A Song About Myself Oct 18 2022 This little-known poem by the beloved poet is filled with playful rhymes that are complemented by vibrant watercolors.

The Title to the Poem Nov 26 2020 The first six chapters are distinguished according to the nature of the question a reader might ask about the poem, which the title purports to answer. Who gives the title? Who has the title? Who "says" the poem? Who "hears" the poem? What genre does the poem belong to? What is the poem "about"?

Out of the Blue Apr 12 2022 This book brings together three verse form pieces each of which was created to be part of a broader form. 'Out of the Blue' itself is a powerful, award-winning, poem-film created five years after the attacks which destroyed the twin towers in New York. With a title from a speech of Churchill, 'We May Allow Ourselves a Brief Period of Rejoicing' was a Channel 5 commission for a broadcast celebrating the 60th anniversary of VE Day. The third, 'Cambodia', comes from the radio drama The Violence of Silence set 30 years after the Khmer Rouge

Floaters: Poems Jun 14 2022 Winner of the 2021 National Book Award for Poetry From the winner of the Ruth Lilly Poetry Prize come masterfully crafted narratives of protest, grief and love. Martín Espada is a poet who "stirs in us an undeniable social consciousness," says Richard Blanco. Floaters offers exuberant odes and defiant elegies, songs of protest and songs of love from one of the essential voices in American poetry. Floaters takes its title from a term used by certain Border Patrol agents to describe migrants who drown trying to cross over. The title poem responds to the viral photograph of Oscar and Valeria, a Salvadoran father and daughter who drowned in the Río Grande, and allegations posted in the "I'm 10-15" Border Patrol Facebook group that the photo was faked. Espada bears eloquent witness to confrontations with anti-immigrant bigotry as a tenant lawyer years ago, and now sings the praises of Central American adolescents kicking soccer balls over a barbed wire fence in an internment camp founded on that same bigotry. He also knows that times of hate call for poems of love—even in the voice of a cantankerous Galápagos tortoise. The collection ranges from historical epic to achingly personal lyrics about growing up, the baseball that drops from the sky and smacks Espada in the eye as he contemplates a girl's gently racist question. Whether celebrating the visionaries—the fallen dreamers, rebels and poets—or condemning the outrageous governmental neglect of his father's Puerto Rico in the wake of Hurricane María, Espada invokes ferocious, incandescent spirits.

Bright Dead Things Apr 24 2023 'Bright Dead Things buoyed me in this dismal year. I'm thankful for this collection, for its wisdom and generosity, for its insistence on holding tight to beauty even as we face disintegration and destruction.' Celeste Ng, author of Everything I Never Told You A book of bravado and introspection, of feminist swagger and harrowing loss, Bright Dead Things considers how we build our identities out of place and human contact - tracing in intimate detail the ways the speaker's sense of self both shifts and perseveres as she moves from New York City to rural Kentucky, loses a dear parent, ages past the capriciousness of youth and falls in love. In these extraordinary poems Ada Limón's heart becomes a 'huge beating genius machine' striving to embrace and understand the fullness of the present moment. 'I am beautiful. I am full of love. I am dying,' the poet writes. Building on the legacies of forebears such as Frank O'Hara, Sharon Olds and Mark Doty, Limón's work is consistently generous, accessible, and 'effortlessly lyrical' (New York Times) - though every observed moment feels complexly thought, felt and lived.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Structure and Meaning in Medieval Arabic and Persian Lyric Poetry Feb 10 2022 This is the first comprehensive and comparative study of compositional and stylistic techniques in medieval Arabic and Persian lyric poetry. Ranging over some seven countries, it deals with works by over thirty poets in the Islamic world from Spain to present-day Afghanistan, and examines how this rich poetic traditions exhibits both continuity and development in the use of a wide variety of compositional strategies. Discussing such topics as principles of structural organisation, the use of rhetorical figures, metaphor and images, and

providing detailed analyses of a large number of poetic texts, it shows how structural and semantic features interacted to bring coherence and meaning to the individual poem. It also examines works by the indigenous critics of poetry in both Arabic and Persian, and demonstrates the critics' awareness of, and interest in, the techniques which poets employed to construct poems which were both eloquent and meaningful. Comparisons are also made with classical and medieval poetics in the west. The book will be of interest not merely to specialists in the relevant fields, but also to all those interested in pre-modern poetry and poetics.

