*Made in Korea* May 09 2022 "Two entrepreneurial Korean-American teens butt heads--and fall in love--while running competing Korean beauty businesses at their high school"--

**Ashlords** Nov 15 2022 Red Rising meets The Scorpio Races in this epic fantasy following three phoenix horse riders--skilled at alchemy--who must compete at The Races--the modern spectacle that has replaced warfare

within their empire. Every year since the Ashlords were gifted phoenix horses by their gods, they've raced them. First into battle, then on great hunts, and finally for the pure sport of seeing who rode the fastest. Centuries of blood and fire carved their competition into a more modern spectacle: The Races. Over the course of a multi-day event, elite riders from clashing cultures vie to be crowned champion.

But the modern version of the sport requires more than good riding. Competitors must be skilled at creating and controlling phoenix horses made of ash and alchemy, which are summoned back to life each sunrise with uniquely crafted powers to cover impossible distances and challenges before bursting into flames at sunset. But good alchemy only matters if a rider knows how to defend their

phoenix horse at night. Murder is outlawed, but breaking bones and poisoning ashes? That's all legal and encouraged. In this year's Races, eleven riders will compete, but three of them have more to lose than the rest--a champion's daughter, a scholarship entrant, and a revolutionary's son. Who will attain their own dream of glory? Or will they all flame out in defeat?

Apr 20 2023 How do you create characters with depth? How do you write the opposite sex, authentic teenagers, plausible antagonists and chilling villains?

How do you inhabit a character who isn't like you? Whether you write literary or genre fiction, this book shows you how to create people who keep readers hooked and make you want to tell stories

*A Bad Character*  
May 17 2020 The highly acclaimed story of a young woman in New Delhi, and the love that both shatters and forever changes her—offering an intimate and raw exploration of female transformation in contemporary India, and an unforgettable hymn to a dangerous, exhilarating city. “Searing... Intoxicating.” —The New York Times  
Book Review Our narrator is “twenty and untouched” when her mother dies. Sent by her absentee father to live with a relative in a modest New Delhi apartment, she is ill-equipped to resist the allure of the rich and

rebellious young man who approaches her one day at a cafe. He is a few years older, and from a different social class, but they both yearn to break free of tradition. As they drive around Delhi—eating, making love, falling apart—he introduces her to an India that she never knew existed, and will never be able to forget. Told in a voice at once gritty and lyrical, *A Bad Character* is an astounding book. [Grumpy Cat Awfully Big Comics Collection](#) Jul 19 2020 The World's Grumpiest Cat -- and the world's most adorable internet sensation -- continues to delight fans of all ages. With her ever-

present pout and sassy disposition, Grumpy Cat has won the hearts of people everywhere. Now, her unbearable cuteness and infectious sourpuss are featured in a collection of comic stories. If you love the memes, the videos, and that irresistible scowl, then get ready for the wildly fun antics of Grumpy Cat. Her comic book escapades are guaranteed to make you smile... even if she's scowling! [Collecting every \(terrible\) Grumpy Cat comic book story ever -- in one giant \(overhyped\) comics collection!](#) **Slasher Girls and Monster Boys** Jan 25 2021 "Inspired by classic tales and films, a collection of

fourteen short stories ranging from bloody horror, to psychological thrillers, to supernatural creatures, to unsettling, all-too-possible realism, by acclaimed YA authors of every genre"-- **Pruett and Soo** Jul 31 2021 Pruett is from Planet Monochrome, where everything is black, white, or gray; everyone follows the rules and walks in straight lines; and they never, ever ask or answer questions. But then Soo arrives from Planet Prismatic. She's bursting with brilliant colors! She zigs and zags all over the place! When she asks Pruett questions, he finds he wants to

reply...and his whole world starts to change. With a palette that shifts from grayscale to full color, this engaging story reminds us that what you feel defines who you are--and, sometimes, a friend can help you see that best.

