Longtime "New Yorker" contributor Sue Hubbell explores a range of offbeat and engrossing subjects, including after-hours truck stops, the country's best pie restaurants, bowling shoes, Costa Rica's blue morpho butterfly, earthquakes, and the honey trade. Writer and broadcaster Brian Sibley is a foremost expert on *The Lord of the Rings* (he adapted the novel for the award-winning BBC radio dramatisation in 1980), and here in this clothbound hardback he will take you to all the places Bilbo the Hobbit travelled through on his great adventure, and includes a gazetteer of the many places shown on the full-colour illustrated map which accompanies the book. *Trace Bilbo's epic journey through the forest of Mirkwood to the Enchanted River and the Elvenking's Halls; *Travel through the Desolation of Smaug to the heart of the Lonely Mountain, wherein lives the huge and evil dragon; *Visit Rivendell, home of the Elves, in a hidden valley beyond the Edge of the Wild. The map is a real labour of love, illustrated by world-renowned Tolkien artist John Howe, the conceptual artist employed by Peter Jackson to work on his multi-award winning *Lord of the Rings* film trilogy, and who is soon to work on Guillermo del Toro's *HOBBIT* film. Each element in this collector's package is special; together they provide an enchanting and desirable artefact that will be a prized possession of Tolkien readers of all ages. Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next. *Beyond Reality and Back Again: Lessons from a Lifetime* is Kathy Anderson's follow-up to her harrowing autobiography, *Lilies in the Field*, which details her battle with schizoaffective disorder. Drawing from her many life experiences and covering topics from religion to work to therapy and the military, Anderson shares some of the many life lessons she learned throughout her career as an Air Force captain—all while engaged in a decades-long struggle with mental illness. This book is the perfect companion to Anderson's autobiography, providing new context and a fresh perspective from someone who has hit rock bottom and then clawed her way back up. Wonderfully hopeful and deeply encouraging, readers of any age or at any stage of life can relate to Anderson's setbacks, questions, struggles, choices, and victories. By examining one life in depth, this book helps readers see the silver lining in any situation. Anderson shows us how to identify the valuable lessons to be gained from any

hardship and spurs us to never stop living and learning. She proves we can all reach the ultimate goal of a happy life. Here and Back Again tells the story of Mac, a boy who never really belonged anywhere until he arrives at the Manic Street Orphanage. There, he meets new friends, a strange professor who seems to know something about everything, and a peculiar little animal that leads the way to the greatest adventure of Mac's life. Whether traveling through a wardrobe to a magical fantasy world, or traveling on the ear of a big friendly giant to a land of even-bigger (and not-so-friendly) giants, the world of the fantastic and strange is closer than you think. Mac doesn't find any fantasy wardrobes or giants at the Manic Street Orphanage, but he does find a door to a strange place, and he might just have found a home, too that is, if he can ever get back there. Here and Back Again will take you on an exciting adventure! If you loved the Chronicles of Narnia or works by Quentin Blake, Lemony Snicket, Tony DiTerlizzi and Holly Black, and JK Rowling you will love the Knightswood Tales series by Macayle. Their rich imagery and imagination makes this the sort of stories to be enjoyed by everyone, children and adults alike. " Love—good and bad—forces three teens' worlds to tilt in a riveting standalone novel from #1 New York Times bestselling author Ellen Hopkins. Three teens, three stories—all interconnected through their parents' family relationships. As the adults pull away, caught up in their own dilemmas, the worlds of the teens begin to tilt. Mikayla, almost eighteen, is over-the-top in love with Dylan, who loves her back jealously. But what happens to that love when Mikayla gets pregnant the summer before their senior year and decides to keep the baby? Shane turns sixteen that same summer and falls hard in love with his first boyfriend, Alex, who happens to be HIV positive. Shane has lived for four years with his little sister's impending death. Can he accept Alex's love, knowing his life, too, will be shortened? Harley is fourteen—a good girl searching for new experiences, especially love from an older boy. She never expects to hurdle toward self-destructive extremes in order to define who she is and who she wants to be. Love, in all its forms, has crucial consequences in this wrenching story from Ellen Hopkins. A young woman who marries an Arabian finds herself facing dangers and challenges that she never thought imaginable. She starts her journey traveling to one of the oldest countries in the world. Her new home in Arabia turns out very different than she expected. The way she was raised as an American is all but forgotten when forced to learn the new ways of an ancient culture. She soon discovers that she must learn their language and abide by their religion if she is to survive in their country. After almost fourteen years of living in Arabia she becomes desperate to return to her beloved country to live. She captured her one chance to leave with her three young children and made it back to her hometown. She lived with her three children only for a short while before he came to take them back to Arabia. Her worst nightmare had begun. She unexpectedly met an American man from her hometown who saved her life as she adventured on yet another dangerous journey traveling alone to Arabia in hope of being reunited with her children. This woman's true life experiences along with various research makes this one of the most intriguing books about the real everyday life of the people in ancient Arabia. This is her true story, finally told. A board book version of this bestselling picture book all about counting from one to ten. This wonderful and unique look at counting and friendship is from the viewpoint of Sue and Nick, who like very different things but are still best friends. They introduce us to their favourite things from one boy called Nick and one girl called Sue to ten cakes for tea, and then count all the way back down to one yellow moon shining in the night sky. The artwork is stunning with each artist contributing alternate pages in their own inimitable style. The deceptively simple text is perfect for children learning to read. The Winthorpe Mysteries, Part One Under the Bridge and Back Again By: Mike Bradford Set in Louisville, Kentucky, this first presentation of the Winthorpe Mysteries tells the story of the growth of a man and the forming of a family. It is a romance, but the driving forces are suspense, deception and bloody murder. The man, Davis Winthorpe, is a jaded, cynical, user of people. In the beginning of these stories he is a lonely man without any useful purpose beyond paying his bills and being his own boss. The villain describes him as a two-bit call-him-when-you-need-him errand boy. His sweetheart gives him the name of Taskmaster. In the end of the matter, Davis and Kitty Winthorpe transform into a dynamic team of creative problem solvers. They each make their own journey toward personal

