Frontières et passages Dec 04 2020 Ouvrage collectif réunissant des travaux de recherche en littérature comparée. Le livre aborde successivement quatre domaines (la traduction, la réception, la réécriture, la transposition) permettant d'évaluer les enjeux esthétiques, idéologiques et culturels du passage de divers types de « frontières » par l'œuvre littéraire.

Of Minstrelsy and Masks Feb 15 2022 This collection is dedicated to a distinguished scholar and writer who for a quarter of a century wrote consistently on African literature and the arts and was a major voice in Nigerian literary circles. Ezenwa-Ohaeto made a mark in contemporary Nigerian poetry by committing

pidgin to written form and, by so doing, introducing different creative patterns. He also saw himself as a 'minstrel', as someone who wanted to read, express and enact his work before an audience. First and foremost, however, Ezenwa-Ohaeto was someone who 'unmasked' ideas and meanings hidden in the folds of literary works and made them available to an international academic public. With his outstanding work on Chinua Achebe, he influenced the reception of African literary biography. His networks and connections were extensive and wide-ranging, and they are partly reflected in the essays, creative writing and personal notes assembled in this volume. In their

various modes and expressions, the contributions included here constitute a tribute to Ezenwa-Ohaeto's many talents and achievements. As an extension of Ezenwa-Ohaeto's legacy, they expand on various aspects of minstrelsy and the un/masking of texts in a Nigerian and broader African context. The book is divided into six sections. "In Memoriam" contains personal tributes by long-standing colleagues, mentors and friends. "Poetry and Fiction" collects the voices of three generations of Nigerian writing from the 1960s to the present day, followed by poetic and pictorial insights into the domestic and social life of the scholar and family man. Section Four comprises two interviews, while Sections Five and Six are devoted to critical evaluations of Ezenwa-Ohaeto's work and to contemporary perspectives on Nigerian literature respectively.

[A Companion to the Works of Grimmelshausen](#)

Oct 26 2022 Hans Jacob Christoffel von Grimmelshausen (ca. 1621-1676) is the most significant (and still readable) author of seventeenth-century German novels. His *Abenteuerlicher Simplicius Simplicissimus* remains the one German novel of its time that has attained the stature of "world literature": its unique mix of violent action and solitary reflection, its superlative humor, its realistic portrayal of a peasant turned soldier turned hermit has made it the longest-running bestseller in German literature. Read by students and scholars in comparative literature, history, and German, and by those interested in the development of the picaresque novel in Europe, the work and its "Continuations" have increasingly occupied scholars around the world, who have in recent years shown it to be a work

of subtle structure and characterization, bearing the imprint of the most advanced political thinking of the time, and showing the influences of some of the most significant works of world literature, including Cervantes' Don Quixote and Barclay's Argenis. This volume of essays by leading Grimmelshausen scholars from Germany, the United States, and England provides analyses of significant topics in his life and works, including questions of genre, structure, satire, allegory, narratology, political thought, religion, morality, humor, realism, and mortality. Contributors: Christoph E. Schweitzer, Italo Michele Battafarano, Klaus Haberkamm, Rosmarie Zeller, Andreas Solbach, Dieter Breuer, Lynne Tatlock, Peter Hess, Shannon Keenan Greene, and Alan Menhennet. Karl F. Otto is Professor of German at the University of Pennsylvania and has written extensively on German Baroque literature.

The Adventures of Simplicius Simplicissimus Nov 07 2023 'Gaudy, wild, raw, amusing, rollicking and ragged, boiling with life, on intimate terms with death and evil - but in the end, contrite and fully tired of a world wasting itself in blood, pillage and lust' Thomas Mann A story of war in all its absurdity and horror, this incomparable novel describes the fortunes of a young boy travelling through a world ravaged by conflict, and the terrible things he witnesses. Written by someone who fought in the Thirty Years War which decimated Europe in the seventeenth century, it combines brutal, documentary realism with fantastical, knockabout humour to depict a universe turned

upside down. This pioneering work of fiction is considered to be the first great German novel. Translated by J. A. Underwood with an Introduction by Kevin Cramer

Raum und Zeit des Vaganten Mar 07 2021

Aus vier in sich abgeschlossenen Werkinterpretationen - zu Albertinus' Landtstörtzer Gusman (1615), Dürers Lauf der Welt Und Spiel des Glücks (1668), Grimmelshausens Simplicissimus Teutsch (1669) und Beers Corylo (1679) - ergibt sich in Umrissen eine Geschichte des Schelmenromans und zugleich eine Sozialgeschichte der Modernisierung von Raum und Zeit im 17. Jahrhundert.