Return on Character Dec 24 2020 Does the character of our leaders matter? You may think this question was answered long ago. Countless business authors and analysts have assured us that great leadership demands great character. Time and again, we've seen that truth play out, as once-thriving organizations falter and fail under the

guidance of leaders behaving badly. Why, then, do so many executives remain skeptical about the true value of leadership character? A winning strategy and a sound business model are what really matter, they argue; character is just the icing on the cake. What's been missing from this debate is hard evidence: data that shows not only that leadership character matters for organizational success, but how it matters; and concrete evidence that it leads to better business results. Now, in this groundbreaking book, respected leadership researcher, adviser, and author Fred

Kiel offers that evidence—solid data that demonstrates the connection between character, leadership excellence, and organizational results. After seven years of rigorous research based on a landmark study of more than 100 CEOs and over 8,000 of their employees' observations, Kiel's findings show that leaders of strong character achieved up to five times the ROA for their organizations as did leaders of weak character. Return on Character goes on to reveal: • How leadership character is formed, how it creates value, and how that value spreads throughout

the organization • How low-character leaders undermine the success of even the best business plans • How leaders at any level can develop the habits of strong character and “unlearn” the habits of poor character The book also provides a character-building methodology—step-by-step advice and techniques for assessing your own character habits and improving your performance and that of your organization. Return on Character provides the blueprint for building your own leadership character and creating a character-driven organization that achieves superior

business results. Little Bones May 21 2023 I have three names: I was born Leigh-Ann. I became Cherrie. When I was a child, they called me Little Bones... **Still Not Happy, John!** Apr 15 2020 The book that launched campaigns, featuring a new 2013 introduction

from Margo Kingston. After the bestselling *Not Happy, John!* was published in 2004, we had three more years of: secrecy, cover-ups and scandals – think AWB laws like WorkChoices eroding people's prosperity, an unpopular and deceitful war, blind allegiance to a foolhardy American president, draconian measures rushed through a hobbled Senate and applied with equal haste – witness the Mohamed Haneef fiasco, the detention of hundreds of vulnerable people, including children and Australian citizens, and above all, not listening when Australians say they want job,

educational and housing security for themselves and their children, our soldiers out of Iraq - and a smart, fair, forward-looking country that finds new solutions for pressing problems like climate change. Margo Kingston, one of Australia's most fearless political journalists, knew then that it was crunch time for Australia. This is a gutsy, anecdotal book with a deadly serious purpose: to lay bare the insidious ways in which John Howard's Liberal government profoundly undermined our freedoms and our rights. Passionate and clear-eyed about the urgent need for us to reassert the core

civic values of a humane, egalitarian, liberal democracy, Still Not Happy, John! remains alarmingly relevant to Australia's political climate today. 'She rages, she hammers, she explains - but most importantly she CARES.' Phillip Adams [What They Don't Know](#) Sep 01 2021 Three secrets. One decision. A friendship that will change everything. Mellie has always been the reliable friend, the good student, the doting daughter. But when an unspeakable act leads her to withdraw from everyone she loves, she is faced with a life-altering choice—a choice she must face

alone. Lise stands up—and speaks out—for what she believes in. And when she notices Mellie acting strangely, she gets caught up in trying to save her...all while trying to protect her own secret. One that might be the key to helping Mellie. Told through Mellie and Lise's journal entries, this powerful, emotional novel chronicles Mellie's struggle to decide what is right for her and the unbreakable bond formed by the two girls on their journey. [Anna K](#) Mar 27 2021 A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is

miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is

madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia "Count" Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be

with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, Anna K: A Love Story is a brilliant reimagining of Leo Tolstoy's timeless love story, Anna Karenina—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak. *The Free Mar 07 2022* Description.. [The Path to Noble Character](#) Jul 23 2023 The following discusses the different branches of Noble Character and their benefits in both worlds. According to the Hadith found in Jami At Tirmidhi, number 2003, the Holy Prophet Muhammad, peace and blessings be upon him, has

advised that the heaviest thing in the Scales of Judgment Day will be Noble Character. It is one of qualities of the Holy Prophet Muhammad, peace and blessings be upon him, which Allah, the Exalted, complimented in Chapter 68 Al Qalam, Verse 4 of the Holy Quran: "And indeed, you are of a great moral character." Therefore, it is a duty on all Muslims to gain and act on the teachings of the Holy Quran and the traditions of the Holy Prophet Muhammad, peace and blessings be upon him, in order to Achieve Noble Character. **Exploring Character Design** Jun 17 2020

