The easy way to effectively implement iPads in the classroom The iPad is a natural fit for education in the 21st century, and this hands-on guide shows you just how to implement it in your educational institution. iPad in Education For Dummies serves as a roadmap for the device's successful use as an education tool—from both a personal and institutional perspective. It examines why the iPad is a perfect fit for contemporary educational needs, how to purchase and deploy them within an organization, and outlines best practices, tools, and apps for their educational use across all curricula and grade levels. A cross between a powerful computer, iPod, game console, and e-reader, the iPad is an ultraportable—and ultra cool—touch device from Apple. In 2013, the iPad was deployed in Chicago Public Schools, LA Unified School district, Oxnard School District in California, and Raleigh County Public Schools in West Virginia, to name a few. In this new edition of iPad in Education For Dummies, you'll find the latest coverage of interactive media and augmented reality apps, creating and publishing class books and textbooks, moving from lectures to interactive classroom presentations, setting up digital student profiles, and much more. Includes up-to-date coverage of Apple's iPad hardware and iOS software Covers managing classroom workflow challenges, including how to distribute, share, collaborate, and collect digital documents Written by one of the

foremost authorities on iPad deployments in schools Provides clear information on what decisions you need to make to deploy and use the iPad effectively in the classroom If you're a school administrator, teacher, or educational IT specialist who is considering deploying the iPad in the classroom, this handy guide has everything to set you up for success. \*\*\* SPECIAL PROMO PERIOD! While the device itself is intuitive, the Hudl's infinite possibilities can be a bit of a mystery to new users. Hudl For Dummies is the definitive guide to the device, helping you access the full capabilities of your new tablet. Gain a complete understanding of how to get up and running with the Tesco Hudl Download and launch apps with your new tablet to make it a workhorse or an entertainment system Discover how to access the Internet, e-mail, films, music and books Shop online with your new device and find out how to buy Hudl accessories An entire chapter on troubleshooting allows you to bypass the repair shop for minor issues, and gives you the confidence to adjust settings and preferences without the worry of messing something up. Whether you're transitioning to the Hudl from another tablet, or are new to tablets entirely, Hudl For Dummies will take you from a new user to full-fledged Hudl devotee. Become a direct sales success story with this insider guide to making it big Direct Selling For Dummies is the perfect resource for anyone involved or interested in direct sales. Written by a 35-year veteran of this booming industry, this useful guide teaches you everything you need to know to achieve and maintain lasting success. You'll learn the insider tips that only the pros know, and how to structure your business, your time, and your customer relationships to optimize sales and achieve your goals. Compare party plans, multi-level marketing, and hybrid models to see where your talents fit best, and discover the most effective ways to promote your products and get people interested. You'll leverage social media as one of the most powerful tools in modern sales, and gain new ideas for recruiting, booking, and time management. With clear guidance and a fun, friendly style, this book gives you the strategies you need to be a direct sales success. The direct sales industry is going strong, with more participants now than any time in the past, yet with less face-to-face engagement. Businesses are operating online, people are shopping online, and more people are recruiting through platforms like social media. If you hope to be a direct sales success, now is the time to get up to speed on what that means today. This book shows you everything you need to know, and gives you the tools you need to put your ideas into action. Choose the right direct sales model Secure bookings and manage your time Recruit and drive interest in the product and company Harness the power of social media to make sales Direct sales can be your ticket to independence. Stop punching the clock and become your own boss — and watch your income grow. With Direct Selling For Dummies, you'll have the skills and information you need to be a success. You'll be up and running like the pros in a flash! Drive your content marketing campaign toward success Blogs and social platforms are all the rage right now—especially for strategists looking to cultivate influence among target audience members through content marketing. Content Marketing Strategies For Dummies explains how you can use content marketing to gain an edge over your competition, even in the most crowded of marketplaces. This timely text introduces you to the Five C Cycle: Company Focus, Customer Experience, Content Creation, Channel Promotion, and Closed-Loop Analysis. The Five C Cycle drives the creation and documentation of a targeted content marketing strategy, and allows you to approach your content marketing campaign with confidence. By helping you determine your company's focus, uncover your customers' experience with data, develop channel promotions across social platforms, create actionable online content, and use closed-loop analysis to build on previous success, this will become your go-to content marketing guide. Content marketing entails creating and curating content online via blog posts, social media

platforms, and more. The goal is to acquire and retain customers by creating content that brings value to their lives, and that encourages them to engage with your brand. This easy-to-understand guide will help you do just that. Analyze customer data to better understand your target audience's journey Leverage social platforms, such as Facebook and Twitter, to develop channel promotions Create and curate intelligent, engaging content that leads to action Build upon your previous success with closed-loop analysis Whether you work for a large corporation, are part of a small business, are a solo thought leader, or are an educator, Content Marketing Strategies For Dummies tells you how to gain a critical, competitive advantage through targeted content marketing strategies.
