Table of Contents: The Woman in the Case Five Hundred Million Dollars The Lost Stradivarius The Last of the Wire-Tappers The Franklin Syndicate A Study in Finance The

"Duc De Nevers" A Finder of Missing Heirs A Murder Conspiracy A Flight into Texas A Case of Circumstantial Evidence Arthur Cheney Train (1875-1945) was an American lawyer and writer of legal thrillers, particularly known for his novels of courtroom intrigue and the creation of the fictional lawyer Mr. Ephraim Tutt, a wily old lawyer who supported the common man and always had a trick up his sleeve to right the law's injustices. Train wrote a number of novels and short stories inspired by his parallel career as a lawyer in private practice and a New York County District Attorney.

The Experiences of Film Location Tourists Nov 07 2021 This book examines the on-site experiences of film-induced tourists at various film locations, including locations from The Lord of the Rings, Star Wars and The Sound of Music. The study attempts to understand the needs and wants of film location tourists and also examines how to use films for destination marketing.

Shirley Temple, Judy Garland, and Mickey Rooney Jan 22 2023 *Includes pictures. *Includes the child stars' quotes about their own lives and careers. *Includes bibliographies for further reading. Shirley Temple remains the most famous child star of all time, but even this designation fails to reflect the magnitude of her popularity during the era in which she worked. While it is true that she was not the first child actor to reach Hollywood fame, she was the first - and to this day, perhaps the only - star who rose to the very pinnacle of the Hollywood elite before she even turned 10 years old. For this reason, it is no exaggeration to view Shirley as the progenitor for all of the child actors that succeeded her. Moreover, her cultural importance constitutes an even more important barometer through which to measure her overall significance. Not only was Shirley a film star, but she had a monumental impact on a generation of children who grew up during the Great Depression, with her

plucky optimism emotionally uplifting an American public struggling both financially and emotionally. She was not only a young actress but also a brand name, someone who offered fathers and mothers hope for their children to achieve the same success as the famous child star. Yet, for all of Shirley Temple's fame, it is no doubt surprising to many that her actual films received scant critical acclaim. Her films were never mentioned on critical "best of" lists, nor did they regularly appear on the list of nominees for the Academy Awards. In many ways, Judy Garland's rise to fame seems almost predestined. Not only was she a national sensation at a young age, but her parents and sisters were all vaudeville entertainers. On top of that, Garland's parents owned and operated a movie theater, making it all the easier to draw the conclusion that singing and acting were simply professions which she was born into by virtue of her pedigree. Judy's early childhood quickly demonstrated that she had a gifted voice that developed well beyond its years and seemingly did not require any formal training in order to achieve success; her first performance before a public audience came when she was still a toddler, and she would continue to act up until her death, never pausing for more than a few months at a time. That Garland was able to secure starring roles almost immediately after signing a contract with MGM in 1935 only corroborates the belief that Garland was practically born with the ability to succeed in show business and the motion picture industry. Of course, Garland might be known today based more on her demise than anything else, and there's no denying that one of the most fascinating (and tragic) aspects of her life story is the manner in which her downward spiral occurred with the same rapid progression as her meteoric ascent. Garland died in 1969 at the age of 47, but she had lost control over her life years earlier and was actually fortunate to live as long as she did. Alongside Shirley Temple and Judy Garland, with whom he acted in a series of films, Mickey Rooney was one of America's most beloved child stars during the 1930s.

Rooney had already made his mark in *A Family Affair* (1937), but he was the face of the incredibly successful Andy Hardy series, which produced several box office hits and featured Rooney in 13 movies, several alongside Judy Garland, who shot to fame as a teen in *The Wizard of Oz*. At the same time, the fact that the peak of his success came when he was so young has helped obscure the fact that he has acted in 10 different decades. Rooney is one of the only actors still alive who worked in the silent film era, yet he recently appeared in 2012's *Last Will and Embezzlement*. In the process, Rooney has been awarded a Juvenile Academy Award, an Honorary Academy Award, two Golden Globes and an Emmy Award.

