afghans, wall hangings and accessories; from knitting techniques and step-by-step instructions for 200 decorative blocks to inspiration and advice for creating a finished piece. More than 100 stained glass projects using all the well-known themes of Art Nouveau: swirling forms, florals, peacocks, and sensuous women. Sourcebook for use or for inspiration. 104 projects on 60 plates. Crochet lovers will embrace *Hooked for Life: Adventures of a Crochet Zealot*, a book that lovingly and humorously explores the craft of crochet and is written by a true crochet zealot. Mary Beth Temple, a well-known author in the crafting world and a self-

admitted crochet junkie, gives an insider's look at what makes real crocheters tick and laugh with a number of humorous essays. Excerpt from the book: "Just the other day I uttered a phrase that stopped traffic in my household, a phrase I never in a million years thought I would utter. I was sorting through yet another box of yarn that appeared as if by magic, trying to lower the square footage of wool that is all over my living room, and in frustration I yelled out "I have too much yarn!" You could hear crickets chirping in the aftermath--my daughter looked at me as if I had three heads, even the dog cocked her head and started to slink slowly

away from the crazy woman. Did I really say I had too much yarn? Was I sick with fever?" A beautiful border adds the perfect finishing touch to your hand-stitched pieces. A knitted scarf, a crocheted baby blanket, even a store-bought tank top --- they're all elevated by the texture and color of crocheted edgings. Complete with detailed instructions for executing the 90-degree corner turns, Edie Eckman's 150 border designs add pop and whimsy to everything they embellish. "An irresistible book of cute crocheted borders...expands the options for adding a little flair to knit, crocheted, and even sewn projects."---Debbie Stoller
