When Nic, a slave in the mines outside of Rome, is forced to enter a sealed cavern containing the lost treasures of Julius Caesar, he finds much more than gold and gemstones: He discovers an ancient bulla, an amulet that belonged to the great Caesar and is filled with a magic once reserved for the Gods -- magic some Romans would kill for. Now, with the deadly power of the bulla pulsing through his veins, Nic is determined to become free. But instead, he finds himself at the center of a ruthless conspiracy to overthrow the emperor and spark the Praetor War, a battle to destroy Rome from within. Traitors and spies lurk at every turn, each more desperate than the next to use Nic's newfound powers for their own dark purposes. Futuristic Christian political thriller The final installment of The End series Book 1: Edge of Apocalypse Book 2: Thunder of Heaven Book 3: Brink of Chaos Book 4: Mark of Evil Includes discussion questions for book clubs The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave Book 1 of the Henry Parker series by bestselling thriller author Jason Pinter. Right as I'm about to die, I realize all the myths are fake. There's no white light at the end of a tunnel. My life isn't flashing before my eyes. All I can think about is how much I want to live. I moved to New York City a month ago to become the best journalist the world had ever seen. To find the greatest stories never told. And now here I am—Henry Parker, twenty-four years old and weary beyond rational thought, a bullet one trigger pull from ending my life. I can't run. Running is all Amanda and I have done for the past seventy-two hours. And I'm tired. Tired of knowing the truth and not being able to tell it. Five minutes ago I thought I had the story all figured out. I knew that both of these men—one an FBI agent, the other an assassin—wanted me dead, but for very different reasons. If I die tonight—more people will die tomorrow. Originally published in 2007. "It is possible to be a Christian without showing the mark, but if we expect non-Christians to know that we are Christians, we must show the mark." Christians have not always presented an inviting picture to the world. Too often we have failed to show the beauty of authentic Christian love. And the world has disregarded Christianity as a result. In our era of global violence and sectarian intolerance, the church needs to hear anew the challenge of this book. Decades ago Francis Schaeffer exhorted, "Love--and the unity it attests to--is the mark Christ gave Christians to wear before the world. Only with this mark may the world know that Christians are indeed Christians and that Jesus was sent by the Father." More than ever, the church needs to respond compassionately to a needy world. More than ever, we need to show the Mark. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. For few verses in the Bible is the relationship between scripture and the artistic imagination more intriguing than for the conclusion of Genesis 4:15: "And the Lord set a mark upon Cain, that whosoever found him should not kill him." What was the mark of Cain? The answers set before us in this sensitive study by art historian Ruth Mellinkoff are sometimes poignant, frequently surprising. An early summary of rabbinic answers, for examples runs as follows: R. Judah said: "He caused the orb of the sun to shine on his account." Said R. Nehemiah to him: "For that wretch He would cause the orb of the sun to shine! Rather, he caused leprosy to break out on him..." Rab said: "He gave him a dog." Abba Jose said: "He made a horn grow out of him." Rab said: "He made him an example to murderers." R. Hanin said: "He made him an example to penitents." R. Levi said in the name of R. Simeon b. Lakish: "He suspended judgment until the flood came and swept him away." After a review of such early Jewish and Christian exegesis, Mellinkoff divides physical interpretations on the mark into three groups: "A Mark on Cain's Body," "A Movement of Cain's Body," and "A Blemish Associated with Cain's Body." Her discussion of these groups is the heart of her study and offers its richest examples of interplay among medieval art and imaginative literature, on the one hand, and biblical exegesis, on the other. Thus in one remarkable tour de force, she shows us how a poetic misprision of Genesis 4:24 - "Sevenfold vengeance will be taken for Cain: but for Lamech seventy times sevenfold" - made Lamech the murderer of Cain; how there then grew up the legend that Lamech, a hunter, had killed Cain when he mistook him for an animal; how from that, the notion that the mark of Cain was a horn or horns on Cain's head arose (in the poignant formulation of the Tanhuma Midrash: "Oh father, you have killed something that resembles a man except it has a horn on its forehead!"); and how from that, in the maturity of the legend, there flowered Cornish drama, Irish