Best. Movie. Year. Ever. Jan 27 2021 From a veteran culture writer and modern movie expert, a celebration and analysis of the movies of 1999—“a terrifically fun snapshot of American film culture on the brink of the Millennium...An absolute must for any movie-lover or pop-culture nut” (Gillian Flynn). In 1999, Hollywood as we know it exploded: *Fight Club*. *The Matrix*. *Office Space*. *Election*. *The Blair Witch Project*. *The Sixth Sense*. *Being John Malkovich*. *Star Wars: The Phantom Menace*. *American Beauty*. *The Virgin Suicides*. *Boys Don't Cry*. *The Best Man*. *Three Kings*. *Magnolia*. Those are just some of the landmark titles released in a dizzying movie year, one in which a group of daring filmmakers and performers pushed cinema to new limits—and took audiences along for the

ride. Freed from the restraints of budget, technology, or even taste, they produced a slew of classics that took on every topic imaginable, from sex to violence to the end of the world. The result was a highly unruly, deeply influential set of films that would not only change filmmaking, but also give us our first glimpse of the coming twenty-first century. It was a watershed moment that also produced *The Sopranos*; Apple's AirPort; Wi-Fi; and Netflix's unlimited DVD rentals. "A spirited celebration of the year's movies" (Kirkus Reviews), *Best. Movie. Year. Ever.* is the story of not just how these movies were made, but how they re-made our own vision of the world. It features more than 130 new and exclusive interviews with such directors and actors as Reese Witherspoon, Edward Norton, Steven Soderbergh, Sofia Coppola, David Fincher, Nia Long, Matthew Broderick, Taye Diggs, M. Night Shyamalan, David O. Russell, James Van Der Beek, Kirsten Dunst, the Blair Witch kids, the Office Space dudes, the guy who played Jar-Jar Binks, and dozens more. It's "the complete portrait of what it was like to spend a year inside a movie theater at the best possible moment in time" (Chuck Klosterman).

The Godfather Notebook Jun 02 2021 THE PUBLISHING SENSATION OF THE YEAR FOR EVERY FILM FAN The never-before-published edition of Francis Ford Coppola's notes and annotations on *The Godfather* novel by Mario Puzo reveals the story behind one of the world's most iconic films. The most important unpublished work on one of the greatest films of all time, *The Godfather*, written before filming, by the man who wrote and directed it—Francis Ford Coppola, then only thirty-two years old—reveals the intense creative process that went into making this seminal film. With his meticulous notes and impressions of Mario Puzo's novel, the notebook was referred to by Coppola daily on set while he directed the movie. *The Godfather Notebook* pulls back the curtain on the

legendary filmmaker and the film that launched his illustrious career. Complete with an introduction by Francis Ford Coppola and exclusive photographs from on and off the set, this is a unique, beautiful, and faithful reproduction of Coppola's original notebook. This publication will change the way the world views the iconic film—and the process of filmmaking at large. A must-have book of the season. Nothing like it has ever been published before

Classic Hollywood Nov 19 2022 Studies of "Classic Hollywood" typically treat Hollywood films released from 1930 to 1960 as a single interpretive mass. Veronica Pravadelli complicates this idea. Focusing on dominant tendencies in box office hits and Oscar-recognized classics, she breaks down the so-called classic period into six distinct phases that follow Hollywood's amazingly diverse offerings from the emancipated females of the "Transition Era" and the traditional men and women of the conservative 1930s that replaced it to the fantastical Fifties movie musicals that arose after anti-classic genres like film noir and women's films. Pravadelli sets her analysis apart by paying particular attention to the gendered desires and identities exemplified in the films. Availing herself of the significant advances in film theory and modernity studies that have taken place since similar surveys first saw publication, she views Hollywood through strategies as varied as close textural analysis, feminism, psychoanalysis, film style and study of cinematic imagery, revealing the inconsistencies and antithetical traits lurking beneath Classic Hollywood's supposed transparency.