Seasoned character creators Kevin Hedgpeth and Stephen Missal, drawing on the concepts examined in their previous book, *Exploring Drawing for Animation*, present a definitive guide to designing and developing characters for visual media. *Exploring Character Design* covers the entire character-creation process, from concept to final product—including research, conceptualization, synthesis, and refinement. Laying out a step-by-step analysis of character construction in accordance with standard industry methodology, Hedgpeth and

Missal lead the reader on a fascinating journey into character design theory and practice to show how strong characters are actually built.

*The Other Half of Happy* Oct 22 2020

Quijana is a girl in pieces. One-half Guatemalan, one-half American: When Quijana's Guatemalan cousins move to town, her dad seems ashamed that she doesn't know more about her family's heritage. One-half crush, one-half buddy: When Quijana meets Zuri and Jayden, she knows she's found true friends. But she can't help the growing feelings she has for Jayden. One-half kid, one-half grown-up:

Quijana spends her nights Skyping with her ailing grandma and trying to figure out what's going on with her increasingly hard-to-reach brother. In the course of this immersive and beautifully written novel, Quijana must figure out which parts of herself are most important, and which pieces come together to make her whole. This lyrical debut from Rebecca Balcárcel is a heartfelt poetic portrayal of a girl growing up, fitting in, and learning what it means to belong.

**Vengeance Road** Feb 06 2022 When her father is murdered for a journal revealing the location of a hidden gold mine,

eighteen-year-old Kate Thompson disguises herself as a boy and takes to the gritty plains looking for answers -- and justice. What she finds are untrustworthy strangers, endless dust and heat, and a surprising band of allies, among them a young Apache girl and a pair of stubborn brothers who refuse to quit riding in her shadow. But as Kate gets closer to the secrets about her family, a startling truth becomes clear: some men will stop at nothing to get their hands on gold, and Kate's quest for revenge may prove fatal.

**Whatever You Make of It** Feb 23 2021 Johnathon Morgan wanted to

make partner at his law firm. That's it. That's all he wanted. Everything else he could figure out later, including life with his girlfriend, Rebecca. The last thing he needed was a distraction. But sometimes life has plans for you that are outside of your control. He starts to read a book and expresses all of his thoughts out loud as he reads. To his surprise, the characters in the book can not only hear his spoken thoughts, but can also respond to him. Soon he finds himself completely lost in their world, learning more about himself and what really matters than he ever thought he would.

We may not be saints, but we are basically good, fairly honest, relatively kind, and mostly trustworthy. One of the central themes of 'The Character Gap' is that we are badly mistaken in thinking this way. In recent years, hundreds of psychological studies have been done which tell a rather different story. We have serious character

flaws that prevent us from being good people, many of which we do not even recognize in ourselves. Does this mean that instead we are wretched people, vicious, cruel or hateful? Christian Miller does not argue that this is necessarily the case either. **At the End of Everything** Feb 18 2023 From the #1 New York Times bestselling author of *This Is Where It Ends* comes another heartbreaking, emotional and timely page-turner that will keep you on the edge of your seat. The Hope Juvenile Treatment Center is ironically named. No one has hope for the delinquent teenagers who have

been exiled there; the world barely acknowledges that they exist. Then the guards at Hope start acting strange. And one day...they don't show up. But when the teens band together to make a break from the facility, they encounter soldiers outside the gates. There's a rapidly spreading infectious disease outside, and no one can leave their houses or travel without a permit. Which means that they're stuck at Hope. And this time, no one is watching out for them at all. As supplies quickly dwindle and a deadly plague tears through their ranks, the group has to decide whom

among them they can trust and figure out how they can survive in a world that has never wanted them in the first place. *Walking Home* Nov 03 2021 Set in both the wilds and slums

of Kenya, a powerful story about a brother and sister's brave journey to find a place to call home. 13-year-old Muchoki and his younger sister, Jata, can barely recognize what's become of their lives. Only weeks ago they lived in a bustling Kenyan village, going to school, playing soccer with friends, and helping at their parents' store. But sudden political violence has killed their father and destroyed their home. Now, Muchoki, Jata, and their ailing mother live in a tent in an overcrowded refugee camp. By day, they try to fend off hunger and boredom. By night, their fears about

the future are harder to keep at bay. Driven by both hope and desperation, Muchoki and Jata set off on what seems like an impossible journey: to walk hundreds of kilometers to find their last remaining family.