acceptance and individual worth. Winthorpe, through his business, is used as a stooge by a relentless property developer, one Harry M. Snapp. The hero is sent upon a wild goose chase by the villain to create a smoke screen as an alibi and cover up for murder. Harry Snapp's wife is shot in the head, one time. At the supposed time of the shooting Snapp has Winthorpe out for a ride on the historic riverboat, The Belle of Louisville. Martha Snapp is shot as Harry and Davis go upriver, under the bridge and back again. Harry Snapp is guilty, and Winthorpe knows it. In the end, only two people know the truth. Sent to New York City on what the villain assumes is an impossible mission, Winthorpe discovers information which reveals Harry Snapp to be a liar. In the city he meets his love interest, Kitty Servideo. Together they pursue both the evil intent of Snapp and each other in what proves to be a sensual blending of lonely hearts and lust for adventure. Kitty is a dynamic vivacious schemer who brings out the best in Davis Winthorpe while constantly frustrating him with her unpredictable nature, and her own deep dark secret over promises once made to her dying mother. Humor, caprice and serendipity blend into a suspenseful unfolding of the truth about Harry. Davis and Kitty do become man and wife, and Harry is found to be guilty. Harry is guilty of murder all right, but he didn't kill his wife. In the final chapter Winthorpe uncovers the truth. SYNOPSIS, Under the Bridge and Back Again page two Martha Snapp, Harry's wife, is guilty too. She beat Harry at his own game. She showed him up in front of the boy's club. Harry declares that it takes balls of brass to do the things he does. When Martha shows that a woman can beat him at the game, she is marked for murder. She committed the one sin Harry could not forgive. The story, twenty-six chapters in length, is set in Louisville, Kentucky. It explores the attraction of Louisville's riverfront and the separate society that exists in the special part of town known as Old Louisville. Pursuit of the truth about Harry takes Kitty and Davis to Atlanta for one hot night, and to the coast of North Carolina in a capricious chase after the one witness to the crime. The Sense of place and character development is strong with the two central characters forming an attractive relationship with the reader that leaves the reader wondering what the two are going to do next. In addition, there is a subplot that begins in Under the Bridge and slowly unfolds as the stories proceed. Kitty Servideo, Mrs. Winthorpe, has a secret. The Winthorpe Mysteries are ongoing in nature. The author knows more about this man who makes his living performing tasks. Subsequent stories include The Hole in the Bottom of the Sea, While Searching for Air, Patterns in the Sand and The Mistress of Tavern Hill. In his third book, John Mangini writes of travel, love, friendship, youth, and self discovery. As Mangini writes "For in each man, woman, and child, lives an inflaming desire of discourse and curiosity that shall grumble for eternity." Around The World And Back Again is a compelling, provocative, and amusing collection of stories and poetry, and includes the play The Traveler. Béatrice Longuenesse presents an original exploration of our understanding of ourselves and the way we talk about ourselves. In the first part of the book she discusses contemporary analyses of our use of 'I' in language and thought, and compares them to Kant's account of self-consciousness, especially the type of self-consciousness expressed in the proposition 'I think.' According to many contemporary philosophers, necessarily, any instance of our use of 'I' is backed by our consciousness of our own body. For Kant, in contrast, 'I think' just expresses our consciousness of being engaged in bringing rational unity into the contents of our mental states. In the second part of the book, Longuenesse analyzes the details of Kant's view and argues that contemporary discussions in philosophy and psychology stand to benefit from Kant's insights into self-consciousness and the unity of consciousness. The third and final part of the book outlines similarities between Kant's view of the structure of mental life grounding our uses of 'I' in 'I think' and in the moral 'I ought to, ' on the one hand; and Freud's analysis of the organizations of mental processes he calls 'ego' and 'superego' on the other hand. Longuenesse argues that Freudian metapsychology offers a path to a naturalization of Kant's transcendental view of the mind. It offers a developmental account of the normative capacities that ground our uses of 'I, ' which Kant thought could not be accounted for without appealing to a world of pure intelligences, distinct from the empirical, natural world of physical entities. The Space Shuttle has been the dominant machine in the U.S. space program for thirty years and has generated a great deal of interest among space enthusiasts and engineers. This book

