International Journal of Educational Management and Development Studies 2020  
International Journal of Educational Management and Development Studies (IJEMDS) is an open access refereed journal focused on educational leadership, educational management, teaching and learning across all disciplines and levels, internationalization education, transnational education and societal issues on educational development. The field of education has been continuously evolving as influenced by its nature and the societal factors. As the journal celebrates the very dynamic and complex nature of education, it provides educators and researchers a platform for their research findings. This allows researchers to apply multiple designs to describe, analyze and evaluate the history, current issues and the future direction of education in regional and international contexts.

Asian Forms of the Nation' Jan 08 2022 The general tendency among theorists in nationalism and national identity has been to assume that the modernization process in Asia and Africa is a kind of distorted reflection of a Western precedent; Asian forms of nation have rarely been seen as independent, alternative models. Among today's leading theoreticians, there is a growing tendency to take Asia seriously, and to include Asian examples in the general discussion. The aim of the present collection is to build on and reinforce this tendency. It does not postulate any specifically Asian form of the nation opposed to a Western one. Rather, it seeks to demonstrate that in Asia, as well as in Europe, each nation forms a unique amalgam which can be compared fruitfully with others. History, culture and geography have posed various kinds of limits to what can be imagined (as Benedict Anderson puts it). The relationship between geographical space and national construction is explored in depth here.

Isang Pelikula' Aug 15 2022 Halintulad ng kuwento ng buhay ng naging kaibigang masahista sa baywalk, nakipagsapalarang mamuhay mag-isa ni Jaret sa pag-aasam na matakasan ang lagim ng mga bangungot at hilera ng mga trahedyang gumugupo sa kanyang pagkasino. Sa daigdig na ito ng mga gising na malayo sa mahiwagang babaeng wagas niyang sinisinta, maliligaw sa landas niya o siya sa kanila silang mga nilalang na makatutulong sa kanyang makabuo ng kuwento - isang contortionist sex freak, mga bi at lagalag, filmmaker na mahilig sa mga pahiwatig, at silang bigla na lamang nililindol, namamatay at tumatagos sa pader. Samantalang sa mundo ng mga nananaginip, isang binatang makata ang sumusulat ng isang journal ng mga bangungot habang nasa bingit na bangin. At kasabay ng sandaling maisilang ang isang butas na kuwentong magpapalutang lutang sa kawalan na magbubunga ng paghahalo ng kung ano ang totoo sa guniguni at gising sa himbing ay ang pagkaunawang silang pinangyaring magbuklod kailanma'y hindi na mapaghihiwalay.
