restaurants, historical sites, cultural activities, and other attractions in Chicago and includes special information for the business traveler This volume focuses on policy and best practice in accessible tourism, reflecting the "state-of-the-art" as expressed in a selection of international chapters. It brings together global expertise in planning, design and management to inform and stimulate providers of travel, transport, accommodation, leisure and tourism services to serve guests with disabilities, seniors and the wider markets that require good accessibility. Accessible tourism is not only about providing access to people with disabilities but also it addresses the creation of universally designed environments that can support people that may have temporary disabilities, families with young children, the ever increasing ageing population as well as creating a safer environment for employees to work. The book gives ample evidence that accessible tourism organisations and destinations can expand their target

markets as well as improve the quality of their service offering, leading to greater customer satisfaction, loyalty and expansion of business. 562 easy to read detailed road maps 2,000+ critical map updates Same-page quick reference indexes Comprehensive index to more than 15,000 places Almost twice as many pages as standard atlases. Sold in packages of 100 copies only under this item number.
