Ollendorff's New Method of Learning to Read, Write and Speak the Italian Language, Adapted for the Use of Schools and Private Teachers. With Additions and Corrections by Felix Foresti ... Jul 26 2023

From Pseudo-relatives to Causative Constructions Dec 07 2021 This volume proposes a novel structural analysis for causative constructions, offering a solution for the long-standing mono/bi-clausal dualism. Causatives are claimed to instantiate a 'complex object' construction, insofar as the causee is not only the subject of the lexical verb, but also a participant that is related to the whole event. Furthermore, the analysis reveals that the realization of causatives implies a crucial interplay with the pseudo-relative construction, a much-debated structure as well. Data from Scandinavian languages are highlighted, through the results of an experimental test on the scope of negation and adverbs supporting the present analysis. The book offers a cross-linguistic perspective as it discusses the relevant constructions in languages including Italian, English, French, Portuguese and Spanish.

A Reference Grammar of Modern Italian Apr 23 2023 This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.

Antiquities in Motion Mar 22 2023 An exciting new approach to understand the trade of antiquities in early modern Rome traces the journey of objects from discovery to display. Barbara Furlotti presents a dynamic interpretation of the early modern market for antiquities, relying on the innovative notion of archaeological finds as mobile items. She reconstructs the journey of ancient objects from digging sites to venues where they were sold, such as Roman marketplaces and antiquarians' storage spaces; to sculptors' workshops, where they were restored; and to Italian and other European collections, where they arrived after complicated and costly travel over land and sea. She shifts the attention away from collectors to peasants with shovels, dealers and middlemen, and restorers who unearthed, cleaned up, and repaired or remade objects, recuperating the role these actors played in Rome's socioeconomic structure. Furlotti also examines the changes in economic value, meaning, and appearance that antiquities underwent as they moved throughout their journeys and as they reached the locations in which they were displayed. Drawing on vast unpublished archival material, she offers answers to novel questions: How were antiquities excavated? How and where were they traded? How were laws about the ownership of ancient finds made, followed, and evaded?

Using Italian Oct 25 2020 This 2002 book is a guide to Italian usage for students who have already acquired the basics of the language and wish to extend their knowledge. Unlike conventional grammars, it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English-speakers. Careful consideration is given throughout to questions of style, register, and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech. It surveys the contemporary linguistic scene in Italy and gives ample space to the new varieties of Italian that are emerging in modern Italy. The influence of the dialects in shaping the development of Italian is also acknowledged. Clear, readable and easy to consult via its two indexes, this is an essential reference for learners seeking access to the finer nuances of the Italian language.

Le tre conversioni dell'Inghilterra dal paganesimo alla religione cristiana ... Jan 08 2022

Censura Librorum Et Propositionum Bellarminiana Apr 30 2021 The opening of the archives of the Roman Inquisition and of the Index of Prohibited Books, in January 1998, enables us to think afresh about the history of two organisations more notorious than understood. Both have been considered, almost exclusively, from the perspective of their victims, such as Galileo Galilei. This book uses hitherto secret sources of the Inquisition and Index to reconstruct the history of Roman censorship in its first, formative years from the standpoint of Galileo's judge. Robert Bellarmine (1542-1621) was a censor for the Index and a "consultor" to the Holy Office, before becoming cardinal-inquisitor and (three centuries after his death) a saint and Doctor of the Church. His career provides a paradigm of how an intellectual could make his way to the top in Counter-Reformation Rome. Censored by Pope Sixtus V, Bellarmine responded by suppressing the pontiff's version of the Vulgate and by repressing the Sistine Index of Prohibited Books. A new interpretation - including a reevaluation of Galileo's first "trial" - of Roman censorship is offered in this book. Based on unpublished sources from the archives, which it edits and interprets for the first time, "The Saint as Censor" will alter our understanding of the Roman Inquisition and the Index.

Spazi Riflessivi in Passeggeri Notturni Jul 02 2021 Spazi Riflessivi in Passeggeri Notturni è un testo innovativo e versatile per l'insegnamento dell'italiano tramite riflessioni ed elaborazioni su questioni sociali emerse dalla lettura di Passeggeri notturni, racconti brevi di Gianrico Carofiglio. Il testo, indicato per un livello intermedio-avanzato, propone una vasta gamma di esercizi grammaticali contestualizzati e attività interdisciplinari che confrontano letterature e arti diverse e affrontano discussioni socio-culturali.

Towards a Theory of Denominals Dec 19 2022 In *Towards a Theory of Denominals*, Adina Camelia Bleotu proposes a novel spanning analysis of denominals, arguing for its explanatory superiority to incorporation/conflation or nanosyntax in accounting for the formation and behaviour of such verbs in English and Romanian.

Linguistic Analysis Nov 06 2021 This book reconsiders the classic topics of linguistic analysis and reflects on universal aspects of language from a typological and comparative perspective. The aim is to show the crucial interactions which occur at the different levels of grammar (phonology, morphology, lexicon, syntax and pragmatics), illustrating their various roles in the structural organization of the sentence and exploring how interface relations contribute to yield interpretation in typologically different languages. The structural analysis is set within the Generative framework of grammar, though theoretical tenets are the outcome, rather than the starting point, of a study based on the observation of data. As the basic intent is to show different phenomena across a wide range of languages, a 'semi-guided' method has been adopted in order to facilitate comprehension and assist the reader in the identification of language universals. For every topic, the discussion of previous literature is followed by cross-linguistic evidence so that theory can be checked against data and the relevant generalizations drawn. Ultimately, this approach reveals that grammar is based on a very limited number of universal principles, which operate yielding different effects at the different levels of the grammar. It implies that a real understanding of the language-system can only be derived from a comparative analysis in which the notion of interface plays a crucial role. The seven chapters in the volume deal with categories and functions, argument structure, syntactic functions, the structure of noun phrases, adverbial modification, information structure and illocutive force. Throughout, the observation of data from 74 languages is a crucial element in the formulation and understanding of theoretical tenets. This book is highly recommended for researchers and students interested in formal analysis from a typological, comparative perspective.

