A celebration of love in all its forms, *I Am Love* asks readers to look inward when they feel afraid. Love allows us to act with

compassion and kindness, to live with gratitude, and to take care of ourselves by practicing self-love. This book is an accumulation of prayers, poems, and prose written over the last sixty years. "My Special Prayer" was written when I was at my first church camp. I was eight years old. "If We Had Peace" was written at age twelve. The rest were written when with my grandparents in the summer on a lake in Michigan, school assignments, and just being with God in many situations. My walk with God began in Kalamazoo, Michigan, at age three. God and I have held hands and walked together throughout my sixty-four years. I've known Him since before I knew how to pray. "I am a fanatic about freedom. And I'm fanatical about coming at you hard in this book." Maybe you're not as free as you think you are. Even worse, you may have been duped into believing that a "balanced" life is the key to happiness (it isn't) or that a relationship with God is about layering on rules and restrictions (nope). Whether it's media-fueled fear, something a parent or teacher said that you just can't shake, or even the reality of dark spiritual forces bent on keeping you down, something is holding you back from the full-on freedom God intends for you. The Bible says, "Where the Spirit of the Lord is, there is freedom." Not fear. Not guilt. Not morality. Freedom. You can have the sort of joy you thought only kids could have. The day of freedom is here. A devilishly intelligent new novel by the internationally bestselling author and Prix Mĩ??dicis winner. A black writer from Montreal has found the perfect title for his next book: *I Am a Japanese Writer*. His publisher gives him an advance on the strength of the title alone. The problem is, he can't seem to write a word of it. He can scarcely summon the energy to put pen to paper, and so he nurses his writer's block by taking long baths, re-reading the works of Japanese poet Basho and engaging in amorous intrigues with rising pop star Midori and her entourage of vampire girls. For the writer, though, the title isn't just a title: he really does believe he is a Japanese writer. He makes this declaration in a mall, and, the next thing he knows, he's an international celebrity. The book becomes a cult phenomenon, even though he still hasn't written a word of it. In Japan, it sets off a cultural revolution. A Japanese writer even publishes a book called *I Am a Malagasy Writer*. On the nightly news, a Japanese officer declares, "I Am a Korean Soldier." No wonder a pair of attachĩ??s from the Japanese embassy has been following our hero around. At first, he is delighted to discover his celebrity. But things quickly go wrong. Part postmodern fantasy, part Kafkaesque nightmare and

Ms. Marty Rice, retired teacher and children's book specialist for 10 years at Borders Books, Music & Café A "profound and soul-nourishing memoir" (Oprah Daily) from an African girl whose near-death experience sparked a lifelong dedication to humanitarian work that helps bring change across the world. When severe drought hit her village in Zimbabwe, Elizabeth Nyamayaro, then only eight, had no idea that this moment of utter devastation would come to define her life's purpose. Unable to move from hunger and malnourishment, she encountered a United Nations aid worker who gave her a bowl of warm porridge and saved her life—a transformative moment that inspired Elizabeth to dedicate herself to giving back to her community, her continent, and the world. In the decades that have followed, Elizabeth has been instrumental in creating change and uplifting the lives of others: by fighting global inequalities, advancing social justice for vulnerable communities, and challenging the status quo to accelerate women's rights around the world. She has served as a senior advisor at the United Nations, where she launched HeForShe, one of the world's largest global solidarity movements for gender equality. In *I Am a Girl from Africa*, she charts this "journey of perseverance" (Entertainment Weekly) from her small village of Goromonzi to Harare, Zimbabwe; London; New York; and beyond, always grounded by the African concept of ubuntu—"I am because we are"—taught to her by her beloved grandmother. This "victorious" (The New York Times Book Review) memoir brings to vivid life one extraordinary woman's story of persevering through incredible odds and finding her true calling—while delivering an important message of hope, empowerment, community support, and interdependence.