Movies for the Masses Jun 26 2023 This book is a pathbreaking study of the 'unknown' Soviet cinema: the popular movies which were central to Soviet film production in the 1920s. Professor Youngblood discusses acting genres, the cinema stars, audiences, and the influences of foreign films

and examines three leading filmmakers - Iakov Protazanov, Boris Barnet, and Fridikh Ermler. She also looks at the governmental and industrial circumstances underlying filmmaking practices of the era, and provides an invaluable survey of the contemporary debates concerning official policy on entertainment cinema. Professor Youngblood demonstrates that the film culture of the 1920s was predominantly and aggressively 'bourgeois' and enjoyed patronage that cut across class lines and political allegiance. Thus, she argues, the extent to which Western and pre-revolutionary influences, bourgeois directors and middle-class tastes dominated the film world is as important as the tradition of revolutionary utopianism in understanding the transformation of Soviet culture in the Stalin revolution.

Box Office Butcher Feb 08 2022 Screamer flicks can be fun, but someone in California is taking the latest slasher hit just a bit too seriously. Someone is taking people out just like in the movie, and from the way it appears the killer has an agenda that no one understands. The killer starts offing victims by emulating the murders, authorities initially think the culprit is just some kid who loves horror. But they soon discover they are looking in the wrong direction. Not only are the murders eerily similar to those which took place in the film, they are nearly identical. This is a very slippery

madman indeed. The murders begin occurring at random, unpredictable places, throwing police for a loop and making them run to stop things. Because of the copycat murderer this movie is fast becoming one of the biggest horror films of all time, and it's all because of the killer.

The Movie Business Book Jul 24 2020 Tapping experts in an industry experiencing major disruptions, *The Movie Business Book* is the authoritative, comprehensive sourcebook, covering online micro-budget movies to theatrical tentpoles. This book pulls back the veil of secrecy on producing, marketing, and distributing films, including business models, dealmaking, release windows, revenue streams, studio accounting, DIY online self-distribution and more. First-hand insider accounts serve as primary references involving negotiations, management decisions, workflow, intuition and instinct. *The Movie Business Book* is an essential guide for those launching or advancing careers in the global media marketplace.

The New York Times Guide to the Best 1,000 Movies Ever Made Mar 24 2023 From the film critics of *The New York Times* come these uncut, original reviews of the most popular and influential movies ever made -- from the Talkies to blockbuster megahits like *Chicago* and *The Wizard of Oz*; from timeless classics like *Casablanca* and *Notorious*, to beloved foreign films by Truffaut and Kurosawa, Fellini and Almodovar. The reviews, eloquent, incisive, and intuitive, reflect Hollywood history at its best -- must-have reading for movie lovers or Students. In addition, this essential volume includes: * Full cast and production credits for every movie * The "10 Best" lists for every year from 1931 to the present * An index of films by genre, and an index of foreign films by country of origin. This edition is thoroughly updated to include all the important movies of the past several years, as well as a new introduction by *A Times* film critic, A. O. Scott.

Kids Rule! (2nd Edition) Sep 29 2023 Titles: * *Across the Stars* (from *Star Wars: Episode II*) *

Anakin's Theme (from Star Wars: Episode I) * Fawkes the Phoenix (from Harry Potter and the Chamber of Secrets) * Gollum's Song (from The Lord of the Rings: The Two Towers) * High Hopes (from A Hole in the Head) * We're Off to See the Wizard (from The Wizard of Oz) * The Pink Panther * The Prayer (from Quest for Camelot) * Razzle Dazzle (from Chicago) * Scooby-Doo, Where Are You? and more. The theme from Inspector Gadget was selected for the Royal Conservatory of Music Pop Syllabus.

Bringing Criminal Debt Into Balance Aug 24 2020

Forgotten British Film Mar 12 2022 Some films are remembered long after they are released; others are soon forgotten, but do they deserve oblivion? Are factors other than quality involved? This book exhumes some of the films released in Britain over the last seventy years from Daybreak (1948) to 16 Years of Alcohol (2003), and considers the reasons for their neglect. As well as exploring the contributions of those involved in making the films, the book examines such issues as marketing and the response of critics and audiences. Films are grouped loosely into categories such as "B" films and television films. Some works were little seen when they were first released and have stayed that way; others were popular in their day, but have slipped into obscurity. In some cases, social change has overtaken them, making the attitudes or subjects they depict seem dated. Even being released as a DVD does not guarantee that a title will be rehabilitated. In addition, how significant is the

American market? This book should appeal to lovers of British film, as well as to film studies students and everybody curious about the vagaries of success and failure in the arts.

