developer. She is DELTA-qualified and holds an MA in Language Testing. Fiona Aish and Jo Tomlinson are directors of Target English, a consultancy in Spain that provides tailor-made solutions in content creation, course provision, training and testing.

Language Use in English-Medium Instruction at University Aug 24 2020 This collection brings together insights from research and scholars' practical experience on the role of language and language use in teacher practices at the university level in EMI contexts, offering global perspectives across diverse educational settings. The volume considers the language-related practices, processes and ways of thinking implemented in EMI contexts as teachers and students co-construct meaning through interaction while also situating these observations within the wider educational policies of institutions, societal norms and contextual pedagogies. The book highlights both the diversity and commonalities of the challenges and opportunities in enhancing student experience in different EMI contexts, drawing on international perspectives spanning South America, Europe and Asia. In so doing, the volume offers a comprehensive portrait of the current realities of the EMI experience at the university level, empowering stakeholders to critically reflect upon and adapt their classroom strategies to their own realities and chart new directions for research in the field. The book will be of particular interest to scholars interested in issues in English-medium instruction, applied linguistics, language policy and language education, as well as those currently teaching in EMI contexts.

Features condensed presentation of grammar structures and exercises, phrasal verbs, prepositions, tenses, spelling rules, pronunciations and word formation.

Plain Words Dec 29 2020 'Be Sort, Be Simple, Be Human.' When Sir Ernest Gowers first wrote Plain Words, it was intended simply as a guide to the proper use of English for the Civil Service. Within a year, however, its humour, charm and authority had made it a bestseller. Since then it has never been out of print. Six decades on, writer Rebecca Gowers has created a new edition of this now-classic work that both revises and celebrates her great-grandfather's original. Plain Words has been updated to reflect numerous changes in English usage, yet Sir Ernest's distinctive, witty voice is undimmed. And his message remains vital: our writing should be as clear and comprehensible as possible, avoiding superfluous words and clichés - from the jargon of 'commercialese' to the murky euphemisms of politicians. In a new preface, this edition draws on an extensive private archive, previously hidden away in family cupboards and attics, to tell the story behind a book that has become an institution: the essential guide to making yourself understood.

Practical English Usage Nov 19 2022 Fully revised and updated, and now available online and in print.

English Grammar in Use with Answers, Thai Edition May 26 2023 This is an adaptation of *Essential Grammar in Use* for Thai elementary learners.

The Great Indoors Jul 24 2020 'House' has long been synonymous with 'home': the significance of four walls and a roof lies far deeper than simply shelter from the elements. A house stands for sanctuary, family, belonging, privacy and our pasts: even when standardised as a 'Barratt Home' or modern housing estate, every house bears the stamp of the people who live in it, remaining a bastion of quirky individualism. *The Great Indoors* is the first cultural history of the family home in the twentieth century, comparable to Rachel Hewitt's *Map of a Nation* or Joe Moran's *Queuing for Beginners*. As society has changed, so has the house: the hall - which had its finest hour during the middle ages, when families and their servants ate, slept and socialised there together - has now been relegated to a mere passageway, only useful for getting to other (more private) rooms. Highmore

shows how houses display the currents of class, identity and social transformation that are displayed in the arrangement and use of the family home. And he also offers an engaging and stimulating peek through the curtains to explain why the fridge is used as a communication centre, how the loo (or toilet) inspired its very own literary genre and what your furniture arrangement reveals about how you function as a family.

The Use of English Jun 26 2023

Macmillan Use of English Aug 05 2021

Redesigning English Oct 26 2020 This fully updated edition of *Redesigning English* explores the innovative uses of English from early manuscripts to post-colonial literature, creative writing and developments in new media. English in the Disciplines Jan 27 2021 The context for the teaching and learning of English for specific disciplinary purposes is undergoing profound changes under the influence of economic globalization and new digital communication technologies. *English in the Disciplines* demonstrates how fundamental principles of ESP, to tailor language learning materials to the needs of specific groups of learners, can be adapted to new contexts of learning in the digital age. Based on sustained research into students' experiences in an ESP context in Hong Kong, this volume provides an empirically grounded and practical methodology to ESP learning and course design and features: • mixed-method case studies; • links between theory and practice, with plentiful examples of teaching materials and learning activities; • recognition of the effect of new technologies and globalization on the practice of ESP, highlighting problems and providing practical solutions; • a new pedagogical model for ESP course design, addressing multiple dimensions relevant to today's ESP learners including learner autonomy, genre, multimodality and digital literacies, plurilingual practices, and project-based learning and collaboration. *English in the Disciplines* provides key reading for anyone studying and researching this topic.