Folklore by the Fireside Sep 23 2020 For centuries, social life in rural Tuscany has centered around the veglia, an evening gathering of family and friends at the hearth. Folklore by the Fireside is a thorough and insightful study of this custom—from the tales, riddles, lullabies, and folk prayers performed as the small children are put to bed to the courtship songs and dances later in the evening to the anti-veglia male gossip, card games, and protest songs originating in the tavern. Alessandro Falassi skillfully correlates the veglia to the rites of passage and family values of an agrarian society. Although the impact of mass media and other factors has tended to weaken the tradition, even today Tuscan children are taught to behave and adolescents are guided along the conventional path to adulthood, courtship, and marriage through veglia folklore. This is the first work to deal systematically with Tuscan folklore from a semiotic and structural viewpoint and to examine the veglia as a means of handing down traditional values. It is important not only for its careful, detailed description but also for its rigorous methodology and theoretical richness.

La scomparsa dei corvi Aug 03 2021 Tom, marito e padre di famiglia, si ritrova depresso e più vecchio di quanto non dimostri. La moglie Rose mal lo sopporta, i figli, sempre lontani, lo snobbano, il lavoro non lo soddisfa più, solo la sua collega Emily sembra vedere il suo lato migliore e questo lo rinvigorisce, gli dà speranza. Per qualche tempo la giovane donna lo rende felice e lui si illude di esserlo, anche se un bozzo sul collo gli fa capire che la sua anima soffre. Una leggenda londinese vuole che, quando i corvi scompariranno dalla Torre di Londra, la corona terminerà il suo potere; ma gli inglesi, per evitare problemi, hanno tarpatto le ali agli uccelli per impedire che volino via. Tom, per tutta la vita, si è sentito come quei corvi, castrato nella sua voglia di vivere un'esistenza felice e soddisfacente. AUTORE Ramsis Deif Bentivoglio è per metà egiziano del Cairo. Ha ricevuto un premio da Carlo Lucarelli per un racconto sulla Resistenza, Almost Balck, mentre alcune sue poesie sono state inserite in un'antologia da Perrone editore. Ha realizzato il documentario su un problema ambientale I frutti della terra, pubblicato su YouTube. Si occupa di critica cinematografica presso l'Araldo dello spettacolo e il settimanale Sette Sere. Collabora, come scrittore e critico, anche con Thomas Torelli, autore del documentario Un Altro Mondo e Sangue e Cemento. Frequenta la scuola di cinema Bottega Finzioni di Bologna, per diventare sceneggiatore.

Amore a sorpresa Sep 04 2021 Il veterinario Kevin Rogers ha chiuso con l'amore. Ciononostante le nonnine combina incontri di Warren Rock sono determinate a trovargli una compagna. Non è facile convincerle a lasciarlo in pace. Di conseguenza tutte le giovani donne single della città lo assediano di continuo con regali e messaggi d'amore. Essere "fidanzato" è l'unico modo per fermare quelle nonnine impiccione, ma per riuscirci ha bisogno di una finta fidanzata. Subito. Lisa Porter adora organizzare matrimoni. Cioè, i matrimoni degli altri. Dopo che il suo matrimonio mancato è finito in un disastro, preferisce vivere le nozze indirettamente attraverso il suo lavoro. Ma quando si ritrova a dover persuadere un grosso cliente che lei possiede le qualifiche necessarie per organizzare il matrimonio più celebre dell'anno, è disposta a fingere di essere fidanzata col fratello maggiore della sua migliore amica. Il loro stratagemma funziona, infatti riescono a far credere a tutti quanti di essere la coppia perfetta. L'unico problema? Anche Lisa ci crede. Fino a quel momento Kevin ha sempre considerato Lisa come una sorella minore, e ci vorrà tutta la città per convincerlo del contrario...

Il tatuaggio di fuoco Jul 22 2020 Il risveglio degli Eletti è il primo libro della trilogia “Il tatuaggio di fuoco”. Tutti noi abbiamo sentito parlare delle profezie Maya che periodicamente annunciano grandi cambiamenti per il genere umano. Nella Bibbia e nel Corano addirittura predicono la fine del mondo, con lo scontro apocalittico tra il Bene e il Male. E se questi eventi stessero per compiersi realmente, ma su un altro pianeta? Se la resa dei conti fosse giunta per altri popoli, dando l’ inizio al conto alla rovescia dell’ultima battaglia? Allora ognuno di loro sarà chiamato a prendervi parte, scegliendo dove schierarsi. Anche le divinità si prepareranno per darsi battaglia. Il vincitore avrà il dominio del pianeta solo fino al prossimo scontro, poiché per il mantenimento degli equilibri necessitano entrambe le parti: Luce e Oscurità, come in tutte le cose, altrimenti regnerebbe il caos.