Hollywood, the Dream Factory Oct 19 2022 Study of the motion picture industry.

Conquering the Box Office: Factors Influencing Success of International Movies in Russia Feb 20 2023 This paper empirically examines factors influencing box office success of international movies in Russia between 2012 and 2016. It adds to existing research on national movie markets, by highlighting the relevance of differences in culture, institutions, language, and consumption habits for movie success. Three groups of success factors are distinguished: distribution related (e.g. budget, franchise), brand and star effects (e.g. top actors or directors), and evaluation sources (e.g. critics and audience rating). We add novel region-specific variables like seasonality, time span between the world and local release, attendance of international stars at Russian movie premieres, and title adaptation to Russian culture. The results indicate that budget, franchise, employment of popular actors and directors, electronic word of mouth and audience ratings exert a significantly positive influence on Russian box office success. However, we find significantly negative effects for international critics and, interestingly, the adaption of movie titles. The main contributions of our study are (i) success factors vary between countries with different cultures, (ii) region-specific factors matter, and consequently (iii) results from one market (e.g. the US) cannot easily be generalised.

17 2022 This technical report describes the methods of securing, processing and storing submarine sediment data at the U.S. Naval Oceanographic Office. Data sources are listed and world wide distribution by one-degree quadrangles is shown. (Author).

Japanese-Americans in U.S. Films Jul 04 2021 The Office of War Information's influence on the portrayal of Japanese-Americans in motion pictures provides an unusual opportunity for a case study of the implementation of a motion picture propaganda policy. OWI 's motion picture program included the production and theatrical distribution of government films and the review before release of feature films produced by the Hollywood studios. The OWI policy on Japanese-Americans is examined to show how it called for three conflicting views. In government films, implementation of the policy became a problem of film technique for government filmmakers. In Hollywood films, the policy was implemented by a special OWI Hollywood Office. The change in that Office's attitude toward the portrayal of Japanese-Americans over the course of the war is detailed through an examination of its film reviews and correspondence. They suggest the emergence of bureaucratic attitudes to deal with the difficult social issues involved.

Predicting Movie Success at the Box Office May 26 2023 This book explores the different factors that can influence a new movie's prospects at the box office. Looking at factors such as the production budget, distribution model, genre, stars and audience reactions of films, Gunter asks how such aspects may reduce the uncertainties of success so common in the movie industry. The reader is taken on a journey through filmmaking factors that, research suggests, impact box office performance. While box office revenues represent only part of a movie's earning potential, Gunter highlights how theatrical performances remain central to what the movie business is about. The chapters illustrate how ticket sales are largely influenced by the production budget but also cultural differences and new movie platforms.

Writing Movies for Fun and Profit Jul 28 2023 "A hilarious and helpful insider's guide to launching a successful writing career in Hollywood. . . . The only compass readers will ever need to navigate the treacherous waters of filmmaking"--("Kirkus Reviews," starred review).

The Hollywood Reporter Book of Box Office Hits Oct 31 2023 A complete guide to Hollywood's top blockbuster films, from 1939 through 1995, details the five most successful movies of each year

Road to Box Office - The Seven Film Comedies of Bing Crosby, Bob Hope and Dorothy Lamour, 1940-1962 (Hardback) Apr 24 2023 This is the HARDBACK version. Starting with *Road to Singapore* in 1940, Paramount Pictures teamed Bing Crosby, Bob Hope, and Dorothy Lamour to

star in one of the most successful series of movies ever made. All seven "road" films followed the same basic format: adventurers Hope and Crosby would be caught in a seemingly impossible situation, they would defeat the bad guys, and then vie with one another for Lamour's attention. A few ballads, duets, and comedy numbers were added for musical flavor and it all worked to perfection. This book is a fond look back on three screen stars, all with successful careers of their own, who traveled seven "roads" together and left audiences with miles of movie memories.
