*Theodore Boone: Kid Lawyer* Dec 14 2022 A perfect murder A faceless witness A lone courtroom champion knows the whole truth . . . and he's only thirteen years old Meet Theodore Boone In the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk--and a lot about the law. He dreams of being a great trial lawyer, of a life in the courtroom. But Theo finds himself in court much sooner than expected. Because he knows so much--maybe too much--he is suddenly dragged into the middle of a sensational murder trial. A cold-blooded killer is about to go free, and only Theo knows the truth. The stakes are high, but Theo won't stop until justice is served. Brimming with the intrigue and suspense that made John Grisham a #1 international bestseller and the undisputed master of the legal thriller, Theodore Boone: Kid Lawyer will keep readers guessing and pages turning.

**Theodore Roosevelt, an Autobiography** May 07 2022

*Zoobreak (Swindle #2)* Aug 18 2020 The sequel to Gordon Korman's SWINDLE---the Man With A Plan is back! When Griffin Bing's class goes to a floating zoo, they don't expect to see animals being treated so badly. They don't expect to find Cleo, Dog Whisperer Savannah's pet monkey who's been missing for weeks. And they really don't expect to have to hide the animals once they've rescued them! Hilarity ensues as Griffin's team once more pulls off a heist . . . trying to break the animals back into a (better) zoo!

**Bernie's Brooklyn** Nov 20 2020 Bernie Sanders' tilt at the US presidency has come under fire from an establishment that derides his social democratic policies as alien to the American way. But, as Ted Hamm reveals in this engaging and concise history, the sort of socialism Bernie advocates was commonplace in the Brooklyn where he grew up in the 1940s and 50s. Policies like free college tuition, rent control, and infrastructure projects including extensive public housing, parks and swimming pools were part of the New Deal city run by a progressive Mayor, Fiorello La Guardia, and supported by FDR and Eleanor Roosevelt. While Arthur Miller, resident in Brooklyn Heights, was staging *Death of a Salesman*, a play with which Bernie's dad closely identified, Woody Guthrie was penning his paeans to the American worker in Coney Island and Jackie Robinson was breaking the color bar on Ebbets Field in a Dodgers team yet to be relocated in California. Drawing deeply on interviews with his brother and friends, and delving skillfully into the history of the borough, Bernie's Brooklyn shows how, far from being an anomaly in US politics, Sanders' 2020 platform is rooted

firmly in the progressivism of the New Deal.

*Framed (Swindle #3)* May 15 2020 The hilarious third SWINDLE book - now in paperback! Griffin Bing's new principal doesn't like him. And Griffin doesn't like the boot camp football atmosphere the new principal has brought. Griffin manages to stay out of trouble -- until a Super Bowl ring disappears from the school's display case, with Griffin's retainer left in its place. Griffin has been framed! Unfortunately, the Man doesn't have a Plan - and everything his team tries to find out who really took the ring backfires. Griffin ends up in an alternate school, then under house arrest, and finally with an electronic anklet - with no way to prove his innocence! Griffin smells a rat - but will he be able to solve the mystery in time?

Penumbra Sep 11 2022 Jade Dupree is a beautician and an undertaker's assistant with a gift for smoothing the ravages of death from the faces of her clientele. But her strange talent isn't the only thing that sets her apart from the townspeople of tiny Drexel, Mississippi. Jade is half-black and the unacknowledged bastard daughter of Drexel's "first lady," the imperious Lucille Longier. Jade's half sister, the pale, fragile, and legitimate Marlina, is married to Lucas Bramlett, the wealthiest man in the region. While the entire town knows of the blood bond between the two women, no one dares speak the truth out loud. Though her talents as a hairdresser are highly sought after by Drexel's elite, Jade accepts that she'll never truly be part of the town and lives her life the best she can. But on one hot summer day in 1952, Jade's world is turned inside out when Marlina, on a tryst with her lover, is savagely beaten and her young daughter kidnapped. Determined to find her niece before it's too late, Jade accepts help from a white sheriff's deputy, Frank Kimble. The forbidden attraction that ignites between them threatens to add to the violence already brewing in town. Carolyn Haines has written several acclaimed mysteries, but here she mines much darker, more serious territory, resulting in a suspenseful, lyrical, passionate, and literary crime novel.