**Fate of Flames** Jan 05 2022 Four girls with the power to control the elements and save the world from a terrible evil must come together in the first epic novel in a brand-new series. When Phantoms--massive beasts made from nightmares and darkness--suddenly appeared and began terrorizing the world, four girls, the Effigies, each gained a unique power to

control one of the classical elements: earth, air, fire, and water. Since then, four girls across the world have continually fought against the Phantoms, fulfilling their cosmic duty. And when one Effigy dies, another girl gains her power as a replacement. But now, with technologies in place to protect the world's major cities from Phantom attacks, the Effigies have stopped defending humanity and, instead, have become international celebrities, with their heroic feats ranked, televised, and talked about in online fandoms. Until the day that New York City's protection against the Phantoms fails,

a man seems to be able to control them by sheer force of will, and Maia, a high school student, unexpectedly becomes the Fire Effigy. Now Maia has been thrown into battle with three girls who want nothing to do with one another. But with the first human villain that the girls have ever faced, and an army of Phantoms preparing for attack, there isn't much time for the Effigies to learn how to work together. Can the girls take control of their destinies before the world is destroyed forever? *The Wish Granter* Jul 11 2022 An epic, romantic, and action-packed fantasy inspired by the tale of

Rumpelstiltskin, about a bastard princess who must take on an evil fae to save her brother's soul, from C. J. Redwine, the New York Times bestselling author of *The Shadow Queen*. Perfect for fans of *Graceling* and the *Lunar Chronicles*. The world has turned upside down for Thad and Ari Glavan, the bastard twins of Sündraille's king. Their mother was murdered. The royal family died mysteriously. And now Thad sits on the throne of a kingdom whose streets are suddenly overrun with violence he can't stop. Growing up ignored by the nobility, Ari never wanted to be a

proper princess. And when Thad suddenly starts training Ari to take his place, she realizes that her brother's ascension to the throne wasn't fate. It was the work of a Wish Granter named Alistair Teague who tricked Thad into wishing away both the safety of his people and his soul in exchange for the crown. So Ari recruits the help of Thad's enigmatic new weapons master, Sebastian Vaughn, to teach her how to fight Teague. With secret ties to Teague's criminal empire, Sebastian might just hold the key to discovering Alistair's weaknesses, saving Ari's brother—and herself. But Teague

is ruthless and more than ready to destroy anyone who dares stand in his way—and now he has his sights set on the princess. And if Ari can't outwit him, she'll lose Sebastian, her brother...and her soul.

### **Dragonfly Song**

Apr 08 2022 The girl has had many selves in her short life. The first she remembers is Aissa, the daughter of Mama and Dada, sister to Zufi who watched the goats. Then the Bull King's raiders came, and Mama said, "Don't make a sound till I come back." And when the villagers found her she was silent as stone, because Mama never came back again. So the villagers cursed her

as back luck and made her No-Name, lowest of the servants to the Lady, the island's priestess. But there were whispers, as she grew, of another self: of the Lady's rejected first daughter, born imperfect with two extra thumbs. The silent girl looks at the scars on her wrists and wonders, but she has more pressing concerns. The villagers blame her bad luck for the tribute the Bull King now demands of them: two youths given each spring to dance with his bulls and die for his god's glory. And the servants hate and fear the unnatural way the animals all come to her. For Aissa, though, this bond with creatures of fur and scale is

the first clue in finding the true self that no one else can give to her, or take away. Wendy Orr, the author of *Nim's Island*, introduces a resourceful and resilient heroine for slightly older readers. Inspired by an archeological trip to the island of Crete, where frescoes show figures leaping over the backs of bulls, Orr weaves an intriguing mythological portrayal of the Bronze Age Minoan civilization. Lyrically written and refreshingly unpredictable, *Dragonfly Song* suggests a fascinating origin for the legend of the Minotaur and his dark tribute. *Jackpot* Dec 04 2021 From the

