From award-winning author Cathy Yardley comes *Love, Comment, Subscribe*, a fun, feisty romance about high school frenemies turned unlikely collaborators. Back in high school, Lily Wang wanted to be popular, but she considered herself lucky to be part of a tight group of oddballs and honors students called the Nerd Herd. Now, at twenty-eight, she feels like she's finally on the cusp of succeeding as a beauty influencer--if she can hit five million subscribers, brands will take notice and she

could get her own makeup line. Fellow Nerd Herd alum Tobin Bui has had a lot of success as a YouTube gamer. But the road to online stardom has been rocky. First, he disappointed his parents by dropping out of college, and now, after years of pranks, skits, and playthroughs, he's struggling to come up with new content to satisfy his ever-growing fan base. His agents say he needs cross-audience appeal, a new twist. When Nerd Herd frenemy Lily approaches Tobin about teaming up to do a video to bolster her brand and reinvigorate his, he agrees. But when their first collab video goes viral, their relationship heats up too. With the whole internet watching, will these two former misfits finally realize they're perfect together? The sad lament of Pecos Bill on the eve of killing his wife: Cast: gender - mixed; number - 1 male, 1 female; size - small; ages - adults. Weston "Major" Marian: After running away at the age of seventeen, I found a home in the Army. It wasn't long before my fellow soldiers became family, giving purpose to my time in Vietnam. But everything changes when Doc Wilde joins my medevac crew. A night alone in the jungle after a helicopter crash forces us to rely on each other for survival, the secrets we share cementing a bond between us deeper than any I've ever known. Doc begins to play a starring role in my late night fantasies even though he can never be anything more than a friend, a brother-in-arms. He's straight, with family back in Texas, and I could kiss my career goodbye if anyone in the Army

discovered my secret. When our tours finally end, and we go our separate ways, Doc heads home to his perfect family while I continue to serve. I thought that was the end of our story. Turns out I was wrong. Liam "Doc" Wilde: When I wind up on the front lines in Vietnam young and afraid, it's Major Marian who comes to my rescue. He's tough, brave, and quiet, and he vows to keep me safe. He's the only reason I make it home alive. For some, a friendship like ours might have ended once we left the jungle behind, but life without Major Marian isn't an option. Over time, our connection continues to grow. It's no surprise when, years later, an unexpected illness turns my life upside down, he's the first person I turn to for help. And, as always, he drops everything to rescue me. I soon realize that at every step of my life, Major has been there, by my side, putting me first. All this time he's been standing in the sidelines, waiting patiently to hand over his heart into my safekeeping. Even though I never imagined building a future with another man, seeing Major in this new light is a revelation. And suddenly I can't imagine my life any other way. #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will

read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America. In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because The

Lincoln Highway is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” - Bill Gates A superb volume, fully worthy of these famous but often misunderstood poems. P. G. Walsh's unmatched erudition in Latin literature furnishes lucid grammatical explanations, incisive analysis of goliardic literary values and technique, and illuminating references to ancient and medieval parallels. His prose translations make the poems accessible also to those with little or no Latin. Janet M. Martin, Princeton University Lushly written with rich and vivid characters, *Santa Olivia* is Jacqueline Carey's take on comic book superheroes and the classic werewolf myth. Loup Garron was born and raised in Santa Olivia, an isolated, disenfranchised town next to a US military base inside a DMZ buffer zone between Texas and Mexico. A fugitive "Wolf-Man" who had a love affair with a local woman, Loup's father was one of a group of men genetically-manipulated and used by the US government as a weapon. The "Wolf-Men" were engineered to have superhuman strength, speed, sensory

capability, stamina, and a total lack of fear, and Loup, named for and sharing her father's wolf-like qualities, is marked as an outsider. After her mother dies, Loup goes to live among the misfit orphans at the parish church, where they seethe from the injustices visited upon the locals by the soldiers. Eventually, the orphans find an outlet for their frustrations: They form a vigilante group to support Loup Garron who, costumed as their patron saint, Santa Olivia, uses her special abilities to avenge the town. Aware that she could lose her freedom, and possibly her life, Loup is determined to fight to redress the wrongs her community has suffered. And like the reincarnation of their patron saint, she will bring hope to all of Santa Olivia. “Brave, honest, and necessary.”—Nancy Pearl, NPR Seattle Kayla Williams is one of the 15 percent of the U.S. Army that is female, and she is a great storyteller. With a voice that is “funny, frank and full of gritty details” (New York Daily News), she tells of enlisting under Clinton; of learning Arabic; of the sense of duty that fractured her relationships; of being surrounded by bravery and bigotry, sexism and fear; of seeing 9/11 on Al-Jazeera; and of knowing she would be going to war. With a passion that makes her memoir “nearly impossible to put down” (Buffalo News) Williams shares the powerful gamut of her experiences in Iraq, from caring for a wounded civilian to aiming a rifle at a child. Angry at the bureaucracy and the conflicting messages of today's military, Williams offers us “a raw,

