*Spindle* Nov 18 2022 Will dragon's blood be enough to save the kingdom? Long, long ago, a princess was born into the Kingdom of Light. She was said to be the most beautiful baby in all the world, and her tears turned into the morning dew. The king named her Aurora after the goddess of sunrise. Royals came from far and wide to honor her birth, but one guest was not there to celebrate. When it was her turn to present a gift, the dragon queen offered something much darker. A curse that would claim Aurora on her twentieth birthday with the prick of a spinning wheel. Everyone in the kingdom, except King Henrick, would plummet into eternal darkness. Thus, the king would know

the true meaning of loss. Only three fae were left to bestow their gifts to the princess Aurora, and although they could not erase the dragon queen's curse, they could offer the kingdom a gift of hope. Darkness would be banished with true love's kiss. King Henrick hid Aurora with the fae in the middle of the kingdom's enchanted woodlands to keep her safe. But dragons are born of magic, too, and Aurora's hiding place was not far from the dragon's lair. A Sleeping Beauty retelling with a little bite.

You'll keep turning the pages even as your hands shake."—Riley Sager, New York Times best-selling author of *Home Before Dark* A pulse-pounding, true-crime-based horror novel inspired by the McMartin preschool trial and Satanic Panic of the '80s. Richard doesn't have a past. For him, there is only the present: a new marriage, a first chance at fatherhood, and a quiet life as an art teacher in Virginia. Then the body of a ritualistically murdered rabbit appears on his school's playground, along with a birthday card for him. But Richard hasn't celebrated his birthday since he was known as Sean . . . In the 1980s, Sean was five years old when his mother unwittingly led him to tell a lie about his teacher. When school administrators,

cops, and therapists questioned him, he told another. And another. And another. Now, thirty years later, someone is here to tell Richard that they know what Sean did. But who would even know that these two are one and the same? *Whisper Down the Lane* is a tense and compulsively readable exploration of a world primed by paranoia to believe the unbelievable.

[The Merry Spinster](#) Nov 06 2021 From Mallory Ortberg comes a collection of darkly mischievous stories based on classic fairy tales. Adapted from the beloved "Children's Stories Made Horrific" series, "The Merry Spinster" takes up the trademark wit that endeared Ortberg to readers of both *The Toast* and the best-selling debut *Texts From Jane Eyre*. The feature has become among the most popular on the site, with each entry bringing in tens of thousands of views, as the stories proved a perfect vehicle for Ortberg's eye for

deconstruction and destabilization. Sinister and inviting, familiar and alien all at the same time, *The Merry Spinster* updates traditional children's stories and fairy tales with elements of psychological horror, emotional clarity, and a keen sense of feminist mischief. Readers of *The Toast* will instantly recognize Ortberg's boisterous good humor and uber-nerd swagger: those new to Ortberg's oeuvre will delight in this collection's unique spin on fiction, where something a bit mischievous and unsettling is always at work just beneath the surface. Unflinchingly faithful to its beloved source material, *The Merry Spinster* also illuminates the unsuspected, and frequently, alarming emotional complexities at play in the stories we tell ourselves, and each other, as we tuck ourselves in for the night. Bed time will never be the same.

Baz would be having a field day with all this, if he were here -- it's their last year at the Watford School of Magicks, and Simon's infuriating nemesis didn't even bother to show up. *Carry On* is a ghost story, a love story and a mystery. It has just as much kissing and talking as you'd expect from a Rainbow Rowell story - but

far, far more monsters.

**Attachments** May 12 2022 From the award-winning, #1 New York Times bestselling author of *Wayward Son*, *Fangirl*, *Carry On*, and *Landline* comes a hilarious and heartfelt novel about an office romance that blossoms one email at a time.... Beth Fremont and Jennifer Scribner-Snyder know that somebody is monitoring their work e-mail. (Everybody in the newsroom knows. It's company policy.) But they can't quite bring themselves to take it seriously. They go on sending each other endless and endlessly hilarious e-mails, discussing every aspect of their personal lives. Meanwhile, Lincoln O'Neill can't believe this is his job now—reading other people's e-mail. When he applied to be “internet security officer,” he pictured himself building firewalls and crushing hackers—not writing up a report every time a sports reporter forwards a dirty joke. When Lincoln comes across Beth's and Jennifer's messages, he knows he should turn them in. He can't help being entertained, and captivated, by their stories. But by the time Lincoln realizes he's falling for Beth, it's way too late to introduce himself. What would he even say...?

**Fangirl** Apr 11 2022 While staring you straight in the eye, far above the tips of her Toms, Josie Brant would swear that she does not like Peter Maxx, the teen sensation who causes every girl within a 100-foot radius to scream at ear-shattering decibels. Even if Josie may completely, totally, and unequivocally be his biggest fan. So when Josie finds out her best friend has won a contest to meet Peter by stealing one of Josie's songs, Josie is overwhelmingly shocked and upset—some of which flies out the window when Ashley

introduces Josie to Peter as well. And suddenly, in a whirlwind of Tweets, IMs, texts, and phone calls, Josie finds herself in the middle of a flirtatious friendship that has the potential for complete harmony. But just when everything seems pitch-perfect, the paparazzi flashbulbs explode, along with any notion of a fairy-tale romance. Author Ken Baker, E! Channel's Chief News Correspondent, uses his inside knowledge to craft a novel authentic to the teen pop idol experience with sincere heart and humor.

Infamous Dec 27 2020 Sephora Golding lives in the shadow of her beautiful mother. They scrape by in Venice Beach, but Sephora has always felt lucky. Then she meets Felix, and the fairy tale takes an unimaginable turn.