enables readers to understand its technical systems in greater depth than they have been able to do so before. The author describes the structures and systems of the Space Shuttle, and then follows a typical mission, explaining how the structures and systems were used in the launch, orbital operations and the return to Earth. Details of how anomalous events were dealt with on individual missions are also provided, as are the recollections of those who built and flew the Shuttle. Many photographs and technical drawings illustrate how the Space Shuttle functions, avoiding the use of complicated technical jargon. The book is divided into two sections: Part 1 describes each subsystem in a technical style, supported by diagrams, technical drawings, and photographs to enable a better understanding of the concepts. Part 2 examines different flight phases, from liftoff to landing. Technical material has been obtained from NASA as well as from other forums and specialists. Author Davide Sivoletta is an aerospace engineer with a life-long interest in space and is ideally qualified to interpret technical manuals for a wider audience. This book provides comprehensive coverage of the topic including the evolution of given subsystems, reviewing the different configurations, and focusing on the solutions implemented.

When Jessica is told she'll never run again, she puts herself back together—and learns to dream bigger than ever before. The acclaimed author of *Flipped* delivers a powerful and healing story. Jessica thinks her life is over when she loses a leg in a car accident. She's not comforted by the news that she'll be able to walk with the help of a prosthetic leg. Who cares about walking when you live to run? As she struggles to cope, Jessica feels that she's both in the spotlight and invisible. People who don't know what to say act like she's not there. Jessica's embarrassed to realize that she's done the same to a girl with CP named Rosa. A girl who is going to tutor her through all the math she's missed. A girl who sees right into the heart of her. With the support of family, friends, a coach, and her track teammates, Jessica may actually be able to run again. But that's not enough for her now. She doesn't just want to cross finish lines herself—she wants to take Rosa with her. "Inspirational. The pace of Van Draanen's prose matches Jessica's at her swiftest. Readers will zoom through the book just as Jessica blazes around the track. A lively and lovely story." —Kirkus Reviews

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama. 'Even the smallest person can change the course of the future.' The prophetic words of Galadriel, addressed to Frodo as he prepared to travel from Lothlorien to Mordor to destroy the One Ring, are just as pertinent to J R R Tolkien's own fiction. For decades, hobbits and the other fantastical creatures of Middle-earth have captured the imaginations of a fiercely loyal tribe of readers, all enhanced by the immense success of Peter Jackson's films: first "The Lord of the Rings", and now his new "The Hobbit". But for all Tolkien's global fame and the familiarity of modern culture with Gandalf, Bilbo, Frodo and Sam, the sources of the great mythmaker's own myth-making have been neglected. Mark Atherton here explores the chief influences on Tolkien's work: his boyhood in the West Midlands; the landscapes and seascapes which shaped his mythologies; his experiences in World War I; his interest in Scandinavian myth; his friendships, especially with the other Oxford-based Inklings; and the relevance of his themes, especially ecological themes, to the present-day. "There and Back Again" offers a unique guide to the varied inspirations behind Tolkien's life and work, and sheds new light on how a legend is born.

