Advance in the game and earn real-life rewards! First things first: how do you play? There are three things you need to first start a game: a setting, treasures, and a smartphone. The setting can be your living room, a library, the office, or even the garden. Or why not all four? Either way, you'll be hiding treasures of your choice in different hiding spots inside your house. Be creative about your hiding spots! Behind or inside vases, underneath carpets, between books, in the shelves, and under pillows. (Note: You can wrap your food prizes in little sandwich bags to keep out dust and dirt.) And finally, use the app to take pictures of the different hideouts, from a distance. Now the game is set! The game is played by solving different challenges to win clues towards the treasure. Challenges are incorporated in any one of our available game worksheets booklets, tailored to player age and skill level. they can enter into the game app that should reveal the location of a hidden treasure hideout. You can spice things up by leveling up the difficulty or by adding a timer.
