Wenn Ihre Hochzeit vorbei ist und alle Geschenke geöffnet worden sind, werden Sie dankbar sein, dass Sie ein hochwertiges Hochzeitsplanungsbuch hatten, um Sie auf den großen Tag vorzubereiten. Die Hochzeitsplanung kann sehr anstrengend sein und ohne die Verwendung eines guten Hochzeitsplanungsbuchs wird eventuell viel mehr Zeit zur Vorbereitung und Planung einer Hochzeit nötig sein. What to do with a Wedding Planning Book Make the Most of Your Wedding Planning Book After your wedding is over and all of the presents have been opened, you will be grateful that you had a quality wedding planning book to get you prepped for the big day. Wedding planning can be stressful, and the amount of time that it takes to prepare and plan for a wedding can be greatly increased without the use of a good wedding planning book. As you write down the important dates and events

that led up to your wedding, you will be able to have them in your book for quick and easy reference. Your wedding planning book will be the staple of your pre-wedding activities, and it is something that will be fun to keep for years. "The perfect housekeeping guide for somebody who is overwhelmed with their mess and can't figure out how to start." -Lifehacker "An accessible guide on how to clean for normal people." -Livestrong "It actually changed my life and my home; I'm serious." -Book Riot Finally, a housekeeping and organizational system developed for those of us who'd describe our current living situation as a "f*cking mess" that we're desperate to fix. Unf*ck Your Habitat is for anyone who has been left behind by traditional aspirational systems. The ones that ignore single people with full-time jobs; people without kids but living with roommates; and people with mental illnesses or physical limitations. Most organizational books are aimed at traditional homemakers, DIYers, and people who seem to have unimaginable

amounts of free time. They assume we all iron our sheets, have linen napkins to match our table runners, and can keep plants alive for longer than a week. Basically, they ignore most of us living here in the real world! Interspersed with lists and challenges, this practical, no-nonsense advice relies on a 20/10 system (20 minutes of cleaning followed by a 10-minute break; no marathon cleaning allowed) to help you develop lifelong habits. It motivates you to embrace a new lifestyle in manageable sections so you can actually start applying the tactics as you progress. For everyone stuck between The Life-Changing Magic of Tidying Up and Adulting, this philosophy is more realistic than aspirational, but the goal is the same: not everyone will have a showcase of a home, but whatever your habitat, you deserve for it to bring you happiness, not stress.
