Belladonna Sep 19 2022 'A deliciously deadly Gothic romance' Stephanie Garber THE NEW YORK TIMES BESTSELLER! For as long as Signa Farrow has been alive, the people in her life have fallen like stars . . . Orphaned as a baby, nineteen-year-old Signa has been raised by a string of guardians, each more interested

in her wealth than her wellbeing - and each has met an untimely end. Her remaining relatives are the elusive Hawthornes, an eccentric family living at Thorn Grove, an estate both glittering and gloomy. Its patriarch mourns his late wife through wild parties, while his son grapples for control of the family's waning reputation and his daughter suffers from a mysterious illness. But when their mother's restless spirit appears claiming she was poisoned, Signa realizes that the family she depends on could be in grave danger, and enlists the help of a surly stable boy to hunt down the killer. Signa's best chance of uncovering the murderer, though, is an alliance with Death himself, a fascinating, dangerous shadow who has never been far from her side. Though he's made her life a living hell, Death shows Signa that their growing connection may be more powerful - and more irresistible - than she ever dared imagine. From New York Times bestselling author Adalyn Grace, *Belladonna* brings to life a highly romantic, gothic-infused world of wealth, desire, and betrayal. PRAISE FOR BELLADONNA 'This book is a true pleasure to read from beginning to end' Jennifer L. Tout deux vivent dans le colossal manoir des

Frissons frissonnants. Lily n'a pas beaucoup d'occasions de se faire des amis. Et, pour être honnête, elle est plutôt solitaire. Un jour, Lily rencontre Ismaël, une souris fantôme, qui lui apprend que Maltravers, le mystérieux garde-chasse d'intérieur, fomenté un mauvais coup. En enquêtant, Lily découvre que le manoir abrite d'autres enfants - ceux des domestiques. Elle sympathise plus particulièrement avec Emma, très douée en dessin, et William, un garçon caméléon qui se fond dans le décor. Tous les enfants ont fondé le Club du grenier : ils se réunissent dans le grenier, en secret, une fois par semaine, pour discuter de tout ce qui se passe au manoir. Lily va rejoindre le club. En parallèle, le manoir est dans tous ses états : la grande chasse annuelle va avoir lieu, et les invités de lord Goth, tous plus étranges et farfelus les uns que les autres, arrivent. Les enfants vont tenter de déjouer le sordide complot de Maltravers. Leur enquête les emmène dans tous les coins et recoins du manoir, du jardin très secret à l'ancienne glacière, en passant par l'aile secrète du manoir et ses pièces encore plus secrètes. Un monde extra-ordinaire, délirant, délicieux !". **Nieuwsblad Voor Den Boekhandel** May 23 2020 With 1855-1927 are issued and bound: Handelingen van de algemeene vergadering. *Catalogue des livres faisant partie du fonds de librairie ... de J.J. et M.J. de Bure frères ... dont la vente se fera. The Queen of Sicily and Gothic Stained Glass in Mussy and Tonnerre Oct 21 2022

Following the death of St. Louis, a new court fashion of ostentatious display was introduced into French stained glass with the advent of Queen Marie de Brabant, who in 1274 became the second wife of St Louis's heir Philippe le hardi. Little stained glass in this new style survives, since the very motifs that made it different--large donor 'portraits,' elaborate heraldry, lavish name--inscriptions -- became the most attractive targets of vandalism during the Hundred Years War, the Franco -- Burgundian struggles of the fifteenth century, the Huguenot conflict thereafter, and finally the French Revolution. This study reconstructs two ensembles in the new court style, at Mussy-sur--Seine in southern Champagne and at the famous medieval hospital of Tonnerre in Burgundy. Both of them can be directly connected with the extraordinary figure of Marguerite de Bourgogne. Burgundian princess, second wife and then widow of Charles d'Anjou, St Louis' brother, and titled the Queen of Sicily, Marguerite was a great peacemaker and one of the most revered agents of Christian charity of the Gothic era. The Mussy windows can be reconstructed almost completely with evidence from the surviving images, archival data, early photographs and

drawings, stylistic analysis, and careful identification of the heraldry and inscriptions. One bay was a gift of Gui de Gen?, bishop of Langres; another window was donated by the mason Perrenet Barottier (here identified as the designer of Mussy and Tonnerre) and his wife Jacqueline; yet another was a memorial to Gui de Mussy, soldier of Charles d'Anjou in Naples and undoubtedly killed in the Sicilian Vespers massacre of 1282. Finally, the Queen contributed the axial clerestory (the Crucifixion), the bay beneath it (the local St Vallier, patron of her parish at her residence in Tonnerre) and probably another window--totally destroyed but probably adorned with crowned images of Marguerite and Charles d'Anjou and their heraldry. An Inquiry Into the History of Scotland Preceding the Reign of Malcolm III. Or the Year 1056, Including the Authentic History of that Period Jul 18 2022

Julien-David Leroy and the Making of Architectural History Jul 06 2021 This book examines the career and publications of the French architect Julien-David Leroy (1724-1803) and his impact on architectural theory and pedagogy. Despite not leaving any built work, Leroy is a major international figure of eighteenth-century architectural theory and culture. Considering the place that Leroy occupied in various intellectual circles of the Enlightenment and Revolutionary period, this book examines the sources for his ideas about architectural history and theory and defines his impact on subsequent architectural thought.

This book will be of key interest to graduate students and scholars of Enlightenment-era architectural history.

Modern Architecture and the Sacred Jan 29 2021 This edited volume, *Modern Architecture and the Sacred*, presents a timely reappraisal of the manifold engagements that modern architecture has had with 'the sacred'. It comprises fourteen individual chapters arranged in three thematic sections - *Beginnings and Transformations of the Modern Sacred*; *Buildings for Modern Worship*; and *Semi-Sacred Settings in the Cultural Topography of Modernity*. The first interprets the intellectual and artistic roots of modern ideas of the sacred in the post-Enlightenment period and tracks the transformation of these in architecture over time. The second studies the ways in which organized religion responded to the challenges of the new modern self-

understanding, and then the third investigates the ways that abstract modern notions of the sacred have been embodied in the ersatz sacred contexts of theatres, galleries, memorials and museums. While centring on Western architecture during the decisive period of the first half of the 20th century - a time that takes in the early musings on spirituality by some of the avant-garde in defiance of *Sachlichkeit* and the machine aesthetic - the volume also considers the many-varied appropriations of sacrality that architects have made up to the present day, and also in social and cultural contexts beyond the West.

Sexuality and the Gothic Magic Lantern Jun 28 2023 This fascinating study explores the multifarious erotic themes associated with the magic lantern shows, which proved the dominant visual medium of the West for 350 years, and analyses how the shows influenced the portrayals of sexuality in major works of Gothic fiction.