Poetic Metaphors Jan 09 2022 Poetry pushes metaphor to the limit. Consider how many different, dynamic, and interconnected dimensions (e.g., text, rhyme, rhythm, sound, and many more) a poem has, and how they all play a role in the ways (metaphorical) meaning is constructed. There is probably no other genre that relies so much on the creator's ability to get his or her message across while, at the same time, leaving enough room for the interpreters to find out for themselves what a poem means to them, what emotions and feelings it evokes, and which experiences it conveys. This book uses interviews, questionnaires and think-aloud protocols to investigate the meanings and functions of metaphors from a poet's perspective and to explore how readers interpret and engage with this poetry. Besides the theoretical contribution to the field of metaphor studies, this monograph presents numerous practical implications for a systematic exploration of metaphors in contemporary poetry and beyond.

The Travels of a T-Shirt in the Global Economy Feb 22 2023 Praise for THE TRAVELS OF A T-SHIRT IN THE GLOBAL ECONOMY "Engrossing . . . (Rivoli) goes wherever the T-shirt goes, and there are surprises around every corner . . . full of memorable characters and vivid scenes." —Time "An engaging and illuminating saga. . . Rivoli follows her T-shirt along its route, but that is like saying that Melville follows his whale. . . Her nuanced and fair-minded approach is all the more powerful for eschewing the pretense of ideological absolutism, and her telescopic look through a single industry has all the makings of an economics classic." —The New York Times "Rarely is a business book so well written that one would gladly stay up all night to finish it. Pietra Rivoli's *The Travels of a T-Shirt in the Global Economy* is just such a page-turner." —CIO magazine "Succeeds admirably . . . T-shirts may not have changed the world, but their story is a useful account of how free trade and protectionism certainly have." —Financial Times "[A] fascinating exploration of the history, economics, and politics of world trade . . . The Travels of a T-Shirt in the Global Economy is a thought-provoking yarn that exhibits the ugly, the bad, and the good of globalization, and points to the unintended positive consequences of the clash between proponents and opponents of free trade." —Star-Telegram (Fort Worth) "Part travelogue, part history, and part economics, *The Travels of a T-Shirt in the Global Economy* is ALL storytelling, and in the grand style. A must-read." —Peter J. Dougherty, Senior Economics Editor, Princeton University Press author of *Who's Afraid of Adam Smith?* "A readable and evenhanded treatment of the complexities of free trade . . . As Rivoli repeatedly makes clear, there is absolutely nothing free about free trade except the slogan." —San Francisco Chronicle

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END. . . if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The Poems of Abu Sa'id Abu'l Kheyr Aug 24 2020 Text in English & Arabic. Abu Sa'id Abil-Kheyr is revered as one of the fathers of Sufism and the rubaiyat. His philosophy of self annihilation in the path of divine love became popularised by Rumi two centuries later. His understanding of religious faith was different -- nearness and understanding of God is achieved through selflessness and love. The "I" was to be abandoned if closeness to God was to be achieved. Abu Sa'id was born in North Eastern Persia a thousand years ago. He was educated in Islamic scholarship and lived and practised as a Muslim cleric. At a certain point he developed a revolutionary new understanding of being and presented it in the form of poetry. He used, what at first seems, simple love poems as a way to express and illumine mysticism. His philosophy was sustained and propagated in a Sufi centre he founded in Nishapur.