unadulterated look at war” (San Antonio Express News) and at the U.S. Army. And she gives us a woman’s story of empowerment and self-discovery. As the realities of the war became apparent, however, the letters and diaries turned from idealized themes of honor and country to solemn reflections on love and home.”--Jacket. John, a high school dropout, enlists in the Army not knowing what else to do with his life. While in the Army he meets Savannah, they fall in love and she awaits his return from the Army. After 9/11 John feels it's his duty to re-enlist. During their long separation Savannah falls in love and marries someone else. What happens when your internet crush, shows up in real life? “This has everything a romance glutton could wish for: a bold, talented, and dashing hero, a heart-stopping love affair!”—Daily Mail (London) Paullina Simons’s internationally bestselling blockbuster *The Bronze Horseman* told the heart-soaring tale of a young Russian woman’s transcendent love affair with a Red Army soldier during the siege of Leningrad in the dark days of World War Two. The epic story continues in *Tatiana and Alexander*—a novel of the enduring power of love and commitment against the devastating forces of war and the equally dangerous forces of keeping the peace. Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel’s doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count’s endeavor to gain a deeper understanding of what it means to be a man of purpose. An Italian septuagenarian recounts his life before and after World War I in this novel from the author of *Paris in the Present Tense*. For Alessandro Giullani, the young son of a prosperous Roman lawyer, golden trees shimmer in the sun beneath a sky of perfect blue. At night, the moon is amber and the city of Rome seethes with light. He races horses across the country to the sea, and in the Alps, he practices the precise and sublime art of mountain climbing. At the ancient university

in Bologna he is a student of painting and the science of beauty. And he falls in love. His is a world of adventure and dreams, of music, storm, and the spirit. Then the Great War intervenes. Half a century later, in August of 1964, Alessandro, a white-haired professor, still tall and proud, finds himself unexpectedly on the road with an illiterate young factory worker. As they walk toward Monte Prato, a village seventy kilometers distant, the old man tells the story of his life. How he became a soldier. A hero. A prisoner. A deserter. A wanderer in the hell that claimed Europe. And how he tragically lost one family and gained another. The boy is dazzled by the action and envious of the richness and color of the story, and realizes that the old man's magnificent tale of love and war is more than a tale: it is the recapitulation of his life, his reckoning with mortality, and above all, a love song for his family. “[A] testimony to the indomitable human spirit. Highly recommended.”—Library Journal This charming volume explores the sum and substance of love while recognizing the elements that make it such an incredibly wonderful part of life. Helping along the way are the individually selected animal photographs that perfectly convey the ideas that Bradley presents. Latin love elegy is one of the most important poetic genres in the Augustan era, also known as the golden age of Roman literature. This volume brings together leading scholars from Australia, Europe and North America to present and explore the

Greek and Roman backdrop for Latin love elegy, the individual Latin love elegists (both the canonical and the non-canonical), their poems and influence on writers in later times. The book is designed as an accessible introduction for the general reader interested in Latin love elegy and the history of love and lament in Western literature, as well as a collection of critically stimulating essays for students and scholars of Latin poetry and of the classical tradition. Dear Vixen, Please help me! My hunky and reclusive next door neighbor is a true hero. When my ex busted down my door and attacked me, my neighbor Booker saved me, at extreme cost to himself. He knocked the guy out and watched over me until the police could haul my assailant away. Then he let me patch him up, but the caring led to more. We spent one beautiful night together, but he hasn't spoken to me very much since. Actually, he's gone to extreme lengths to avoid me, telling me what we had wasn't going anywhere. Now, though, things are happening that make me think my ex is stalking me, and Booker is here to watch out for me. I'm afraid it won't last long, because there's a part of him that just won't let me in. I've tried to connect with him but he's a wounded veteran, a U.S. Army Ranger, and I believe he thinks everything I do is because I pity him or something. I just want to get to know him. I have no regrets from loving him and I hope he doesn't either. I can tell he's an incredible, honorable man, something we women dream of

finding, but rarely do. I'm afraid I've fallen for an unreachable dream. I'm hoping that you will read this on your podcast on Friday. I've caught my neighbor listening to your show a couple of times, and I think it may be the only way I can get my message across to him. Booker, if you're listening, come knock on my door. Dinner is ready. Dessert is optional. From Catullus to Horace, the tradition of Latin erotic poetry produced works of literature which are still read throughout the world. Ovid's *Amores*, written in the first century BC, is arguably the best-known and most popular collection in this tradition. Born in 43 BC, Ovid was educated in Rome in preparation for a career in public services before finding his calling as a poet. He may have begun writing his *Amores* as early as 25 BC. Although influenced by poets such as Catullus, Ovid demonstrates a much greater

