Judy's Scary Little Christmas Aug 15 2022 Judy Garland is primed for her biggest comeback ever - the dazzling star of her own TV special, broadcasting live on Christmas Eve, 1959. Judy's guest include Bing Crosby (making some holiday "grog"), Ethel Merman (plugging her Hawaiian album), and Liberace (with a handsome sailor in tow). However, mysterious snafus behind the scenes and cameo appearances by commie-baiting Vice President Richard Nixon (who performs a magic act) and blacklisted writer, Lillian Hellman, (who's forced to read "Children's Letters to Santa" with a puppet) thow Judy's program off course... The evening takes a detour into the twilight zone as the celebrities are forced to confront the lies behind their legends. Devastated and alone, Judy meets a special fan who ultimately proves that, despite her flaws, her shining legacy still endures. Judy Garland and the Hoodoo Costume Jul 02 2021 Judy Garland is making a winter visit to a northern city, where she has agreed to deliver a Christmas gift for a friend. The gift is delivered to a costume rental company, where Judy

notices a beautiful white gown that seems out of keeping with the other costumes--and the owner is deeply disturbed when Judy points it out. As a favor to the owner, Judy agrees to deliver the dress to its rightful owner... and quickly finds herself embroiled in a mystery that may include kidnapping.

Judy's Journey Jan 28 2021 Judy lives in a tent with her family. Will they ever be able to afford a farm with a real house? Ten-year-old Judy and her family are migrants, moving from farm to farm with each new season. Starting in Alabama, they travel to Florida and up the East Coast all the way to New Jersey, always looking for steady work. Every time Judy feels as if they're beginning to put down roots, they have to move on. It's hard for her to catch up in school; it's hard to make and keep friends. Judy likes the people she meets along the way, but she longs for a real home. Will her family ever have a farm of their own? Judy's Journey is a realistic depiction of the life of migrant farm workers in the mid-1900s. This ebook features an illustrated biography of Lois Lenski including rare images and never-before-seen documents from the author's estate.

Judy Garland Aug 03 2021 This day-by-day account of the legend's life—the first of its kind—succeeds in the daunting task of tracking

Judy's myriad professional pursuits, the personal crises she triumphed over, and her many accomplishments. Lavishly illustrated with eighty rare photos, this volume contains new information to enthrall even the most knowledgeable Garland fan. For those just encountering Judy, this book provides the perfect introduction, an engrossing narrative bursting with information: her performance dates, concert set lists, and recording session schedules; the evolving critical reception to her work; the many celebrities that came into contact with and adored Judy, from the Beatles to Elvis to Sinatra; her filming itineraries and guest appearances; excerpts from rare interviews and press conferences; and much more. Here is Judy Garland as never viewed before, in a way that allows readers to see her whole life on a daily basis and come to their own conclusion about what her life was really about. They will encounter a survivor, parent, friend, and one of the greatest entertainers the world has ever known, who overcame one obstacle after another in order to devote forty-five of her forty-seven years to delighting her fans. From her debut performance as a Gumm Sister at age two to her final day, Judy Garland is the definitive chronicle of this remarkable icon.

Judy Garland on Judy Garland Jun 13 2022

"It's going to be one hell of a great—everlastingly great—book with humor, tears, fun, emotion, and love," Judy Garland said of her plans to tell her life story, but she died at the age of forty-seven before seeing it through. Judy Garland on Judy Garland is the closest we will likely come to experiencing and exploring the legend's abandoned autobiography. Collecting and presenting the most important Garland interviews and encounters that took place between the years 1935 and 1969, this work opens with her first radio appearance under contract with Metro-Goldwyn-Mayer, and concludes with her last known interview, one taped for Radio Denmark

just months before her death. What makes this collection unique and distinguishes it from the plethora of Garland biographies is that it places Judy in the role of storyteller. She wrote a number of essays for various publications and sat for countless print, radio, and television interviews. These and other autobiographical efforts she made are proof that Judy Garland wanted her story told, and wanted it told in her own words. Finally, forty-five years after her death, here it is. Randy L. Schmidt is the author of the acclaimed bestselling biography *Little Girl Blue: The Life of Karen Carpenter* and the editor of *Yesterday Once More: The Carpenters Reader*. He has also written articles for the *Advocate* and the *Observer*. He teaches music in Denton, Texas.

Judy & I: My Life with Judy Garland Jan 20

2023 Sid 'One-Punch' Luft, amateur-boxer, producer and Judy Garland's third husband was the one man in her life who stuck around, helping her achieve a meteoric comeback in the 1960s. It was Luft who reversed the fortunes of an apparently faded career, seeing her triumph at Carnegie Hall, in 'A Star Is Born' and 'The Judy Garland Show'. Previously unpublished, Sid Luft's intimate autobiography tells their story in hard-boiled yet elegant prose. It begins on a fateful night in New York City when the not-quite-divorced Judy and the not-quite-divorced Sid meet at Billy Reed's Little Club. A straight-talking sharp shooter, Sid fell for Judy hard and fast and the romance persisted through separations, reconciliations, and later divorce. However, her drug dependencies and suicidal tendencies put a tremendous strain on the relationship. Sid did not complete his memoir; it ended in 1960 after Judy hired David Begelman and Freddie Fields to manage her career. But Randy L. Schmidt, acclaimed editor of Judy Garland on Judy Garland, seamlessly pieced together the final section of the book from extensive interviews with Sid, most previously unpublished. Despite everything, Sid never stopped loving Judy and never forgave himself for not being able to save her from the demons that ultimately drove her to an early

death at age forty-seven in 1969. Sid served as chief conservator of the Garland legacy until his death at the age of eighty-nine in 2005. This is his testament to the love of his life. 'In prose so brassy that it bruises the sensibilities, Luft... illuminates the dark side of life in the spotlight and dispels any sentimental illusions about the glories of show business in Hollywood's classic age.' - The New Yorker

