This volume presents the results of the Italian archaeological mission at Kom al-Ahmer and Kom Wasit, Beheira, Egypt between 2012 and 2016. It provides details of the survey and excavation results of the different occupation phases, which range from the Late Dynastic to the Early Islamic period. 2019 witnessed the 30th anniversary of the German reunification. But the remembrance of the fall of the Berlin Wall coincided with another event of global importance that caught much less attention: the 250th anniversary of Napoleon Bonaparte's birth. There is an undeniable historical and philosophical dimension to this coincidence. Napoleon's appearance on the scene of world history seems to embody European universalism (soon thereafter in the form of a 'modern' imperial project); whilst scholars such as Francis Fukuyama saw in the events of 1989 its historical fulfilment. Today, we see more clearly that the fall of the Berlin Wall stands for an epistemic earthquake, which generated a world that can no longer be grasped through universal concepts. Here, we deal with the idea of Europe and of its relation to the world itself. Picking up on this contingency of world history with an ironic wink, the volume analyses in retrospect the epoch of European universalism. It focusses on its dialectics, polemically addressing and remembering both 1769 and 1989. L'année 2019 a été marquée par le 30e anniversaire de la réunification de l'Allemagne, éclipant un autre événement d'envergure mondiale : le 250e anniversaire de Napoléon Bonaparte. La dimension philosophico-historique de cette coïncidence ne peut pourtant pas être négligée : si l'arrivée de Bonaparte sur la scène de l'histoire mondiale semble incarner l'avènement de l'universalisme européen (bientôt amené à prendre sa forme « moderne » et impériale), certains penseurs ont suggéré, avec Francis Fukuyama, que « 1989 » marquait son accomplissement historique. Aujourd'hui, il apparaît au contraire que la chute du mur de Berlin a été un véritable tremblement de terre épistémique, et rendu inopérants les concepts universels. Dans le monde d'après, c'est à l'idée d'Europe et à sa relation au monde que nous avons affaire. Revenant par un geste ironique sur cette contingence historique, le présent volume se veut une analyse rétrospective de l'époque de l'universalisme, dans toute la dialectique que les commémorations de 1769/1989 ont fait surgir. The Academy is an institution for the study & teaching of public & private international law & related subjects. Its purpose is to encourage a thorough & impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical & practical aspects of the subject, including legislation & case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law. This volume provides an alphabetical index in English & French to the courses contained in Volumes 152 to 178 of the Collected Courses. Among the hundred or so tombs of post-Alexander date excavated by Roman Ghirshman between 1947 and 1952 on the mound of the "Ville des Artisans" at Susa, six are remarkable for their construction and burial contents. Shortly before his death in 1979, Ghirshman, director of the French "Mission de Suse" from 1946 until 1968, had started to write up his final report. Based on his notes, the authors have engaged to publish these tombs, together with the original plans, drawings and photographs of the burial goods. The grave contents consisted mainly of pottery, but also included glass vessels, figurines, metal objects and other small finds. The study of the material from these large vaulted subterranean structures indicates that they were most likely intended as family tombs, thus remaining in use for several decades and should be dated in the first or second century AD. Similar tombs are known at other sites in the region of Susa, and even in Mesopotamia, e.g. at Seleucia on the Tigris. A synthesis of the evolution in tomb architecture and typology, as well as the burial practices, for the whole site of Susa between the Seleucid and early Sasanian periods (third century BC to third century AD), is also presented, based on the short reports and unpublished excavation notes of Ghirshman, in addition to unpublished reports by his predecessors at the site. *Printbegrænsninger: Der kan printes 10 sider ad gangen og max. 40 sider pr. session* This volume, consisting of two parts, gathers papers in honour of Pierre Amiet. Part 1 analyses the body as a biological entity as well as a social, sexual and cultural identity (persona). Part 2 includes articles closely related to the specialisms of Amiet: glyptics, state formation, and the organisation of craftsmen and statuary. It is largely thanks to Zvi Yavetz that the Roman plebs has become *Salonfähig*. In numerous important studies Yavetz has focused his and our attention on the problem of the relationship between the ruler and the masses of the ruled. Thus, it seemed natural to choose various aspects of this relationship as the topic of a volume in his honour. The articles here contributed by thirteen eminent friends and colleagues deal with historical and theoretical questions of the relationship between the one and the many, covering a period from the second century B.C., through the times of the Late Republic and the Principate, to Late Antiquity and, finally, to an intriguing view at modern totalitarianism as perceived from an Enlightenment perspective." Alors que la notion même de littérature suppose un travail d'écriture et pose le problème du statut de l'écrivain, on s'interroge rarement sur les structures mentales que requiert l'acte d'écrire, sur l'écrit comme instrument de communication, voire d'action, sur les ressources de l'écrit. Ces questions sont d'une importance toute particulière pour Rome et dans le moment charnière constitué par la fin de la République. Comment Rome est-elle passée d'une société largement orale au début de la République à une société où l'on a eu, comme le dit Horace, la fureur d'écrire? Pourquoi certains auteurs ont-ils voulu conserver certaines de leurs œuvres par écrit? Comment les Romains ont-ils abandonné un certain dédain à l'égard de l'écrivain pour admettre une véritable gloire littéraire et permettre à l'auteur de se hisser presque au même rang que le magistrat et le chef d'armée? Partant du choc culturel qu'a représenté l'ambassade de Carneade en 155 et se poursuivant jusqu'à la fin de l'époque ciceronienne, cet ouvrage brosse le tableau des évolutions qu'ont connues durant cette période les statuts successifs ou concomitants de l'écrivain et de l'écrit, la hiérarchisation des œuvres et des genres, la nature du lectorat qu'il faut voir comme un co-auteur ou co-acteur de l'œuvre. L'étude proposée montre en particulier combien les événements historiques, les mutations sociétales, l'évolution des mentalités ont modifié le rapport à l'écriture et à l'écrit des auteurs et des lecteurs, la manière de concevoir des discours, des ouvrages historiques, des traités, des poèmes et des pièces de théâtre. Pour cette enquête, les œuvres perdues et les œuvres conservées ont été traitées, autant que faire se peut, à égalité, les analyses littéraires ont été conjuguées à des analyses sociologiques et historico-politiques qui intéresseront, au-delà des spécialistes de littérature antique, de philologie, d'histoire romaine, un public large d'étudiants de Lettres et d'Histoire ancienne. Il convient de lire cet ouvrage non comme une histoire de la littérature latine qui viendrait s'ajouter à tant d'autres, mais comme une histoire des écrivains qui ont fait, dans les deux derniers siècles de la République, la littérature écrite et ont été les acteurs d'une véritable révolution