awareness of the funny side of love than any of his predecessors. The *Amores* is a collection of romantic poems centered on the poet's own complicated love life: he is involved with a woman, Corinna, who is sometimes unobtainable, sometimes compliant, and often difficult and domineering. Whether as a literary trope, or perhaps merely as a human response to the problems of love in the real world, the principal focus of these poems is the poet himself, and his failures, foolishness, and delusions. By the time he was in his forties, Ovid was Rome's most important living poet; his *Metamorphoses*, a kaleidoscopic epic poem about love and hatred among the gods and mortals, is one of the most admired and influential books of all time. In AD 8, Ovid was exiled by Augustus to Romania, for reasons that remain obscure. He died there in AD 17. The *Amores* were originally published in five books, but reissued around 1 AD in their current three-book form. This edition of the first book of the collection contains the complete Latin text of Book 1, along with commentary, notes and full vocabulary. Both entertaining and thought-provoking, this book will provide an invaluable aid to students of Latin and general readers alike. This book contain embedded audio files of the original text read aloud by Aleksandra Szybowska. But he only has eyes for December Howard, the girl he has yearned for since his high school hockey days. Together they have survived grief, the military, distance, and time as they've fought for stolen weekends between his post at Ft. Rucker and her schooling at Vanderbilt. Now that Josh is a medevac pilot and Ember is headed toward graduation, they're moving on—and in—together. Ember never wanted the Army life, but loving Josh means accepting whatever the army dictates—even when that means saying goodbye as Josh heads to Afghanistan, a country that nearly killed him once before and that took her father. But filling their last days together with love, passion, and plans for their future doesn't temper Ember's fear, and if there's one thing she's learned from her father's death, it's that there are some obstacles even love can't conquer. Letters's Jesse H. Jones Award for Best Fiction A Long Petal of the Sea meets Cold Mountain in this "epic and exquisitely wrought" (Patricia Engel, New York Times bestselling author) saga following a Mexican army nurse and an Irish soldier who must fight, at first for their survival and then for their love, amidst the atrocity of the Mexican-American War—from the author of The Distance Between Us. A forgotten war. An unforgettable romance. The year is 1846. After the controversial annexation of Texas, the US Army marches south to provoke war with México over the disputed Río Grande boundary. Ximena Salomé is a gifted Mexican healer who dreams of building a family with the man she loves on the coveted land she calls home. But when Texas Rangers storm her ranch and shoot her husband dead, her dreams are burned to ashes. Vowing to honor her husband's memory and defend her country, Ximena uses her healing skills as a nurse on the frontlines of the ravaging war. Meanwhile, John Riley, an Irish immigrant in the Yankee army desperate to help his family escape the famine devastating his homeland, is sickened by the unjust war and the unspeakable atrocities against his countrymen by nativist officers. In a bold act of defiance, he swims across the Río Grande and joins the Mexican Army—a desertion punishable by execution. He forms the St. Patrick's Battalion, a band of Irish soldiers willing to fight to the death for México's freedom. When Ximena and John meet, a dangerous attraction blooms between them. As

the war intensifies, so does their passion. Swept up by forces with the power to change history, they fight not only for the fate of a nation but for their future together. "A grand and soulful novel by a storyteller who has hit her full stride" (Julia Alvarez, author of In the Time of the Butterflies), A Ballad of Love and Glory effortlessly illuminates a largely forgotten moment in history that impacts the US-México border to this day. Love can be surprising. Love can be heartbreaking. Love can be an art. But love is the singular emotion that all humans rely on most . . . and crave endlessly, no matter what the cost. What do a Black American soldier, invalidated out at Yorktown, and a white British officer who deserted his post have in common? Quite a bit, actually. • They attempted to kill each other the first time they met. • They're liable to try again at some point in the five-

hundred mile journey that they're inexplicably sharing. • They are not falling in love with each other. • They are not falling in love with each other. • They are... Oh, no. The Pursuit Of... is a love affair between two men and the Declaration of Independence. It's a novella of around 38,000 words. "For sheer adventure L'Amour is in top form."—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L'Amour's hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux. Lawrence of Arabia meets Sebastian Junger's War in this unique, incendiary, and dramatic true story of heroism and heartbreak in Afghanistan written by a Pulitzer Prize-nominated war correspondent. Army Special Forces Major Jim Gant changed the face of America's war effort in Afghanistan. A decorated Green Beret who spent years in Afghanistan and Iraq training indigenous fighters, Gant argued for embedding autonomous units with tribes across Afghanistan to earn the Afghans' trust and

transform them into a reliable ally with whom we could defeat the Taliban and counter al-Qaeda networks. The military's top brass, including General David Petraeus, commander of U.S. Forces in Afghanistan, approved, and Gant was tasked with implementing his controversial strategy. Veteran war correspondent Ann Scott Tyson first spoke with Gant when he was awarded the Silver Star in 2007.