Form Miming Meaning Oct 06 2021 Annotation Presents selected papers from a March 1997 symposium held in Zurich, in sections on general topics, sound and rhythm, typography and graphic design, word-formation, and syntax and discourse. Studies explore iconicity from two different angles. A first group of scholars is especially interested in how far the primary code, the code of grammar, is influenced by iconic motivation and how originally iconic models have become conventionalized. A second group of contributors is more interested in the presence of iconicity as part of the secondary code. Specific subjects include imagination by ideophones, the visual poetry of e. e. cummings, and iconic use of syntax in fiction. Annotation c. Book News, Inc., Portland, OR (booknews.com).

night thoughts Mar 23 2023 In this remarkable and unique work, award-winning poet Sarah Arvio gives us a memoir about coming to terms with a life in crisis through the study of dreams. As a young woman, threatened by disturbing visions, Arvio went into psychoanalysis to save herself. The result is a riveting sequence of dream poems, followed by "Notes." The poems, in the form of irregular sonnets, describe her dreamworld: a realm of beauty and terror emblazoned with recurring colors and images—gold, blood red, robin's-egg blue, snakes, swarms of razors, suitcases, playing cards, a catwalk. The Notes, also exquisitely readable, unfold the meaning of the dreams—as told to her analyst—and recount the enlightening and sometimes harrowing process of unlocking memories, starting with the diaries she burned to make herself forget. Arvio's explorations lead her back to her younger self—and to a life-changing understanding that will fascinate readers. An utterly original work of art and a groundbreaking portrayal of the power of dream interpretation to resolve psychic distress, this stunning book illumines the poetic logic of the dreaming mind; it also shows us, with surpassing poignancy, how tender and fragile is the mind of an adolescent girl.

The Mirror of My Heart: A Thousand Years of Persian Poetry by Women Dec 28 2020 One of the very first Persian poets was a woman (Rabe'eh, who lived over a thousand years ago) and there have been women poets writing in Persian in virtually every generation since that time until the present. Before the twentieth century they tended to come from society's social extremes. Many were princesses, a good number were hired entertainers of one kind or another, and they were active in many different countries – Iran of course, but also India, Afghanistan, and areas of central Asia that are now Uzbekistan, Turkmenistan, and Tajikistan. Not surprisingly, a lot of their poetry sounds like that of their male counterparts, but a lot doesn't; there are distinctively bawdy and flirtatious poems by medieval women poets, poems from virtually every era in which the poet complains about her husband (sometimes light-heartedly, sometimes with poignant seriousness), touching poems on the death of a child, and many epigrams centered on little details that bring a life from hundreds of years ago vividly before our eyes. This new bilingual edition of *The Mirror of My Heart* – the poems in Persian and English on facing pages – is a unique and captivating collection introduced and translated by Dick Davis, an acclaimed scholar and translator of Persian literature as well as a gifted poet in his own right. In his introduction he provides fascinating background detail on Persian poetry written by women through the ages, including common themes and motifs and a brief overview of Iranian history showing how women poets have been affected by the changing dynasties. From Rabe'eh in the tenth century to Fatemeh Ekhtesari in the twenty-first, each of the eighty-four poets in this volume is introduced in a short biographical note, while explanatory notes give further insight into the poems themselves.

Clothed in Meaning May 21 2020 The rise of both the empire of cotton and the empire of fashion in the nineteenth century brought new opportunities for sartorial self-expression to millions of ordinary people who could now afford to dress in style and assert their physical presence. Millions of laborers toiling in cotton fields and producing cotton cloth in industrial mills faced a brutal reality of exploitation, servitude, and regimentation—yet they also had a profound desire to express their selfhood. Another transformative force of this era—the rise of literary publication and the radical extension of literacy to the working class—opened an avenue for them to do so. Cloth and clothing provide potent tropes not only for physical but also for intellectual forms of self-expression. Drawing on sources ranging from fugitive slave narratives, newspapers, manifestos, and mill workers' magazines to fiction, poetry, and autobiographies, *Clothed in Meaning* examines the significant part played by mill workers and formerly enslaved people, many of whom still worked picking cotton, in this revolution of literary self-expression. They created a new literature from their palpable daily intimacy with cotton, cloth, and clothing, as well as from their encounters with grimly innovative modes of work. In the materials of their labor they discovered vivid tropes for formulating their ideas and an exotic and expert language for articulating them. The harsh conditions of their work helped foster in their writing a trenchant irony toward the demeaning reduction of human beings to "hands" whose minds were unworthy of interest. Ultimately, *Clothed in Meaning* provides an essential examination of the intimate connections between oppression and luxury as recorded in the many different voices of nineteenth-century labor.