Finding Europe Sep 24 2022 In the last decade or so, many books have been devoted to the history of Europe. Two conceptual axes predominate in a large number of these accounts: a discourse focusing on Europe's values, and another discourse, fashioned largely in opposition to the first, which emphasizes the

process of European "construction." The first conceives of Europe's past teleologically, as a process by which certain values (Christian ethics, individualism, capitalism, tolerance, republicanism, due process, etc.) were affirmed and came to define European culture. The second approach rejects the discourse on values emphasizes the post-Enlightenment emergence of the concept of Europe, and the political and ideological implications in its continuous redefinitions (and re-elaborations) during the past two or more centuries. This volume offers new approaches that integrate the long temporal dimension of the values-based approach, albeit devoid of its teleological element, with the "constructivist" interpretation.

Les Aventures de Simplicissimus de Hans Jakob Christoffel von Grimmelshausen Oct 06 2023 Bienvenue dans la collection Les Fiches de lecture d'Universalis Œuvre majeure de l'âge baroque, Les Aventures de Simplicissimus faillirent rester orphelines. Parues en 1668 sous un pseudonyme, elles ne furent l'objet d'une recherche en paternité qu'à la fin de la première moitié du XIXe siècle. Une fiche de lecture spécialement conçue pour le numérique, pour tout savoir sur Les Aventures de Simplicissimus de Hans Jakob Christoffel von Grimmelshausen Chaque fiche de lecture présente une œuvre clé de la littérature ou de la pensée. Cette présentation est couplée avec un article de synthèse sur l'auteur de l'œuvre. A propos de l'Encyclopaedia Universalis : Reconnue

mondialement pour la qualité et la fiabilité incomparable de ses publications, Encyclopaedia Universalis met la connaissance à la portée de tous. Écrite par plus de 7 400 auteurs spécialistes et riche de près de 30 000 médias (vidéos, photos, cartes, dessins...), l'Encyclopaedia Universalis est la plus fiable collection de référence disponible en français. Elle aborde tous les domaines du savoir.

German Literature: Author and title listing Aug 31 2020

Les Aventures de Simplicissimus Jul 23 2022 Simplicissimus, dont la première édition date de 1669, occupe dans la littérature et l'image de l'identité allemande la même place que le don Quichotte en Espagne, le théâtre de Shakespeare en Angleterre, la Divine Comédie en Italie : celle du premier texte majeur où une " nation " naissante se reconnaît. Le livre conte les aventures d'un jeune Allemand qui, ayant échappé au massacre de sa famille par la soldatesque, grandit dans la forêt sous la

surveillance d'un ermite avant d'être lâché dans le monde, où il connaîtra des fortunes diverses : torturé un jour, obligé de se déguiser en bouffon, en femme, en palefrenier, encensé le lendemain comme valeureux chef de guerre, tour à tour charlatan, bandit de grands chemins, fermier, bon époux, séducteur, chanteur de charme, il visite Paris, Moscou, La Corée, Macao, la Turquie, avant de se faire ermite dans une île de l'Atlantique... Témoignage bouleversant sur la guerre de Trente ans qui décime la moitié de la population, ruine pour longtemps l'économie et engendre une littérature du désespoir et de refus du monde, et sur un pays dont le destin est depuis deux mille ans le déchirement et la division, *Simplicissimus*, roman de l'utopie et du mysticisme, baroque et picaresque, est l'une des grandes œuvres de la littérature universelle : hybride, obscure et pourtant savamment calculée, foisonnante de richesses excessives, de "tableaux de guerre" réalistes à la Jacques Callot comme

d'illuminations intérieures - une œuvre aux antipodes du classicisme versaillais contemporain que la France se devait de connaître enfin intégralement.

[The Reception of the Picaresque in the French, English, and German Traditions](#) Nov 14 2021

"The reception of the Picaresque in the French, English, and German Traditions" is a metacritical study of the picaresque as it has been perceived in three major Western critical traditions. The study opens with a critical analysis of the origins of the picaresque novel as a genre in the "Siglo de Oro" in Spain. Three following sections detail the historical development of "Gattungskonzepte" of the picaresque in three major European traditions. Literary critics, trained in different traditions, will gain an appreciation for works from neighboring cultures.