The Crowded Hour Dec 02 2021 The “gripping” (The Washington Post) story of the most famous regiment in American history: the Rough Riders, a motley group of soldiers led by Theodore Roosevelt, whose daring exploits marked the beginning of American imperialism in the 20th century. When America declared war on Spain in 1898, the US Army had just 26,000 men, spread around the country—hardly an army at all. In desperation, the Rough Riders were born. A unique group of volunteers, ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt, they helped secure victory in Cuba in a series of gripping, bloody fights across the island. Roosevelt called their charge in the Battle of San Juan Hill his “crowded hour”—a turning point in his life, one that led directly to the White House. “The instant I received the order,” wrote Roosevelt, “I sprang on my horse and then my ‘crowded hour’ began.” As *The Crowded Hour* reveals, it was a turning point for America as well, uniting the country and ushering in a new era of global power. “A revelatory history of America’s grasp for power” (Kirkus Reviews, starred review). Both a portrait of these men, few of whom were traditional soldiers, and of the Spanish-American War itself, *The Crowded Hour* dives deep into the daily lives and struggles of Roosevelt and his regiment. Using diaries, letters, and memoirs, Risen illuminates an influential moment in American history: a war of only six months’ time that dramatically altered the United States’ standing in the world. “Fast-paced, carefully

researched...Risen is a gifted storyteller who brings context to the chaos of war. The Crowded Hour feels like the best type of war reporting—told with a clarity that takes nothing away from the horrors of the battlefield” (The New York Times Book Review).

**Theodore Boone: The Accomplice** Mar 17 2023 Theodore Boone is back on the case in an all-new adventure! Bestselling author John Grisham delivers a page-turning legal thriller for a new generation of readers. Theo has been worried about his good friend Woody Lambert. Woody is struggling at school and making bad choices. But when Woody is arrested—an unwitting accomplice to armed robbery—Theo knows he is innocent. Racing the clock while Woody sits in jail, Theo will do everything in his power to help his friend and save Woody from an unforgiving system where justice is not equal for all. Brimming with the intrigue and suspense that made John Grisham a #1 international bestseller and undisputed master of the modern legal thriller, Theodore Boone’s trials and triumphs will keep readers hooked until the very last page.

Pauli Murray Feb 21 2021 This biography of Pauli Murray is a groundbreaking new nonfiction book intended for the middle grade audience written in verse. Pauli Murray was a thorn in the side of white America demanding justice and equal treatment for all. She was a queer civil rights and women's rights activist before any movement advocated for either--the brilliant mind that, in 1944, conceptualized the arguments that would win Brown v. Board of Education of Topeka; and in 1964, the arguments that won women equality in the workplace. Throughout her life, she fought for the oppressed, not only through changing laws, but by using her powerful prose to influence those who could affect change. She lived by her convictions and challenged authority to demand fairness and justice regardless of the personal consequences. Without seeking acknowledgment, glory, or financial gain for what she did, Pauli Murray fought in the trenches for many of the rights we take for granted. Her goal was human rights and the dignity of life for all.

**God, Country, Notre Dame** Apr 13 2020 I have traveled far and wide, far beyond the simple parish I envisioned as a young man. My obligation of service has led me into diverse yet interrelated roles: college teacher, theologian, president of a great university, counselor to four popes and six presidents. Excuse the list, but once called to public service, I have held fourteen presidential appointments over the years, dealing with the social issues of our times, including civil rights, peaceful uses of atomic energy, campus unrest, amnesty for Vietnam offenders, Third World development, and immigration reform. But deep beneath it all, wherever I have been, whatever I have done, I have always and everywhere considered myself essentially a priest. —from the Preface

Greyson Gray Jul 17 2020 Morris College All-Sports Camp has everything twelve-year-old Greyson Gray needs to distract him from his father's mysterious disappearance - intense athletic competition, weird friends, and a pretty girl. But when Greyson stumbles upon a terrorist's sinister plot brewing in the observatory, a place already haunted by a chilling camp legend, he suddenly toils with two dueling worlds - one of lurking danger and mystery, the other of competition and awkward romance. Spurred on by his father's words to do what's good no matter the danger, Greyson and his faithful friends must mount a daring and coordinated heist on the observatory in order to save thousands of lives.

