Mi tiempo en el cielo May 29 2023 No lo puedo explicar; sólo puedo contarle lo que vi, y el lenguaje es insuficiente, porque realmente es indescriptible: los paisajes, los sonidos, los tamaños, los colores, los olores. ¿Cómo se puede describir un lugar llamado cielo? Recuerdo saber cosas que ahora no puedo recordar (o se supone que no debo recordar). Se me permitió ver muchas cosas, pero había mucho más que no se me permitió ver. Muchos otros han tenido experiencias similares del cielo, y algunas de las cosas que vieron eran las mismas que lo que yo vi. Otras no, y si a usted le enseñaran un lugar llamado cielo, también vería cosas diferentes. Cada persona que haya tenido una experiencia como esta lo verá de forma distinta. Muchas de las cosas que vi y de las que fui testigo probablemente no fueron las cosas que otra persona vería, porque somos personas individuales y Dios trata con nosotros de forma individual. Las cosas que vi me ministraron, y creo que también ministrarán a los que lean este libro. Jesús me dijo: “Nunca te olvides de lo mucho que te amo y de lo que he hecho por ti. Nunca te olvides de cuánto amo a aquellos con los que regresas y del lugar que he preparado para ellos, y de cuánto los amo”. No puedo explicarlo; tan sólo puedo contarle lo que vi, y sólo puedo contar parte. —Rev. Richard Sigmund I can’t explain it. I can only tell you what I saw. And language fails. It really is indescribable: the sights, the sounds, the sizes, the colors, the smells. How can one describe a place called heaven? I remember knowing things there that I can’t remember now—or am not supposed to remember. I was allowed to see many things, but there was much more that I was not allowed to see. Many others have had similar experiences of heaven, and some of the things they saw were the same as what I saw. Others were not. And if you were shown a place called heaven, you would see different things, too. Everybody who has an experience like this is going to see it differently. Many of the things that I saw and witnessed would probably not be the things that another person would see because we are each individuals, and God deals with us in individual ways. The things that I saw related and ministered to me, and I believe they will also minister to those who read this book. Jesus told me, “Don’t ever forget how much I love you and what I have done for you. Never forget how much I love those whom you are going back to and the place I have prepared for them and how much I love them.” I can’t explain it. I can only tell you what I saw. And I can tell only so much. —Rev. Richard Sigmund *The Happiest People on Earth* May 05 2021 The amazing life of the Armenian dairyman who founded the Full Gospel Business Men's Fellowship International, a unique ministry to men and women in the business world. Descubra cómo predecir patrones antes de que sucedan con base en: Profecías codificadas en el alfabeto y la numeración hebreos. Asombrosos patrones proféticos de presidentes estadounidenses y adventancias para el futuro acerca de los líderes gubernamentales. Prosperidad ¿Engaño O Robo? Jun 29 2023 El siglo XX ha comenzado, desde el punto de vista de las religiones del mundo, con una amalgama de prácticas y enseñanzas morales y sociales que está enfermando cada día mas a la Iglesia de Jesucristo. Enseñanzas como el de la "Semilla de la Fe" Fue Oral Roberts quien inventó su obra más conocida y de mayor alcance: El mensaje de la Semilla de Fe. Roberts enseñó que dar la semilla de fe era el medio más efectivo para alcanzar la prosperidad. Esta enseñanza se ha desarrollado a tal grado que existen algunos que están asegurando que es la voluntad de Dios que todos los cristianos lleguen a ser rico y, si aumentan sus semillas de fe, podrían llegar a ser millonarios. ¡La Iglesia está enferma!

Strange Fire Nov 10 2021 In Strange Fire, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In Strange Fire, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Porém ele não tinha nem começado a pensar em Deus até que tivesse 14 anos, quando ele chegou perto de perder ambas as pernas em um acidente com um rifle. Enquanto ele estava deitado, morrendo em uma poça de sangue, ele viu uma terrível visão do inferno - viu a si mesmo caindo constante e profundamente naquela região de perdidos e almas vagueantes. Ele clamou a Deus por misericórdia e miraculosamente foi dado uma segunda chance - uma chance a qual mais tarde ele quase falhou em compreendê-la.

