Blood Stone Sep 24 2020 All hell breaks loose when Detective Storm van der Merwe's mom is pushed under a train at Paddington Station. Storm must rush to London, even though she's in the middle of a murder investigation: leading South African fashion designer Beebee Bukelwa Babu was found dead in a luxury Hermanus hotel. Drumming up a team to investigate Beebee's death is proving difficult in a town crippled by protest action and in the grip of a menacing charismatic prophet firing up crowds to hysteria. Storm soon realises that her mom was a deliberate target. And she is one too. Meanwhile Storm's former colleague, the bumbling Andreas Moerdyk, now a PI, is doing his best to locate a missing and very valuable red diamond. From the

murky streets of London to the diamond bourse in Antwerp, from secluded Port Nolloth to Storm's beloved Hermanus, Irna van Zyl's third crime novel unfolds at a heart-stopping pace.

Fiela's Child Jan 29 2021 Set in nineteenth-century rural Africa, Fiela's Child tells the gripping story of Fiela Komoetie and a white, three-year old child, Benjamin, whom she finds crying on her doorstep. For nine years Fiela raises Benjamin as one of her own children. But when census takers discover Benjamin, they send him to an illiterate white family of woodcutters who claim him as their son. What follows is Benjamin's search for his identity and the fundamental changes affecting the white and black families who claim him. "Everything a

novel can be: convincing, thought-provoking, upsetting, unforgettable, and timeless."—Grace Ingoldby, *New Statesman* "Fiela's Child is a parade that broadens and humanizes our understanding of the conflicts still affecting South Africa today."—Francis Levy, *New York Times Book Review* "A powerful creation of time and place with dark threads of destiny and oppression and its roots in the almost Biblical soil of a storyteller's art."—Christopher Wordsworth, *The Guardian* "The characters in the novel live and breathe; and the landscape is so brightly painted that the trees, birds, elephants, and rivers of old South Africa are characters themselves. A book not to miss."—Kirkus Reviews
