5 lb. Book of GRE Practice Problems Oct 17 2022 Manhattan Prep's 5 lb. Book of GRE Practice Problems is an essential resource for students of any level who are preparing for the GRE revised General Exam. Recently updated to more closely reflect the nuances of the GRE exam, this book offers more than 1,800 questions across 33 chapters and online to provide students with comprehensive practice. Developed by our expert instructors, the problems in this book are sensibly grouped into practice sets and mirror those found on the GRE in content, form, and style. Students can build fundamental skills in math and verbal through targeted practice while easy-to-follow explanations and step-by-step applications help cement their understanding of the concepts tested on the GRE. In addition, students can take their practice to the next level with online question banks that provide realistic, computer-based practice to better simulate the GRE test-taking experience. Purchase of this book includes access to an online video introduction, online banks of GRE practice problems, and the GRE Challenge Problem Archive.

problems! Also included is How to Take a Test - The Complete Guide Let's face it: test-taking is really not easy! While some people seem to have the natural ability to know what to study, how to absorb and retain information, and how to stay calm enough while actually taking a test to earn a great score, most of us find taking tests to be sheer misery. This is one of the most important chapters! Here you will find out: How to Take a Test - The basics In the Test Room - What you MUST do Common Mistakes on a Test - And how to avoid them Mental Prep - How to psych yourself up for a test Practice Really Does Make Perfect! The more questions you see, the more likely you are to pass the test. You can fine-tune your knowledge in areas where you feel comfortable and be more efficient in improving your problem areas. Our practice test questions have been developed by our dedicated team of experts. All the material in the study guide, including every practice question, are designed to engage your critical thinking skills needed to pass the test! Heard it all before? Maybe you have heard this kind of thing before, and don't feel you need it. Maybe you are not sure if you are going to buy this book. Remember though, it only a few percentage points divide the PASS from the FAIL students! Even if our test tips increase your score by a few percentage points, isn't that worth it?

5 lb. Book of ACT Practice Problems Jun 20 2020 Manhattan Prep's 5 lb. Book of ACT Practice Problems is an essential resource for any student taking the ACT. Packed with over 1,800 practice problems covering all topics tested on the exam, this book helps students build fundamental skills through targeted practice. Developed by our expert instructors, the problems in this book are sensibly grouped into practice sets and mirror those found on the actual ACT in content, form, and style. Covering every topic within English, Math, Reading, Science, and Writing, the problems are accompanied by thorough explanations and provide in-depth guidance to students for review. In addition, progress trackers and topical grading sheets enable students to stay motivated and zero in on weaknesses. This fully up-to-date guide reflects both recent and upcoming enhancements to the ACT. Purchase of this book includes access to additional online resources.

Essential Review 6 full-length Kaplan practice tests with detailed answer explanations (2 printed in the book and 4 tests online) More than 2,000 practice questions with detailed explanations, including a 500-item online Qbank 4 Test Yourself sections — test-like practice on mixed topics to ensure you learn the material, unit by unit One-year access to our online center with additional quizzes and videos to help guide your study Pre-quizzes to help you figure out what you already know and what you can skip Mixed practice quizzes after every chapter to assess how much you've learned A practice question at the beginning of each lesson to help you quickly identify its focus and dedicated practice questions after every lesson to test your comprehension Efficient Strategy "On Test Day" strategy notes in every math chapter to help you remember that the ACT math test is primarily a strategy test "Reflect" pages that help you evaluate your comfort level with the topics and make a plan for improving before the test after completing each chapter Online study-planning tool helps you target your prep no matter how much time you have before the test. Expert Guidance We know the test: Our learning engineers have put tens of thousands of hours into studying the ACT, and we use real data to design the most effective strategies and study plans. Kaplan's books and practice questions are written by veteran teachers who know students—every explanation is written to help you learn. We invented test prep—Kaplan (kaptest.com) has been helping students for over 80 years.