**Theodore Boone: Kid Lawyer** May 19 2023 The thrilling young mystery series from internationally bestselling author John Grisham!

In the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk—and a lot about the law. He dreams of being a great trial lawyer, of a life in the courtroom. But Theo finds himself in court much sooner than expected. Because he knows so much—maybe too much—he is suddenly dragged into the middle of a sensational murder trial. A cold-blooded killer is about to go free, and only Theo knows the truth. The stakes are high, but Theo won't stop until justice is served.

**How the Other Half Lives** Jul 29 2021

*How to Be a (Young) Antiracist* Jan 23 2021 The #1 New York Times bestseller that sparked international dialogue is now a book for young adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, *How to be a (Young) Antiracist* will serve as a guide for teens seeking a way forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller *How to be an Antiracist* by Ibram X. Kendi is shaping the way a generation thinks about race and racism. *How to be a (Young) Antiracist* is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-winning children's book author Nic Stone, *How to be a (Young) Antiracist* empowers teen readers to help create a more just society. Antiracism is a journey--and now young adults will have a map to carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable world in doing so.

**Rebels Rebel** Sep 18 2020 This book tracks a movement that has as yet not been historicized in Europe on the subject of AIDS activism by various artistic collectives in New York in the 1980s. The approach is historic, yet activist-based, and combines a look at graphic design, with social, political, art historical, and curatorial reflections. 'Rebel Rebels' analyzes some of the activist art experiences born in New York between 1979 and 1989 (this is where the subtitle 'Art and Activism. New York 1979-1989' comes from), when in response to a conservative political and cultural climate artists began to work in groups and to realize projects concretely addressed to the problems of society. The book is conceived as a tribute to all those activist art collectives born in New York City at the beginning of the 80's (such as ACT UP, Gran Fury, Group Material), united by a common refusal of traditional aesthetic criteria, the synthesis of artistic strategies and commercial advertising for political propagandistic ends, and by a willingness to take direct action to end the AIDS crisis.

**Theodore Roosevelt for Kids** Jul 09 2022 Theodore Roosevelt's heart was as big as the great outdoors he loved. A sickly, undersized boy, he grew into a physically fit, energetic man whose courage knew no bounds. Roosevelt hailed from the top of American society, but wealth could not shield him from human tragedy. As leader of a young, vigorous nation, he steered a middle course between the power brokers of big business and the needs of ordinary working people. A keen student of nature, Roosevelt would protect millions of acres for posterity. He was a writer, ranchman, politician, soldier, explorer, family man, and America's 26th president, the youngest person to ever hold the office. *Theodore Roosevelt for Kids* brings to life this fascinating man, an American giant whose flaws were

there for all the world to see. Twenty-one hands-on activities offer a useful glimpse at Roosevelt's work and times. Readers will create a Native American toy, explore the effects of erosion, go on a modern big game hunt with a camera, and make felted teddy bears. The text includes a time line, online resources, and reading list for further study. And through it all, readers will appreciate how one man lived a &“Bully!&” life and made the word his very own.

*Sleepover Sleuths* Jun 15 2020 Eight-year-old Nancy Drew has her first case to crack! Can you help? Nancy and her two best friends, George and Bess, are so excited! They have been invited to Deirdre's sleepover party! There will be pizza, cake, and even a pajama fashion show. But the most exciting thing is that the party has a City Girls doll theme. All of the guests are bringing their dolls with them! But then Deirdre's City Girls doll -- Hollywood Heather -- goes missing. Is her sleepover ruined? Or is there a detective in the room who can make sense of this mystery?

*The activist* Jun 20 2023 Aspiring lawyer Theodore Boone takes the stand to protect his political and environmental freedoms.

*Redeeming the Dream* Dec 22 2020 Previous edition published under the title Redeeming the dream: the case for marriage equality.