It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

Supernatural Sep 20 2022 Paradoxically, as 1954 came to an end William Branham was not satisfied. He thought his supernatural gift should have revolutionized the Christian world, broken down denominational barriers, and brought all Christians together in oneness of spirit, purpose and doctrine. It had not. He decided the reason for this failure was because many Christians did not understand the God they were trying to worship. To remedy this problem, Bill felt led to teach more doctrine in his evangelistic campaigns, explaining the fundamentals of the Christian faith. This decision produced some unexpected results. During 1955, attendance at his faith-healing campaigns declined sharply. Evidently, people welcomed miracles as long as they didn't have to change their own ideas. Some people felt he should concentrate on divine healing and leave the teaching to the pastors, or teachers who had more education.

La secta perfecta Jun 17 2022 Los secretos más oscuros de Colonia Dignidad, develados por uno de los periodistas que más ha investigado el tema. Colonia Dignidad fue, antes que nada, una secta religiosa creada por dos predicadores callejeros expulsados de la Iglesia Bautista alemana y que, como toda secta peligrosa, fue formada para satisfacer básicamente los impulsos sexuales de su líder, la pederastia, en ese caso. La de Paul Schaefer fue una secta de manual. No solo manipuló místicamente a sus seguidores y les despojó de su dinero, sus pensiones e incluso sus hijos. Y cuando la creencia en las supuestas cualidades mesiánicas de su líder ya no fueron suficientes, no trepidó en drogarlos, golpearlos, torturarlos y asesinarlos para evitar que huyeran. Esta secta corrompió casi todo el entramado judicial y policial de la zona donde se alojaba, con un solo objetivo: lograr que las autoridades no investigaran las denuncias por adopciones ilegales, violaciones y otros delitos aberrantes cometidos en contra de niños indefensos y de sus padres. Existen múltiples testimonios que dejan muy en claro que, debido a la forma en que Schäfer predicaba "la palabra de dios" y sus técnicas de dominación física, Colonia Dignidad, está al nivel de las principales sectas de la historia mundial, como Jonestown, Heaven's Gate, la secta Aum o los Davidianos de Waco.

Libro 1 Mar 15 2022 Dal momento in cui è nato, William Branham si è distinto dall'ordinario. Afflitto dalla povertà e dal rifiuto, è diventato un bambino nervoso. Gli accadevano cose insolite, mistificanti e spirituali che lo spaventavano. Non ha iniziato a pensare a Dio fino all'età di 14 anni, quando ha quasi perso entrambe le gambe in un incidente con un fucile da caccia. Mentre giaceva morente in una pozza di sangue, vide una terrificante visione dell'inferno. Vide se stesso cadere costantemente più in profondità in quella regione di anime perse e alla deriva. Gridò a Dio misericordia e miracolosamente gli fu data una seconda possibilità, una possibilità che in seguito quasi non riuscì a cogliere.

Los orígenes de la Nueva Era Oct 22 2022 César Vidal desenmascara las doctrinas ocultas del movimiento de la Nueva Era en esta obra bien documentada. La Nueva Era no es un movimiento aparecido de la nada en el siglo veinte. Su ideología y práctica se originan en la Gnosis. Durante el siglo primero A.D. se asistió a un vigoroso crecimiento de esta filosofía que manifestaba la pretensión de guardar en su seno el mensaje auténtico de Jesús. Frente a él se alzó un conjunto de personajes que veían a la Gnosis como una perversión del mensajecristiano y a su "Cristo" como "otro Cristo", radicalmente distinto del histórico. Para ellos, la Gnosis era un enemigo peligroso que debía ser abatido. Partiendo de los documentos históricos, Los orígenes de la Nueva Era relata la pugna colosal en la que se enfrentaron dos cosmovisiones diametralmente opuestas, la neotestamentaria y la gnóstica. Las consecuencias de esta pugna resultan visibles, incluso en nuestros días, en el desarrollo e ideología de la Nueva Era.

seek a supernatural being. The angel gave him a commission from God to take a gift of Divine healing to the peoples of the world. When William Branham questioned whether the people would believe an angel had really met him, the angel said he would be given two supernatural signs to prove his calling. Then they would have to believe. And believe they did!BOOK THREE: THE MAN AND HIS COMMISSION (1946-1950)Soon after the angel visited William Branham and told him he was ordained to take a gift of healing to the peoples of the world, the first sign appeared - a physical reaction in his hand that happened only when he touched the hand of someone suffering from a germ-caused disease. Within two months of his commission, William Branham's extraordinary gift had gained national attention. People by the thousands flocked to his meetings, where he preached salvation and Diving healing in the Name of Jesus Christ. Miracles abounded. The world had not seen anything like it since the days when Jesus walked through Galilee, casting out demons and healing all who were sick and afflicted. Even so, some people still questioned whether an angel had really met this humble man. Then the second sign appeared...and they had to believe!
