We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. The Saturday Magazine was a popular Victorian-era publication aimed at families and children. With articles on history, science, literature, and more, it was a fascinating and informative periodical that provided hours of reading entertainment. This book is a collection of some of the most interesting and engaging pieces from The Saturday Magazine's run, and is perfect for anyone interested in Victorian history or the development of popular media. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Founded in 2013, Typehouse Literary Magazine is a writer and artist run literary journal based in Portland, Oregon. While our content is primarily for adults, we welcome submissions from creators ranging from highschool age to one hundred plus. Our purpose is to showcase previously unpublished material of all genres, that seeks to offer a fresh, unique perspective of the human experience, with a focus on underrepresented voices of all kinds. We especially want to see submissions from writers and artists of all races, sexualities, nationalities, religions, and genders, as well as disabled and neurodivergent creators. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
