Il y a 35 000 ans, une longue période glaciaire s'achève et la Terre commence à se réchauffer.
Lentement, durant des millénaires, l'homme s'est peu à peu dégagé de la bête et il apparaît à
tel qu'il est aujourd'hui. Il connaît l'outil, le feu, le vêtement. Il fabrique des armes pour chasse

Notre héros, sollicité par Libération pour son aventure de l'été, propose une formidable idée de reportage : la naissance des cigales aux États-Unis. Le voilà donc à New York avec son copain venu travailler pour Spielberg et finalement recyclé serveur de cassoulet dans un restaurant. Lucie, une vague copine plutôt acariâtre, qui s'intéresse à lui quand elle est suffisamment bouffarde pour le trouver attractif, ou quand il paie l'addition du Michael Jordan's Steak House : mille balles le plat de nouilles + le Chardonnay, un vin qui marche bien là-bas. Donc, cet été dans Libération, on a découvert les aventures de Riad Sattouf en Amérique — en noir et blanc, alors que là, c'est en couleurs. Une balade exotique including les moeurs des Français de New York et de quelques autochtones célèbres, ainsi que la visite des lieux sacrés, comme Ground Zéro (du grillage avec rien au milieu). Park Avenue, où Riad rêve d'emménager, malgré les nuisances inhérentes : Va falloir dire à Julia Roberts d'arrêter de tirer la chasse d'eau à partir de 22h. Pourquoi No Sex in New York ? Parce que le mot sex fait vendre, même avec no devant. En effet, les copains fantasment beaucoup mais ça ne marche pas, peu, et il est aussi coton de trouver l'âme soeur à New York qu'au camping de La Roche du Bois. Ce qui fait de cette virée new-yorkaise une galère hilarante et touchante, bourrée de détails poétiques et de détails comme les effets laxatifs des Chicklets Gum — sans la moindre cigale. Né en 1978 d'un père algérien et d'une mère française, Riad Sattouf partage son enfance entre Algérie, la Libye et la Syrie, où il passe ses premiers ans. Après une éducation musulmane dans une école de village, il est parachuté en France et découvre l'Occident. Il découvre aussi qu'il n'a aucun succès avec les filles, ce qui lui laisse du temps pour dessiner. Néanmoins pourvu d'un Bac, il poursuit des études d'arts appliqués, puis de cinéma d'animation aux Gobelins, à Paris. Période pendant laquelle il réalise une série de BD pour Delcourt et des illustrations pour divers éditeurs du rayon jeunesse. En 2002, il entre chez Dargaud avec les Pauvres Aventures de Jérémie, et récolte en 2003 le Prix Goscinny du scénario pour le tome 1, Les Pieds de Florence. What if you fell in love with the one person you'd sworn to destroy? Lara has had that one thought for her husband on their wedding day: I will bring your kingdom to its knees. A person trained from childhood to be a lethal spy, Lara knows that the Bridge Kingdom represents both the most legendary evil - and legendary promise. The only route through a storm-ravaged world, the Bridge Kingdom controls all trade and travel between lands, allowing its ruler to enrich himself and d

enemies, including Lara's homeland. So when she is sent as a bride under the guise of fulfilling of peace, Lara is prepared to do whatever it takes to fracture the defenses of the impenetrable Kingdom. But as she infiltrates her new home - a lush paradise surrounded by tempest seas - to know her new husband, Aren, Lara begins to question where the true evil resides. Around her she sees a kingdom fighting for survival, and in Aren, a man fiercely protective of his people. As her love drives her to deeper understanding of the fight to possess the bridge, Lara finds the simmering tension between her and Aren impossible to ignore. Her goal nearly within reach, Lara will have to decide her own fate: Will she be the destroyer of a king or the savior of her people? The million-copy French bestseller makes its English language debut! Meet two wonderful young girls who happen to be sisters - Maureen and her older sister Wendy. Both are full of personality and a strong sense of independence. Sure, even though they may love each other with all their hearts, it's not always easy for the two of them to be together. After all, when kids are still very young, age differences are much more meaningful. While Maureen wants to hang out with her older sister, nothing could be more embarrassing for Wendy. See how, against all odds, they still manage to get through each day without killing each other... well, at least sometimes. In addition to the main story, this volume features great backup features including the "Guide to Maureen's journal entries and much more! Now an Apple Original from Apple TV+! Sun... sand... sand... spooky adventures! Things are getting weird in Surfside. Lately, Samantha's best friend Jade ends up in fits of giggles whenever she sees a boy, and it's throwing a wrench into the kick-back surfing and hanging out that Sam had planned. But after swimming through a secret underwater tunnel, Sam starts to... see things. Like ghosts. And pirates. And maybe something even scarier! Can Jade get to the bottom of this mystery in time to save their town? 2018 Pubwest Design Award Winner for Graphic Album, New Material "One is not born a woman, but becomes one", Simone de Beauvoir A symbol of liberated womanhood, Simone de Beauvoir's unconventional relationships inspired and scandalised her generation. A philosopher, writer, and feminist icon, she won prestigious literary prizes and transformed the way we think about gender with *The Second Sex*. But despite her successes, she wondered if she had sold herself short. Her liaison with Jean-Paul Sartre has long been regarded as one of the most legendary love affairs of the twentieth century. But for Beauvoir it came with a cost. For decades she was dismissed as an unoriginal thinker who 'applied' Sartre's ideas. In recent years, new material has come to light revealing the ingenuity of Beauvoir's own philosophy and the importance of her other lovers in her life. This ground-breaking biography draws on never-before-published diaries and letters to tell the fascinating story of how Simone de Beauvoir became herself. Les humains sont incapables de voir les gnomes. C'est qu'ils sont très doués, les humains, surtout quand il s'agit de voir des choses dont ils pensent qu'elles n'existent pas ! Et pourtant, les gnomes sont là, toujours nous. Et si notre monde leur paraît bien étrange, ils essaient au moins de le comprendre. Vam-pires. Le soif de vengeance est bien plus forte que votre soif de sang ! Un virus inconnu a décimé l'humanité. Seuls les enfants ont survécu au fléau et vivent dans une cité souterraine sous la domination des vampires. Yûkhirô Ryakuya, un jeune garçon courageux, réussit à s'enfuir au prix du sacrifice de plusieurs de ses compagnons qu'il promet de venger. Quel monde va-t-il découvrir à la surface? your A in gear!