After falling off the wall, Humpty Dumpty is very afraid of climbing up again, but is determined not to let fear stop him from being close to the birds. This is an autobiography of Edward C. Engle. It tells the story of his childhood and education and eventual migration to the Navy as a bombardier/navigator in the A-6 Intruder aircraft. He explains the systems, the tactics, and the ordnance used against an implacable enemy over Laos, South Vietnam, North Vietnam, and Cambodia. After he returned, the book continues with his life in further assignments, eventual career change to aeronautical engineering duty officer, his participation in the Cold War and European Theater operations as part of the National Space Program, and the closing assignments of his career working on developing the requirements for the Navy's Force Network Concept.

In *Wealth, Poverty, and Politics*, Thomas Sowell, one of the foremost conservative public intellectuals in this country, argues that political and ideological struggles have led to dangerous confusion about income inequality in America. Pundits and politically motivated

economists trumpet ambiguous statistics and sensational theories while ignoring the true determinant of income inequality: the production of wealth. We cannot properly understand inequality if we focus exclusively on the distribution of wealth and ignore wealth production factors such as geography, demography, and culture. Sowell contends that liberals have a particular interest in misreading the data and chastises them for using income inequality as an argument for the welfare state. Refuting Thomas Piketty, Paul Krugman, and others on the left, Sowell draws on accurate empirical data to show that the inequality is not nearly as extreme or sensational as we have been led to believe. Transcending partisanship through a careful examination of data, *Wealth, Poverty, and Politics* reveals the truth about the most explosive political issue of our time. Come on a new magical colouring adventure, from your home right the way to the ends of the earth! Colour your way through a riotous world of dragons, witches, lagoons, mountains and deserts, inspired by folk tales and landscapes from around the globe. With a beautiful scene that folds horizontally and stretches to an amazing 17 feet (5 metres), this is the longest colouring adventure in the world! *Inside Out and Back Again* is a #1 New York Times bestseller, a Newbery Honor Book, and a winner of the National Book Award! Inspired by the author's childhood experience as a refugee—fleeing Vietnam after the Fall of Saigon and immigrating to Alabama—this coming-of-age debut novel told in verse has been celebrated for its touching child's-eye view of family and immigration. Hà has only ever known Saigon: the thrills of its markets, the joy of its traditions, and the warmth of her friends close by. But now the Vietnam War has reached her home. Hà and her family are forced to flee as Saigon falls, and they board a ship headed toward hope—toward America. This moving story of one girl's year of change, dreams, grief, and healing received four starred reviews, including one from Kirkus which proclaimed it "enlightening, poignant, and unexpectedly funny." An author's note explains how and why Thanhha Lai translated her personal experiences into Hà's story. This updated digital edition also includes an interview with the author, an activity you can do with your family, tips on writing poetry, and discussion questions.

Bailey was heading home in his steam-powered rocket when he found a message pod. It was only by luck that he spotted it, disabled and drifting in an eccentric orbit around a large M-type asteroid. Strange to find a message pod so far from interstellar trade routes, drifting through the Asteroid Belt around Old Sol. Bailey picked up the message pod, and notified its owners that he had it. And that was the beginning of the adventure. The next thing he knew, the legendary Gitana, adventurer extraordinaire, was arriving at Bailey's asteroid home, and then he was on a starship, heading for the center of the galaxy! This is a unique tale of one man's spiritual adventure, tracing God's unusual plan of providence from 1950s America to England and back again. Dwight Longenecker's conversion story is a roller coaster ride through fundamentalism, Oxford, Cambridge, and the modern Catholic Church. Brought up in an Evangelical Protestant home, he attended the fundamentalist Bob Jones University, and continued his education by studying theology at Oxford University before being ordained as an Anglican minister, serving as a curate, a school chaplain in Cambridge, and a country parson on the Isle of Wight. Realizing that he and the Anglican Church were on divergent paths, in 1995 Longenecker and his family were received into the Catholic Church in England. For ten years they continued to live in England where he worked as a freelance writer and charity worker. Then in 2006 the door opened to return to the United States and be ordained as a Catholic priest. This story of one man's amazing journey from Protestant fundamentalism through the Church of England to the Catholic priesthood offers an inspiring tale of God's providence, and the truth that "all things work together for good to those who love God and are called according to his purpose." A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and