*The Soul of America* Aug 30 2021 #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize–winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH’S “BOOKS THAT HELP ME THROUGH” • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the “better angels of our nature” have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women’s rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson’s crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail. Praise for *The Soul of America* “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, *The Soul of America* is Jon Meacham’s declaration of his

faith in America.”—Newsday “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.”—USA Today

**Theodore Boone: The Scandal** Feb 16 2023 Thirteen-year-old Theodore Boone knows every judge, police officer, and court clerk in Strattenburg. He has even helped bring a fugitive to justice. But even a future star lawyer like Theo has to deal with statewide standardized testing. When an anonymous tip leads the school board to investigate a suspicious increase in scores at another local middle school, Theo finds himself thrust in the middle of a cheating scandal. With insider knowledge and his future on the line, Theo must follow his keen instincts to do what’s right in the newest case for clever kid lawyer Theo Boone. "Not since Nancy Drew has a nosy, crime-obsessed kid been so hard to resist." —The New York Times "Smartly written." —USA Today "Edge-of-your-seat drama, sophisticated plotting, and plenty of spunk." —Chicago Sun-Times "Classic Grisham." —The Los Angeles Times

*Theodore Boone 6-Book Box Set* Oct 12 2022 A brand new box set feature the first six books in the bestselling Theodore Boone series from the master of the modern legal thriller, John Grisham Join Theo's adventures from the beginning in this deluxe box set collection of the first six Theodore Boone books: Kid Lawyer, The Abduction, The Accused, The Activist, The Fugitive, and The Scandal. Brimming with the intrigue and suspense that made John Grisham a #1 international bestseller and undisputed master of the modern legal thriller, Theodore Boone's trials and triumphs will keep readers hooked until the very last page. Gripping . . . everyone will be enthralled by Theodore Boone. --Scholastic News Classic Grisham. --Los Angeles Times Edge-of-your-seat drama, sophisticated plotting, and plenty of spunk. --Chicago Sun-Times

*The City of Light* Apr 25 2021 A new Hanukkah classic and introduction for kids to the Holocaust.

The Accused Aug 10 2022 Thirteen-year-old Theodore Boone faces his biggest challenge when a new case opens up in Strattenburg and Theo is the prime suspect when the police discover some stolen computer equipment in his locker.

Anti-Tech Revolution Oct 20 2020 "There are many people today who see that modern society is heading toward disaster in one form or another, and who moreover recognize technology as the common thread linking the principal dangers that hang over us... The purpose of this book is to show people how to begin thinking in practical, grand-strategic terms about what must be done in order to get our society off the road to destruction that it is now on." --from the Preface In *Anti-Tech Revolution: Why and How*, Kaczynski argues why the rational prediction and control of the development of society is impossible while expounding on the existence of a process fundamental to technological growth that inevitably leads to disaster: a universal process akin to biological natural selection operating autonomously on all dynamic systems and determining the long-term outcome of all significant social developments. Taking a highly logical, fact-based, and intellectually rigorous approach, Kaczynski seamlessly systematizes a vast breadth of knowledge and elegantly reconciles the social sciences with biology to illustrate how technological growth in and of itself necessarily leads to disastrous disruption of global biological systems. Together with this new understanding of social and biological change, and by way of an extensive examination of the dynamics of social movements, Kaczynski argues why there is only one route available to avoid the

disaster that technological growth entails: a revolution against technology and industrial society. Through critical and comprehensive analysis of the principles of social revolutions and by carefully developing an exacting theory of successful revolution, Kaczynski offers a practical, rational, and realistic guide for preventing the fast-approaching technology-induced catastrophe. This new second edition (2020) contains various updates and improvements over the first edition (2016), including two new appendices.

*Mature Themes* Mar 25 2021 Andrew Durbin's *Mature Themes* is a hybrid text of poetry, art criticism, and memoir focused on the subject of disingenuity-and what constitutes "personal experience" both online and IRL when to "go deep" in a culture of so many unreliable communication technologies is to resend a text at 3 AM. Throughout the book, Durbin's voice mutates into others in order to uncover the fading specters of meaning buried under the pristine surfaces of art and Hollywood, locating below them the other realities that structure our experience of both.