ENGLISH LITERATURE ADVANCING THROUGH HISTORY 4 - The Eighteenth Century Jun 29 2020 It appears that literary work possesses eternal temporal validity due to its autonomous aesthetic value, whereas criticism provides points of view having temporary and transitory significance. Despite such claims, the vector of methodology in our series of books, dealing with the history of English literature, relies on Viktor Shklovsky, T. S. Eliot, Mikhail Bakhtin, and especially Yuri Tynyanov, whose main reasoning would be that literature is a system of dominant, central and peripheral, marginalized elements - to us, "tradition" (centre) versus "innovation" (margin) engaged in a "battle" for supremacy, demarginalization, and the right to form a new literary system - and the development or historical advancement of literature is the substitution of systems. Roman Jakobson and French structuralism, on the whole, later Linda

Hutcheon, with her “system” and “constant”, and Bran Nicol with the “dominant”, to say nothing about Itamar Even-Zohar and his theory of polysystem, to a certain extent Julia Kristeva, and even Homi Bhabha – as well as our humble contribution, we would like to believe – maintain Tynyanov’s line of thinking and concepts alive, which have developed and emerged nowadays more like a kind of “neo-formalism”. Focusing on literary practice, applying critical theory and emerging from within our own teaching experience, the books in the present series are theoretical and surveyistic, like a monograph, whereas their more practical and text-oriented aspect should appeal as a student handbook for didactic purposes, in which certain literary works belonging to various writers of different trends, movements, and periods are analysed and compared with regard to their source, form, thematic arrangements, ideas, motifs, character representation strategies, intertextual perspectives, structural or narrative techniques,

and other aspects.

Les villageois face à la guerre, XIVE-XVIIIe siècle Jan 29 2023 Destructrice, meurtrière, la guerre peut aussi contribuer à structurer le village qui s'ouvre au monde et s'organise. Les villageois jouent un rôle complexe, sinon ambigu, dans des conflits qui ne sont, la plupart du temps, pas les leurs. Contributions diverses sur ces questions qui démontrent l'ambivalence fondamentale de la guerre : destructrice, mais aussi accoucheuse de libertés nouvelles.

L'empreinte culturelle de la Bible May 09 2021 La Bible est-elle encore à l'arrière-plan de notre littérature ? Grande dispensatrice de sens, parapet de papier dressé entre nous et les précipices de l'absurde, la Bible demeure

l'insurpassable roman des origines avec ses myriades de personnages, figures, événements et symboles. Mais toute cette mythologie sacrée participe-t-elle encore de ce qui peut venir enrichir, aujourd'hui, le trésor de la tribu ? La Bible est-elle encore à l'arrière-plan de notre littérature ? Les Aventures de Simplicius Simplicissimus Feb 03 2021

Thomas Theodor Heine Nov 26 2022 Thomas Theodor Heine (1867-1948) is recognized as one of Germany's most talented illustrators. His

work on the magazines "Fliegende Blätter" and "Simplicissimus" is regarded as a perceptive and entertaining comment on the social and political issues which were to form the modern world.

Less known are his paintings and writings, which provide an equally perceptive comment on the art world. This study explores Heine's early work as it relates to the exciting artistic atmosphere of fin-de-siècle Munich. A complex intellectual, Heine often used his art for satirical comment. The key to this enigmatic satire is occasionally revealed to us through his autobiographical writings which are equally complex. Particularly insightful is his novel "Ich warte auf Wunder (I Wait for Miracles)," which the artist wrote while in exile from the Nazi regime in 1941. Throughout this entertaining adventure, a parody of Heine's life emerges through amusing anecdotes. In fact, it is through Heine's literary work that the intent of many previously puzzling paintings and illustrations is revealed to us. This investigation uncovers an

artist who was aware of, and fully participated in, Naturalism, Symbolism, and Jugendstil. Often, Heine was at the very forefront of these movements, helping to introduce them to a city struggling to maintain its exuberant artistic environment. Through Heine's genius we are not only introduced to a talented painter and illustrator but also to the radiant art world of Munich at the turn of the century."