thrilling tour de force of immersion journalism. The fascinating memoir of a Hollywood life and an inside look at a life-changing role and the groundbreaking Lord of the Rings films that captured the imagination of movie fans everywhere. The Lord of the Rings is one of the most successful film franchises in cinematic history. Winner of a record eleven Academy Awards--a clean sweep--and breaking box office records worldwide, the trilogy is a breathtaking cinematic achievement and beloved by fans everywhere. For Sean Astin, a Hollywood child (his mother is Patty Duke and stepfather is John Astin) who made his feature film debut at 13 in the 1980s classic *The Goonies* and played the title role in *Rudy*, the call from his agent about the role of Samwise Gamgee couldn't have come at a better time. His career was at a low point and choice roles were hard to come by. But his 18-month experience in New Zealand with director Peter Jackson and the cast and crew of *The Lord of the Rings* films would be more than simply a dream-come-true--it would prove to be the challenge of a lifetime. *There and Back Again: An Actor's Tale* is the complete memoir of Sean Astin, from his early days in Hollywood to the role that changed his life. Though much has been written about the making of the films, including the techniques and artistry employed to bring Tolkien's vision of life and the various relationships between castmembers, the real story of what took place on the set, the harrowing ordeals of the actors and the unspoken controversy and backstage dealings have never been told. Sean's experience and candid account of his time filming in New Zealand is unparalleled. More than a companion guide to the Ring films, *There and Back Again* filled with stories from the set and of the actors involved that have never been revealed before and is an eye-opening look from a Hollywood veteran at the blood, sweat and tears that went into the making of one of the most ambitious films of all time. The stirring adventure that begins *The Lord of the Rings*, the greatest fantasy epic of all time When Thorin Oakenshield and his band of dwarves embark upon a dangerous quest to reclaim the hoard of gold stolen from them by the evil dragon Smaug, Gandalf the wizard suggests an unlikely accomplice: Bilbo Baggins, an unassuming Hobbit dwelling in peaceful Hobbiton. Along the way, the company faces trolls, goblins, giant spiders, and worse. But as they journey from the wonders of Rivendell to the terrors of Mirkwood and beyond, Bilbo will find that there is more to him than anyone—himself included—ever dreamed. Unexpected qualities of courage and cunning, and a love of adventure, propel Bilbo toward his great destiny . . . a destiny that waits in the dark caverns beneath the Misty Mountains, where a twisted creature known as Gollum jealously guards a precious magic ring. In his darkly humorous adult fiction debut, Fuqua mines familiar territory: adolescent growing pains. Writing from the perspective of sixth-grader Caley, Fuqua crafts an intimate story of one boy's descent into depression and near-madness as he struggles to deal with his parents' divorce, their borderline negligence and occasional cruelty, and the instability and loneliness brought on by moving every couple of months. An illustrated journal for everyone who loves to travel, from the author of *You're Weird*. Ready to grab your passport and see the world? This lively and insightful journal will help you plan your next adventure, record new sights and sounds, and reflect on the insights you gather along the way. Filled with thought-provoking writing prompts, checklists, coloring pages, and more, this creative companion celebrates everything we love about getting away—including the weird, wonderful, surprising moments and the fresh perspective we gain about ourselves. Illustrated pages include: Airport Bingo World Dumpling Checklist Places I've Watched the Sunrise . . . and Sunset Quiz: Which Palace or Castle Should You Visit Next? Journal pages to collect cultural observations, personal reflections, and more Whether you're headed to Naples or Naperville (or nowhere . . . for now), go way beyond posting selfies with this fun and meaningful journal. So begins an enchanting counting journey from one buzzy bee to ten sparkling stars as little children lift the flaps and count what they find underneath. Thanks to the ingenious design of the book, when they have reached ten, they can count back down, closing each flap as they go. Stylish illustrations, novelty features, simple rhyming text and puzzle elements combine to make this a fun, interactive counting book. Helps children recognize number shapes, build vocabulary and learn to count reliably up to 10 and back. Friendly animal characters provide prompts as to what is under each flap. A unique 360-degree view of an incomparable 20th-century American artist One of the most emulated and significant figures in modern art, Andy Warhol