It's a Judy Thing Apr 11 2022 Made in the US - High-Quality Guaranteed. Judy Garland Mar 10 2022 A celebration of the actress who stole America's heart, this is the definitive book about the legendary Judy Garland, with reflections by the people who knew her best. In a career that spanned five decades and encompassed stardom in every medium, Judy Garland's professional achievements remain unsurpassed. Now her timeless joy comes alive in JUDY GARLAND: A PORTRAIT IN ART ANECDOTE. Hundreds of rare and previously unpublished photographs,

studio memorabilia, and personal mementos from the family archives, along with scores of anecdotes drawn from interviews with her professional colleagues, friends, family, and Judy herself, showcase her on- and off-stage 'talent to amuse.' Decade by decade, her incomparable accomplishments on stage, film, television, radio, and recordings are lovingly illustrated and remembered by those who knew her best. Often funny, sometimes poignant, but always fascinating, this book singularly conveys the happiness that Garland's own great and buoyantly emotional performances have brought to hundreds of millions of admirers. Anyone who ever enjoyed a Garland song will revel in this glowing, lavishly illustrated tribute.

Judy Moody Saves the World! Mar 30 2021 When Judy Moody gets serious about protecting the environment, her little brother Stink thinks she's overdoing it, but she manages to inspire her third grade class to undertake an award-winning, environment-saving project.

PUNCH & JUDY SPLIT UP or Judy's Paris escapade. Nov 25 2020

I Don't Know What You Know Me From Jul 14 2022 This is Judy Greer's story, from her self-described childhood as "Ugly Judy" in suburban Detroit-ish, Michigan, to trying out for drama school to get even with her frenemy, and then

breaking into movies as the ultimate best friend. Judy is a refreshingly honest, self-deprecating, and totally relatable guide to Hollywood life, speaking candidly about what it's really like to shoot on location, to go to the Oscars, and to feel like you're building a tortoise career in a town full of hares. Beneath the Spanx, Judy is like the best friend you've always wanted. She chills out with her giant, gassy bulldog, Buckley; meets the love of her life on a blind date; happily dives into being a stepparent; and through it all maintains an unshakeable belief in the restorative power of a late-night drugstore run.

[An Incomplete Education](#) Feb 09 2022 From the Publisher: Answering questions about the film industry, this work takes listeners on a tour of English poetry, and gives them a handle on 350 years of opera with incomparable wit, style, clarity, and brevity. Here is all the crucial information on these subjects, distilled to its essence and served up with the consummate flair.

The Mis-Adventures of Judy Sibling Jun 01 2021 Now, Judy Sibling was a downright mess (but a totally survivable one), and with absolute certainty (at times) an altogether delightful mess at that ! On a good day she might just luck out and put on a matching pair of socks, (and in this book we shall also talk extensively about her not so good days----). But Judy Sibling was a genius at some things, such as lawerin' and finding missing persons. As a down-right awesome sleuth, no equal existed to match her positive percentage regardless of how haphazard her efforts would appear to be to

any outside observers. For the complete enjoyment of this exciting story, you need to be informed that Judy Sibling graduated from law school at the rather tender young age of 18, after six years of intensive study at the prestigious Tennvalina University. Judy was by far the youngest (and also the sharpest) student ever to graduate from Tennvalina University and she did so with honors (after being awarded a full scholarship from Realsmart High School), it is fitting to say, the most notable high school in the entire area. Needless to say her family and very many friends were extremely proud of her and all were anxious to see the actual improvements to the world they correctly imagined could happen upon this sharp, attractive little female's exciting entrance into adult-hood----! You are in for many exciting surprises as Judy is constantly getting herself into(and back out of----!) situations you never even dreamed imaginable--! But it had been positively the worst year of Judy Sibling's career. She had desperately tried (but with only a certain degree of success) to defend one of her former high school classmates Henry Strongdorf in a second degree murder trial that simply, absolutely, refused to go their way. The problem was, although Henry had professed to be completely innocent of the matter, the gun allegedly used to commit the murder in question had no doubt been discovered by the state investigators to be under the front seat of poor Henry Strongdorf's pick-up truck, and although Henry's

fingerprints were actually never found on the weapon, the barrel of the of the pistol was covered with dried blood that proved to be of the same type as the blood type of the deceased! Helen Riffraf's mutilated body (or, at least what was left of it) had been found at the bottom of a deep ravine about 15 miles from town. Stray dogs had made a point to chew both her ears off and there was but a hole where one of her eyes used to be. Pieces of half-rotten flesh were all that was left to cover her internal organs, while the length of time that the carcass (for quite obvious reasons) remained in that particular location had contributed such a negative impact on the locally surrounding air quality that it had

become nearly impossible to breath in the area without noticeably gasping for that non-existent breath of fresh air. (I wonder if the city morgue stinks half as bad) ?

Judy's Annual Oct 17 2022

Letters to Judy Dec 07 2021

JUDY: The Dark Side of Paradise Nov 06 2021 During a period of tumultuous change in the 1950's there still existed an underlying attitude of sultry romance and betrayal in the deep south. Meet James and Judy. He is a small town preacher of strong character stemming to bridge the gap between the way things were and how they may ultimately evolve, using morals and spiritual principles as a guide. Her, a woman who craved the change and felt the

fires of inner passions fanned as she experienced the changes. How could their love survive as he struggled to adapt to change and she embraced the new freedom in a way he could never accept. Having grown up in the south during a period in which many only dreamed of the ways things could be while others struggled to keep things the way they were, DJ Hart shares her first published story. A mother of three who experienced these changes first hand.