William Eggleston, 2 1/4 May 27 2021 Born and raised in Mississippi and Tennessee, William Eggleston began taking pictures during the 1960s after seeing Henri Cartier-Bresson's *The Decisive Moment*. In 1966 he changed from black and white to color film, perhaps to make the medium more his own and less that of his esteemed predecessors. John Sarkowski, when he was curator of photography at the Museum of Modern Art, called Eggleston the "first color photographer, " and certainly the world in which we consider a color photograph as art has changed because of Eggleston. From 1966 to 1971, Eggleston would occasionally use a two and one quarter inch format for photographs. These are collected and published here for the first time, adding more classic Eggleston images to photography's color canon.

The Activist Jul 21 2023 "Aspiring lawyer Theodore Boone takes the stand to protect his political and environmental freedoms in the fourth installment of the series"--

**When the Stars Begin to Fall** Nov 01 2021 A "persuasive . . . heartfelt and vividly written" call to counter systemic racism and build national solidarity in America (Publishers Weekly). The American Promise enshrined in our Constitution states that all men and women are inherently equal. And yet racism continues to corrode our society. If we cannot overcome it, Theodore Johnson argues, the promise that made America unique on Earth will have died. In *When the Stars Begin to Fall*, Johnson presents a compelling blueprint for the kind of national solidarity necessary to mitigate racism. Weaving together history, personal memories, and his family's multi-generational experiences with racism, Johnson posits that solutions can be found in the exceptional citizenship long practiced in Black America. Understanding that racism is a structural crime of the state, he argues that overcoming it requires us to recognize that a color-conscious society—not a color-blind one—is the true fulfillment of the American Promise. Fueled by Johnson's ultimate faith in the American project, grounded in his family's longstanding optimism and his own military service, *When the Stars Begin to Fall* is an urgent call to undertake the process of overcoming what has long seemed intractable.

**Every Last Tie** Sep 30 2021 In August 1995 David Kaczynski's wife Linda asked him a difficult question: "Do you think your brother Ted is the Unabomber?" He couldn't be, David thought. But as the couple pored over the Unabomber's seventy-eight-page manifesto,

David couldn't rule out the possibility. It slowly became clear to them that Ted was likely responsible for mailing the seventeen bombs that killed three people and injured many more. Wanting to prevent further violence, David made the agonizing decision to turn his brother in to the FBI. *Every Last Tie* is David's highly personal and powerful memoir of his family, as well as a meditation on the possibilities for reconciliation and maintaining family bonds. Seen through David's eyes, Ted was a brilliant, yet troubled, young mathematician and a loving older brother. Their parents were supportive and emphasized to their sons the importance of education and empathy. But as Ted grew older he became more and more withdrawn, his behavior became increasingly erratic, and he often sent angry letters to his family from his isolated cabin in rural Montana. During Ted's trial David worked hard to save Ted from the death penalty, and since then he has been a leading activist in the anti-death penalty movement. The book concludes with an afterword by psychiatry professor and forensic psychiatrist James L. Knoll IV, who discusses the current challenges facing the mental health system in the United States as well as the link between mental illness and violence.

**Theodore Boone: The Collection (Books 1-3)** Feb 04 2022 Collecting the first three of John Grisham's bestselling Theodore Boone series together, *Theodore Boone: The Collection* showcases three classic mysteries. In the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk - and a lot about the law. He dreams of being a great trial lawyer, of a life in the courtroom. In *Theodore Boone: Young Lawyer*, Theo finds himself dragged into the middle of a sensational murder trial when a cold-blooded killer is about to be set free. In *Theodore Boone: The Abduction*, Theo's best friend April disappears from her bedroom in the middle of the night. As fear ripples through his small hometown and the police hit dead ends, it's up to Theo to use his legal knowledge and investigative skills to chase down the truth and save April. Theodore Boone never expected to be the victim of crime himself. But, in *Theodore Boone: The Accused*, stolen computer equipment turns up in Theo's school locker. The police start leaning on him hard, and Theo is the only suspect. What if he is found guilty? What about his dreams of becoming a lawyer?