(1928-1987) rose to fame in the 1960s with his iconic Pop pieces. Warhol expanded the boundaries by which art is defined and created groundbreaking work in a diverse array of media that includes paintings, sculptures, prints, photographs, films, and installations. This ambitious book is the first to examine Warhol's work in its entirety. It builds on a wealth of new research and materials that have come to light in recent decades and offers a rare and much-needed comprehensive look at the full scope of Warhol's production--from his commercial illustrations of the 1950s through his monumental paintings of the 1980s. Donna De Salvo explores how Warhol's work engages with notions of public and private, the redefinition of media, and the role of abstraction, while a series of incisive and eye-opening essays by eminent scholars and contemporary artists touch on a broad range of topics, such as Warhol's response to the AIDS epidemic, his international influence, and how his work relates to constructs of self-image seen in social media today. In *To Burgundy and Back Again*, Roy presents a richly evocative account of their journey—one replete with discovery, adventure, and poignant surprises. Written in the tradition of *A Year in Provence* and *Sideways*, this elegantly penned book will delight wine lovers and armchair travelers alike. The third part of *The History of The Lord of the Rings*, J.R.R. Tolkien's *The War Of The Ring* is an enthralling account of the writing of the Book of the Century, which contains many additional scenes and includes the unpublished Epilogue in its entirety. *The War of the Ring* takes up the story of *The Lord of the Rings* with the Battle of Helm's Deep and the drowning of Isengard by the Ents, continues with the journey of Frodo, Sam and Gollum to the Pass of Cirith Ungol, describes the war in Gondor, and ends with the parley between Gandalf and the ambassador of the Dark Lord before the Black Gate of Mordor. The book is illustrated with plans and drawings of the changing conceptions of Orthanc, Dunharrow, Minas Tirith and the tunnels of Shelob's Lair. For use in schools and libraries only. Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama. This remarkable and bestselling novel from Thanhha Lai, author of the National Book Award-winning and Newbery Honor Book *Inside Out & Back Again*, follows a young girl as she learns the true meaning of family. *Listen, Slowly* is a New York Times Book Review Notable Book and a Publishers Weekly Best Book of the Year! A California girl born and raised, Mai can't wait to spend her vacation at the beach. Instead, she has to travel to Vietnam with her grandmother, who is going back to find out what really happened to her husband during the Vietnam War. Mai's parents think this trip will be a great opportunity for their out-of-touch daughter to learn more about her culture. But to Mai, those are their roots, not her own. Vietnam is hot, smelly, and the last place she wants to be. Besides barely speaking the language, she doesn't know the geography, the local customs, or even her distant relatives. To survive her trip, Mai must find a balance between her two completely different worlds. Perfect for fans of Rita Williams-Garcia and Linda Sue Park, *Listen, Slowly* is an irresistibly charming and emotionally poignant tale about a girl who discovers that home and culture, family and friends, can all mean different things. Are holiness standards relevant for the 21st-century church? This book uses the author's testimony to explore the relevance of holiness standards and whether dress standards are scriptural or legalism. The author, Sylvia Brown, shares her journey about why she walked away from holiness standards and what God revealed to her during her journey. Regardless of which side of the debate you are on, this book is worth reading as an opportunity to ponder all the relevant sides of the equation. Astronomy-loving Calliope June has Tourette syndrome, so she sometimes makes faces or noises that she doesn't mean to make. When she and her mother move yet again, she tries to hide her TS. But it isn't long before the kids at her new school realize she's different. Only Calliope's neighbor, who is also the popular student body president, sees her as she truly is--an interesting person and a good friend. But is he brave enough to take their friendship public? As Calliope navigates school, she must also face her mother's new relationship and the fact that they might be moving--again--just as she starts to make friends and finally accept her differences. Ellie Terry's affecting debut will speak to a wide audience about being true to oneself. "A Gallery Book. Gallery Books has a great book for every reader." -- A history of the restoration of the Cromford Canal between 1968 and 1988 accompanied by a wealth of photographs reproduced in colour.
