Officially censored upon its Chinese publication, Dream of Ding Village is based on a real-life blood-selling scandal in eastern China. The novel is the result of three years of undercover work by Yan Lianke, who worked as an assistant to a well-known Beijing anthropologist in an effort to study a small village decimated by HIV/AIDS as a result of unregulated blood selling. Whole villages were wiped out with no responsibility taken or

reparations paid. *Dream of Ding Village* focuses on one family, destroyed when one son rises to the top of the party pile as he exploits the situation, while another son is infected and dies. The result is a passionate and steely critique of the rate at which China is developing and what happens to those who get in the way. "Lianke confronts the black market blood trade and the subsequent AIDS epidemic it sparked, in a brilliant and harrowing novel." —Publishers Weekly, starred review The companion volume to the new PBS season of "Yan Can Cook" takes readers on the ultimate cook's tour of Asia, exploring each country's culture and cuisine separately. Recipes are accompanied by stunning color food shots with helpful preparation tips and techniques. 56 color photos. Map. From the Franz Kafka Prize-winning author. "Full of love, sorrow, and tenderness . . . a deeply heartfelt account of his family in the 1960s and 70s." —Xiaolu Guo, award-winning author of *Nine Continents* With

lyricism and deep emotion, Yan Lianke chronicles the extraordinary lives of his father and uncles, as well as his own during the Cultural Revolution. Living in a remote village, Yan's parents are so poor that they can only afford to use wheat flour on New Year and festival days, and while Yan dreams of fried scallion buns, and even steals from his father to buy sesame seed cakes. He yearns to leave the village, however he can, and soon novels become an escape. He resolves to become a writer himself after reading on the back of a novel that its author was given leave to remain in the city of Harbin after publishing her book. In the evenings, after finishing back-breaking shifts hauling stones at a cement factory, sometimes sixteen hours long, he sets to work writing. He is ultimately delivered from the drudgery and danger of manual labor by a career in the Army, but he is filled with regrets as he recalls these years of scarcity, turmoil, and poverty. A philosophical portrait of grief, death, home, and

fate that gleams with Yan's quick wit and gift for imagery, *Three Brothers* is a personal portrait of a politically devastating period, and a celebration of the power of the family to hold together even in the harshest circumstances. "This engaging book asks readers to consider the nature of life and death, city versus country, and the impact generations can have on each other." —Winnipeg Free Press

Packed with practical information, *Good Luck Life* contains an abundance of facts, legends, foods, old-village recipes, and quick planning guides for Chinese New Year, Clear Brightness, Dragon Boat, Mid-Autumn, and many other festivals. Written with warmth and wit, *Good Luck Life* is beautifully designed as an easily accessible cultural guide that includes an explanation of the Lunar Calendar, tips on Chinese table etiquette for dining with confidence, and dos and don'ts from wise Auntie Lao, who recounts ancient Chinese beliefs and superstitions. This is your map for celebrating a good luck life. Based on longitudinal ethnographic work on migration between the United States and Taiwan, *Time and Migration*

interrogates how long-term immigrants negotiate their needs as they grow older and how transnational migration shapes later-life transitions. Ken Chih-Yan Sun develops the concept of a "temporalities of migration" to examine the interaction between space, place, and time. He demonstrates how long-term settlement in the United States, coupled with changing homeland contexts, has inspired aging immigrants and returnees to rethink their sense of social belonging, remake intimate relations, and negotiate opportunities and constraints across borders. The interplay between migration and time shapes the ways aging migrant populations reassess and reconstruct relationships with their children, spouses, grandchildren, community members, and home, as well as host societies. Aging, Sun argues, is a global issue and must be reconsidered in a cross-border environment. From the New York Times best-selling creator of the Vanderbeekers series comes a triumphant tale of friendship,

“Vivid,—White Horse—mesmerizes from page one as events unfold through the unassuming lenses of a child’s mind. In recounting how young n n is trying to make sense of real life experiences in an adult world, Author Yan Ge weaves a fascinating tale of receptive hearts, rebellious spirits and hidden secrets infused with cultural values in this small Chinese community.” Lema Abeng-Nsah, Publisher and Editorial Director of—Dunia Magazine—Young, innocent n n lives with her widower father in a small town in West China but spends half of her

time at her cousin Zhang Qing's house, where they play and hide from the adults. However, n n's world starts to shatter when Quing enters middle school and turns into a rebellious teenager. As all things collide and family secrets begin to unravel, n n is quietly forced into growing up herself. A powerful coming-of-age tale with piercing insights into contemporary Chinese culture, acclaimed novelist Yan Ge's—White Horse—is both a touching and thought-provoking story. REVIEWS:Yan Ge is a master of extreme realism. This is something already recognised in her native country - China - where she has won the Chinese Literature Media Prize. Nicky Harman's translation has opened up the text for an English speaking audience. Overall White Horse is a typical example of a bildungsroman. It follows n n, via her childish voice, through a quagmire of growing pains. On another level the book is also interesting as a cultural document. For such a short book, Ge certainly manages to take on a

wide range of themes. She looks at death, lack of identity, young lesbian experiences, mental illness and social welfare. The novella is a good read as a social study as much as it is a story. (CADAVERINE Magazine) Contains 120 recipes for soups, appetizers, main dishes, salads, and desserts, with explanations of basic Asian ingredients and cooking techniques. A thrilling new novel from #1 New York Times bestselling author Lisa See explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of

tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, *Snow Flower and the Secret Fan*, See introduced the Yao people to her readers. Here she shares the customs of another Chinese ethnic minority, the Akha, whose world will soon change. Li-yan, one of the few educated girls on her mountain, translates for the stranger and is among the first to reject the rules that have shaped her existence. When she has a baby outside of wedlock, rather than stand by tradition, she wraps her daughter in a blanket, with a tea cake hidden in her swaddling, and abandons her in the nearest city. After mother and daughter have gone their separate ways, Li-yan slowly emerges from the security and insularity of her village to encounter modern life while Haley grows up a

privileged and well-loved California girl. Despite Haley's happy home life, she wonders about her origins; and Li-yan longs for her lost daughter. They both search for and find answers in the tea that has shaped their family's destiny for generations.
