*The History of the United States Civil Service Oct 27 2023*

*The History of the United States Civil Service: From the Postwar Years to the Twenty-First Century provides a broad, comprehensive overview of the US civil service in the postwar period and examines the reforms and changes throughout that time. The author situates the history of the civil service into a wider context, considering political, social and cultural changes that occurred and have been influential in the history of American government. The book analyzes the development of administrative reorganizations, administrative reforms, personnel policy and political thought on public administration. It also underlines continuity and changes in the structures, organization, and personnel management of the federal civil service, and the evolution of the role of presidential control over federal bureaucracy. Taking an essential, but often neglected organization as its focus, the text offers a*

*rich, historical analysis of an important institution in American politics. This book will be of interest to teachers and students of American political history and the history of government, as well as more specifically, the Presidency, Public Administration, and Administrative Law.*