culturelle. The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. When somebody should go to the books stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we give the ebook compilations in this website. It will no question ease you to look guide **Les Celtes Depuis L Epoque De La Tene Et La Civil** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you want to download and install the Les Celtes Depuis L Epoque De La Tene Et La Civil, it is entirely simple then, since currently we extend the associate to purchase and create bargains to download and install Les Celtes Depuis L Epoque De La Tene Et La Civil thus simple!

Recognizing the habit ways to acquire this books **Les Celtes Depuis L Epoque De La Tene Et La Civil** is additionally useful. You have remained in right site to start getting this info. acquire the Les Celtes Depuis L Epoque De La Tene Et La Civil link that we present here and check out the link.

You could buy guide Les Celtes Depuis L Epoque De La Tene Et La Civil or acquire it as soon as feasible. You could quickly download this Les Celtes Depuis L Epoque De La Tene Et La Civil after getting deal. So, behind you require the books swiftly, you can straight get it. Its hence totally easy and thus fats, isnt it? You have to favor to in this vent

This is likewise one of the factors by obtaining the soft documents of this **Les Celtes Depuis L Epoque De La Tene Et La Civil** by online. You might not require more era to spend to go to the books opening as with ease as search for them. In some cases, you likewise reach not discover the notice Les Celtes Depuis L Epoque De La Tene Et La Civil that you are looking for. It will agreed squander the time.

However below, as soon as you visit this web page, it will be as a result extremely simple to acquire as well as download guide Les Celtes Depuis L Epoque De La Tene Et La Civil

It will not take many grow old as we accustom before. You can complete it even though measure something else at house and even in your workplace. hence easy! So, are you question? Just exercise just what we give under as without difficulty as review **Les Celtes Depuis L Epoque De La Tene Et La Civil** what you gone to read!

Eventually, you will certainly discover a supplementary experience and expertise by spending more cash. still when? pull off you say yes that you require to acquire those all needs as soon as having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more vis--vis the globe, experience, some places, afterward history, amusement, and a lot more?

It is your enormously own era to put on an act reviewing habit. along with guides you could enjoy now is **Les Celtes Depuis L Epoque De La Tene Et La Civil** below.
