With those infamous words, Sylvanas Windrunner betrayed and abandoned the Horde she vowed to serve. The Dark Lady and her forces now work in the shadows as both the Horde and Alliance, including her own sister, Alleria, race to uncover her next move. Struggling to shoulder the crushing weight of leadership, King Anduin entrusts the void elf and High Exarch Turalyon to uncover Sylvanas's whereabouts. The Horde now stands at a crossroads. The various factions form a council, leaving the mantle of warchief to rest. Thrall, Lor'themar Theron, Baine Bloodhoof, First Arcanist Thalysstra, and many other familiar faces rise to this new challenge. But the threats are numerous, and the distrust runs too deep. When the council is derailed by a failed assassination attempt on Talanji—the Zandalari queen and a key ally—Thrall and the rest of the Horde leaders are forced into action. They empower the young troll shaman Zekhan, still grieving the loss of Varok Saurfang, with a critical mission to aid Talanji and help uncover the rising threat against her. As Zekhan and Talanji work to save Bwonsamdi, their journey will be a key turning point in bolstering the Horde against the coming darkness and finding themselves along the way. Failure to save their allies and the trickster god will surely doom them—but through success, they may rediscover what makes the Horde strong.

[Wow, No Thank You.](#) May 10 2022 Winner of 2021 Lambda Literary Award for Bisexual Nonfiction • #1 NEW YORK TIMES BESTSELLER • From Samantha Irby, beloved author of *We Are Never Meeting in Real Life*, a rip-roaring, edgy and unabashedly raunchy new collection of hilarious essays. "Stay-up-all-night, miss-your-subway-stop, spit-out-your-beverage funny.... irresistible as a snack tray, as intimately pleasurable as an Irish goodbye." —Jia Tolentino Irby is forty, and increasingly uncomfortable in her own skin despite what Inspirational Instagram Infographics have promised her. She has left her job as a receptionist at a veterinary clinic, has published successful books and has been friendzoned by Hollywood, left Chicago, and moved into a house with a garden that requires repairs and know-how with her wife in a Blue town in the middle of a Red state where she now hosts book clubs and makes mason jar salads. This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends weeks in Los Angeles taking meetings with "tv executives slash amateur astrologers" while being a "cheese fry-eating slightly damp Midwest person," "with neck pain and no cartilage in [her] knees," who still hides past due bills under her pillow. The essays in this collection draw on the raw, hilarious particulars of Irby's new life. *Wow, No Thank You.* is Irby at her most unflinching, riotous, and relatable.

The Warcraft Civilization Nov 04 2021 An exploration of the popular online role-playing game *World of Warcraft* as a virtual prototype of the real human future. *World of Warcraft* is more than a game. There is no ultimate goal, no winning hand, no princess to be rescued. *WoW* is an immersive virtual world in which characters must cope in a dangerous environment, assume identities, struggle to understand and communicate, learn to use technology, and compete for dwindling resources. Beyond the fantasy and science fiction details, as many have noted, it’s not entirely unlike today’s world. In *The Warcraft Civilization*, sociologist William Sims Bainbridge goes further, arguing that *WoW* can be seen not only as an allegory of today but also as a virtual prototype of tomorrow, of a real human future in which tribe-like groups will engage in combat over declining natural resources, build temporary alliances on the basis of mutual self-interest, and seek a set of values that transcend the need for war. What makes *WoW* an especially good place to look for insights about Western civilization, Bainbridge says, is that it bridges past and future. It is founded on Western cultural tradition, yet aimed toward the virtual worlds we could create in times to come.