*Theodore Boone: the Fugitive* Apr 18 2023 "Not since Nancy Drew has a nosy, crime-obsessed kid been so hard to resist." —The New York Times Thirteen-year-old Theodore Boone thought the danger had passed, but he's about to face off against an old adversary: accused murderer and fugitive Pete Duffy. On a field trip to Washington, DC, Theo spots a familiar face on the Metro: Duffy, who jumped bail and was never seen again. Theo's quick thinking helps bring Duffy back to Strattenburg to stand trial. But now that Duffy knows who he is, Theo is in greater danger than he's ever been in before. Even when everything is on the line, Theodore Boone will stop at nothing to make sure a killer is brought to justice. This smart, fast-paced legal thriller for young readers is the newest adventure for clever and determined kid lawyer Theo Boone.

**The Wilderness Warrior** Jun 27 2021 From New York Times bestselling historian Douglas Brinkley comes a sweeping historical narrative and eye-opening look at the pioneering environmental policies of President Theodore Roosevelt, avid bird-watcher, naturalist, and the founding father of America's conservation movement. In this groundbreaking epic biography, Douglas Brinkley draws on

never-before-published materials to examine the life and achievements of our “naturalist president.” By setting aside more than 230 million acres of wild America for posterity between 1901 and 1909, Theodore Roosevelt made conservation a universal endeavor. This crusade for the American wilderness was perhaps the greatest U.S. presidential initiative between the Civil War and World War I. Roosevelt’s most important legacies led to the creation of the U.S. Fish and Wildlife Service and passage of the Antiquities Act in 1906. His executive orders saved such treasures as Devils Tower, the Grand Canyon, and the Petrified Forest.

**El Activista / the Activist** Jan 03 2022 El joven abogado Theodore Boone ha vuelto y se enfrenta a una nueva intriga que afecta a la ciudad entera. El ayuntamiento planea la construcción de una carretera en las afueras de Strattenburg, a pesar de ir muy en contra de los intereses de sus habitantes. Cuando Theo descubre la corrupción que se esconde bajo el proyecto, decide hacer todo lo posible para impedir que se lleve a cabo. El y sus amigos pondrán en juego los recursos necesarios para revelar las verdaderas intenciones de los implicados y evitar que los constructores se salgan con la suya.

**Theodore Boone Box Set** Nov 13 2022 The perfect gift for middle graders or their teachers--starring #1 New York Times bestseller John Grisham's Theo Boone! Four pulse-pounding Theodore Boone mysteries in one amazing gift set! In the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk--and a lot about the law. And he won't stop until justice is served! "John Grisham is about as good a storyteller as we've got."--The New York Times Book Review "Grisham is an absolute master!"--The Washington Post

*Uncompromising Activist* Jun 08 2022 Almost forgotten until his papers were discovered in a Chicago attic, Richard Greener was a pioneer who broke educational and professional barriers for black citizens. He was also a man caught between worlds. Richard Theodore Greener (1844–1922) was a renowned black activist and scholar. In 1870, he was the first black graduate of Harvard College. During Reconstruction, he was the first black faculty member at a southern white college, the University of South Carolina. He was even the first black US diplomat to a white country, serving in Vladivostok, Russia. A notable speaker and writer for racial equality, he also served as a dean of the Howard University School of Law and as the administrative head of the Ulysses S. Grant Monument Association. Yet he died in obscurity, his name barely remembered. His black friends and colleagues often looked askance at the light-skinned Greener’s ease among whites and sometimes wrongfully accused him of trying to “pass.” While he was overseas on a diplomatic mission, Greener’s wife and five children stayed in New York City, changed their names, and vanished into white society. Greener never saw them again. At a time when Americans viewed themselves simply as either white or not, Greener lost not only his family but also his sense of clarity about race. Richard Greener’s story demonstrates the human realities of racial politics throughout the fight for abolition, the struggle for equal rights, and the backslide into legal segregation. Katherine Reynolds Chaddock has written a long overdue narrative biography about a man, fascinating in his own right, who also exemplified America’s discomfiting perspectives on race and skin color. *Uncompromising Activist* is a lively tale that will interest anyone curious about the human elements of the equal rights struggle.

