth, describe him as pure evil and a tyrant. A psychopath, who mercilessly defends his position as a king by killing every possible opponent who crosses his path. Other interpretations draw him as a victim, torn between the question of what is right and what is wrong and influenced by the evil that surrounds him. How can a man, who is firstly described as a hero and a loyal subject change in such a dramatic way? Which path does he take to become such a criminal individual like he mostly is described? What changes happen within his mind? These questions about the character development or in other words, the development of the evil within Macbeth are the core of this paper. In this research, the Reclam version of Shakespeare's "Macbeth", published 2011 in Ditzingen, Germany, is used.

We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

Wuthering Heights Mar 26 2021 Wuthering Heights is the name of Mr. Heathcliff's dwelling. Wuthering being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500, and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.