saga, and stunning reliefs of a dying, antlered Cain in the cathedrals of Vezelay and Autun. Like Genesis 4:15 itself, 'The Mark of Cain' is suggestive rather than comprehensive. Concluding chapters on "Intentionally Distorted Interpretations of Cain's Mark" and "Cain's Mark and the Jews" bring the history down to our own day, but Mellinkoff does not claim to have said the last word on the subject. Her achievement is neither documentary nor exegetical but rather demonstrative: she shows us with brilliant economy how the artistic imagination functioned in a world whose intellectual definition was a closed canonical text. An often-ignored middle sister gets attention from a dark stranger in this fantasy romance trilogy opener by the author of the Forgotten Empires series. The tales tell of three sisters, daughters of the high king. The eldest, a valiant warrior-woman, heir to the kingdom. The youngest, the sweet beauty with her Prince Charming. No one says much about the middle princess, Andromeda. Andi, the other one. Andi doesn't mind being invisible. She enjoys the company of her horse more than court, and she has a way of blending into the shadows. Until the day she meets a strange man riding, who keeps company with wolves and ravens, who rules a land of shapeshifters and demons. A country she'd thought was no more than legend—until he claims her as its queen. In a moment everything changes: Her father, the wise king, becomes a warlord, suspicious and strategic. Whispers call her dead mother a traitor and a witch. Andi doesn't know if her own instincts can be trusted, as visions appear to her and her body begins to rebel. For Andi, the time to learn her true nature has come . . . Perfect for fans of Game of Thrones looking for more romance. The Mark of the Beast by Sidney Watson is about the theories related to the prophecies in the Bible of the Second Coming and the mark of the beast or the antichrist. Excerpt: "After the Lord's Second Coming, what will happen to those left behind? What will the Tribulation period be like? What will happen during the reign of the Antichrist? What is meant by "The Mark of the Beast"? What will be the fate of those who refuse to bear this mark? All of these questions and many others connected with the mark of the beast are answered in this realistic, startling, awe-inspiring story. Although entirely fictional, the author has based his narrative on just what the Bible teaches concerning the Great Tribulation—that awful period of distress and woe that is coming upon this earth when the Antichrist will rule with unhindered sway." Christians view the mark of the beast as something futuristic. The receiving of the mark of the beast commands the wrath and indignation of

God; and the consequences are severe. Many Christians has already accepted the mark of the beast; unbeknownst to them. They do not have a clear vision as to whom or what is the beast. Each denomination has their interpretation of the beast and how and when it will manifest. The word says, And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb. Revelation 14: 9, 10. Many Christian denominations believe the prophecy points to the papacy as the beast. However, in scripture, the Papal system has never been a beast, is not a beast and will never be a beast. To call that system the beast is to take the word of God on a very long stretch. This horn functions both politically and as a Christian Church. It persecuted and killed any Christian who disagrees with its dogmas. The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the end. Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years. Then who is the beast? This book has the answer.

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture. These documents provide intimate insights into the self-reflection and self-perception of perpetrators. As Germany looks back on more than sixty years of passionate debate about political, personal and legal guilt, its ongoing engagement with the legacy of perpetration has transformed German culture and politics. The willingness to forgive and forget displayed by the father in the parable of the Prodigal Son became the paradigm central to Germany's rehabilitation and reintegration of Nazi perpetrators. The problem with Luke's parable in this context is that, unlike the son in the parable, perpetrators did not ask for forgiveness. Most agents of state crimes felt innocent. Von Kellenbach proposes the story of the mark of Cain as a counter narrative. In contrast to the Prodigal Son, who is quickly forgiven and welcomed back into the house of the father, the fratricidal Cain is charged to rebuild his life on the basis of open communication about the past. The story of the Prodigal Son equates forgiveness with forgetting; Cain's story links redemption with remembrance and suggests a strategy of critical engagement with perpetrators.