Sadness and Happiness Sep 17 2022 From *Sadness and Happiness: Poems by Robert Pinsky*: CEREMONY FOR ANY BEGINNING Robert Pinsky ? Against weather, and the random Harpies--mood, circumstance, the laws Of biography, chance, physics-- The unseasonable soul holds forth, Eager for form as a renowned Pedant, the emperor's man of worth, Hereditary arbiter of manners. Soul, one's life is one's enemy. As the small children learn, what happens Takes over, and what you were goes away. They learn it in sardonic soft Comments of the weather, when it sharpens The hard surfaces of daylight: light Winds, vague in direction, like blades Lavishing their brilliant strokes All over a wrecked house, The nude wallpaper and the brute Intelligence of the torn pipes. Therefore when you marry or build Pray to be untrue to the plain Dominance of your own weather, how it keeps Going even in the woods when not A soul is there, and how it implies Always that separate, cold Splendidness, uncouth and unkind-- On chilly, unclouded mornings, Torrential sunlight and moist air, Leafage and solid bark breathing the mist.

Poetry Of Discovery Mar 31 2021 A leading critic of contemporary Spanish poetry examines here the work of ten important poets who came to maturity in the immediate post-Civil War period and whose major works appeared between 1956 and 1971: Francisco Brines; Eladio Cabañero; Angel Crespo; Gloria Fuertes; Jaime Gil de Biedma; Angel González; Manuel Mantero; Claudio Rodríguez; Carlos Sahagún; and José Angel Valente. Although each of these poets has developed an individual style, their work has certain common characteristics: use of the everyday language and images of contemporary Spain, development of language codes and intertextual references, and, most strikingly, metaphorical transformations and surprising reversals of the reader's expectations. Through such means these poets clearly invite their readers to join them in journeys of poetic discovery. Andrew P. Debicki's is the first detailed stylistic analysis of this generation of poets, and the first to approach their work through the particularly appropriate methods developed in "reader-response" criticism.

The Odyssey Apr 19 2020 *The Odyssey* - Homer - "Wilson's language is fresh, unpretentious and lean...It is rare to find a translation that is at once so effortlessly easy to read and so rigorously considered." —Madeline Miller, author of *Circe* Composed at the rosy-fingered dawn of world literature almost three millennia ago, *The Odyssey* is a poem about violence and the aftermath of war; about wealth, poverty and power; about marriage and family; about travelers, hospitality, and the yearning for home. This fresh, authoritative translation captures the beauty of this ancient poem as well as the drama of its narrative. Its characters are unforgettable, none more so than the "complicated" hero himself, a man of many disguises, many tricks, and many moods, who emerges in this version as a more fully rounded human being than ever before. Written in iambic pentameter verse and a vivid, contemporary idiom, Emily Wilson's *Odyssey* sings with a voice that echoes Homer's music; matching the number of lines in the Greek original, the poem sails along at Homer's swift, smooth pace. A fascinating, informative introduction explores the Bronze Age milieu that produced the epic, the poem's major themes, the controversies about its origins, and the unparalleled scope of its impact and influence. Maps drawn especially for this volume, a pronunciation glossary, and extensive notes and summaries of each book make this is an *Odyssey* that will be treasured by a new generation of readers.

The Body Mutinies Jul 23 2020 The poems in *The Body Mutinies* bring speech to those accomplishments of the body that are most often relegated to silence, though in Perillo's usage "accomplishments" may include illness, death, and certainly sex. Her textual landscape includes rock climbers and the ill, female killers who take to the road and women who survive by climbing out of burning buildings, even though in the process they're forced to let modesty fly to the wind. In poems that are at once colloquial and elegant, Perillo strives to bridge the gap between the exuberant voice of the streets and the rarefied voice of literary tradition. Using the long lines and narrative style that have been identified with some of the finest male poets of our times, Perillo tells the stories of female experience with a grim eye for the comic and an ear turned to language's highest pitch.