*All God's Dangers* Mar 05 2022 Nate Shaw's father was born under slavery. Nate Shaw was born into a bondage that was only a little gentler. At the age of nine, he was picking cotton for thirty-five cents an hour. At the age of forty-seven, he faced down a crowd of white deputies who had come to confiscate a neighbor's crop. His defiance cost him twelve years in prison. This triumphant autobiography, assembled from the eighty-four-year-old Shaw's oral reminiscences, is the plain-spoken story of an "over-average" man who witnessed wrenching changes in the lives of Southern black people -- and whose unassuming courage helped bring those changes about.

**Splintered Bones** Jan 15 2023 She may be a Mississippi belle, but Sarah Booth Delaney is no pampered daddy's girl. Unwed and over thirty, Sarah has her own set of problems--like coping with regular hauntings by her great-great-grandmother's nanny, a busybody of a ghost who's set on marrying her off to the first suitor who comes calling. But when an old friend is in trouble, Sarah Booth doesn't hesitate to get involved. *Splintered Bones* Eulalee McBride has confessed to murdering her husband...and she wants Sarah to dig up the dirt on the violent scalawag to prove he got what he deserved. Sarah Booth suspects that her friend is lying through her pearly whites...but why? There's certainly no lack of suspects in Zinnia, Mississippi, including Bud Lynch, a horse trainer who arouses killer lust in the town's women. As Sarah Booth begins to put together the pieces of the case, a killer is preparing to strike again. And this time it could send one late-blooming southern sleuth into an early grave.

*Theodore Boone: The Activist* Aug 22 2023 Book 4 in the thrilling young mystery series from internationally bestselling author John Grisham Theodore Boone is back in action! As all of Strattenburg sits divided over a hot political and environmental issue, Theo finds himself right in the thick of it. The county commission is fighting hard to change the landscape of the town, and Theo is strongly opposed to the plans. But when he uncovers corruption beneath the surface, no one—not even Theo—is prepared for the risks—and potential harm—at stake. Torn between his conscience and the law, Theo will do whatever it takes to stand up for what is right.

**Black Prophets of Justice** Apr 06 2022 In *Black Prophets of Justice*, David E. Swift examines the interlocking careers and influence of six black clergymen, two of them fugitive slaves, who lived in the antebellum North and protested the racism of the time. Samuel Cornish, Theodore Wright, Charles Ray, Henry Highland Garnet, Amos Beman, and James Pennington had much in common: all were noted for their education and eloquence, all were ministers of the earliest black Presbyterian and Congregational churches, and all were activists toward social change. Preachers as well as activists, these men fought, Swift argues, for the melding of religious life and social protest that informed their own lives. As leaders of the black congregations in the primarily white Presbyterian and Congregational denominations, they bore witness to the power of God and the essential oneness and worth of all human beings. As activists, they embraced a wide variety of issues -- including abolitionism, education, fugitive classes, and the civil and political rights -- that greatly affected the lives of Afro-Americans. As editors of the first black newspapers, they unmasked the racism implicit in the movement to colonize freed slaves outside of the United States and in the segregation of black worshipers in white churches. They organized vigilance committees to help escaped slaves, and they held conventions of free blacks in New York and Connecticut that aimed to win

rights for blacks through legislation. By teaching Afro-Americans about the glories of their African past and the achievements of more recent individuals of African descent, these leaders grappled with the pernicious heritage of blacks' self-doubt caused by generations of enslavement and white insistence on black inferiority. While they opened the eyes of some influential whites, these activists effected little change in the attitudes and practices of white Americans in their own time. But their contribution to the advancement of the black cause, argues Swift, was substantial. They fed black aspiration, sharpened black discontent, and harnessed both to the creation of new black institutions. Indeed, they laid the foundation for such twentieth-century movements as the National Association for the Advancement of Colored People and the Southern Christian Leadership Conference. *Black Prophets of Justice* is a biography of six widely respected clergymen as well as an important discussion of Afro-American activism in the North before the Civil War. Well-researched and well-written, it will be of interest to American church historians, and to all those concerned with Afro-American history or with the social impact of religion in America.
