Swimming Journal May 16 2020 Do you want to swim faster? How about having the ability to figure out performance leaks so that you can make the most of your practice time? Then you need to start a swimming journal for tracking and monitoring their progress. We want to help you have a better understanding at how you progress so we designed our Swim Journal to be: **USEFUL**: Keep track of your progress and see how you have improved along the way. With daily charts to track swimming workouts, it will help you analyze data collected to identify your strengths and weaknesses. That way, you can make necessary adjustments to improve your swim training and performance. **A NOTEBOOK BUILT TO LAST**- We want your journal to last a long time so you can always look back on your previous swimming logs without the worry that it will fall apart. The

sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. WELL-CRAFTED INTERIOR- With a page to input personal details and 100 pages to record your swims, we only use thick, white paper to avoid ink bleed-through. The columns are clearly marked to make it easy to fill out and to cross reference. PERFECT SIZE- With its 15.24 x 22.86 cm (6" x 9") dimensions, you can squeeze it into a purse with ease. Lightweight and durable, it's the perfect size to carry. COOL COVERS!- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Our Swimming Journal is a log book and goal setting guide designed specifically for competitive swimmers. Keeping a journal of your swimming practice results will show you precisely how much you are improving, and even what led to that improvement. If you can see on paper that you are getting faster, you are more likely to stay committed to the program. So, get a copy now!