author of the New York Times bestseller *Dear Martin*--which Angie Thomas, the bestselling author of *The Hate U Give*, called "a must read"--comes a pitch-perfect romance that examines class, privilege, and how a stroke of good luck can change an entire life. Meet Rico: high school senior and afternoon-shift cashier at the Gas 'n' Go, who after school and work races home to take care of her younger brother. Every. Single. Day. When Rico sells a jackpot-winning lotto ticket, she thinks maybe her luck will finally change, but only if she--with some assistance from her popular and wildly

rich classmate Zan-- can find the ticket holder who hasn't claimed the prize. But what happens when have and have-nots collide? Will this investigative duo unite...or divide? Nic Stone, the New York Times bestselling author of *Dear Martin* and *Odd One Out*, creates two unforgettable characters in one hard-hitting story about class, money--both too little and too much--and how you make your own luck in the world. "Funny, captivating, and thoughtful." -- *The Atlantic.com*

**Devils Unto Dust**  
Aug 12 2022 Keep together. Keep your eyes open. Keep your wits about you. The desert is unkind in the best

of times. And the decade since the Civil War has been anything but the best of times for Daisy Wilcox—call her Willie—and her family. This tense, heart-pounding alternate history about a young woman fighting to survive the unthinkable will keep fans of *Westworld* and *The Walking Dead* reading late into the night. A horrifying sickness has spread across the West Texas desert. Infected people—shakes—attack the living, and the surviving towns are only as safe as their perimeter walls are strong. The state is all but quarantined from the rest of the country. Glory, Texas, is a near

ghost town. Still, seventeen-year-old Willie has managed to keep her siblings safe, even after the sickness took their mother. But then her good-for-nothing father steals a fortune from one of the most merciless shake hunters in town, and Willie is left on the hook for his debt. With two young hunters as guides, Willie sets out across the desert to find her father. And the desert holds more dangers than just shakes. This riveting debut novel blends *True Grit* with *28 Days Later* for an unforgettable journey.

[Five Midnights](#) Sep 20 2020 Ann Dávila Cardinal's *Five Midnights* is a "wickedly thrilling" (William Alexander) and "flat-out unputdownable" (Paul Tremblay) novel based on the el Cuco myth set against the backdrop of modern day Puerto Rico.

2019 Digital Book World Award Winner for best Suspense/Horror Book Five friends cursed. Five deadly fates. Five nights of retribución. If Lupe Dávila and Javier Utierra can survive each other's company, together they can solve a series of grisly murders sweeping through Puerto Rico. But the clues lead them out of the real world and into the realm of myths and legends. And if they want to catch the killer, they'll have to step into the shadows to see what's lurking there—murderer, or monster? "A frightening, fast-paced thriller."

### **Categories of Noble Character**

Jun 22 2023 The following short book discusses some Aspects of Noble Character, including: Intention, Sincerity, Peace of Mind and Body, Contentment, Patience, Gratitude,

Equality, Hope, Socializing, Strengthening Faith, the Material World, Knowledge, Humility, Charity, Provision, Truthfulness, Chastity, Trusting in Allah, the Exalted, Repentance, Justice, Independence, Financial Dealings, Ties of Kindship, Religion of Ease, Modesty, and the Hereafter. Implementing the lessons discussed will aid a Muslim to Achieve Noble Character. According to the Hadith found in Jami At Tirmidhi, number 2003, the Holy Prophet Muhammad, peace and blessings be upon him, has advised that the heaviest thing in

the Scales of Judgment Day will be Noble Character. It is one of qualities of the Holy Prophet Muhammad, peace and blessings be upon him, which Allah, the Exalted, complimented in Chapter 68 Al Qalam, Verse 4 of the Holy Quran: "And indeed, you are of a great moral character." Therefore, it is a duty on all Muslims to gain and act on the teachings of the Holy Quran and the traditions of the Holy Prophet Muhammad, peace and blessings be upon him, in order to Achieve Noble Character.
